**1. DATGANIADAU O FUDDIANNAU PERSONOL**

Ni chafwyd dim datganiadau o fuddiant personol.

**2. COFNOD PENDERFYNIADAU - 18 GORFFENNAF 2018**

**PENDERFYNWYD** llofnodi bod cofnod penderfyniadau'r cyfarfod a gynhaliwyd ar 18 Gorffennaf 2018 yn gofnod cywir.

**3. CYMORTH ARIANNOL O'R CRONFEYDD GRANTIAU CANLYNOL: GRONFA CYLLID A DARGEDIR A'R CRONFA'R DEGWM**

**PENDERFYNWYD** cymeradwyo'r ceisiadau canlynol am gymorth o Gronfa'r Degwm a'r Gronfa Cyllid a Dargedir yn amodol ar y telerau a'r amodau arferol ac ar y rhai a bennwyd yn yr adroddiad:

**Ymgeisydd**

£3,000.00  
£3,000.00  
£10,000.00

**4. ADRODDIADAU NAD YDYNT I'W CYHOEDDI.**

**PENDERFYNWYD** yn unol â Deddf Llywodraeth Leol 1972, fel y'i diwygiwyd gan Orchymyn Llywodraeth Leol (Mynediad at Wybodaeth) (Amrywio) (Cymru) 2007, na fyddai'r eitemau canlynol yn cael eu cyhoeddi, gan fod yr adroddiadau'n cynnwys gwybodaeth eithriedig fel y'i diffiniwyd ym Mharagraff 14 o Ran 4 o Atodlen 12A i'r Ddeddf.

**5. CRONFA CYCHWYN BUSNES/TWF BUSNES SIR GAERFYRDDIN**

Ar ôl cynnal prawf budd y cyhoedd **PENDERFYNWYD**, yn unol â'r Ddeddf y cyfeiriwyd ati yng nghofnod rhif 4 uchod, beidio â chyhoeddi cynnwys yr adroddiad gan ei fod yn cynnwys gwybodaeth eithriedig am faterion ariannol neu faterion busnes unigolyn penodol (gan gynnwys yr Awdurdod oedd yn meddu ar y wybodaeth honno) (Paragraff 14 o Ran 4 o Atodlen 12A i'r Ddeddf).

Yr oedd y prawf budd y cyhoedd o ran y mater hwn yn ymwneud â'r ffaith fod yr adroddiad yn cynnwys gwybodaeth fanwl am faterion a dyheadau busnes ac ariannol yr ymgeiswyr. Yn yr achos hwn, yr oedd y budd i'r cyhoedd o ran cadw cyfrinachedd yn drech na'r budd i'r cyhoedd o ran tryloywder ac atebolrwydd, gan y byddai datgelu'r wybodaeth yn debygol o niweidio'r ymgeiswyr ar hyn o bryd.

Yn dilyn cofnod 3 o'r cyfarfod a gynhaliwyd ar 19 Chwefror 2018 ystyriodd yr Aelod o'r Bwrdd Gweithredol geisiadau am gymorth gan Gronfa Cychwyn Busnes Sir Gaerfyrddin a Chronfa Twf Busnes Sir Gaerfyrddin. Blaenoriaeth y ddwy gronfa oedd cefnogi'r gwaith o greu swyddi a busnesau newydd yn y Sir. Nododd yr Aelod o'r Bwrdd Gweithredol fân newidiadau a wnaed i'r ddogfennaeth ar gyfer y naill Gronfa a'r llall, a ddigwyddodd yn sgil oedi wrth lansio'r cynllun a'r trefniadau ymarferol cysylltiedig.

