EXECUTIVE SUMMARY

AUDIT COMMITTEE

23rd MARCH 2018

CORPORATE RISK REGISTER

The Council has a mature approach to Risk Management and has maintained a Corporate Risk Register for some years. The Corporate Assessment undertaken by Wales Audit Office concluded that a clear framework is in place to manage corporate and project risks with dedicated senior political and officer leadership and risk champions at departmental level. Risks are overseen by a Risk Management Steering Group which includes political representation from the Council's Executive.

The Corporate Assessment recommended that the Corporate Risk Register as approved by CMT should be shared with the Audit Committee.

Arrangements will be put in place to ensure that the Corporate Risk Register is also taken to Preliminary Executive Board.

The Authority have utilised the Services of an External Risk Consultant (Zurich Risk Consulting) to provide external challenge. The services were provided at no additional cost to the Authority given Zurich Municipal provide the Authority's Insurance Liability Cover. The external challenge proved useful to ensure that the risks were strategic in nature and the scoring was sound and evidenced.

The Authority operate a 5x5 Scoring System with a maximum potential score of 25 (i.e. 5x5). The scoring methodology for both Impact and Likelihood is attached.
