EXECUTIVE SUMMARY

EDUCATION & CHILDREN SCRUTINY COMMITTEE

Cysur (Regional Safeguarding Children Board) – Annual Report 2014/15

Background

CYSUR

This is the first year that there has been a CYSUR regional annual report in respect of safeguarding. Carmarthenshire has joined three other neighbouring Local Authorities so that we can co-ordinate safeguarding on a regional basis, as directed by Welsh Government. CYSUR is the welsh word for reassurance. CYSUR is an acronym for Children and Youth Safeguarding and Unifying the Region. The region that CYSUR covers consists of Carmarthenshire, Ceredigion, Pembrokeshire and Powys. CYSUR and its local sub groups deliver the Safeguarding Children Board's functions for the region.

The report highlights what CYSUR has achieved in the past year and what the priorities are going forward for the regional board; one of the main priorities being that the current arrangements are to be reviewed.

However as the lead agency for child protection, it is also important that the Local Authority strive to ensure that the staff and systems we have in place, not only within our own agency; but also within others, serve to safeguard the welfare of children. Therefore the report also considers trends and themes within Carmarthenshire.

There continues to be a need to retain social work staff trained and experienced in child protection, with caseloads that allow them time to focus on assessment and risk; maintaining and building upon close links with other agencies and driving forward safeguarding programmes and training for all staff.

Title: Annual Report 2015	Status: draft	Date: September 2015
Author: Liz Blazey		Review date: N/A

1. Introduction

This is the first report produced under the Regional Safeguarding Children Board arrangements for Mid and West Wales which were established to meet the requirements of the Social Services and Well-being (Wales) Act 2014.

The report will provide an overview of developments on a regional basis, as well as more detailed information about safeguarding issues at a local level.

2. CYSUR

CYSUR is the Mid and West Wales Regional Safeguarding Children Board. The Mid and West Wales region covers over half of the land mass of Wales, and borders with 9 Welsh counties, as well as counties in England. The region has a population of around 516,700, of which 100,400 are children and young people under the age of 18. Overall across the region 37% of the population speak Welsh, with the highest proportions of Welsh speaking people living in Ceredigion and Carmarthenshire.

In response to the diverse geography and population of the region, CYSUR recognises the need to maintain both a local and regional focus.

- The regional purpose is to co-ordinate the strategic direction, collaboration, consistency and improvement of practice across the region.
- The local purpose is to co-ordinate local practice, and work towards ensuring effectiveness of local arrangements to safeguard and promote the welfare of children and young people.

The structure of CYSUR reflects this, with Local Operational Groups in each local authority area overseeing the detail of local safeguarding and feeding into the CYSUR Executive Board via the CYSUR Strategic and Child Practice Review subgroups.

Junior Safeguarding Children Boards for each local authority area, comprising children and young people, feed into the CYSUR Local Operational Groups. A Junior Regional Safeguarding Children Board, facilitated by Tros Gynnal Plant feeds directly into the CYSUR Executive Board.

A chart setting out the regional and local structure is appended as appendix 1. The membership of the CYSUR Executive Board and the CYSUR Local Operational Group, Carmarthenshire is appended as appendices 2 and 3.

3. The regional context

a. Regional Safeguarding Children Board arrangements

The Regional Safeguarding Children Board arrangements have been in place for over 12 months, with the first meeting of the CYSUR Executive Board taking place in June 2014. A recruitment process was undertaken during the summer of 2014, with a Regional Manager commencing in post in October 2014. Over the past year significant progress has been made in embedding the new structure and in developing reporting arrangements between the groups at the various levels. However, it appears timely to review CYSUR arrangements ahead of the deadline for implementation of the requirements of the Social Services and Well-being (Wales) Act 2014 to ensure that those requirements are being met in the most effective manner. An independent review is being commissioned which will include consideration of the following issues

- The effectiveness of the structure and the appropriate chairing and membership of each group
- The feasibility of a single joint Adult and Children Executive Board
- Whether the Executive Board should focus more strategically as an authorising environment
- Business support requirements
- Interrelationships between different Boards and partnerships, for example CYSUR, LSBs, CSPs
- The potential impact of local government re-organisation impact on the regional Board

The findings of the independent review will inform the further development of CYSUR.

b. Data Monitoring

Extensive safeguarding data is considered in detail at the local level, as can be seen from the information presented in section 4 of this report. A small suite of Local Authority safeguarding data items has been agreed for quarterly monitoring on a regional basis by the CYSUR Strategic sub group and Executive Board. This includes the numbers and rates per of per 10,000 population aged under 18 of children on the Child Protection Register, categories of registration, re-registrations within 12 months and percentage of children seen alone at Initial Assessment.

Safeguarding data reports are also presented quarterly by the Hywel Dda University Health Board (H DUHB) and the Powys Teaching Health Board (PTHB). These reports include information on numbers of Child Practice Reviews, Unexpected

Deaths of Children 0-18yrs (PRUDiCs), Child Protection Medicals, Child Sexual Abuse Examinations, Looked After Children, Multi Agency Risk Assessment Conferences (MARACs) and safeguarding children training undertaken.

Monitoring of data relating to missing children and Child Sexual Exploitation is being developed in line with emerging national requirements.

The purpose of monitoring data on a regional basis is to identify and understand any regional variations and trends with the aim of promoting consistently good practice across the region. Monitoring the data over the past 12 months has identified the following

- Powys and Carmarthenshire both saw a rise in registrations over 2014/15, although this appears to have stabilised in the latter part of the year.
- Rates of children on the child protection register per 10,000 population aged under 18 are lower than the national figure for all Local Authority areas within the region.
- Of the 315 children on the child protection register across the region the largest category of registration is Emotional Abuse with 134 children, followed by Neglect with 107 children. Registrations in Powys and Carmarthenshire follow a similar pattern, with Pembrokeshire and Ceredigion both having a higher level of registrations under Neglect than under Emotional Abuse.
- There is considerable variance across the region in child seen alone at initial assessment figures, although performance across the region has in the main been above the All Wales figure, and as a general trend has shown continued improvement since 2011/12
- There was a marked increase in MARAC (Multi Agency Risk Assessment Conference) activity during the last quarter of 2014/15 within the HDUHB area, which was not replicated in Powys where fewer cases were considered in quarter 4 than in previous quarters.
- All Local Authorities within the region are net receivers of Looked After Children from other Local Authorities. Within the Hywel Dda area the number of children placed by other Local Authorities remains relatively stable overall. In contrast the children from other local authority (COLA) population within Powys is very changeable as there are 2 residential assessment units in the county.

Further work is being undertaken by the Board to fully understand the reasons for and implications of these regional variations and trends.

c. Multi-Agency Child Practice Reviews

A core aspect of the work of Regional Safeguarding Children Boards is the identification and dissemination of Child Protection learning via the Child Practice Review Framework. Boards have responsibility for

- establishing child practice reviews and ensuring they are effectively managed
- contributing to the reviews and providing professional challenge
- identifying strategic implications for improving systems and practice in individual agencies or on an interagency basis
- signing off the final report and action plan when a review has been completed;
- publishing the child practice review report
- implementing and auditing changes in local policy, systems and practice to identify what difference they have made

The arrangements that CYSUR has in place to ensure these responsibilities are met are set out below.

The CYSUR Child Practice Review Sub Group receives referrals from the CYSUR Local Operational Groups to consider whether cases meet the criteria for a Child practice review, and makes recommendations to the Chair of CYSUR Executive Board in accordance with Protecting Children in Wales, Guidance for Arrangements for Multi-Agency Child Practice Reviews, Welsh Government, 2013. Where it is decided that a Child Practice Review will be undertaken, Child Practice Review panels are established in the local area to undertake the review. The findings and recommendations of the review are considered by the CYSUR Child Practice Review Sub Group prior to presentation of the report to the CYSUR Executive Board for final agreement. Following acceptance of the report and recommendations the Board notifies Welsh Government and publishes the review on its website. Action plans to implement the recommendations are developed by the local groups, and progress is monitored by the CYSUR Child Practice Review Sub Group.

Since the establishment of CYSUR only one referral has resulted in a decision that a Child Practice Review be undertaken, in this instance a Concise Child Practice Review. This review is now nearing completion and it is anticipated that the report will be presented to CYSUR Executive Board in October.

In this period three Child Practice Reviews have been published which were started under the previous Local Safeguarding Children Board arrangements. Monitoring of these action plans and the dissemination of learning from Child Practice Reviews and Multi Agency Professional Fora conducted during this transitional period is being overseen via the CYSUR Child Practice Review Sub Group.

d. Communication and Stakeholder Engagement

i. Brand promotion

It is important that there is a clear branding and identity for the Regional Safeguarding Children Board and that CYSUR is recognised across the region. The CYSUR logo and branding has been agreed and some promotional materials have been developed, however the launch and active promotion of the brand is still to be progressed. A key aspect of this is the development of the CYSUR website. Preliminary proposals regarding the website content were developed by a multi agency group prior to the establishment of CYSUR, however it was initially not possible to further progress the development of the website due to capacity constraints within Local Authority web teams. This has since been resolved, the domain names of cysur.wales and cysur.cymru have been secured and the CYSUR website has been built in draft form. Further work will be undertaken by a small multi agency work group to refine the content prior to translation, followed by the launch of the fully bilingual CYSUR website.

ii. Junior Regional Safeguarding Children Board

The Social Services and Well-being (Wales) Act 2014 requires that the Board has in place arrangements for children and young people to participate in its work. Tros Gynnal Plant have been commissioned to facilitate the development of a Junior Regional Safeguarding Children Board to ensure that this requirement is met, and that the views of children and young people are integral to the work of the Board.

Representatives from the Junior Regional Safeguarding Children Board have attended several meetings of the CYSUR Executive Board both in person and via teleconference to talk about the work they have been doing both as Junior Safeguarding Boards within their local areas and also regionally.

Members of the Junior Board came together for a full day meeting in Aberaeron in April and worked on developing a terms of reference, name and logo for the Junior Regional Safeguarding Children Board, discussed how they would like to feed into CYSUR and identified priorities for their future work plan. They also took part in workshops on developing a timeline of achievements to date, suggestions for different types of Social Media presence and information for safeguarding information for young people.

Since the meeting in April the regional groups have had a meeting via Skype to discuss regional updates and also to plan the Residential Annual General Meeting which has now been set for the 26th September. Members of the CYSUR Executive Board have been invited to attend the AGM for a question and answer session.

The name of the regional junior group has been voted upon and confirmed as CADW – Children taking Action Differently in Wales. The logo has also been agreed, and a

website has been designed and created for CADW by a member of Eat Carrots (the Junior Safeguarding Board in Powys). Links will be put in place between the CADW website and the CYSUR website.

iii. Elected member engagement

In order to mitigate against the potential risk of disconnection with local political processes as the regionalisation of Safeguarding Boards progressed, CYSUR developed a process for engagement with Elected Members via the Lead Members within each Local Authority.

As part of the engagement process a briefing paper is produced following each meeting of the CYSUR Executive Board. This paper is also used to communicate key messages about the work of CYSUR to a wider stakeholder audience.

Elected Member engagement process

The nominated Lead Member for each Local Authority will be sent the agenda at the same time as the circulation of paperwork to the Executive Board.

The nominated Lead Member for each Local Authority will be responsible for engaging with relevant elected members from their Local Authority and for representing the elected members' views and any issues raised to the Statutory Director for Social Services of their Local Authority.

The Statutory Director for the Local Authority will represent views and issues raised at the Executive Board.

Nominated Lead Members will be briefed by the Chair after the Executive Board, either by meeting or other briefing methods.

The briefing from the Chair will:

- Cover all relevant agenda items.
- Be an opportunity for the relevant Lead Member to ask questions on behalf of Elected Members.

The Lead Member for Children and Young People will be responsible for feeding back all information from the briefing to relevant elected members from their Local Authority.

Any operational issues or safeguarding concerns should continue to be raised following the established processes in the relevant Local Authority.

e. Development of multi agency information sharing arrangements

A multi agency Steering Group to explore the implementation of a regional Multi Agency Safeguarding Hub (MASH) has been in existence for some time. At the December meeting of CYSUR Executive Board it was decided that the governance for this group should fall under CYSUR, with a proposal relating to the development of a regional MASH being considered by the CYSUR Executive Board in March 2015.

The proposal sought agreement from the Board on taking an incremental approach to the establishment of the regional MASH, starting with the establishment of a Carmarthen based multi agency information sharing hub with the option of subsequently moving to a decision making model. The proposal also sought agreement from the Board for the funding of a project manager post from the CYSUR budget to undertake the extensive work required prior to the establishment of the information sharing hub.

The Board was unable to reach a consensus on the principle of the initial implementation of an information sharing hub and requested further information on the various MASH models to inform decision making on the way forward. In particular the Board questioned whether there were examples of decision making MASHs which spanned more than one Local Authority.

A review of national MASH evaluation reports was presented to the July meeting of the Executive Board which identified a number of key issues around governance, accountability and financial commitment which would impact upon the proposed regional MASH implementation. Further discussion around these issues will be taking place at the October meeting of the Executive Board.

f. Child Sexual Exploitation

It was agreed by the CYSUR Executive Board to ensure a region wide consistent response to Child Sexual Exploitation by developing a regional multi agency CSE strategy and action plan based on the College of Policing National Sexual Exploitation Action Plan, and the Operation Celtic review being undertaken by Dyfed Powys Police. The CYSUR Child Sexual Exploitation Prevention Strategy has been developed via a multiagency task and finish group, which has reviewed the Dyfed Powys Police CSE Action Plan and the interim report from the Operation Celtic review. National protocols and guidance, relevant research and examples of good practice have also been considered by members of the group.

The final draft of the CYSUR CSE prevention strategy was agreed by the Executive Board in July 2015.

The CYSUR CSE Strategy identifies the following key priority areas and outcomes for joint working.

Awareness raising

- Raising awareness of CSE amongst front line staff in all agencies
- Raising awareness of CSE with children and young people and their parents and carers
- Taking a targeted approach to raising awareness of CSE with specific groups within the wider community in response to emerging themes and trends.

Identification, risk assessment and case management

- Ensuring effective processes are in place for identifying children at risk of CSE
- Ensuring a consistent response to missing children
- Ensuring consistency of compliance with the All Wales CSE Protocol particularly in relation to the SERAF assessment and review process
- Ensuring effective processes are in place to support the identification and disruption of perpetrators.

Looked after children placed by other authorities

- Seeking to ensure that relevant agencies are aware of children placed within the region by other authorities and that risk assessments are shared
- Development of a memorandum of understanding with Local Authorities and private providers in relation to the Dyfed Powys on line risk assessment tool for residential care homes
- Exploring the potential to extend the on line risk assessment tool to incorporate foster placements

Support and recovery services

- Ensuring that children affected by, or at risk of being affected by CSE are offered an appropriate level of preventative, support and recovery services, and that clear pathways for accessing services are in place for all levels of risk.

Whilst the regional strategy was under development it was announced that the Welsh Government is leading on the development of a CSE Action Plan for Wales, including a data set to provide accurate and consistent reporting of CSE. The CYSUR CSE strategy and action plan will take cognisance of any requirements arising from the Action Plan for Wales.

Progress against the CYSUR CSE Strategy action plan will be monitored by CYSUR Executive Board.

g. Sexual Assault Referral Centre (SARC)

The CYSUR Executive Board is concerned about the negative impact that the regionalisation of SARC services has had for the small number of children and young people in our region who require forensic medical examinations following sexual assault, with children having to travel long distances and being subjected to unacceptable delays.

