The employment project supports participants by providing one to one mentoring, tailored job search, volunteer placements, qualifications and funding for subsidised jobs. The project is currently achieving a 30% job entry rate for participants upon leaving the project. We will increase % of pupils eligible for Free School Meals who achieved the Level 2 threshold The Authority has worked collaboratively through a including a GCSE grade A*-C in English or Welsh first language and mathematics Task and Finish Review in support of 'Narrowing the Attainment Gap for Learners eligible for free school meals.' This extensive piece of work produced an informative and practical document for use as a valuable resource across our schools. Its key messages include: Carmarthenshire schools place much

	emphasis on raising standards and achievement for eFSM learners through a range of early interventions and enhanced curriculum opportunities. This work has secured enriched experiences and improved
	outcomes.
	 Our schools are able to evidence numerous elements of 'good practice initiatives' (as presented to the Task and Finish Group) which are effective in reducing the impact of poverty on eFSM learners' engagement and potential. Analyses of performance data over time demonstrates that standards continue to rise at the end of all key stages for e-FSM learners. Effective school leadership and working in partnership are central to tackling this issue in a
	sustainable manner.

We shall ensure that all pupils aged 15 who leave compulsory education, training or work based learning with an approved external qualification	Three Carmarthenshire pupils left compulsory education without a qualification (LENQ). This is the first time any pupil has left without a qualification for four years. However, due to case sensitive situations, the three pupils did not achieve a pass in an externally recognised qualification. All three young people are currently being supported by the Youth Support Service.
