**Subject:** Re: Licensing Sale of Alcohol 24 hrs Gorslas petrol Station

Good afternoon,

Many thanks to you for taking the time and trouble to explain the position in relation to the above.

As discussed the Council would wish to register an objection to the proposal on the following grounds:-

- (i) the proximity to the establishment to the Gorslas Public Park which is very well used by families and children.
- (ii) It would add to the availability of alcohol and an increase in the number of anti social incidents which occur in the park.
- (iii) There is sufficient availability in the area from existing outlets.
- (iv) Increasing the availability of alcohol would impact negatively on people's health.

If it is possible for the above to be taken into account prior to a final decision being made that would be very much appreciated.

Regards

Annex 3

**Conditions attached after a hearing by the Licensing Authority.**

1. A representative must personally examine individual staff training records and completed training questionnaires, cross referencing them with the record of staff authorisations to sell alcohol. The representative must undertake these checks to ensure compliance with the company training and authorisation procedures. This must be done on a monthly basis and the date it was undertaken certified in writing on the ARM check sheet.
2. A representative will oversee the completion of the relevant refresher test paper for that period by the Designated Premises Supervisor (DPS) for the premises prior to the DPS delivering refresher training to his staff. In the event of the DPS failing the test the representative will immediately provide additional training and supervision until the test has been successfully completed.
3. Spirits displayed for sale at the premises will be kept behind the counter as shown on the plan attached to this licence.
4. Staff training will include what forms of proof of age will be accepted at the premises e.g. Photocard driving licence, passport, Valldate card or any PASS accredited proof of age card.
5. A "Challenge 25" policy to be adopted at the premises requiring all staff to request appropriate ID if they believe that a purchaser of alcohol may be under 25 – "No ID – No Sale".
6. Notices/posters will be clearly displayed in store, near the point of sale areas, to emphasise to customers that they will be challenged if they attempt to buy alcohol and look under 25. Similar posters relating to the sale of alcohol products to be clearly displayed near the products themselves.
7. A requirement that all new employees to undergo induction training in relation to the sale of alcohol prior to being permitted to sell alcohol at the premises. A written record and details be kept of such training.
8. All relevant staff must undertake refresher training in relation to the sale of alcohol at least once every 3 months.
9. Such training to include information on the acceptable forms of ID, and in particular the "Validate" proof of age card, promoted within Carmarthenshire. Sample "Validate" ID cards, should be made available, for staff, to assist confidence in their understanding of information contained on such cards.

- 10. Where a person under 18 is employed, a signed record should be made by the relevant "supervisor" in charge of that person, prior to them commencing duty on each day.**
- 11. A "Refusals Log" must be maintained, kept at the till area, and entries completed every time a sale is refused. These "refusals" should be examined and analysed by an appropriate person within the organisation, at regular intervals, and any potential concerns addressed immediately. Any such actions should be recorded, signed and dated.**
- 12. The Premises Licence Holder must maintain a CCTV system that covers the checkout area. The licensee or a person nominated by them must examine any available CCTV recordings at least once per week, in an attempt to satisfy themselves that all relevant policies are being adhered to, including completion of the refusals register when a sale is refused. The licensee or the person nominated by them must take appropriate action.**
- 13. The CCTV system must be recording whenever the premises are open to the public and must be capable of recording and retaining 31 days of images before over-recording.**