The national Sexual Assault Services Project Board has undertaken an options appraisal exercise for the future delivery of sexual assault services. This has concluded that the severe shortage of the specialist staff required undertaking forensic medical examinations of children means that it is not possible to meet the required safety and quality standards in any more than two sites. It is clear that the location of these sites will be key in ensuring that children in Mid and West Wales are able to access services in a timely manner.

h. Training and Practice Development

The CYSUR Executive Board has identified the need for a Regional Multi-agency Workforce Development Plan for Safeguarding. A CYSUR regional training group is meeting on a task and finish basis to progress this. The group has established the current position for each agency/organisation in terms of pressures and unmet needs, scoped the current priorities for regional training across agencies/organisations and developed an action plan to take this work forward. The action plan has been approved by CYSUR Executive Board, and the following priorities for regional multi-agency safeguarding training have been confirmed:

- Section 47/Joint Investigation Training
- Developing capacity to undertake Child Practice Reviews and multi-agency Professional Fora, and disseminating the learning emerging from these processes.
- Safeguarding specific training arising from emerging legislation and national guidance as prioritised by CYSUR Executive Board on an annual basis

- Collaboration on commissioning specialist training too expensive for one agency to procure on their own, based on identification of need at the local operational group level
- Training arising from the implementation of regional strategies, policies protocols and procedures
- Investment in the continued professional development of the regional safeguarding training workforce (train the trainer), maximising opportunities to link with Families First and including co-production with the third sector.

A training needs analysis will be undertaken during September and October 2015, with the aim of producing a costed workforce development plan for the delivery of training on a multi-agency basis from April 2016.

i. Priorities for Work going forward

- Completion of an independent review of CYSUR arrangements
- Active promotion of the CYSUR brand including the finalisation and launch of the CYSUR website
- Further exploration of options for MASH implementation
- Implementation of the CYSUR CSE prevention strategy
- Development and delivery of a regional multi agency workforce development plan for safeguarding

4. The local context

This section of the Annual Report summarises key areas of multi agency working to safeguard children. The collection and analysis of this data enables the LSCB to identify where arrangements are effective and areas which require further exploration, consideration and activity. The statistics are prepared from the Care First database, part of the Children's Services Department of Carmarthenshire County Council. An increasing amount of key data is now being received from other LSCB member agencies.

The set of statistics retrieved from the Child Protection Register is collated monthly and quarterly. Quantitative and qualitative performance information is analysed by the Independent Reviewing Team.

Child Protection Initial Contacts to Children's Services April 1st 2008 to March 31st 2015

Analysis/Comment

Since 2008/2009 there has been overall growth in the amount of Child Protection Initial Contacts. In 2011/12 there was a significant peak in referrals and again in 2014/2015. It is difficult to be sure whether this represents an increase in child abuse in the county. It is likely that a number of factors have contributed to the increase in the child protection activity. These factors include:

- An improvement in the identification and reporting of children at risk.
- Greater levels of professional awareness of risk to children following the publication of Lord Laming's enquiry into the death of Victoria Climbié and media coverage of Peter Connelly and more recently Jimmy Saville and Operation Yewtree.
- Improvements in inter-agency relationships and awareness raising from all statutory agencies and the LSCB. Changing referral practice from professional groups.
- The categorisation of children in need/child protection.

Also during 2014-2015 Carmarthenshire Children Services changed the way that referrals were received into the department and introduced a single point of access; the Central Referral Team in order to address the issue of different threshold's being applied throughout the Local Authority. We are currently undertaking work with the team on setting the threshold and ensuring that children and families receive the

appropriate service to their need whether that be from preventative services or statutory services.

b). Breakdown of Child Protection Activity in 2014-2015.

Analysis/Comment

In 2014/2015 there were 1931 child protection initial contacts to Children's Services. From these 1931 child protection initial contacts 1562 (81%) Initial Assessments were completed in 2014/2015. It was decided that in 369 cases that either an Initial Assessment wasn't needed or that preventative services should be provided. This would seem to indicate that the level of referrals categorised as Child Protection is warranted. 321 section 47 enquiries were made in 2014/2015. 156 (48%) of these enquiries concluded that the child required a child protection plan to safeguard the child's welfare and an Initial Child Protection Conference was convened.

c). Initial Assessments within 7 days

Analysis/Comment

It is vital that the Initial Assessment of the child's needs is carried out in a timely manner to ensure that any action needed to safeguard and promote the welfare of the child is taken as quickly as possible. There has been a steady increase over the period of 2008 -2013 and a significant increase between 2012/14 in the assessments being carried out within the timescales required by the Welsh Government. This year the number of assessment carried out within the timescales increased again. Whilst it is deemed best practice to complete the initial assessment within 7 days it is sometimes necessary to wait for vital information that is not available within the 7 days. A balance needs to be kept between ensuring Initial Assessments are completed within timescales and are completed to a high standard. In order to ensure that the child is central to the assessment in 83.1% of the assessment's the child was seen and in 47.3% the child was seen alone. This is a significant increase from 18.5% in 2009/2010 and something which we are continuing to work on. There are a number of reasons why a social worker may not see a child on his/her own, for example, the child's age.

d). Joint Section 47 enquiries, Police only enquiries and Social Care only

Analysis/Comment

When a decision is reached to carry out a section 47 enquiry a strategy discussion is held between children's services and the police to plan how the enquiry will be carried out. In the majority of cases a joint investigation between police and children's services is undertaken. Between 2008 and 2014 there had been a drop in the overall number of Section 47 enquiries undertaken within Carmarthenshire, however in the year 2014/2015 there is a slight increase, this is due to the significant increase in the number of referrals that children services have received and therefore the increase in the number of families that we are working with. Operating higher thresholds for joint police and social care child protection investigations will be a focus of the departments work in the coming year. Regular audit of the referrals received and the decision-making taking place within the assessment teams has and will continue to ensure that the service is operating safely as well as efficiently. Both the Police and Children's Services are satisfied that this approach has led to more effective interventions and efficient use of the two agencies resources.

e). Number on Child Protection Register March 31st 2008 – March 31st 2015

Analysis/Comment

The number of children on the child protection register fluctuates according to need. There has been a large drop in numbers of children on the child protection register from 155 on the 31st March 2011 to 86 on the 31st March 2013. However 2014-2015 saw a rise of 20% from the previous year.

When a child's name is registered to the Child Protection Register then a Social Worker should be allocated to that child. Over the last 12 years, every child whose name has been registered on the child protection register has been allocated a Social Worker.

f). Breakdown of register by category of abuse March 31st 2015.

Register Category of Abuse	No. on register at 31 March 2014	No. on register at 31 March 2014
Neglect Physical abuse and sexual abuse	0	0
Neglect and physical abuse	0	0
Neglect and Sexual Abuse	0	0
Physical and Sexual Abuse	0	0
Neglect (only)	29	28
Physical Abuse (only)	5	2
Sexual Abuse (only)	5	6
Emotional Abuse (only)	47	68
Total Number of Children	86	104

Analysis/Comment

These figures reflect a snapshot on a single day and illustrate the prevalent categories of registration. When a child is registered on the child protection register a decision is reached as to which category they should be registered under. The predominant categories of registration are Neglect (only) and Emotional Abuse

(only). This reflects the high level of children who are experiencing domestic abuse who come to Initial Child Protection Conference.

g). Number of Children on the Child Protection Register by length of time

Analysis/Comment

It is best practice to keep the child's name on the Child Protection Register for the shortest amount of time necessary to reduce the risk of harm to the child. The majority of children (87) remained on the Child Protection Register for 3 months to a year. A minority of children (16) remained on the register for between 1 and 2 years and no child was subject to a child protection plan for more than 2 years.

h). Children who have previously been on the Register and were re-registered 2014/15

Analysis/Comment

In an ideal situation Child Protection Plans will permanently reduce the risk to a child. However there are a number of reasons why children may be re-registered. For example this can be the case when there are issues of compromised parenting due to parental substance misuse or parental mental health. It is sometimes necessary to re-register children where the parent has a relapse and this puts the child at risk of harm again.

i). Attendance/Participation of the child at Child Protection Conference 2014/15.

Analysis/Comment

The low attendance at Child Protection Conference reinforces that children's involvement in the decision making process is an area that needs improvement; although the above figures are an improvement from last year. Action will be taken to address this issue by CYSUR (Mid and West Wales Safeguarding Children Board) 2014/15

It is not always appropriate for children and young people to attend Child Protection Conference. Where attendance is appropriate then the child or young person should be encouraged to attend and this should be facilitated.

Where attendance is not appropriate then there should be clear evidence that the child has been able to participate in the decisions that are being made about them. Finding creative ways to better engage children in this process is a priority for the Reviewing Service.

Research has been undertaken regarding effective tools for ensuring the engagement and participation of children and young people in the child protection process. Tools have been highlighted and will be piloted in 2015/2016.

j). Professional Attendance at Child Protection Conference when invited 2014/15.

k). Reports written by Professionals for Child Protection Conference 2013/14

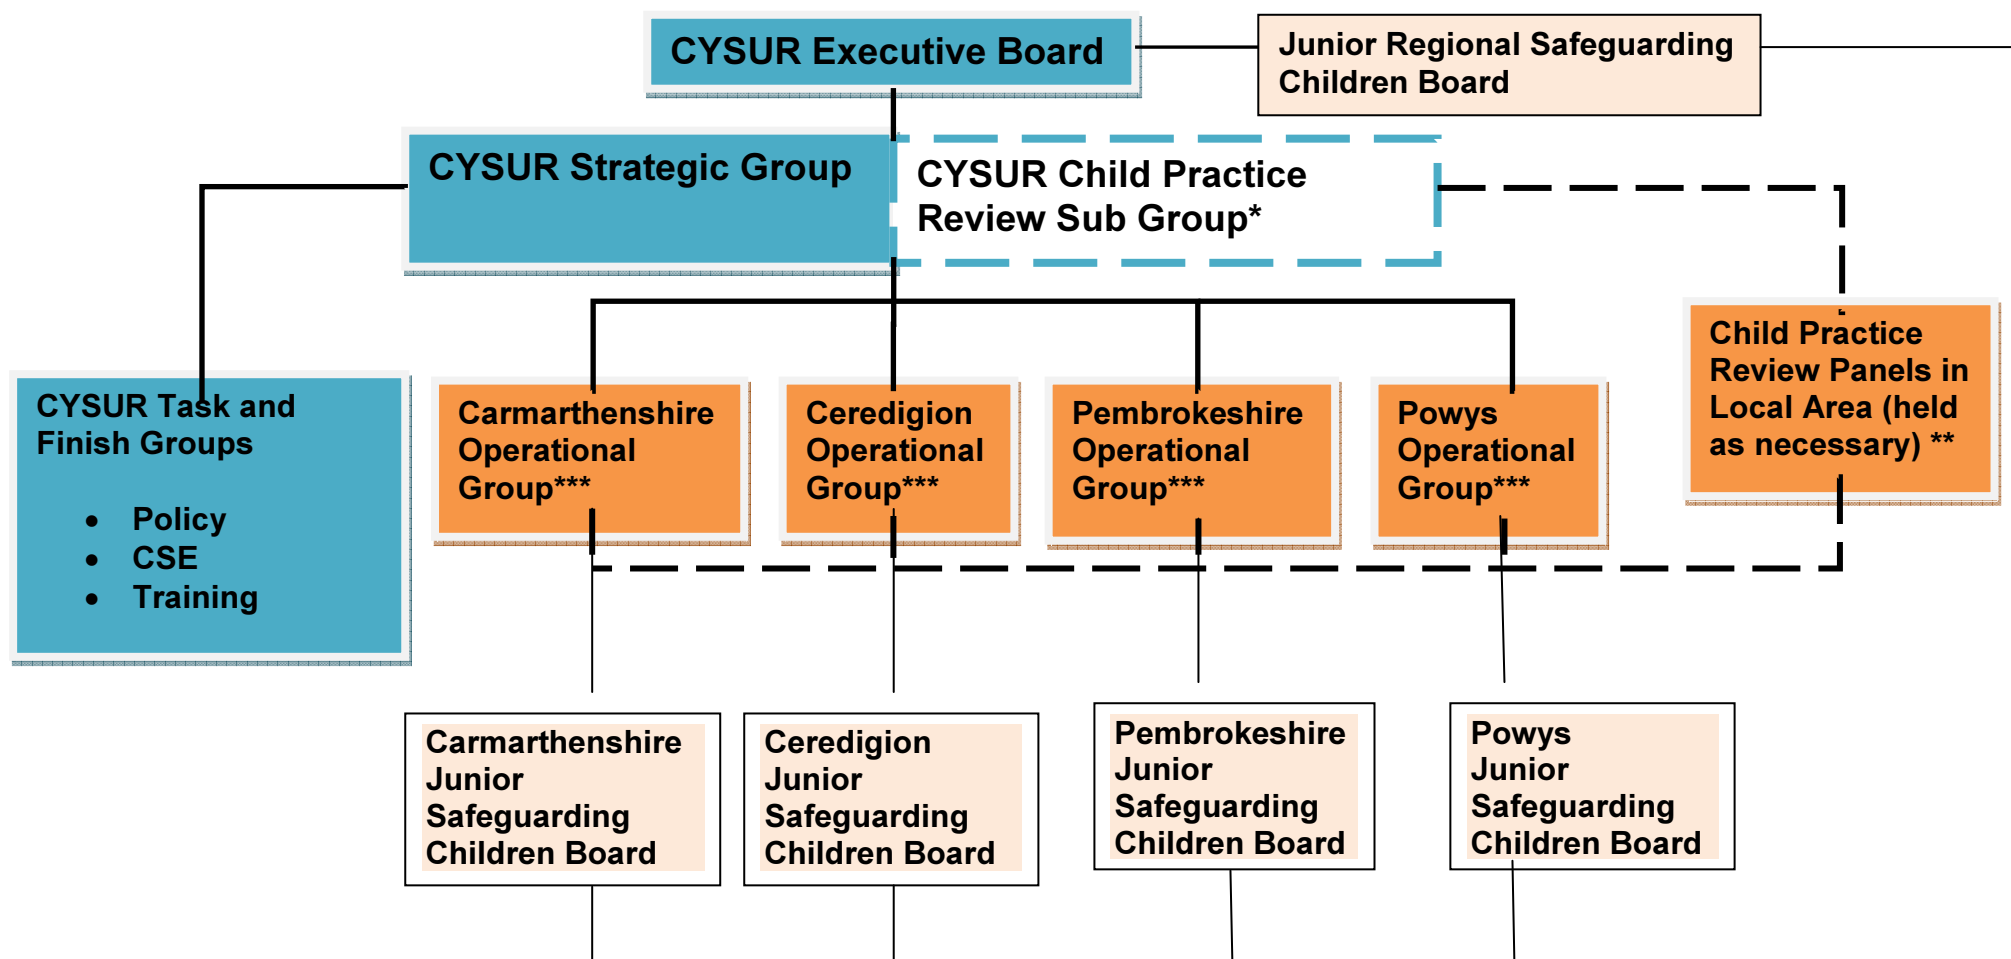

Analysis/Comment

The graphs above highlight the attendance and reporting of key professional groups at child protection conferences. It has been recognised by CYSUR, Local

Operational Group, Carmarthenshire that GP attendance and reporting at Child Protection Conference is an area for improvement. Attendance by schools, school nurses, health visitors and the police is consistently good. Where schools do not attend this is often because there are issues providing cover for classes and the limited staffing resources within small schools.

