# EXECUTIVE SUMMARY STANDARDS COMMITTEE 16/03/18

## FORWARD WORK PROGRAMME

At a previous meeting of the committee it was requested that officers prepare a draft forward work programme for forthcoming municipal years, with a view to distributing the routine business of the committee more evenly throughout the year.

This was first tried in 2017/208 and achieved the intended aim, although at the cost of delaying the presentation of the Chairman's annual report to full council by approximately 1 month.

A further Forward Work programme has therefore been prepared for the 2018/2019 municipal year along the same lines, but including additional matters such as code of conduct training and the presentation of the Chairman's Annual Report.

The draft programme is attached and the Committee is asked to approve its content or make such changes as it thinks fit.

In addition to the scheduled reports set out in the Programme, the Committee will continue to receive ad hoc reports relating to such matters as dispensation applications and decisions by the Adjudication Panel for Wales as and when they arise.