**PENDERFYNWYD** cymeradwyo'r ceisiadau canlynol am gymorth o Gronfa Cychwyn Busnes Sir Gaerfyrddin a Chronfa Twf Busnes Sir Gaerfyrddin yn amodol ar y telerau a'r amodau arferol ac ar y rhai a bennwyd yn yr adroddiad:

Project Title	External Refurbishments
Applicant	Llangathen Village Hall
Project Description	<p>The hall has been extensively restored to its former glory since securing funding, with only external works to be completed and restoration of some windows.</p> <p>The community now have a place to socialise, take exercise and enjoy cultural events that have engendered the community support and pride.</p> <p>Through extensive consultation undertaken, identifying the need for the restoration, to enable a delivery of activities designed by the community, has been a great success and the hall is now providing these activities on a daily basis, including;</p> <ul style="list-style-type: none"> <li>• Arts @ the Hall</li> <li>• Pure fitness Pilates</li> <li>• Jungle body konga</li> <li>• Lau gar kung Fu</li> <li>• Strong and slow yoga</li> <li>• Keep fit classes</li> <li>• Knitting at the hall</li> <li>• Walking and gardening groups</li> <li>• Swing dance</li> <li>• Creative writing</li> <li>• Bingo, whist &amp; film evenings</li> </ul> <p>The hall is now also an attractive venue for weddings and has undertaken 4 functions with further bookings being made for 2019, assisting in the long term sustainability.</p> <p>Organisations, groups and Charities, now have a venue suitable to hold functions and events which have improved the recreational, cultural and educational needs of the community, which has positively impacted on people's health and wellbeing, encouraged social interaction and reduced social isolation as well as benefiting the charities.</p>

	<p>Unfortunately, the exterior of the hall does not justify the internal refurbishments, also, the uneven grounds are dangerous for accessibility into the hall, especially for the elderly and disabled, more so when there has been heavy rain.</p> <p><b>This project is to enable the</b> grounds to be landscaped and new parking area laid, also disabled access paths and seating area. In order to carry out this work they will use volunteer labour from the community.</p> <p>Also, to install fitted roller black out blinds to the 6 bay windows, as the extensive sun and light has an impact on the majority of activities undertaken within the hall, as identified by its users, also afraid of damage to the restoration of the parquet flooring, due to the direct sunlight, raising and fading the wood.</p> <p>Also a portable fold away stage is also required, to undertake various events, which has been identified, which need to be raised off the floor for maximum effect, in showcasing Arts, also theatre, choir and cultural events, enabling ease of viewing from the seated community.</p>

<b>Project Title</b>	Development of a MUGA
<b>Applicant</b>	<b>Gate &amp; District Welfare Association</b>
<b>Project Description</b>	<p>Five years ago a survey was conducted regarding facilities at the hall and it emerged that a sports surface was a priority and the committee proceeded with plans to carry out the community's request. This turned out to be very frustrating as initial plans to drain and re-seed the field to an open access playing sports field had to be abandoned due to the discovery of the Marsh Fritillaries habitat and agreement had to be made for the protection and management of this with Caeau Mynydd Mawr SAC project, a special area of conservation.</p> <p>The past four years have been very challenging in undertaking consultation with various parties and the community in identifying a way forward in meeting the needs of the community but adhering to conservation restrictions, but agreement was finally made to support Butterfly Conservation Wales in conjunction with Caeau Mynydd Mawr and accepting that they can only utilise a reduced area of the field, and full planning permission has been received.</p> <p>The hall is the hub of the community utilised on a daily basis for various activities and the community commitment and support is overwhelming, and whilst consultation was being undertaken regarding the field and to maintain community spirit and engagement, they received grants for various projects including the installation of a toddlers play area, raised beds and seating areas, which involved 20 volunteers from residents of the local and wider community and was conceived through consultation with children and parents in the local community.</p> <p>The loss of the sports field amenity has been compensated by the proposed construction of a multi-use games area on a small part of the land and full planning permission has been received.</p> <p>The proposed area at the rear of the hall will consist of approximately 600 sq. metres and the development has a very low risk element as careful consideration has been made of the safety element, with secure and rigid 2.4m height fencing around the perimeter, suitable surfacing, curved and rounded surfaces for sporting and structural appliances, accommodating areas suitable for 5 a side football, tennis and netball courts, indicated and identified by colour coding.</p> <p>The MUGA will provide a 'breathing space' and play opportunities for the communities that surrounds it. The site already enjoys the support of the local community and visitors and the proposed work</p>