Previously the LSCB agreed that the focus for improvements should be ensuring that a GP report is received for each conference; this year 92 reports were received; which is a similar figure to last year. The health board are continuing to work to address this issue.

The police attend and report to all initial child protection conferences but only attend and report to review child protection conferences where this is necessary. This accounts for the lower than expected attendance and reporting to child protection conference by the police.

*Accountability for the functioning of CYSUR Child Practice Review Sub Group will be through the Chair of CYSUR Child Practice Review Sub Group both in attendance at CYSUR Executive Board and with regular meetings with the Chair of CYSUR.

**Accountability for Child Practice Review in the Local Area remains with the relevant Head of Children's Services with professional challenge through their membership of CYSUR Child Practice Review Sub Group

***Local arrangements sit under these with flexibility to meet locally defined need

EXECUTIVE SUMMARY

EDUCATION & CHILDREN SCRUTINY COMMITTEE 24th SEPTEMBER 2015

Introduction of a Corporate Safeguarding Policy that covers all the Council's service areas

During the period March to May 2014, the Wales Audit Office completed a review of the assurance and accountability arrangements of Carmarthenshire County Council for ensuring that safeguarding policies and procedures are in place and are being adhered to.

The study examined what the Council itself has done to seek assurance that its arrangements to support safeguarding are effective by reviewing how the Council is discharging its safeguarding responsibilities at all levels: cabinet, senior management team, scrutiny and individual officers.

The study focussed on answering the following: Do the Council's governance and management arrangements provide assurance that children are safeguarded?

The main questions that the review sought to answer were:

- Are there clear governance, accountability and management arrangements for overseeing whether the Council is meeting its safeguarding responsibilities to children?
- Is the Council monitoring and evaluating appropriate information, which provides assurance that it is meeting its safeguarding responsibilities to children?
- Are assurance systems operating effectively?

The review was specifically in relation to children and overall the findings were that the authority had adequate systems in place. There were however, a series of recommendations. One of these was:

- Develop and introduce a Corporate Safeguarding Policy that covers all the Council's service areas.

1. Introduction

1.1 One of Carmarthenshire Council's main priorities is to ensure that there are robust arrangements and procedures in place to safeguard children and adults.

1.2 Within Carmarthenshire Council, safeguarding is considered to be a priority for every department, while acknowledging that Children's Services and Adult Social Care departments are the lead for dealing with enquiries regarding children and adults that may be suffering significant harm. Therefore Carmarthenshire Council acknowledges its responsibilities for providing direction for staff, Councillors, partnership agencies and the people of Carmarthenshire.

1.3 Safeguarding is not only concerned with the protection of children and adults but also the promotion of:

- physical, emotional and mental health;
- protection from harm and neglect;
- education, training and leisure;
- their contribution to society;
- social and economic well-being.

1.4 Every organisation working with children/young people must follow the All Wales Child Protection Procedures and those working with adults must follow the Wales Adult Protection Policy and Procedures. A number of organisations have statutory roles or duties:

- under Section 28 of the Children Act 2004, Carmarthenshire Council has a duty to ensure that it undertakes its functions from the perspective of the need to safeguard and promote the welfare of the children;
- under Section 17 of the Crime and Disorder Act 1998, it is Carmarthenshire Council's duty to ensure that every reasonable step is taken to protect adults and prevent crime and disorder when it undertakes its functions.

- 1.5 The purpose of this document is to introduce Carmarthenshire Council's 'Policy and Guidelines for Safeguarding Children and Adults'.
- 1.6 Every member of staff of the council and every Councillor will receive a copy of this document.

2. Objectives and Principles of the Policy and Guidelines

2.1 The following are the objectives of the Safeguarding Policy and Guidelines:

- To emphasise the approach in which Carmarthenshire Council undertakes its legal commitments in the field of safeguarding children and adults;
- To give reassurance to members of the public, service users, partner agencies. Council staff, councillors and people working on behalf of the Council that there are clear arrangements in place to safeguard and protect children and adults;
- That Council staff and councillors have clear guidelines to be used when there is doubt that a child or adult is at risk of harm.

2.2 We are of the opinion as a Council that it is always unacceptable for a child or an adult to be abused or be harmed in any way. This is reflected in the following principles which form the basis of the Policy and Guidelines:

- As a Council we believe that every child and adult (whatever their background, culture, age, disability, gender, ethnicity, religious belief) has a right to participate in a safe society without any violence, fear, abuse, bullying and discrimination;
- As a Council we believe that every child and adult has the right to be protected from harm, exploitation and abuse;
- As a Council we will put the welfare of children and adults centrally in our policies and procedures;

- As a Council we will work closely in partnership with children, their parents, carers and adults; partner agencies; and others working on behalf of the Council; to safeguard and promote the welfare of children and adults;
- As a Council we will respect the rights, wishes, feelings and privacy of children and adults by listening to them and minimising any risks that may affect them;
- As a Council we will invest in preventative work and early intervention and try to avoid situations where abuse or allegations of abuse or harm may occur;
- As a Council we want to ensure a working environment where our staff feel confident to raise any concerns about any perceived malpractice within the Council.

2.3 Outcomes

These Policy and Guidelines reflect the Council's commitment to safeguard children and adults and to protect them from being abused when they receive services arranged and provided by or on behalf of the Council.

2.4 When the Guidelines are introduced, we will measure the effect regularly and achieve the following high level outcomes:

- there is a clear understanding amongst staff, councillors, partner agencies; and others working on behalf of the Council; of the policies and guidelines for safeguarding children and adults;
- there are robust corporate and departmental procedures in place to ensure compliance with the Policies and Guidelines introduced here;
- there are clear and suitable communication arrangements in place across the organisation, including information about the key officers in each Service who are responsible for children and adult safeguarding issues;
- there is compliance between the procedures and those which are operational on an all-Wales basis and associated protocols for safeguarding children and adults ;

- that staff and councillors receive information and training regarding the guidelines and that this is a continuous and permanent arrangement within the organisation.

3. Legal framework

3.1 Definition of safeguarding and promoting the welfare of children

The definition of a child for the purpose of this document is anyone under the age of 18 years.

3.2 The **Children Act 1989** sets out that the child's welfare is paramount and safeguarding and promoting it is the priority.

3.3 The **Children Act 2004** sets out a duty on local authorities to work closely with those providing services to children and young people.

3.4 **All Wales Child Protection Procedures 2008** sets out how organisations and individuals should work together to safeguard and promote the welfare of children and young people in accordance with the Children Act 1989 and the Children Act 2004. It is important that all staff and volunteers working to safeguard children and young people understand fully their responsibilities and duties as set out in primary legislation and associated regulations and guidance.

3.5 Section 11 of the Children Act 2004 places a statutory duty on a range of organisations to make arrangements to ensure that their functions, and services provided on their behalf, are discharged having regard to the need to safeguard and promote the welfare of children. Safeguarding and promoting the welfare of children is defined as:

- protecting children from maltreatment
- preventing impairment of children's health or development

- ensuring that children are growing up in circumstances consistent with the provision of safe and effective care
- taking action to enable all children to have the best outcomes.

3.6 Definition of safeguarding and promoting the welfare of Vulnerable Adults

Wales Interim Policy & Procedures for the Protection of Vulnerable Adults from Abuse First Version: November 2010 Second Version – January 2013

The *Wales Adult Protection Policy and Procedures* are based on certain principles of the European Convention of Human Rights and the Human Rights Act 1998:

- Everyone has the right to live their lives free from coercion, intimidation, oppression and physical, sexual, emotional or mental harm.
- Everyone has the right to a family life and privacy.
- Everyone has a right to confidentiality in respect of personal information, where this does not infringe the rights of other people.
- Everyone has the right to receive full and comprehensive information to allow them to make informed choices about their own circumstances.
- Everyone has the right to the protection of the law and full access to the judicial process and criminal justice system.

3.7 Accordingly, adult protection should operate in the context of fully engaged citizenship, not restricted to social care, health services and the criminal justice system.

3.8 A vulnerable adult is a person over 18 years of age who is or may be in need of community care services by reason of mental or other disability, age or illness and who is or may be unable to take care of himself or herself, or unable to protect himself or herself against significant harm or serious exploitation. As well as in the adult's own home, abuse can occur in any setting and anywhere, eg, in care homes, day services, the home of a relative, worker or volunteer, in the community, for example when using transport.

3.9 Whistleblowing.

We take any malpractice within the Council very seriously, as we are committed to maintaining the highest standards of openness, probity and accountability. If any staff have serious concerns about any aspect of the Council's work then they are encouraged and expected to come forward and voice those concerns.

4. Responsibilities and duties of staff and elected members.

- 4.1 Every Councillor, every member of staff, every volunteer and every contracted service provider has a responsibility to adhere to the appropriate procedures in this policy.
- 4.2 This means that every Service within the Council has a key role to play and has to take full ownership of the safeguarding field. Therefore, there is a need to ensure that there are clear arrangements and procedures in place within each Service in the Council to ensure that investigations into allegations / concerns that children and adults may be suffering substantial harm receive due consideration.
- 4.3 This document draws together the corporate policies and guidelines in the field of safeguarding children and adults and it will operate as a framework for the procedures of every Service in the Council. Every Service is expected to draw up its own policies and procedures for safeguarding children and adults to fully comply with this corporate Policy and Guidelines.

Functions of key officers and members

- 4.4 *The Chief Executive* has the general responsibility for ensuring that there is an effective safeguarding policy in relation to children and adults in place; that procedures for reporting concerns are in place and that these are implemented and known within the organisation.

He is also responsible for the development of effective corporate governance and satisfying all the statutory requirements. However, there are some Key Officers who are highlighted because of their responsibilities in the safeguarding field:

4.5 *The Statutory Director (Social Services)* has the final and indivisible responsibility for safeguarding issues. He is responsible for ensuring that the Council has appropriate safeguarding measures to protect children and young people, adults and vulnerable older people and he is responsible for reporting at a corporate level to councillors on their effectiveness.

4.6 The Director is responsible for the following:

- Having oversight of the process of implementing, monitoring and improving the safeguarding and protection procedures for children and adults;
- ensuring that there are robust reporting arrangements and processes for safeguarding children and adults to report at a corporate level and to Members;
- ensuring Carmarthenshire are represented effectively at the Regional Safeguarding Children Board;
- ensuring that lessons are learned as a result of child practice reviews and that they are applied within the county.
- raising the profile, supporting the policy and ensuring that the Council complies fully with the Policy and Guidelines for Safeguarding Children and Adults;
- ensuring that all reasonable steps are taken to enable every member of staff to understand and implement high standards in terms of identifying risks and safeguarding practices;
- Ensuring that the council promotes awareness amongst the public of issues relating to safeguarding children and adults and to adapt social work practices in light of appropriate research;
- Submitting observations in his statutory role in Executive board and Council reports dealing with safeguarding.
- Deliver an annual report to the Chief Executive, Executive Board and Full council.

4.7 Whilst every member of staff has a responsibility to safeguard and promote the welfare of children and adults, the Statutory Director is the most Senior Officer in the Council with the responsibility for this.

4.8 *Lead Director for children and young people.*

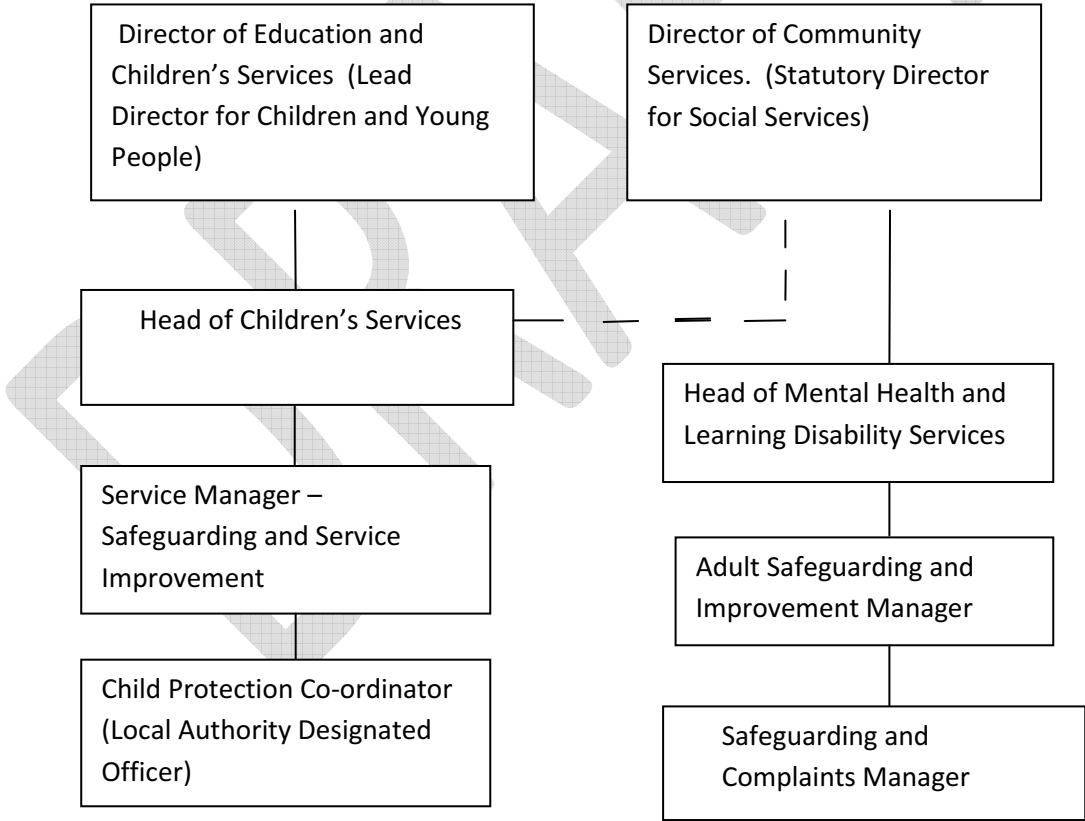

The Children Act (2004) places a responsibility on every local authority in Wales to appoint a Lead Director for children and young people services and to appoint a specified lead member for children and young people services. The role of the Lead Director in Wales does not change the arrangements of an executive authority or change accountability for services. In Carmarthenshire this is the Director for Education and Children. The principle roles of this are :

- To work closely with the Head of Children's Services and the Statutory director of Social Services to ensure Safeguarding is a priority in all aspects of planning and the performance management of services for children.
- To be responsible for promoting a partnership when planning for children and young people corporately across the departments of the local authority and in recognition of his lead role across the authority and its partners;
- To offer the required leadership to ensure that a high profile is given within the local authority to planning in partnership thereby promoting strategic change for children and young people in the field and ensuring that safeguarding practice is inherent in this planning framework is central to the work of the authority;
- for ensuring that the local authority implements the United Nations' Convention on the Rights of the Child in particular the rights that protect and promote their rights to survive and thrive, to learn and grow, to make their voices heard and to reach their full potential;
- For ensuring, with the advice of the Statutory Director and the Head of Children's services that Children's Social care is line managed effectively and an environment is created which promotes the safety of children.

Liaison arrangements

- 4.9 Formal monthly meetings are held between the Director of Education and Children's Services, Head of Children's Services and the Director of Community Services. Other parties may be included as required or deemed appropriate. Written records will be kept and additional meetings may be held if deemed necessary.
- 4.10 The Head of Children's Services has open access to the Director of Community Services for consultation, information gathering, specific performance issues and workforce development.

