1. Policy, Crime & Disorder and Equalities

The Well-being of Future Generations (Wales) Act 2015 requires public bodies :-

- i. to set and publish Well-being Objectives by 31st March 2017 - *published*
- ii. to publish a statement about Well-being Objectives - *published*
- iii. **to take all reasonable steps to meet those Objectives**

We will also monitor the additional theme of **Better Governance and use of Resources** (Previously Making Better use of Resources (MBUR) and Building a Better Council (BBC) Themes of the Improvement Plan.) For this purpose we have adopted headings based on the principles of good governance from [Delivering Good Governance in Government: Framework](#) (CIPFA/Solace, 2016).

These same seven principles are also included in our Annual Governance Statement and therefore makes sense to align to these.

	Abbreviated heading	Full heading as per the Framework
1	Integrity and Values	Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law
2	Openness and engagement	Ensuring openness and comprehensive stakeholder engagement
3	Making a difference	Defining outcomes in terms of sustainable economic, social, and environmental benefits
4	Making sure we achieve what we set out to do	Determining the interventions necessary to optimise the achievement of the intended outcomes
5	Valuing our people; engaging, leading and supporting	Developing capacity and the capability of leadership and individuals
6	Managing risks, performance and finance	Managing risks and performance through robust internal control and strong public financial management
7	Good transparency and accountability	Implementing good practices in transparency, reporting, and audit to deliver effective accountability

2. Legal

In our published Well-being Statement we committed to monitor our Well-being Objective action plans.