	<p>will increase its attractiveness through improving and increasing the facilities and widening the range of activities within the grounds.</p> <p>The committee have engaged in separate consultation exercises with the local residents and wider community to identify their needs and views, resulting in this project development.</p>

<b>Officer Comments</b>	<p>Success of the project has been reflected on how successfully the play area has been embraced by the community, it has demonstrated a picture of change in the lives of the children and closer communities emerging, demonstrated by children playing outside on a regular basis contributing to a healthier and more physically active generation which is of benefit to the wider society.</p> <p>The community engagement has continued to strengthen and even though the hall is well utilised for daily activities, the community wish to improve on this and provide the opportunity to include additional diverse use of the hall grounds, providing more opportunities for outdoor inter-generational activities.</p>

<b>Project Title</b>	Equipment & Marketing
<b>Applicant</b>	<b>Ammanford Community Theatre Group</b>
<b>Project Description</b>	<p>Ammanford Community Theatre is a voluntary organisation which has been in existence for six years, producing theatre in the community and raising participation in the Arts, by creating sell out productions, such as Sleeping Beauty and Cinderella, held within Ammanford Miners Theatre.</p> <p>The group will create and produce two brand new theatre productions to be held at the local Miners Theatre involving approximately 80 participants of all ages. The funding is required to purchase 12 microphones, additional staging and publicity.</p> <p>This project is for the group to purchase equipment and marketing of the organisation. They would like to purchase more staging as currently this is very minimal, by improving this they can raise the standard of their productions, also produce marketing material to promote and publicise their group, by creating banners, posters and flyers. They would also like to include adverts in the local press and create more online presence.</p> <p>They also want to purchase microphones, which will enable them to offer more singing opportunities rather than just acting and dance, through their partnership with a local dance company, especially in their pantomimes, which will attract a wider range of people to the group.</p> <p>It will enable the group to expand their repertoire and support other events in the area providing further opportunities for people in performance whilst also improving social cohesion and partnerships with other organisations in the area.</p> <p>This year they will be holding two productions, a comedy play in June and a pantomime in December. They hope to develop their already successful beginnings by creating more community based theatre and engaging with a wider audience and by purchasing new equipment, they will be enhancing the experience not only for their participants but also their audience. This in turn will attract more people to the group, also more involvement within the arts in a wider sense.</p> <p>Being actively involved in a group like this encourages social cohesion and enhances connections and networks giving a stronger sense of place and identity. Community theatre and arts increase civic participation and foster a positive perception.</p> <p>They are hoping to develop more Welsh performances.</p>
<b>Total Project Cost</b>	<b>£4,300.00 - Gross</b>

<b>Project Title</b>	<b>Enhancement of Visitor Experience and Facilities at Cynheidre Heritage Centre.</b>
<b>Applicant</b>	<b>Llanelli Mynydd Mawr Railway Company Ltd</b>
<b>Ward</b>	<b>Glyn</b>
<b>Key Account Management</b>	<p>The Targeted Finance Fund is a discretionary fund available to Key Account Management (KAM) clients. For an organisation to become a KAM client they must be a third sector not for profit organisation that falls into one of the following 3 categories:</p> <ul style="list-style-type: none"> <li>• Existing social enterprises that have the potential to grow, be sustainable and create employment ✓</li> <li>• Emerging projects that have the potential to create jobs</li> <li>• Third sector organisations that deliver vital services within our communities</li> </ul>
<b>Project Description</b>	<p>The Llanelli &amp; Mynydd Mawr Railway Company was established in 1999 with the initial aim to re-open the old railway track to the old colliery in Cynheidre. This historic line is recognised as Britain's first operating public railway authorised by the Act of Parliament in 1802.</p> <p>Within the past eight years the company has purchased the freehold at the former colliery, a site that covers around 20 acres.</p> <p>Since the incorporation of the charity, a huge amount of work has been carried out by 30 plus dedicated Volunteers, including the construction of a Heritage Centre and stock shed to house their existing engines and rolling stock. Also a platform has been built at Cynheidre and the initial rail for the running line has been laid.</p> <p>They want to expand the project further by extending the running line to incorporate a longer travel distance, to running the buffet service more regularly for users of the cycle path as well as regular open days. This expansion will attract more visitors, increase footfall and boost income.</p> <p>Funding is required to enhance the visitor experience by:</p> <ul style="list-style-type: none"> <li>• Extending and widening the train platform from 20 metres to 42 metres in length and from 2 metres to 6 metres in width to accommodate two-carriage trains and a greater number of</li> </ul>