Therefore within Carmarthenshire the lead officer for Safeguarding Children, the Head of Children's Services, reports to both Directors.

All Heads of Service

- 4.11 All Heads of Service, through their Management Teams, will be jointly responsible for ensuring that all the statutory requirements in terms of safeguarding and promoting the welfare of children and adults receive due consideration. This includes the quality, content and frequency of training provided and maintaining sufficient staff training records.
- 4.12 All Heads of Service must ensure that where those posts are designated as regulated activity, (see - <https://www.gov.uk/government/organisations/disclosure-and-barring-service>), their staff are checked through the Disclosure and Barring Service (DBS) procedures and that their staff conform to the Policy and Guidelines for Safeguarding Children and Adults. All Heads of Service must establish arrangements to ensure that they comply with the requirements of this policy and the Council's Criminal Records Policy. All Heads of Service must arrange that records are kept of every check that is made by the DBS.
- 4.13 All Heads of Service are expected to co-ordinate the process of preparing the Policy and Guidelines for Safeguarding Children and Adults in their Service. It is expected for this Policy to be prepared in order to highlight the Service's arrangements for responding to issues that could arise in the safeguarding field. It will be a requirement for the Policy to fully comply with the Corporate Policy and Guidelines.

Every Member of Staff and Volunteers

- 4.14 Every member of staff and volunteers are responsible for undertaking their duties in a manner which safeguards and promotes the welfare of children and adults. They must also act in a way which protects them against allegations of abuse as far as possible and in accordance with this policy. They must bring issues of concern regarding the safety and welfare of children and adults to the attention of their Manager.

Contractors, Sub-contractors or Other Organisations funded by or on behalf of Carmarthenshire Council

4.15 Contractors, sub-contractors or other organisations funded by or on behalf of the Council are responsible for arranging checks through the DBS and to ensure that their staff comply with the appropriate Policy and Guidelines for Safeguarding Children and Adults. They are also responsible for informing relevant managers of the Council about any concerns they may have and to refer to protection issues.

Every Contracted Line Manager

4.16 Every Contracted Line Manager is responsible for ensuring that the staff for which they are responsible, receive the training which they need and that the training is proportionate to their responsibilities. There are guidelines regarding which members of staff should receive training and to what level and these are available from the Human Resources Service.

Role of elected members

4.17 All elected Members are to:

- understand and apply this policy and procedure in their activities
- identify opportunities and undertake appropriate training to support them in their role
- act appropriately at all times and be able to challenge inappropriate behaviour in others
- be able to recognise harm
- know how to report any concerns in a timely and appropriate way

4.18 Any lessons from Child Practice Reviews will also be identified to Elected Members as part of the Annual Report.

4.19 Members of the Services Scrutiny Committee's will receive information regarding the work of Children's Services and Adult's Services in an Annual Report. This will provide an opportunity for Members to scrutinise and challenge Members of the Executive Board. Members of the Scrutiny Committee will receive information regarding the work programme of Social Services, the progress against this work programme and the main messages stemming from the performance management arrangements.

4.20 Every Member will receive information – by means of the annual report – on the efficiency of the Council's arrangements and procedures for safeguarding children and adults.

4.21 It will be expected that every Councillor attends training in the field of safeguarding children and adults. A register will be kept of those attending and this will be reported as part of the performance monitoring arrangements to the Corporate Safeguarding group that reports to the Chief Officers Management Team (CMT). The training will raise awareness amongst Carmarthenshire Councillors of this Policy and Guidelines and increase the Councillors' understanding of the safeguarding procedures which exist within the Council.

- Provide quarterly reports to the CYSUR Executive Board.

Adult Services

5.6 Carmarthenshire Adult Safeguarding Board is a standing committee of senior/lead officers within Adult Social Care, Hywel Dda Health Board, Dyfed Powys Police and the Crown Prosecution Service. It is chaired by the Director of Community Services. The Board's role is to promote the well being and protect adults at risk in its area.

Carmarthenshire Adult Safeguarding Board

5.7 Carmarthenshire Adult Safeguarding Board is reported into each member agency's strategic safeguarding committee/board and into the Local Service Board.

The Board has seven strategic objectives:

- 1 Effective strategic leadership, accountability and governance
- 2 Making adult safeguarding everyone's business
- 3 Develop and implement joint policies, procedures and processes for safeguarding
- 4 Engagement with service users, carers and partner organisations
- 5 Develop best practice, experience, skills in safeguarding and adult protection for those who work with adults at risk
- 6 Ensure that learning is undertaken through serious case reviews, management reviews or appropriate learning experiences
- 7 To develop a regional collaborative approach

5.8 In order to effectively achieve the Board's objectives, the following subgroups have been established with specifically agreed functions and remits:

Multi agency:

- a) Operational subgroup
- b) Serious case review standing panel subgroup
- c) Practice evaluation subgroup
- d) Police/coordinators subgroup
- e) Training subgroup

5.9 These subgroups will be chaired by nominated members of the Board who will be held accountable for delivering and reporting on the Board's objectives. Each subgroup has its own terms of reference approved by the Board.

5.10 The Board will:

- Work to relevant guidance and legislation as set out in s7 Local Government Guidance, s44 Mental Capacity Act, In Safe Hands Guidance and the interim Wales Policy and Procedures for the Protection of Vulnerable Adults
- Undertake steps to foster and maintain a relationship of mutual trust and understanding amongst the persons or bodies represented on the Board in relation to safeguarding and promoting the welfare of vulnerable adults/adults at risk within the area of the Board

Carmarthenshire Council's Services Scrutiny Committee

5.11 The Council's Services Scrutiny Committee has committed to convene specific meetings of the Committee on an annual basis to scrutinise and challenge the work and performance of the Strategic Panel for Safeguarding Children and Adults. It is considered that this is crucial so that Committee Members gain experience and understanding in the field and become completely aware of the breadth and depth of the Panel's work and the corporate arrangements.

The Integrated Community Strategy 2011 – 2016

5.12 This establishes the strategic direction for the Council's work over the years to come and identifies clear priorities and outcomes and the strategic partnerships which will respond to these priorities.

5.13 There is already a commitment that the field of safeguarding children and adults will be a specific outcome priority in the Strategy. Realising the outcome in this field will strengthen the Council's arrangements in the safeguarding and will fully respond to some of the messages stemming from CSSIW and Estyn Inspections. The Corporate Safeguarding Group for Children and Adults will monitor the performance of Services in relation to Safeguarding.

6. Reporting, monitoring and reviewing

6.1 The Corporate Safeguarding Group for Safeguarding Children and Adults will publish an Annual Report. This Annual Report will draw attention to the Council's performance in complying with the Corporate Policy and Guidelines. The Annual Report will be submitted to the Corporate Management Team, the Executive Board and to the full Council.

6.2 It is proposed to submit the Annual Report every June. Specific attention will be given to the following Performance Indicators:

No. of POVA referrals completed in the period

No. of child protection referrals in the period

% of Child referrals during the year where a decision is made within one working day

% of adult protection referrals completed during the year, the percentage where the risk has been managed

% of child protection reviews held within the statutory timetable during the year

% of adult clients with a care plan on 31 March whose care plans should have been reviewed that were reviewed during the year

% of risk assessments submitted to a Case Conference which were considered as exhibiting quality in decision-making

% of referrals re-referred within 12 months

% of staff commencing in post with two references and a CRB check

% of staff receiving safeguarding training as they receive induction

% of Councillors attending safeguarding training

6.3 The Corporate Safeguarding Group for Safeguarding Children and Adults will receive a quarterly report noting the performance of indicators dealing with the safeguarding field. In addition, the Carmarthenshire Local Operational Group will receive a copy of the performance report. Any concerns regarding underperformance will be reported directly to the Statutory Director and the appropriate Head of Service and a clear action plan will be required in order to respond to the concerns.

6.4 It is planned to ensure the independent validity of the performance reports in order to give credibility to the process.

6.5 Several methods will be used to monitor the understanding of and compliance with the procedures, e.g. inspections, one-to-one, annual service reviews, a quarterly corporate monitoring process, staff feedback, regular and ad-hoc checks.

6.6 This Safeguarding Policy will be reviewed annually or if any amendments occur in legislation or in consideration of changes in working practices which may stem from incidents or allegations.

7. Clarity regarding the referral process

7.1 Any member of staff with concerns regarding the behaviour of a colleague towards children or an adult should contact the Designated Manager within the Service immediately.

- 7.2 If a Councillor (or any member of the public) has concerns regarding the safety of an individual, then the **Children Services Referral Team (Children's Services)** should be contacted immediately on **01554 742322** or the **Adult Services Advice and Assessment Team** on **01558 825371**.
- 7.3 The **Social Services Out-of-Hours Team** should be contacted on **01558 824283** if the issue arises **after 5.00pm, Monday to Friday and on weekends and Bank Holidays**.
- 7.4 The Police must be contacted immediately if the child or adult is in danger.

This document will be reviewed annually.

3. Finance

It is imperative that we maintain and improve attainment outcomes to ensure that Carmarthenshire's learners have the best start in life. At a time of reduced funding the County Council needs to consider protecting our contribution to the regional school improvement service (which is charged with improving school performance and securing improved outcomes for all learners) and the budgets of Local Authority services which support Carmarthenshire's most vulnerable learners (LAC, SEN, ALN, EAL, Travellers, Sensory impaired etc). Without the support from these services we will not be able to ensure further improvement in standards.

The Council also needs to consider the impact of reducing school budgets on the raising standards and improving schools agendas. A high % of a school's budget is spent on teaching and support staff and inevitably a reduced budget will results in redundancies and less support for our learners.

6. Staffing Implications

The current Education EVR budget is under considerable pressure with a substantial forecasted overspend for 2015/16. When school budgets are reduced this will result in redundancies which will place even greater pressure on this budget, Education and HR officers are working on a revised policy to try an address this challenge.

Context- Free School Meals Benchmarking

Over the last three years we have seen an increase in pupils eligible for free school meals. **17.2%** of Carmarthenshire's pupils aged 5-15 are currently entitled to free school meals. FSM levels in the Primary sector are 18.2% (Rank- 11th) and 15.7% (Rank- 10th) in the Secondary sector. The Welsh average is 18.8%.

When considering benchmarks we should be performing around the 10th position when considering our cohort.

EXECUTIVE SUMMARY

EDUCATION & CHILDREN SCRUTINY COMMITTEE 24th SEPTEMBER 2015

Children & Young People's Participation Strategy 2015-18, Action Plan and Children's Rights Promise

Involvement in decisions that affect their lives is a fundamental right for all children and young people (Article 12, United Nations Convention on the Rights of the Child). To deliver this commitment effectively a culture of engaging children and young people needs to be embedded across the County Council.

The Children & Young People's Participation Strategy 2015-18 (attachment 1) succinctly brings together the key drivers, identifies the benefits, and sets out 10 clear priorities to take this commitment forward. The Action Plan (attachment 2) sets out the key things we need to do to deliver on our 10 priorities. It will be a living document, reviewed formally every 12 months in line with our business planning cycle.

One of the actions in the plan is to develop a Children's Rights Promise, which is all about the County Council setting out a clear commitment to children's rights as set out in the UNCRC. The Promise will be a visible symbol of the Council's commitment to the whole of the UNCRC that children and young people can use to hold us to account.

Children & Young People from across the county have worked together to develop the Promise (attachment 3) which they feel will give them the commitment required from the local authority to ensure their rights are upheld and are seen as active citizens in their own lives.

The hope is that this Promise will help to create a clearer understanding of children's rights and how we can work together to ensure they are delivered.

2. Legal

Section 12 of the Children & Families (Wales) Measure 2010 states that:

Participation of children in local authority decision making

- (1) A local authority must make such arrangements as it considers suitable to promote and facilitate participation by children in decisions of the authority which might affect them.
- (2) A local authority must –
- (a) publish information about its arrangements under subsection (1), and
 - (b) keep the information published up to date.

This was covered in the Welsh Government Shared Purpose, Shared Delivery guidance on partnerships and plans. This strategy and action plan are the means to deliver this.

4. ICT

Properly engaging with children and young people will rely on use of modern technology such as social media and electronic survey tools.

5. Risk Management Issues

The Departmental Risk Register identifies failing to properly engage children and young people in decisions that affect them as a key risk.

6. Staffing Implications

We will be recruiting a Modern Apprentice through the Work Ready Programme to help us deliver the Action Plan over the next 18 months.

RHAGAIR

Rydym am ymgorffori cyfranogi ym mhob rhan o'r Cyngor Sir, trwy ymgysylltu'n gadarnhaol â phlant a phobl ifanc, a sicrhau bod plant a phobl ifanc yn gwybod sut i gyfrannu i'r penderfyniadau sy'n effeithio ar eu bywydau a'u dyfodol.

Byddwn yn darparu ac yn datblygu cyfleoedd a mentrau sy'n galluogi plant a phobl ifanc i fod yn rhan o'r broses o wneud penderfyniadau. Mae ein llwyddiant yn ddibynnol ar alluogi plant a phobl ifanc i chwarae rhan ystyrlon. Ystyr hyn yw y byddwn yn gwrando ar eu safbwyntiau, eu pryderon a'u barn wrth lunio a darparu pob gwasanaeth a ddefnyddiant, yn sicrhau ein bod yn darparu ar gyfer eu hanghenion ac yn gwella ein ffordd o weithio.

Rydym wedi ymrwymo i sicrhau bod plant a phobl ifanc wrth wraidd popeth a wnawn. Trwy eu cyfraniad tymor hir rydym yn gobeithio y bydd plant a phobl ifanc wrth wraidd ein gwaith i gynllunio a llunio'n gwasanaethau. Os na fyddwn yn cyflawni'r ymrwymiad hwn cofiwch roi gwybod i ni fel y gallwn ni ei wneud yn iawn.

EIN GWELEDIGAETH

Ein nod dros y tair blynedd nesaf
yw ymgorffori cyfranogi yn y
Cyngor, er mwyn i blant a phobl
ifanc deimlo bod llais ganddynt
ac y gallant ddylanwadu ar
benderfyniadau sy'n effeithio ar
eu bywydau o ddydd i ddydd.

