ADDENDUM – Area East

<i>Application Number</i>	E/33695
<i>Proposal & Location</i>	FULL PLANNING FOR THE ERECTION OF A POULTRY UNIT ON FARM TO ACCOMMODATE FREE RANGE CHICKENS (EGG PRODUCTION) TOGETHER WITH ASSOCIATED FEED BINS, INTERNAL FARM ACCESS AND ASSOCIATED WORKS AT GODRE GARREG, LLANGADOG, SA19 9DA

DETAILS:

The Local Planning Authority received amended section plans on Monday 3 April 2017 which indicate that the proposed poultry unit is now to include ventilation chimneys (the majority of which are some 1.8 metres above the plane and 1.0 metre in diameter) on the building's roof, followed by elevational plans on Tuesday 4 April 2017 which showed that a total of 24 ventilation chimneys are to be added to the roof.

The aforementioned changes to the proposed poultry unit require thorough evaluation both in terms of the visual impact of the revised proposal and of the potential for noise and odours to emanate from the new chimneys. The latter shall necessitate consultation with the Head of Public Protection. As visual impact, noise and odour are concerns have been raised by objectors, the change is considered to be of a degree that also merits a new public notification exercise that shall include a site notice and letters duly informing the local community council and local member.

It is therefore now **recommended that the determination of the application is deferred** until the consultation and notification referred to has been undertaken.