	<p>passengers.</p> <ul style="list-style-type: none"> <li>• Installing mains electricity on site (currently a generator is relied upon).</li> <li>• Purchasing materials (ballast and rail fish plates) for use in an extension of the track to up to three-quarters of a mile.</li> <li>• Clearing vegetation, ground clearance and installation of fencing to enable extension of the track and running of trains.</li> <li>• Installing two crossings to accommodate the rights of the adjoining farm and safe running of trains.</li> <li>• Installation of two existing picnic tables and provision and installation of two further picnic tables.</li> </ul> <p>There will be many opportunities for people to become involved in activities, volunteering has been key to the success of the project and is a key factor in reducing isolation and promoting wellbeing and healthy lifestyles. The project provides opportunities for learning skills and provides work experience for those seeking a pathway to greater prosperity.</p> <p>The site affords opportunities for walking and cycling in the area and the company actively supports and promotes such pastimes.</p> <p>LMMR has created a variety of wildlife areas, constructed a 90 metre pond and planted thousands of trees. The strategy is to ensure that the environmental aspects of the site will support and complement the other facilities to provide a unique visitor experience and to fully exploit the educational opportunities available.</p> <p>They work closely with local schools who are enthusiastic about the opportunities for students to learn about the rich industrial heritage of the area and the unique ecological setting of the site. The involvement of schools is an ongoing commitment and covers a new intake of children each year, who undertake guided tours along the site, carry out projects involved with aspects of the history of the railway and have also assisted in environmental work, such as tree and hedge planting and to date several hundred children have been involved in this way.</p> <p>The promotion of Carmarthenshire as a world class visitor destination is helping to boost the local economy, the project seeks to enhance this objective by providing a unique heritage attraction and the project was recently recognised by the Carmarthenshire Tourist Association as highly commended in the category of most exciting new tourism business.</p> <p>All facilities at the site are fully accessible to all and currently every Saturday several people of differing ages and with varying degrees of learning disability attend with their carers to help with work on the site.</p>

<b>Evidence of Need / Community Engagement</b>	<p>Unlike local railway centres LMMR is a demonstration line. This means that the current line in place is along the same path as the original Carmarthenshire Tram road (pre 1800) and the Cynheidre Public operating railway (1802) which serviced the colliery at Cynheidre. Their aim is to provide a Heritage Centre and a full size steam and diesel demonstration railway.</p> <p>A major local consultation exercise was undertaken at an early stage of the project and since then the Management Board supported by volunteers has consulted the community for input at every stage as to how best to meet the identified needs and develop the project.</p> <p>Community engagement/support includes:</p> <ul style="list-style-type: none"> <li>• Llanelli Chamber of Commerce</li> <li>• The Princes Trust</li> </ul>