YSTYR CYFRANOGI

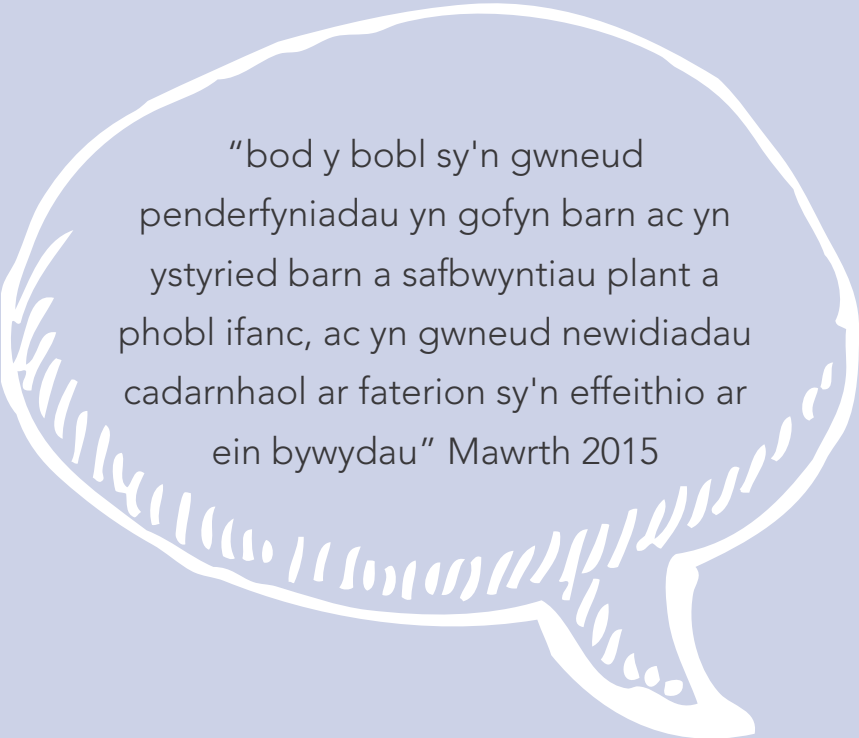

Un o hawliau sylfaenol pob plentyn a pherson ifanc yw cael cyfranogi yn y penderfyniadau sy'n effeithio ar eu bywydau. Dywed Confensiwn y Cenhedloedd Unedig ar Hawliau'r Plentyn fod gan blant a phobl ifanc

*"yr hawl i ddweud eu barn ynghylch yr hyn a ddylai
ddigwydd pan fo oedolion yn gwneud penderfyniadau sy'n
effeithio arnyn nhw, ac i'w barn gael ei hystyried"*
(Yn ôl Erthygl 12 o'r Confensiwn)

Ystyr cyfranogi felly yw rhoi cyfle i blant a phobl ifanc leisio eu barn a chael cymorth i wneud penderfyniadau drostynt eu hunain.

Rydym wedi ymrwmo i hyrwyddo Erthygl 12 a sicrhau bod cyfle i bob plentyn a pherson ifanc yn Sir Gaerfyrddin gyfrannu a lleisio barn.

DYWED CYNGOR IEUENCTID SIR GAERFYRDDIN MAI YSTYR CYFRANOGIAD YW:

"bod y bobl sy'n gwneud
penderfyniadau yn gofyn barn ac yn
ystyried barn a safbwyntiau plant a
phobl ifanc, ac yn gwneud newidiadau
cadarnhaol ar faterion sy'n effeithio ar
ein bywydau" Mawrth 2015

CYFRANOGIAD

Mae'r ysgol gyfranogi yn syniad a ddatblygwyd gan Roger Hart (1992) ac mae'n nodi wyth lefel o gyfranogiad gan blant a phobl ifanc. Cafodd ei llunio i ddangos y graddau y gall plant a phobl ifanc gyfranogi â sefydliadau. Ystyrir bod y tair haen waelod yn enghreifftiau o ddiffyg cyfleoedd i gyfranogi.

Non-Participation

Tudalen 91

Mae oedolion a phobl ifanc yn gwneud penderfyniadau ar y cyd.

Y bobl ifanc sy'n dechrau (eu syniadau nhw) ac yn penderfynu beth dylid ei wneud.

Yr oedolion sy'n dechrau (eu syniadau nhw) ac yn gwneud penderfyniadau ar y cyd â'r bobl ifanc.

Mae'r bobl ifanc yn cael gwybodaeth a gofynnir iddynt fynegi barn am yr hyn ddylai gael ei wneud.

Mae'r bobl ifanc yn cael gwybodaeth a dywedir wrthynt beth i'w wneud.

Mae'n ymddangos bod y bobl ifanc yn cael rhoi barn, ond mewn gwirionedd nid oes ganddynt fawr o ddewis ynghylch beth maent yn gwneud na sut maent yn cyfranogi.

Defnyddir pobl ifanc i hybu achos yn anuniongyrchol. Nid yw oedolion yn esgus bod yr achos wedi'i ysbrydoli gan bobl ifanc.

Yn cael eu defnyddio. Mae oedolion yn defnyddio pobl ifanc i gefnogi achosion ac yn esgus bod y rheiny wedi'u hysbrydoli gan bobl ifanc.

PAM CAEL STRATEGAETH?

Mae'r strategaeth hon yn helpu pobl ifanc a'r bobl sy'n gwneud penderfyniadau i ddeall pwysigrwydd cyfranogiad ystyrllon a beth y gallwn gyflawni.

Mae'r strategaeth hon a'r Cynllun Gweithredu sy'n ei chefnogi yn adeiladu ar y gwaith da sydd wedi'i wneud ac yn disgrifio ein hymrwymiad a'n blaenoriaethau o ran cynnwys plant a phobl ifanc yn ein prosesau gwneud penderfyniadau.

Mae'n rhaid i ni gynnwys plant a phobl ifanc er mwyn deall eu hanghenion. Heb wneud hynny, mae'n amhosibl creu a darparu gwasanaethau effeithiol sy'n ateb eu hanghenion.

CYFRANOGI: BETH MAE HYN YN EI GYNNIG I MI?

AR GYFER PLANT A PHOBL IFANC

Gall cyfranogi wneud y canlynol:

- Rhoi rôl i blant a phobl ifanc mewn sefydliad neu wasanaeth er mwyn iddynt gael gwrandawriad, ystyriaeth ddifrifol i'w barn, a chael eu gwerthfawrogi a'u parchu .
- Gwneud newidiadau ar ein cyfer ni ac ar gyfer pobl ifanc eraill drwy herio'r bobl sy'n gwneud penderfyniadau a'u dal yn gyfrifol.
- Datblygu a gwella ein sgiliau a'n gwybodaeth, a rhoi cyfle ar yr un pryd i gael gwobrau ac achrediad.
- Meithrin hyder, hunan-barch a dyheadau a chael gwell ansawdd bywyd yn sgil hynny.
- Chwarae rhan weithredol yn y gymuned a deall sut y gallwn wneud gwahaniaeth trwy ddeall systemau a phrosesau.
- Caniatáu inni ymfalchïo yn ein cyflawniadau.

AR GYFER SEFYDLIADAU A GWASANAETHAU

Gall annog a chefnogi cyfranogiad wneud y canlynol:

- Cynllunio, creu a llunio gwasanaethau o ansawdd gwell sy'n darparu ar gyfer anghenion plant a phobl ifanc.

Mae ymgysylltu ystyrlon a chynaliadwy â phlant a phobl ifanc yn galw am ymrwymiad gan blant a phobl ifanc, y sefydliad cyfan a'r gymuned.

EXECUTIVE SUMMARY

EDUCATION & CHILDREN SCRUTINY COMMITTEE 24th SEPTEMBER 2015

Young People Not in Education, Employment or Training (NEET) – A Carmarthenshire Perspective

The Department of Education and Children has a long-standing commitment to supporting young people aged 16-25 who are not in employment, education and training (NEET). This work dates back to a Big Lottery Fund Bid in 2000 and has been followed by two successful ESF projects (Youth First and Engage) and the use of both core and grant funding by the Youth Service, together with a wide range of partners, to reduce the number of young people in this category. This work has been closely linked to the implementation of 14-19 Learning Pathways in the county and has been co-ordinated by a dedicated NEET Strategy Group since 2008. This work pre-dates any co-ordinated Welsh Government policy initiative to address the needs of young people who are NEET.

At its meeting on the 18th May 2015, the Education & Children Scrutiny Committee requested that an update report including numbers and support for NEETs in the Youth Services, be included in its Forward Work Programme for 2015/16.

The attached report includes:

- Carmarthenshire Implementation of the Youth Engagement and Progression Framework
- The Youth Service Budget 2010-2015
- Careers Wales Pupil Destination Data – Carmarthenshire Context
- Departmental Actions to Reduce the Number of Young People Becoming NEET
- Future Challenges to Reducing the Number of Young People Becoming NEET

Young People Not in Education, Employment or Training (NEET) – A Carmarthenshire Perspective

1.0 Background

The Department of Education and Children has a long-standing commitment to supporting young people aged 16-25 who are not in employment, education and training (NEET). This work dates back to a Big Lottery Fund Bid in 2000 and has been followed by two successful ESF projects (Youth First and Engage) and the use of both core and grant funding by the Youth Service, together with a wide range of partners, to reduce the number of young people in this category. This work has been closely linked to the implementation of 14-19 Learning Pathways in the county and has been co-ordinated by a dedicated NEET Strategy Group since 2008. This work pre-dates any co-ordinated Welsh Government policy initiative to address the needs of young people who are NEET.

2.0 Carmarthenshire Implementation of the Youth Engagement and Progression Framework

In October 2013, the Welsh Government launched the Youth Engagement and Progression Framework implementation plan setting out the Welsh Government's expectations for this policy in Wales at a local, national and regional level. This framework sets out the Welsh Government's expectations of local authorities in reducing the number of young people who are not in employment, education or training (NEET). The six areas of the framework are:

- Identifying young people most at risk of disengagement;
- Better brokerage and coordination of support;
- Stronger tracking and transitions of young people through the system;
- Ensuring provision meets the needs of young people;
- Strengthening employability skills and opportunities for employment;
- Greater accountability for better outcomes for young people.

All Welsh local authorities are required to develop an action plan to implement the Youth Engagement and Progression Framework. This action plan is to be developed in the context of other local authority plans and strategies such as school improvement schemes, Families First, Communities First and the Integrated Community Strategy. The Welsh Government believes that strong strategic leadership from local authorities is a critical part of the successful implementation of these plans.

The Welsh Government set out its on-going commitment to tackling poverty by prioritising the needs of the poorest and protecting those most at risk of poverty and exclusion in the 'Tackling Poverty Action Plan 2012-2016'. A key part of that plan was a commitment to reduce the number of young people who are NEET.

New targets were set out in the plan and re-affirmed in the role of the Youth Engagement and Progression Framework to:

- Reduce the numbers of NEET young people aged 16 - 18 to 9% by 2017;
- Reduce the proportion of young people aged 19-24 who are NEET in Wales relative to the UK as a whole by 2017.

Working closely with the Pembrokeshire 14-19 Network and Careers Wales, the Carmarthenshire 14-19 Network and the youth service have refocused a range of youth support services to meet the needs of young people and the requirements of the Welsh Government's YEPF. These actions have included:

- Restructuring of the youth service on a thematic basis to ensure greater consistency of support services for young people;
- The establishment of a principal youth officer role and three county wide senior youth officer roles (responsible for school and college based youth work, post 16 NEET reduction and positive activities);
- Gaining agreement that school and college based youth work together with post 16 youth work will be "made services" in Families First commissioning process and thus ensuring funding of these roles to 2016;
- Implementation of a Vulnerability Assessment Profile (VAP) programme to identify all young people in secondary schools at risk of becoming NEET at 16;
- Use of information gained from the VAP to identify pupils in need of support in schools and supporting the post 16 transition of young people likely to become NEET;
- Using monthly 5 Tier NEET data from Careers Wales and Job Centre Plus to follow up and support young people aged 16-19;
- Mapping of the learning provision (core and additional NEET related) available in the county to avoid duplication;
- Better sharing of information regarding job and training vacancies locally;
- Development of ESF bids with regional partners for submission to the EU 2014-2020 programme to support the young people most at risk of becoming NEET.
- Continued close working with Pembrokeshire on these developments via the shared Pembrokeshire/Carmarthenshire 14-19 & YEPF steering group and shared training events

As a result of these requirements, much of the Carmarthenshire youth service delivery is now focused on more targeted support for young people. Targeted youth work provision has an important contribution to make in supporting young people to succeed in education, stay safe, stay healthy, play a positive role in their communities and make informed life choices.

The targeted work of the youth service is ensuring better outcomes for young people by providing support strong and efficient connections with other forms of provision, wider support networks and relevant partnerships. This includes the role of youth work in supporting young people to progress into education, training and employment.

A key part of the implementation of the YEPF in Carmarthenshire is the implementation of a network of 'lead workers' providing continuity of support and contact to vulnerable young people and supporting them to engage with and access

wider support services. Carmarthenshire youth service staff are both suitably skilled and best positioned to provide the lead worker role for many of the young people identified as being in need of support to prevent their disengagement from education and training, or to support them to re-engage.

Full details of all the current activities linked to the Youth Engagement and Progression Framework are included in the YEPF action plan for 2014-2015.

3.0 The Youth Service Budget 2010-2015

Each year, the Welsh Government allocates a core budget to each county council via the Revenue Support Grant to be used to fund the local authority youth service. The Carmarthenshire Youth Service receives the lowest percentage of this funding of any authority in Wales, with only 28% of the amount allocated to the Council for the Youth Service (£563k of £1.9M actually being received by the service in the 2013-2014 year. This percentage figure has declined year on year from 42% in 2010-2011. The average Welsh local authority core youth work budget as a percentage of local government revenue settlement was 70% in 2013-2014. The year on year cuts to the core amount received by the service have affected its ability to fully deliver youth support services, the Youth Engagement and Progression Framework and to provide funding to support voluntary sector youth organisations in Carmarthenshire. Full details of Youth Service funding in Wales can be found here: <http://gov.wales/docs/statistics/2014/141022-youth-work-2013-14-en.pdf>

The table below summarises the funding arrangements for the Youth Service in the period 2012-2016.

Funding Source	2012/13	2013/14	2014/15	2015/16
Core Budget (via RSG)	£634,060	£563,975	£547,117	£415,565
		<i>Reduction of 11%</i>	<i>Reduction of 3%</i>	<i>Reduction of 24%</i>
Cymorth / Families First Grant	£985,699	£983,351	£935,433	£694,540
Other Grants / Income (inc ESF funding)	£328,533	£191,967	£214,030	£264,307
TOTAL BUDGET	£1,948,292	£1,739,293	£1,696,580	£1,374,412
OVERALL REDUCTION		10.7%	2.5%	19%

The longstanding shortfall in core funding for Carmarthenshire Youth Service has meant that officers have had to be pro-active in gaining funding from other sources. In the period 2010-2013, significant additional funding was gained from the regional Engage ESF project to reduce the number of young people becoming NEET.

However, the closure of this project and Welsh Government delays in implementing a successor ESF programme for young people has meant a significant funding shortfall for the youth service in the period 2013-2015. Officers are currently (July 2015) preparing the Carmarthenshire elements of two regional ESF bids focussing on young people at risk of becoming NEET to be submitted to the Wales European Funding Office in September 2015. These bids will be led by Pembrokeshire CC on behalf of the 5 south west Wales authorities in the ESF area.

Additionally, officers secured Families First funding via the associated grant commissioning for school, college and Post 16 outreach youth work as “made services”, thus ensuring funding for these roles to 2016. However, the uncertainty generated by a combination of core budgets cuts and unconfirmed grant funding in the 2014-2015 financial year affected the ability of staff to fully deliver range of youth support services offered previously. Restructuring of the service during this period resulted in four youth workers leaving council employment in the financial year.

Despite the identified reductions in funding, the Youth Service provided support services for 29% of young people aged 11-19 and 19% of the 11-25 population in Carmarthenshire in 2014/15. The Youth Service is also responsible for delivering the best performing Duke of Edinburgh’s Award scheme in Wales, with more young people taking part, achieving awards and undertaking the scheme through the medium of Welsh than in any other county.

4.0 Careers Wales Pupil Destination Data – Carmarthenshire Context

School destination, and NEET “snapshot” data is captured by Careers Wales at the end of October each year for Year 11, 12 and 13 leavers and is published annually in the following April. Carmarthenshire Year 11 data reflects the current “mixed economy” for Post 16 provision, comprising of school Sixth Forms, Coleg Sir Gar FE delivery including an academic Tertiary system for the Llanelli area, vocational courses and work based learning provision. Data for Year 12 and Year 13 relates to Carmarthenshire school sixth form data only and does not include FE college destination data, which WG record this in a different way, making comparison of outcomes difficult.

