EXECUTIVE SUMMARY
STANDARDS COMMITTEE
06/07/2023

**Dispensation Application by Cllr Bethan Charles
Davies**

Llanwrda Community Councillor Bethan Charles Davies has submitted a dispensation request to speak and vote in relation to council business regarding electricity pylons from Nant Mithil Energy Park to the grid connection in Carmarthenshire.

This is part of the Bute Energy Towy Usk Grid connection scheme.

Councillor Charles Davies would have a personal and prejudicial interest in such business as she and close personal associates of hers would be affected by the proposals put forward by Bute Energy.

Councillor Charles Davies seeks dispensation on the following grounds under the Standards Committees (Grant of Dispensations)(Wales) Regulations 2001

Regulation 2(2)(d) – the nature of the member’s interest is such that the member’s participation in the business to which the interest relates would not damage public confidence in the conduct of the relevant authority’s business.

And

Regulation 2(2)(e) the interest is common to a member and a significant proportion of the public.

The committee will recall that it has already granted a number of dispensations to other councillors to speak but not vote in respect of this matter

If the committee is minded to grant Councillor Charles Davies’s request it will need to determine the duration of that dispensation

EXECUTIVE SUMMARY
STANDARDS COMMITTEE
06/07/2023

Dispensation Application by Cllr Neil Lewis

County Councillor Neil Lewis has submitted a dispensation request to speak, vote, make written representations and exercise executive powers in relation to council business regarding renewable energy, electric vehicles, energy efficiency and decarbonisation.

Councillor Lewis would have a personal and prejudicial interest in such business as he has personal involvement in several organisations operating in these fields in the county

Councillor Lewis seeks dispensation on the following grounds in Regulation 2(2) of the Standards Committees (Grant of Dispensations)(Wales) Regulations 2001

(a)no fewer than half of the members of the relevant authority or of a committee of the authority (as the case may be) by which the business is to be considered has an interest which relates to that business;

(b)no fewer than half of the members of a leader and cabinet executive of the relevant authority by which the business is to be considered has an interest which relates to that business and either paragraph (d) or (e) also applies;

(c)in the case of a county or county borough council, the inability of the member to participate would upset the political balance of the relevant authority or of the committee of the authority by which the business is to be considered to such an extent that the outcome would be likely to be affected;

(d)the nature of the member's interest is such that the member's participation in the business to which the interest relates would not damage public confidence in the conduct of the relevant authority's business;

(e)the interest is common to the member and a significant proportion of the general public;

(f)the participation of the member in the business to which the interest relates is justified by the member's particular role or expertise;

(g)the business to which the interest relates is to be considered by an overview and scrutiny committee of the relevant authority and the member's interest is not a pecuniary interest;

It does not appear however that grounds (a),(b), (c) or (e) are applicable in this case. Also as Cllr Lewis is not a member of the Cabinet, he has no executive functions to exercise.

If the committee is minded to grant Cllr Lewis's request it will need to determine the duration of that dispensation

EXECUTIVE SUMMARY
STANDARDS COMMITTEE
06/07/2023

Dispensation Application by Cllr Wendy Heron

Henllanfallteg Community Councillor Wendy Heron has submitted a dispensation request to speak and vote in relation to council business regarding the provision of a sewerage solution for the community hall, pub and several homes in the village.

Councillor Heron would have a personal and prejudicial interest in such business as she is a trustee of the village hall.

Councillor Heron seeks dispensation, on the following grounds under the Standards Committees (Grant of Dispensations)(Wales) Regulations 2001

1. Regulation 2(2)(d) – the nature of the member’s interest is such that the member’s participation in the business to which the interest relates would not damage public confidence in the conduct of the relevant authority’s business.
2. Regulation 2(2) (e) – the interest is common to the member and a significant proportion of the public.
3. Regulation 2(2)(f) – the participation of the member in the business to which the interest relates is justified by the members particular role or expertise
4. Regulation 2(2)(h) – the business which is to be considered relates to the finances or property of a voluntary organisation of whose management committee or board the member is a member otherwise than as a representative of the relevant authority and the member has no other interest in that business provided that any dispensation shall not extend to participation in any vote with respect to that business

The application also seeks to rely on the ground in Regulation 2(2)(c) relating to political balance, but this ground is not applicable in this case.

If the committee is minded to grant Councillor Heron ’s request it will need to determine the duration of that dispensation

4. INFORMATION IN SUPPORT OF YOUR APPLICATION

Please set out below the reasons why you consider that the Standards Committee should grant a dispensation in this case:

(Please note that failure to complete this section will result in the application form being returned to you)

I would like to apply for dispensation under paragraph 10(2) (a)

Officers of the County Council describe this as one of the most complicated issues they have dealt with. ref: Jonathan Morgan. I have taken an informal role of lead of the sewerage group working with all parties, including Carmarthenshire Council to enable a solution. After six years , and covid delays, it has been narrowed down to a couple of technical options which none of the parties can afford due to age, limited or nil property equity, inability to sell due to the issue. The Millennium Community Hall is currently operating with portaloos and no kitchen facility. This limits income especially post covid and is untenable. Sewerage discharge is affecting the community, private homes and wellbeing.

The Community Council are now to step in and consider what sort of facilitation can finally resolve the issue for all parties the and essential village amenities. Given my role and the level of research undertaken along with the personal contact with all parties I request dispensation to speak and answer any questions from community councillors. In the event the meeting would not be otherwise quorate then I would also request to vote as the circumstances are of an exceptional nature.

It is not possible to describe more fully without identifying individuals or their circumstances.

(please continue on a separate sheet if necessary)

I confirm that the information provided on this form is true to the best of my knowledge. I agree that this application and all the information contained within it may form part of a public report to the Standards Committee. I request a dispensation in respect of the above matter.