	<ul style="list-style-type: none"> <li>• Probation Service</li> <li>• Carmarthenshire Association of Voluntary Services</li> <li>• The Bridgend Valley Railway</li> <li>• Llangollen Railway</li> <li>• Teifi Valley Railway</li> <li>• Gwili Railway</li> <li>• Pontyates Primary School</li> <li>• Five Roads Primary School</li> <li>• Coalfields Regeneration Trust</li> <li>• Heritage Lottery Fund</li> </ul> <p>The need and demand for the project was demonstrated by the popularity of the open days held at the site over the past 12 months.</p> <p>On the first open day in September 2017 had an estimated 250 paying adults and children attended, with broadly similar numbers on subsequent open days. Currently the public are only able to visit the site on scheduled days, although the site is now open to visitors by arrangement on Saturdays throughout the year. As further expansion of the facilities take place and subject to availability of our volunteers, the number of open days will steadily increase.</p> <p>Successful Volunteer Recruitment Day, October 28<sup>th</sup> 2017 and Christmas themed event on December 10<sup>th</sup> 2017 created a positive buzz around the project.</p> <p>August Bank Holiday 2018 – Afternoon Train Rides and Nature Trail – 130 people attended. Momentum is building and there is an appetite for future events.</p> <p>The project is run entirely by volunteers and there are many opportunities available to them to participate across a range of activities/disciplines, e.g. mechanical and electrical engineering, building/construction, design, marketing/finance, project management, IT and environmental management. The site is easily accessible from Llanelli and surrounding areas and is adjacent to the National Cycle Network, Route 47, adding to the unique attractiveness of the location.</p> <p>The organisation has actively engaged with the Probation Service, Llanelli Naturalists, Llanelli Community Heritage, Llanelli Rural Council and the Territorial Army.</p>
<p><b>Contributing to key Strategies</b></p>	<p>The project will align its objectives with:</p> <ul style="list-style-type: none"> <li>• Integrated Community Strategy for Carmarthenshire</li> <li>• The Wellbeing of Future Generations Act (2015)</li> <li>• Transformations – Strategic Plan for Carmarthenshire 2015- 2030</li> <li>• Swansea Bay City Region Economic Regeneration Strategy</li> <li>• Welsh Government Tackling Poverty Strategy</li> <li>• Tourism Destination Management Plan - 4 key priorities: <ul style="list-style-type: none"> <li>○ Cycling</li> <li>○ Heritage and Culture</li> <li>○ Skills and Training</li> <li>○ Events</li> </ul> </li> </ul>

	<p>LMMR's project meets the objectives of the Destination Management Plan, namely:</p> <ul style="list-style-type: none"> <li>• Provide clear 'reasons to visit' and deliver compelling, unique, memorable and high quality visitor experiences.</li> <li>• Create a strong positioning for the county in the context of the country.</li> <li>• Harness the collective strengths of all businesses and organisations that have a role in supporting the visitor economy.</li> <li>• Define Carmarthenshire's unique tourism offer and attract new and existing visitors to the town through innovative and cost-effective marketing.</li> <li>• Improve access to and within Carmarthenshire to encourage better visitor flow, longer stays and higher spend.</li> <li>• Ensure the highest standards of customer service.</li> <li>• Maximise visitor spend and income retention to the local economy.</li> <li>• Improve customer satisfaction to encourage longer and repeat visits, higher spend and levels of positive recommendation.</li> <li>• Foster a culture of continuous improvement, value for money, best practice, learning and sustainability.</li> <li>• Identifying measures of success and monitoring performance.</li> </ul> <p>The project will address key themes highlighted in the above strategies:</p> <ul style="list-style-type: none"> <li>• The creation of sustainable jobs in the longer term and the provision of skills/training including volunteering that will support people back into work.</li> <li>• Encouraging a more entrepreneurial culture - starting with the idea, the project team is developing a sustainable business model. Their achievements have recently been recognised by the award from the Carmarthenshire Tourist Association being placed in the highly recommended category of the most exciting new tourism business.</li> <li>• Working with local employers, colleges and schools to provide learning opportunities.</li> <li>• Regeneration of an iconic heritage site which will complement other regeneration schemes in Llanelli.</li> </ul>

<b>Business Plan/Officer Comments including details of support moving forward/next steps linked to growth and sustainability</b>	<p>LMMR is led by a small team of committed Directors and supported by an able and enthusiastic team of volunteers, all of whom have worked hard to develop the site to its current stage of development. All also recognise that as the facility becomes more commercial in terms of being open to visitors and developing trading revenues, additional competence will be required.</p> <p>The Heritage Centre will generate revenue through a variety of means, including train tickets, refurbished rolling stock, income from group visits, staging of key events around heritage or vintage experiences, income from rental of the café to provide refreshments and also from a cycle hire depot.</p>
<b>Recommendation</b>	<b>Award - £13,000.00</b>
<b>Subject to:</b>	Securing match funding from the Welsh Government's TAIS scheme.