The percentage of Carmarthenshire Year 11 pupils becoming NEET has risen from 3.0% (65 yp) in 2013 to 3.4% (69 yp) in 2014 – Wales av 3.1%. In 2014, Carmarthenshire ranked 14th of 22 local authorities in Wales for this key performance indicator.

This small increase is a function of the effects of the following factors:

- The high level of dependency on grant funding to support the Youth Service and YEPF;
- Restructuring of the Youth Service linked to the required departmental budgetary savings, with the resulting effects on staff morale, performance and numbers of staff employed;
- An increased focus on pupil attendance leading to more young people being educated at home (given parents are concerned about fines if pupils do not attend school and thus are withdrawing their children to avoid this) and where this happens in Years 10 and 11, the likelihood of these young people becoming NEET increases significantly.
- The Welsh Government and Wales European Funding Unit delays in implementing the 2015 -2020 ESF programme which offers opportunities for targeted project work with this cohort of young people.

Additionally, the percentages of pupils progressing to 6th Form (41%) and FE college – primarily Coleg Sir Gâr (45%) -have remained fairly static over the last three years. This is a reflection of the strength of local educational partnership working which is acknowledged as sector leading. Consequently, there is not great “competition” locally for Post 16 pupils.

In 2014, Carmarthenshire schools retained 84% of their Year 12 leavers, ranking 6th of 22 Welsh Authorities for this KPI (Wales average 82%). This suggests a high degree of pupil satisfaction with the Sixth Form experience on offer in schools. The percentage of young people becoming NEET at the end of Year 12 was 1.2% (Wales average 1.9%) with Carmarthenshire ranking 6th of 22 Welsh Local Authorities for this KPI. The percentage of young people becoming NEET varied across the schools from 0% to 4%. However, focus on this cohort of young people remains a priority since levels of pupil drop out from Year 12 can be an indicator of dissatisfaction with the curriculum on offer, particularly for those pupils who return to the Sixth Form without a clear focus for progression and/or weak GCSE grades.

The percentage of Year 13 pupils becoming NEET has risen from 5.5% (40 yp in 2013 to 6.0% - 46 yp) in 2014. Carmarthenshire ranks 17 of 22 Welsh authorities, with the Wales average being 4.9%. Initial analysis suggests that this trend is linked to particular schools where the levels of progression from Sixth Form to University are low, and there is significant variation in the outcomes here at an individual school level. For example, the highest rate of progression by pupils from a Carmarthenshire school to Higher Education is 74.5%, while the lowest is 38%. And the school with the lowest rate of progression to HE also has both the highest rate of Year 13 progression to FE (24%) and the highest rate of Year 13 pupils becoming NEET (16%), with the lowest Carmarthenshire school having 1.2% of pupils in this NEET category.

This data suggests that pupils who were not well suited to A levels stayed on at school when they would have been better served progressing to FE College or work-based training. These pupils did not achieve good grades at A Level in school and thus either went to FE post A Level (in effect wasting two years in school) and/or did not progress and became NEET. This area is a particular focus for the new Post 16 Planning and Funding System and will be a key area of study in the current 11-19 Education & Training review.

5.0 Departmental Actions to Reduce the Number of Young People Becoming NEET

There are a range of actions on-going to reduce the number of young people becoming NEET. These actions are linked to the local authority's responsibilities via the YEPF and other departmental and partnership work to access additional resources to support this group of young people. In addition to the YEPF actions identified elsewhere in this briefing paper, Post 16 progression and retention during the 2015-2016 year will be supported by:

- **Year 11 Information Advice and Guidance** – Young people in Year 11 receive assemblies from Job Centre Plus staff that provides them with information about the local labour market. These are timed to coincide with them beginning their post-16 options choices. This compliments the work undertaken by Careers Wales.

- **Careers Events** – All Year KS4 young people in compulsory education have the opportunity to meet Carmarthenshire Post-16 education providers face at a Careers Event. This enables them to get a better understanding of their potential learning pathways and they are further signposted onto options evenings.
- **Year 11 AS level entry requirements** – Each school needs to be confident that all learners have the appropriate ability to complete their courses. From September 2015, all pupils entering Sixth Forms without GCSE Maths and English will be required to resit these qualifications.
- **Common Area Prospectus and Application Process (CAP)** – All Year 11 learners will apply for their post-16 education and training through the Welsh Government's new CAP system from September 2016. This system will allow learners to view the full range of educational opportunities in the county, and will greatly contribute to tracking their progression through the post-16 transition process. This is similar to the UCAS university application process.
- **A review of 11-19 Education in Carmarthenshire** – This work is being undertaken in partnership with Coleg Sir Gar and will include the development of a Carmarthenshire curriculum offer and clear links to the economic regeneration of the County and region. This will be underpinned by the development of an inclusive curriculum for learners in all settings. This will be underpinned by a revised departmental structure including a new head of Inclusion post.
- **Closer links with CCC Regeneration colleagues** – To ensure that all opportunities to promote work related education, entrepreneurship, apprenticeships and traineeships locally are utilised and links to Swansea Bay City Region developments;

It is possible that additional resources for NEET preventative work will be available from early 2016 via the regional ESF *Cynnydd* project (for 11-19s at risk of becoming NEET) and the *Cam Nesa* Project (for 16-25s who are NEET). These projects will include the potential for direct funding for CCC delivery and procurement of a range of support and enhancement services. Both of these regional projects are being led by Pembrokeshire County Council.

6.0 Future Challenges to Reducing the Number of Young People Becoming NEET

While the Carmarthenshire NEET steering group has overseen a largely successful and joined-up approach to reducing the number of young people who become NEET in the county over the period 2006-2015, there will be very significant challenges to further work in this area in the period to 2020.

These challenges include:

- Reducing WG budgets for 14-19 collaboration work which will reduce the opportunity for young people to take vocational courses at KS4;
- A focus on teaching and learning to deliver school improvement that does not consider how the wider local authority support services contribute to improving outcomes for young people and families experiencing poverty;

- The withdrawal of universal advice, guidance and work experience services by Careers Wales, placing additional responsibility for these areas on the local authority without any associated budget to fund this work;
- An increasingly academic 11-16 curriculum that many pupils will not find interesting or engaging;
- A reduced “alternative curriculum” offer for young people in Key Stage 4 who are disaffected with school;
- Reducing Welsh Government Post 16 budgets (predicted to be a minimum of 5% p.a. to 2020) that will limit the potential for secondary schools and Coleg Sir Gâr to offer a broad A Level curriculum;
- Reducing youth service budgets and a focus on WG grant funding that does not enable the flexible approaches required to engage with young people;
- New models of youth service delivery currently being considered by the Welsh Government and likely to feature in political party manifestos for the 2016 Welsh Assembly election;
- Welfare cuts by the Westminster Government that will significantly affect the ability of young people to stay in education and find employment (e.g. the removal of Housing Benefit for 18-21 year olds).

Given this context, and despite the on-going commitment of Council staff and the wider partnership to supporting young people at risk of becoming NEET, there is a very significant risk that the number of young people aged 16-25 in Carmarthenshire becoming NEET and/or experiencing poverty will increase in the next 5 years.

4. CYNLLUN BUSNES ERW 2015/16 AC ADOLYGIAD O 2014/15

Bu i'r Cynghorydd D.J.R. Bartlett ddatgan buddiant yn yr eitem hon gan mai ef yw Llywydd Undeb Cenedlaethol yr Athrawon ar gyfer Sir Gaerfyrddin.

Bu i'r Cadeirydd groesawu Mrs. Betsan O'Connor Rheolwr-gyfarwyddwr Consortiwm Ein Rhanbarth ar Waith (ERW) i'r cyfarfod.

Cafodd y Pwyllgor gyflwyniad ynghylch gwaith Consortiwm ERW yn ystod 2014/15 a'i gynllun busnes am y blynyddoedd i ddod. Roedd y cyflwyniad yn amlinellu swyddogaethau ERW a pharhad y cyfrifoldebau statudol ym mhob awdurdod lleol, yn ogystal â'r cydweithio ledled y rhanbarth.

Trafodwyd y materion canlynol wrth ystyried yr adroddiad:

Cyfeiriwyd at y bwlch mewn cyrhaeddiad o ran disgyblion sy'n gymwys i gael prydau ysgol ac sy'n eu derbyn, a gofynnwyd beth oedd yn cael ei wneud i leihau'r bwlch hwn. Dywedodd Rheolwr-gyfarwyddwr ERW fod strategaeth ranbarthol ar waith ond bod gwasanaethau cymorth yn Sir Gaerfyrddin y tu hwnt i addysg megis dull y Tîm o Amgylch y Teulu. Hefyd roedd yn bwysig olrhain pob disgybl fel y gallai Penaethiaid ddarparu cymorth ychwanegol a phriodol. Fodd bynnag roedd angen gwneud hyn yn dringar ac yng nghyd-destun yr ysgol unigol. Yn ogystal roedd ERW wedi clustnodi ysgolion dysgu proffesiynol ac roedd yn eu cyllido i rannu eu harbenigedd. Nid oedd y Grant Amddifadedd Disgyblion yn cael yr effaith a ddisgwyliwyd ac roedd Llywodraeth Cymru ac Estyn yn rhoi sylw i hyn. Roedd ERW yn bwriadu monitro ac archwilio'r defnydd a wneir gan ysgolion o'r Grant Amddifadedd Disgyblion a'i effaith yn y dyfodol.

Gofynnwyd cwestiwn am deuluoedd nad oeddent yn derbyn eu hawl i brydau ysgol am ddim, a sut roedd eu plant yn cael cymorth. Ailadroddodd Rheolwr-gyfarwyddwr ERW fod angen olrhain yr holl ddisgyblion gan ddefnyddio egwyddorion llwybrau hedfan i gynllunio'r cymorth sydd ei angen arnynt. Cytunodd y Pennaeth Rhaglenni Dysgwyr fod ERW yn rhoi cymorth rhagorol ledled y sir ac ar lefel ysgolion. Roedd yn bwysig cael strategaethau i symud yr holl ddisgyblion yn eu blaenau ond hefyd gweithio gydag unigolion ar sail un-i-un yn ôl yr angen. Roedd plant o gefndir dosbarth canol yn cael cymorth yn y cartref ac yn cael eu cymell i fod yn uchelgeisiol gan rieni â diddordeb, yn ogystal â chael tiwtora ychwanegol os oes angen. Gallai pobl ifanc fynd o'r golwg oherwydd tlodi ac anfantais. Roedd y cwricwlwm newydd yn rhoi cyfleoedd i wella a chyfoethogi bywydau pobl ifanc a phlant ym myd addysg drwy gydblethu addysg a lles.

Y PWYLLGOR CRAFFU - ADDYSG A PHLANT

6^{ed} GORFFENNAF, 2015

Gofynnwyd pam roedd Cynghorwyr Her newydd yn cael eu recriwtio. Dywedodd Rheolwr-gyfarwyddwr ERW mai'r bwriad oedd creu gweithlu dros dro lle roedd traean yn llawn amser, traean ar secondiad a thraean yn ymgynghorwyr. Byddai hyn yn sicrhau bod sgiliau'r gweithlu yn gyfredol ac yn berthnasol. Fodd bynnag roedd yn anodd gan fod cyflogau penaethiaid yn fwy ac roedd y gallu i herio'n rhan angenrheidiol o rôl y Cynghorwyr Her. Hefyd gallai ysgolion fod yn gyndyn o ryddhau athro/athrawes arweiniol rhag ofn bod hynny'n cael effaith andwyol ar yr ysgol. Yn ogystal roedd angen hyfforddiant rheolaidd ar y Cynghorwyr Her er mwyn sicrhau bod safon eu gwaith yn parhau'n uchel ac yn gyson.

Gofynnwyd beth oedd barn ysgolion am ERW. Dywedodd Rheolwr-gyfarwyddwr ERW ei bod yn bwysig ystyried y canlyniadau ond bod yr athrawon a'r penaethiaid yn fodlon ar y trywydd oedd yn cael ei ddilyn. Hefyd roedd yn newid iddynt ymgymryd â rolau arwain ac i bob ysgol ddod yn un sy'n hunan-wella.

Holwyd pa ysgolion oedd wedi eu clustnodi i gynnal profion PISA. Dywedodd Rheolwr-gyfarwyddwr ERW fod cwmni preifat wedi dewis y sampl ar hap. Credai fod y wybodaeth yn gyfrinachol ond byddai, petai'n cael caniatâd, yn dosbarthu'r manylion.

PENDERFYNWYD YN UNFRYDOL dderbyn yr adroddiad.

Penderfynodd y Pwyllgor yn unfrydol ohirio'r cyfarfod am 5 munud.

5. GWASANAETH DYSGU OEDOLION YN Y GYMUNED SIR GAERFYRDDIN – ADRODDIAD CYNNYDD – DARPARU GWASANAETH DYSGU OEDOLION YN Y GYMUNED 2015-16

Rhoddodd y Pwyllgor ystyriaeth i adroddiad cynnydd mewn perthynas â Gwasanaeth Dysgu Oedolion yn y Gymuned Sir Gaerfyrddin. Atgoffwyd y Pwyllgor fod yr Aelodau, yn y cyfarfod ar 11eg Mawrth 2015, wedi gofyn am adroddiad o'r fath, a fyddai'n cynnwys dewisiadau ar gyfer darparu Dysgu Oedolion yn y Gymuned yn 2015/16. Roedd yr adroddiad yn amlinellu goblygiadau'r toriadau cyllido gan Lywodraeth Cymru i'r gwasanaeth a'r bwriad i drosglwyddo'r ddarpariaeth i Goleg Sir Gâr, yn ogystal â'r dewisiadau ar gyfer darparu'r gwasanaeth yn ystod 2015/16.

Trafodwyd y materion canlynol wrth ystyried yr adroddiad:

Mynegwyd pryder ynghylch y newyddion y byddai canolfan adeiladu TAD yn Llanelli yn cau pan fydd y brydles yn dod i ben. Eglurodd Rheolwr y Rhwydweithiau Dysgu Gydol Oes fod y gwaith yn ymwneud â phlant 14-19 oed, lle mae Coleg Sir Gâr yn darparu cyrsiau galwedigaethol mewn adeiladu, yn symud i'r pentref galwedigaethol ar safle Ysgol Bryngwyn. Fodd bynnag byddai cyrsiau i oedolion sy'n dysgu yn dod i ben yng nghanolfan TAD ym mis Gorffennaf 2015. Pwysleisiodd y byddai'r pentref galwedigaethol yn cael ei ddefnyddio gan bawb yn Llanelli a'r tu hwnt, gan wneud yr ysgol yn un gwbl gymunedol. Dywedodd y Rheolwr Moderneiddio Ysgolion fod y

prosiect, sy'n defnyddio £600,000 o grant cyfalaf gan Lywodraeth Cymru, i fod i gael ei gwblhau ym mis Chwefror 2016.

Gofynnwyd sut y byddai cyhoeddusrwydd yn cael ei roi i'r rhaglen newydd. Dywedodd Rheolwr y Rhwydweithiau Dysgu Gydol Oes fod y gwasanaeth wedi rhoi'r gorau i anfon llyfrynau at bob aelwyd 3 blynedd yn ôl gan mai dim ond 1% o'r boblogaeth oedd yn defnyddio'r cyrsiau. Fodd bynnag byddai'r rhaglen yn cael ei hyrwyddo yn yr holl fannau gwybodaeth i'r cyhoedd a thrwy Newyddion Sir Gâr, yn ogystal â thrwy'r wefan gorfforaethol.

