## EXECUTIVE SUMMARY

# EDUCATION & CHILDREN SCRUTINY COMMITTEE 24<sup>th</sup> SEPTEMBER 2015

## Introduction of a Corporate Safeguarding Policy that covers all the Council's service areas

During the period March to May 2014, the Wales Audit Office completed a review of the assurance and accountability arrangements of Carmarthenshire County Council for ensuring that safeguarding policies and procedures are in place and are being adhered to.

The study examined what the Council itself has done to seek assurance that its arrangements to support safeguarding are effective by reviewing how the Council is discharging its safeguarding responsibilities at all levels: cabinet, senior management team, scrutiny and individual officers.

The study focussed on answering the following: Do the Council's governance and management arrangements provide assurance that children are safeguarded?

The main questions that the review sought to answer were:

- Are there clear governance, accountability and management arrangements for overseeing whether the Council is meeting its safeguarding responsibilities to children?
- Is the Council monitoring and evaluating appropriate information, which provides assurance that it is meeting its safeguarding responsibilities to children?
- Are assurance systems operating effectively?

The review was specifically in relation to children and overall the findings were that the authority had adequate systems in place. There were however, a series of recommendations. One of these was:

- Develop and introduce a Corporate Safeguarding Policy that covers all the Council's service areas.
