<i>Application Number</i>	<b>S/35403</b>
<i>Proposal &amp; Location</i>	OUTLINE APPLICATION FOR RESIDENTIAL DEVELOPMENT AT LAND ADJACENT TO, 32 ERW TERRACE, BURRY PORT, LLANELLI, CARMARTHENSHIRE, SA16 0DA

### **DETAILS:**

#### **CONSULTATIONS**

**Local Member** – County Councillor A Fox has advised that she along with County Councillor J James have met with residents of Erw Terrace and Penybryn Avenue to discuss their concerns and objections.

Councillor A Fox fully supports their objections as this area is the parking area for the residents who live in both streets. The parking is a major issue on both roads leading to the application site. Emergency vehicles would have great difficulty accessing the area. The land needs to stay as parking for the community.

**Pembrey and Burry Port Town Council** – Object on the basis that this site has been used for parking for the last 50 years.