Mynegwyd pryder y byddai Canolfan Addysg Gymunedol Felin-foel yn mynd yn wastraff gan nad oedd unrhyw gynlluniau eraill i gynnal y cyfleuster. Pwysleisiodd Rheolwr y Rhwydweithiau Dysgu Gydol Oes fod defnyddwyr Canolfannau Addysg Gymunedol wedi dweud, yn y tri chyfarfod ymgynghori â'r cyhoedd a gynhaliwyd ym mis Mehefin 2015, fod y cyfleusterau hyn yn bwysig iddynt a gofynnodd y bobl hyn i'r Cyngor Sir barhau i gynnal yr adeiladau hyn. Fodd bynnag pwysleisiodd na fyddai gan y Gwasanaeth Dysgu Oedolion yn y Gymuned na'r Adran Addysg a Phlant ddigon o gyllid i barhau i gynnal yr adeiladau hyn yn ystod blwyddyn ariannol 2016-2017 ac y byddai angen cyllid ychwanegol o'r tu allan i'r Adran i gadw'r safleoedd hyn ar agor yn y dyfodol.

PENDERFYNWYD YN UNFRYDOL:

5.1 Bod yr adroddiad yn cael ei gymeradwyo.

5.2 Gofyn i'r Bwrdd Gweithredol ystyried y posibilrwydd o gael hyd i gyllid i gynnal y Canolfannau Addysg Gymunedol yn y dyfodol.

6. Y RHAGLEN MODERNEIDDIO ADDYSG – CYNNIG I NEWID CATEGORI IAITH YSGOL BRO MYRDDIN O DDWYIEITHOG (2A) I GYFRWNG CYMRAEG (WM)

Cafodd y Pwyllgor adroddiad yn amlinellu cynnig i newid categori iaith Ysgol Gyfun Gymraeg Bro Myrddin. Rhoddwyd gwybod i'r Pwyllgor fod yr Adran Addysg a Phlant yn llwyr gefnogi dymuniad yr ysgol i barhau ar hyd continwrm yr iaith Gymraeg ac i newid y categori iaith yn Gyfrwng Cymraeg (WM). Rhoddwyd gwybod i'r Aelodau fod gwaith ymgynghori anffurfiol â'r disgyblion, y llywodraethwyr, y staff a rhieni'r disgyblion presennol a'r darpar ddisgyblion wedi cael ei gwblhau'n ddiweddar. Fodd bynnag, o dan Gôd Statudol Trefniadaeth Ysgolion 2014, yn achos newid rheoledig megis newid yng nghategori iaith ysgol, roedd angen cyhoeddi cynnig i ffurfioli'r trefniadau. Felly roedd yn ofynnol i'r Awdurdod gwblhau proses ymgynghori statudol a fyddai, pe bai'n cael ei chymeradwyo, yn dechrau yn Nhymor yr Hydref 2015. Croesawodd y Pwyllgor yr adroddiad a'r cynnig.

Trafodwyd y materion canlynol wrth ystyried yr adroddiad:

Gofynnwyd beth fyddai'r amserlen ar gyfer yr ymgynghori. Dywedodd y Rheolwr Moderneiddio Ysgolion y byddai hyn yn digwydd rhwng 19 Hydref a 14 Rhagfyr ar yr amod bod y cynnig yn cael ei gymeradwyo gan y Cyngor ar 14 Hydref.

Y PWYLLGOR CRAFFU - ADDYSG A PHLANT

6^{ed} GORFFENNAF, 2015

PENDERFYNWYD YN UNFRYDOL gymeradwyo'r cynnig i fwrw ymlaen â'r broses ymgynghori statudol ynghylch y newid arfaethedig yng nghategori iaith Ysgol Gyfun Gymraeg Bro Myrddin.

7. ADRODDIAD DIWEDD BLWYDDYN YNGHYLCH RHEOLI PERFFORMIAD - 1AF EBRILL 2014 HYD AT 31AIN MAWRTH 2015

Rhoddodd y Pwyllgor ystyriaeth i'r Adroddiad Diwedd Blwyddyn ynghylch Rheoli Perfformiad ar gyfer y gwasanaethau oedd yn ei gylch gwaith, am y cyfnod rhwng 1af Ebrill 2014 a 31ain Mawrth 2015. Roedd yr adroddiad yn cynnwys:

- A. Golwg Gyffredinol ar y Perfformiad gan Benaethiaid y Gwasanaethau
- B. Monitro'r Cynllun Gwella – Camau Gweithredu a Mesurau Perfformiad
- C. Data Mesurau Perfformiad Ychwanegol Heb eu Cadarnhau
- D. Monitro Cwynion a Chanmoliaeth

Trafodwyd y materion canlynol wrth ystyried yr adroddiad:

Gofynnwyd am eglurhad ynghylch y cyfeiriad at adolygiad posibl o ddalgylch ysgol uwchradd yn adroddiad A. Dywedodd y Prif Swyddog Addysg y byddai'n dosbarthu'r manylion ar ôl y cyfarfod. Mewn ymateb i gwestiwn ychwanegol, dywedodd fod adolygiad cynhwysfawr o ddalgylchoedd yn gofyn am lawer o adnoddau ac y byddai'n heriol iawn cael hyd i'r capasiti yn yr adran i ail-wneud yr ymarfer a wnaed yn 2011/12.

Cyfeiriwyd at addysg ddewisol yn y cartref. Dywedodd y Prif Swyddog Addysg fod adroddiad manwl wedi'i gynnwys ym Mlaenraglen Waith y Pwyllgor. Roedd addysg yn y cartref yn ddewis gan y rhieni ac nid oedd yr Awdurdod yn gallu ei atal oni bai bod datganiad o anghenion addysgol arbennig. Byddid yn gofyn i'r rhieni bob tro am y rheswm dros eu dewis ond nid oedd yn ofynnol iddynt ymateb. Roedd yr arweiniad a'r ddeddfwriaeth mewn perthynas â monitro'n wan ar hyn o bryd ac roedd yr Awdurdod wedi ymateb i ymgynghoriad Llywodraeth Cymru gan ofyn am arweiniad a threfniadau monitro cryfach. Nid oes rhaid i rieni ddilyn y cwricwlwm cenedlaethol na meddu ar unrhyw gymwysterau. Roedd mwy na 170 o blant a phobl ifanc yn y sir yn cael addysg yn y cartref ac roedd y duedd yn cynyddu.

Mynegwyd pryder ynghylch y cynnydd mewn pobl ifanc nad ydynt mewn addysg, cyflogaeth na hyfforddiant (NEET). Dywedodd y Prif Swyddog Addysg fod ysgolion yn gyfrifol am drosglwyddo plant ifanc sydd mewn perygl o fod yn NEET i gyrsiau eraill a monitro eu cynnydd. Byddai Proffil Asesu Bod yn Agored i Niwed yn cael ei ddefnyddio i dynnu sylw at y rheiny sydd mewn perygl o fod yn NEET a byddai hyn yn cael ei rannu â'r ysgol. Roedd y gwasanaethau ieuenctid hefyd yn gweithio gyda'r rhai sydd â risg uchel. Cytunodd i roi adroddiad cynnydd i'r Pwyllgor yn ddiweddarach yn y flwyddyn. Ychwanegodd y Pennaeth Rhaglenni Dysgwyr ei fod yn gweithio gyda Rheolwr y Rhwydweithiau Dysgu Gydol Oes ynghylch adroddiad am yr adolygiad o gwricwlwm 11-19. Byddai hwn yn cael ei gyflwyno i'r Pwyllgor yn ddiweddarach yn y flwyddyn.

Y PWYLLGOR CRAFFU - ADDYSG A PHLANT

6^{ed} GORFFENNAF, 2015

Holwyd ynghylch dosbarthu'r Siarter Gofalwyr Ifanc i'r holl ysgolion a lleoliadau perthnasol. Dywedodd Pennaeth y Gwasanaethau Plant fod modiwl e-ddysgu ar gyfer staff a disgyblion a ddatblygwyd gan Fwrdd Iechyd Hywel Dda, wedi cael ei anfon at yr holl ysgolion.

Gofynnwyd a oedd yn rhaid i'r ysgolion dalu am y systemau rheoli gwybodaeth newydd, SIMS a'r Ganolfan Athrawon a oedd wedi eu cyflwyno yn ystod y flwyddyn. Dywedodd y Prif Swyddog Addysg nad oedd yn rhaid iddynt dalu ond y gallai ysgolion benderfynu'n lleol ddefnyddio system olrhain arall a oedd yn codi ffi flynyddol.

Gofynnwyd pam roedd canran yr ysgolion a gafodd radd "da" neu "foddhaol" am gyflwr adeilad ysgol yn methu'r targed. Dywedodd y Prif Swyddog Addysg fod 2 ysgol o'r 4 oedd wedi cau yn ystod y flwyddyn wedi cael gradd yn nodi eu bod mewn cyflwr da a bod hynny wedi effeithio ar y canlyniad.

Gofynnwyd am adroddiad cynnydd mewn perthynas â gwaredu adeiladau ysgol gwag gan fod pryderon y gallant ddenu ymddygiad gwrthgymdeithasol. Cytunodd y Prif Swyddog Addysg i ofyn am y wybodaeth ddiweddaraf gan y Pennaeth Eiddo Corfforaethol gan gynnwys pa adeiladau oedd wedi cael eu gwerthu a'r pris a gafwyd. Wedyn byddai'n dosbarthu hyn i'r Pwyllgor.

Holwyd ynghylch canlyniad 2013 sef bod 93.7% o'r disgyblion mewn ysgolion cynradd cyfrwng Cymraeg a dwyieithog yn trosglwyddo i ysgolion uwchradd cyfrwng Cymraeg. Dywedodd y Prif Swyddog Addysg nad oedd y canlyniad hwn yn cynnwys ysgolion cynradd cyfrwng Saesneg. Y ganran oedd 55% ar draws yr holl sector cynradd.

Croesawyd y cynnydd mewn canmolïaeth i'r adran. Dywedodd y Prif Swyddog Addysg fod yr Adran wedi gwella'r modd yr oedd yn cofnodi llythyrau a negeseuon o ganmolïaeth.

PENDERFYNWYD YN UNFRYDOL dderbyn yr adroddiad.

8. ADRODDIAD MONITRO YNGHYLCH CYLLIDEB REFENIW A CHYLLIDEB GYFALAF 2014/15

Rhoddodd y Pwyllgor ystyriaeth i adroddiad oedd yn nodi'r sefyllfa ariannol fel yr oedd ar ddiwedd y flwyddyn ariannol o ran y gwariant refeniw a chyfalaf a oedd yn rhan o gylch gorchwyl y Pwyllgor Craffu Addysg a Phlant am flwyddyn ariannol 2014/15. Roedd tanwariant o £98,000 yn y gyllideb refeniw ar ddiwedd y flwyddyn.

Trafodwyd y materion canlynol wrth ystyried yr adroddiad:

Croesawyd y canlyniad refeniw diwedd blwyddyn ond nodwyd bod canlyniadau monitro'r gyllideb yn amrywio'n helaeth drwy'r flwyddyn. Gofynnwyd a oedd unrhyw beth yn cael ei wneud i gryfhau'r trefniadau monitro. Dywedodd y Prif Swyddog

Y PWYLLGOR CRAFFU - ADDYSG A PHLANT

6^{ed} GORFFENNAF, 2015

Addysg fod rheolwyr cyllideb yn cael hyfforddiant blynyddol a bod gwaith yn cael ei wneud i helpu rheolwyr o ran rhagweld cyllidebol. Ychwanegodd y Cyfrifydd Grŵp fod nifer o gamau wrth gefn yn cael eu cynnwys yn y rhagolygon yn ystod y flwyddyn oherwydd natur y gwasanaethau a lle y gallai amgylchiadau newid ar fyr rybudd. Roedd gwaith monitro manwl yn cael ei wneud bob yn ail fis.

PENDERFYNWYD derbyn yr adroddiad.

9. EGLURHAD YNGHYLCH PEIDIO Â CHYFLWYNO ADRODDIADAU CRAFFU

Nododd y Pwyllgor y rhesymau dros beidio â chyflwyno Adroddiad Blynyddol Bwrdd Rhanbarthol Diogelu Plant Canolbarth a Gorllewin Cymru 2014/15, yn ogystal â'r wybodaeth ddiweddaraf ynghylch y Canolbwynt Diogelu Amlasiantaeth.

PENDERFYNWYD YN UNFRYDOL nodi pam nad oedd yr adroddiadau wedi eu cyflwyno.

10. Y PWYLLGOR CRAFFU – ADDYSG A PHLANT: Y DIWEDDARAF YNGHYLCH CAMAU GWEITHREDU AC ATGYFEIRIADAU

Ystyriodd y Pwyllgor adroddiad a fanylai ar y cynnydd o ran y camau gweithredu, y ceisiadau, neu'r cyfeiriadau a oedd wedi deillio o gyfarfodydd blaenorol.

PENDERFYNWYD YN UNFRYDOL dderbyn yr adroddiad.

11. EITEMAU AR GYFER Y DYFODOL

Rhoddwyd rhestr i'r Pwyllgor o'r eitemau fyddai'n cael eu hystyried yn ei gyfarfod nesaf ar 24ain Medi 2015. Cytunodd y Pwyllgor i ohirio'r adroddiad diweddar ynghylch Presenoldeb mewn Ysgolion a Lles Addysg ac adroddiad Gweithgareddau Ymweld ag Ysgolion 2014/15, o ystyried hyd yr agenda.

PENDERFYNWYD YN UNFRYDOL fod y rhestr o eitemau i'r dyfodol yn cael ei chymeradwyo, yn amodol ar ohirio'r adroddiad diweddar ynghylch Presenoldeb mewn Ysgolion a Lles Addysg ac adroddiad Gweithgareddau Ymweld ag Ysgolion 2014/15.

10. LLOFNODI COFNODION CYFARFOD Y PWYLLGOR A OEDD WEDI'I GYNNAL AR 18^{FED} MAI 2015 ER MWYN NODI EU BOD YN GYWIR

Nodwyd mai'r datganiad o fuddiant a wnaed gan y Cyngorydd C.A. Campbell mewn perthynas â chofnod 5 oedd bod ei frawd a'i chwaer-yinghyfraith yn athrawon.

Y PWYLLGOR CRAFFU - ADDYSG A PHLANT

PENDERFYNWYD YN UNFRYDOL lofnodi bod cofnodion y cyfarfod a gynhaliwyd ddydd Llun 18fed Mai 2015 yn gofnod cywir, yn amodol ar y newid uchod.

