4. INFORMATION IN SUPPORT OF YOUR APPLICATION

Please set out below the reasons why you consider that the Standards Committee should grant a dispensation in this case:

(Please note that failure to complete this section will result in the application form being returned to you)

The Community Council is currently in discussion with the County Council regarding the possible lease of a number of open space, play and recreation sites to the Community Council.

As a member of the Community Council the issue of Asset Transfer requires a collective view across the whole Community area. It involves members from all the wards within the Community.

The potential for asset transfer outcomes to impact on the future responsibilities of the Community Council is notable. In this respect the opportunity to participate in any debates and vote on any decisions would allow me to represent my area and constituents more effectively.

Although an employee of the County Council my role as Forward Planning Manager in Planning Services does not involve me in any direct engagement with the Asset Transfer Strategy. I do not have any involvement in the decision making process at County Council level and have no influence over the terms of any lease to the Community Council.

(please continue on a separate sheet if necessary)

I confirm that the information provided on this form is true to the best of my knowledge. I agree that this application and all the information contained within it may form part of a public report to the Standards Committee. I request a dispensation in respect of the above matter.
