ADDENDUM – Area South

<i>Application Number</i>	S/35542
<i>Proposal & Location</i>	TO PROVIDE A FLAT PUBLIC PLAY AREA INCLUDING A CLIMBING STRUCTURE WEST OF THE GORSEDD CIRCLE IN PARC HOWARD AT PLAY AREA, PARC HOWARD, LLANELLI, SA15 3LQ

DETAILS:

CONSULTATIONS

Neighbours/Public – Five additional letters of representation have been received raising the following concerns and objections:-

- Health and safety;
- Unsympathetic addition to the historic park – visually dominant and overdevelopment;
- Lack of consultation – public money would be better spent on maintaining current provision within the park;
- Lack of justification;
- No proposals to re-instate unauthorised works;
- Coal mining risks.

It is considered that the above matters replicate original concerns received which are already addressed within the main body of the Planning Committee report.

On balance it is considered that the proposed development by its location and nature will not have an adverse effect on the registered historic park and garden, or the setting of the park or listed buildings contained within it.