4. Y RHAGLEN MODERNEIDDIO ADDYSG - BWRIAD I GAU YSGOL FABANOD A MEITHRIN COPPERWORKS AC YSGOL GYNRADD MAESLLYN A SEFYDLU YSGOL GYNRADD NEWYDD

Bu'r Pwyllgor yn ystyried y ddogfen ymgynghori a'r sylwadau a dderbyniwyd yn sgil y broses ymgynghori a gynhaliwyd ynghylch y bwriad i gau Ysgolion Copperworks a Maesllyn a sefydlu ysgol gynradd newydd yn yr ardal honno o Lanelli. Atgoffwyd y Pwyllgor ei fod, yn ei gyfarfod yn Nhachwedd 2014, wedi penderfynu cymeradwyo ymgynghoriad ffurfiol ynghylch y cynnig yn ystod tymor y gwanwyn. Dywedwyd bod y ddogfen ymgynghori wedi'i dosbarthu i'r rhanddeiliaid allweddol, gan gynnwys rhieni a Llywodraethwyr yn y ddwy ysgol gynradd, a bod 6 ymateb wedi'u derbyn. Roedd y ddogfen yn cynnwys sylwadau'r Awdurdod ar y safbwyntiau hynny. Y cam nesaf, pe bai'r Cyngor llawn yn cytuno ar y cynnig, fyddai cyhoeddi'r hysbysiad statudol ynghylch y datganiad cyfreithiol o fwriad ym mis Medi 2015.

Trafodwyd y materion canlynol wrth ystyried yr adroddiad:

Nodwyd bod dau fater, sef mynediad i'r ysgol newydd arfaethedig a'r categori ieithyddol a fwriedir ar ei chyfer, wedi'u hamlygu yn y ddogfen ymgynghori ac y cafwyd adroddiadau ynghylch y materion hynny yn y wasg leol yn ddiweddar. Hefyd, mynegodd y Pwyllgor bryderon am fynediad i ysgolion yn gyffredinol. Dywedodd y Cyfarwyddwr unwaith eto fod y broses ymgynghori yn eang a'i bod wedi cynnig pob cyfle i ymateb. Roedd y ddogfen yn cynnwys manylion ynghylch yr asesiad trafnidiaeth a gynhaliwyd a'r cynlluniau i sicrhau mynediad diogel i'r ysgol newydd, fodd bynnag, roedd yr Awdurdod wedi'i gyfyngu o ran yr hyn y gallai ei wneud gan fod Llywodraeth Cymru yn gwrthod ariannu gwelliannau i'r seilwaith ffyrdd ar gyfer ysgolion newydd sy'n cael eu hadeiladu. Roedd y categori ieithyddol ar gyfer yr ysgol newydd arfaethedig yn unol â gweithredu Cynllun Strategol y Gymraeg mewn Addysg ac yn gyfle cyffrous i gynyddu'r ddarpariaeth cyfrwng Cymraeg yn ne'r dref.

Cyfeiriwyd at yr arolwg "Llais y Dysgwyr" yn yr adroddiad a gofynnwyd am ragor o wybodaeth ynghylch sut y cafodd ei gynnal, o ystyried bod ffyrdd gwahanol o ymgynghori â disgyblion. Dywedodd y Pennaeth Addysg fod yr arolwg yn seiliedig ar drafodaethau a hwyluswyd gyda Chynghorau'r Ysgolion, fodd bynnag, roedd y Rheolwr Moderneiddio Ysgolion yn gweithio gyda Llywodraeth Cymru i ddatblygu'r gwaith o werthuso ysgolion newydd a oedd yn cynnwys datblygu ymgynghori sy'n hwylus i blant. Ychwanegodd y Cyfarwyddwr fod canlyniadau'r ymgysylltu â phlant yn gyffredinol yn dangos eu gwydnwch yn wyneb newid.

PENDERFYNWYD YN UNFRYDOL:

Y PWYLLGOR CRAFFU - ADDYSG A PHLANT

18^{fed} MAI 2015

4.1 Bod yr adroddiad yn cael ei dderbyn.

4.2 Cymeradwyo i'r Bwrdd Gweithredol y bwriad i gau Ysgol Fabanod a Meithrin Copperworks ac Ysgol Gynradd Maesllyn a sefydlu ysgol gynradd newydd yn dilyn y broses ymgynghori statudol.

4.3 Gofyn i'r Bwrdd Gweithredol gyfleu i Lywodraeth Cymru bryderon y Pwyllgor ynghylch diffyg cyllid gan Lywodraeth Cymru i gefnogi gwelliannau i'r seilwaith ffyrdd ar safleoedd ysgolion newydd a fyddai'n sicrhau mynediad diogel.

5. Y RHAGLEN MODERNEIDDIO ADDYSG – Y BROSES BENDERFYNU YNGHYLCH TREFNIADAETH YSGOLION

Bu'r Pwyllgor yn ystyried adroddiad a oedd yn amlinellu proses bresennol Cyngor Sir Caerfyrddin o ran penderfynu ynghylch trefniadaeth ysgolion. Mae'r broses yn ymwneud â chynigion i wneud newidiadau sylweddol i ysgolion a newidiadau a reoleiddir. Roedd yr adroddiad hefyd yn cynnwys dewisiadau eraill o ran gweithdrefnau statudol Sir Gaerfyrddin ar gais aelodau'r Pwyllgor mewn cyfarfod anffurfiol i roi adborth ar ymweliadau ag ysgolion ar 17 Ebrill 2015. Roedd yr adroddiad yn cynnwys 4 dewis o fewn y ddeddfwriaeth a'r Côt Trefniadaeth Ysgolion newydd a gyflwynwyd yn 2013, fel a ganlyn:

- Dewis 1 - Y broses bresennol a gytunwyd gan y Cyngor Sir yn Ebrill 2014 (cwblhau mewn tua 24 mis)
- Dewis 2 - Y Bwrdd Gweithredol yn cymeradwyo camau 1 a 2 a'r Cyngor Sir yn gwneud y penderfyniad terfynol (cwblhau mewn tua 18 mis)
- Dewis 3 – Panel Penderfynu Lleol yn cymeradwyo pob un o'r 3 cham mewn perthynas â chynigion ynghylch Trefniadaeth Ysgolion (cwblhau mewn tua 12 mis)
- Dewis 4 – Panel Penderfynu Lleol yn cymeradwyo camau 1 a 2 a'r Cyngor Sir yn gwneud y penderfyniad terfynol (cwblhau mewn tua 15 mis)

Datganodd y Cyngorydd C.A. Campbell fuddiant sef bod ei frawd-yng-nghyfraith yn athro.

Datganodd y Cyngorydd P. Hughes Griffiths fuddiant sef bod ei ferch yn athrawes.

Datganodd y Cyngorydd G.O. Jones fuddiant sef bod ei wraig yn bennaeth.

Trafodwyd y materion canlynol wrth ystyried yr adroddiad:

Gofynnwyd am ragor o wybodaeth ynghylch cyfansoddiad y Panel Penderfynu Lleol (PPLI). Dywedodd y Rheolwr Moderneiddio Ysgolion fod cyfarwyddyd ynghylch cyfansoddiad y PPLI yn y Côt. Gallai fod yn grŵp trawsbleidiol o Aelodau Etholedig. Ychwanegodd y Cyfarwyddwr fod y cyfarwyddyd yn derbyn hyn gyda'r cydbwysedd gwleidyddol wedi'i gyfyngu i'r niferoedd lleiaf posibl. Byddai'r Cyngor yn penderfynu ar gyfansoddiad y PPLI ac yna byddid yn gofyn i Arweinwyr y Grwpiau am enwebiadau. Yna byddai angen hyfforddiant cynhwysfawr ar aelodau'r PPLI mewn

perthynas â'r cymhlethdodau ynghylch trefniadaeth ysgolion a holl elfennau'r broses.

Mewn ymateb i sylw y dylai'r PPLI gynnwys aelodau'r Pwyllgor hwn, nododd y Cyfarwyddwr y gallai hyn arwain at Aelodau'r Pwyllgor Craffu yn craffu ar benderfyniad yr oeddent wedi bod yn rhan ohono.

PENDERFYNWYD:

5.1 ARGYMELL bod y Bwrdd Gweithredol yn ystyried Dewis 4 (Rhoi Panel Penderfynu Lleol ar waith i benderfynu ar gamau 1 a 2 a bod y Cyngor Sir yn gwneud y penderfyniad terfynol) mewn perthynas â'r broses benderfynu ynghylch Trefniadaeth Ysgolion, er mwyn lleihau'r amser y mae'r broses yn ei gymryd.

6. ADRODDIAD BLYNYDDOL 2014/15 A CHYNLLUN GWELLA 2015/16 CYNGOR SIR CAERFYRDDIN – DARNAU SY'N BERTHNASOL I'R PWYLLGOR CRAFFU - ADDYSG A PHLANT

Derbyniodd y Pwyllgor y darnau sy'n berthnasol i'w faes gwasanaeth o'r fersiwn drafft o Adroddiad Blynyddol 2014/15 a Chynllun Gwella 2015/16 y Cyngor. Nododd y Pwyllgor fod adroddiadau blynyddol yn un o'r prif gyfleoedd i adolygu, monitro a myfyrio a'u bod yn gyfle i'r Awdurdod gofnodi'r gwaith parhaus y mae'n ei wneud o ran cyflawni'i ddyletswyddau cyffredinol a phenodol. Hefyd nododd fod y gyfraith yn mynnu bod y Cyngor yn cyhoeddi Cynllun Gwella cyn gynted ag sy'n rhesymol ymarferol ar ôl dechrau'r flwyddyn ariannol (h.y. Ebrill 1af) a hefyd gyhoeddi Adroddiad Blynyddol am berfformiad yn y gorffennol erbyn diwedd mis Hydref bob blwyddyn.

Codwyd y materion canlynol wrth ystyried yr adroddiad:

Gofynnwyd am eglurhad ynghylch y perfformiad yn 2014/15 o ran gwella cyflwr adeiladau ysgolion gan yr ymddengys ei fod yn nodi bod 53% o'r ysgolion mewn cyflwr "diwedd eu bywyd". Cytunodd Pennaeth y Gwasanaethau Addysg fod safle'r ffigurau yn y tabl yn ddryslyd a bod angen diwygio hyn. Roedd y 53% yn ymwneud â nifer yr ysgolion a gafodd radd "da" neu "foddhaol".

Ymholwyd ynghylch defnyddio data cymharol o 2012/13 mewn perthynas â phresenoldeb yn yr ysgol. Dywedodd Pennaeth y Gwasanaethau Addysg nad oedd y data ar gyfer blwyddyn academiaidd 2013/14 ar gael hyd yn hyn.

Nodwyd bod systemau prydau ysgol di-arian wedi'u cyflwyno mewn dwy ysgol uwchradd yn ystod y flwyddyn. Gofynnwyd a roddir systemau o'r fath ar waith yn yr holl ysgolion uwchradd. Nododd Pennaeth y Gwasanaethau Addysg fod cynllun pum mlynedd i roi systemau di-arian ar waith a bod dwy neu dair ysgol ar ôl. Rhoddir y system ar waith yn Ysgol Emlyn eleni.

Y PWYLLGOR CRAFFU - ADDYSG A PHLANT

18^{fed} MAI 2015

Mynegwyd pryderon ynghylch perfformiad Plant sy'n Derbyn Gofal a gafodd dri lleoliad neu ragor yn ystod y flwyddyn. Nododd Pennaeth y Gwasanaethau Plant y bu'n gwella ond bod angen gwneud llawer o hyd. Roedd yn anodd recriwtio a chadw gofalwyr maeth gan fod y lwfansau'n uwch yn y sector annibynnol ac mewn Awdurdodau eraill. Roedd y tîm recriwtio yn cael ei ddatblygu ac roedd y boblogaeth Plant sy'n Derbyn Gofal yn lleihau yn sgil darparu gwasanaethau ataliol.

Teimlwyd nad oedd digon o fanylion ynghylch sut y byddai'r amcanion gwella yn cael eu cyflawni. Dywedodd Pennaeth y Gwasanaethau Addysg fod cynlluniau busnes manwl yn sail i'r amcanion hyn a oedd yn cael eu monitro'n drylwyr bob chwarter.

PENDERFYNWYD YN UNFRYDOL:

6.1 Bod yr adroddiad yn cael ei dderbyn.

6.2 Bod y darnau perthnasol yn cael eu cymeradwyo ar gyfer eu hystyried gan y Bwrdd Gweithredol.

7. ADRODDIAD BLYNYDDOL 2014/15 Y PWYLLGOR CRAFFU - ADDYSG A PHLANT

Derbyniodd y Pwyllgor Adroddiad Blynyddol cyfun ar ei waith yn ystod blwyddyn y cyngor 2014/15, gan nodi eu bod wedi'u paratoi'n unol ag Erthygl 6.2 o Gyfansoddiad y Cyngor Sir. Croesawodd fformat newydd yr adroddiad.

Codwyd y materion canlynol wrth ystyried yr adroddiad:

Teimlwyd nad oedd rhai o ganlyniadau gwaith y Pwyllgor wedi'u cynnwys yn llawn. Croesawodd yr Uwch-ymgyngorydd yr adborth gan fod gwaith yn mynd rhagddo ar y fformat.

Gofynnwyd a ellid sicrhau bod aelodau cyfetholedig y Pwyllgor yn gwybod am sesiynau datblygu yn y dyfodol. Cytunodd yr Uwch-ymgyngorydd i ymchwilio i'r posibilrwydd.

PENDERFYNWYD YN UNFRYDOL dderbyn yr adroddiad.

8. BLAENRAGLEN WAITH 2015/16 Y PWYLLGOR CRAFFU - ADDYSG A PHLANT

Bu'r Pwyllgor yn ystyried Blaenraglen Waith 2014/15, a oedd wedi cael ei datblygu yn dilyn cynnal sesiwn cynllunio anffurfiol y Pwyllgor ym mis Ebrill 2015. Nododd yr Uwch-ymgyngorydd nad oedd yr Adolygiad Dwyflynyddol o'r Rhaglen Moderneiddio Addysg wedi'i gynnwys yn nhabl y Flaenraglen Waith ar ddiwedd yr adroddiad. Dywedodd fod cais wedi dod i law ar ôl cyhoeddi'r adroddiad hwn am drafod y newid ieithyddol a oedd yn cael ei gynnig yn Ysgol Bro Myrddin fel eitem frys yng nghyfarfod Gorffennaf 2015.

Y PWYLLGOR CRAFFU - ADDYSG A PHLANT

18^{fed} MAI 2015

Trafodwyd y materion canlynol wrth ystyried yr adroddiad:

Gofynnwyd am gynnwys manylion y bobl ifanc nad ydynt mewn addysg, cyflogaeth na hyfforddiant (NEET) yn yr adroddiad diweddar y Nghylch y Gwasanaethau Ieuencid.

Cytunodd y Pwyllgor i ddechrau'r adolygiad gorchwyl a gorffen o'r prosesau ar gyfer derbyn disgyblion i ysgolion, dalgylchoedd, trafnidiaeth ac apeliadau cyn egwyl yr haf. Tynnodd y Cyfarwyddwr sylw at y ffaith fod yn rhaid cyhoeddi polisi derbyn disgyblion i ysgolion flynyddoedd ymlaen llaw, yn unol â'r gyfraith, ac felly na fyddai modd rhoi newidiadau posibl ar waith yn gyflym. Cytunodd Pennaeth y Gwasanaethau Addysg i gynnal cyfarfod cychwynol cyn yr haf i ystyried swmp y data y byddai eu hangen.

9. EITEMAU AR GYFER Y DYFODOL

Rhoddwyd rhestr i'r Pwyllgor o'r eitemau a fyddai'n cael eu hystyried yn ei gyfarfod nesaf i'w gynnal ar 6ed Gorffennaf 2015. Nodwyd y gallai fod angen i'r cyfarfodydd nesaf barhau yn y prynhawn oherwydd yr agendâu.

PENDERFYNWYD YN UNFRYDOL dderbyn y rhestr o eitemau arfaethedig, yn amodol ar gofnod 8.1
