EXECUTIVE SUMMARY

EDUCATION & CHILDREN SCRUTINY COMMITTEE 28th SEPTEMBER 2017

Carmarthenshire Youth Support Service Business Plan 2017-20

Service Background

Carmarthenshire Youth Support Service was established on 1/1/16 bringing together the Carmarthenshire Youth Service and the Carmarthenshire Youth Offending Service under a single integrated management structure. The Youth Support Service allows for the development of a more holistic approach to the delivery of youth support services across Carmarthenshire. The service retains the statutory functions of the Youth Justice Team; promotes the ethos of working together to deliver targeted support and retains elements of direct universal youth work provision.

Vision

A service that provides a robust range of support from open access to specialised support, enabling children, young people and young adults (aged 8-25 years) to access *what* they need, *when* and *where* they need it so that they can reach their full personal, social and educational potential.

Developing a Youth Support Service Business Plan for Carmarthenshire

The production of an annual Youth Support Service Business Plan has to meet the requirements of a variety of audiences:

- The Youth Justice Board – as a legislative requirement (Crime & Disorder Act 1998) and condition of grant
- YSS Youth Justice Local Management Board members and others who are part of the YOT partnership
- The County Council – both strategically and for scrutiny
- Youth Support Staff as an operational plan

The plan therefore has to meet legislative, grant making and business planning requirements.
