CARMARTHENSHIRE PUBLIC SERVICES BOARD
ANNUAL REPORT 2016-17

The Carmarthenshire Public Services Board (PSB) was established as a statutory Board in May 2016 as part of the requirements of the Well-being of Future Generations (Wales) Act 2015. The Act required the establishment of PSBs in each local authority area in Wales.

This first PSB report provides an overview of the requirements of the Board and the steps taken during the first year of its being to establish its ways of working, undertake the necessary statutory requirements and develop the role of the PSB in order to improve the economic, social, environmental and cultural well-being of Carmarthenshire and Wales.
