EXECUTIVE SUMMARY
DEMOCRATIC SERVICES COMMITTEE
11TH JUNE 2018

COUNCILLORS' ANNUAL REPORTS

The Local Government (Wales) Measure 2011 states that local authorities must make arrangements for:

- (a) each person who is a member of the authority to make an annual report about the person's activities as a member of the authority during the year to which the report relates,
- (b) each person who is a member of the authority's executive to make an annual report about the person's activities as a member of the executive during the year to which the report relates, and
- (c) the authority to publish all annual reports produced by its members and by the members of its executive.

In other words the authority must provide the facilities for Councillors to produce and publish an annual report and to publicise the fact that Councillors are expected to produce annual reports of their activities. Annual reports are currently not mandatory.

The purpose of this report is to provide the Committee with an update on the number of completed annual reports for 2016-17 for members who returned following the 2017 elections, and to seek the Committee's endorsement of the draft guidance and Annual Report template.

All published Annual reports are available to view via the Councillor pages on the website.

In terms of the process, if the Committee approves the attached template and guidance, Democratic Services will provide the report template as a word document (**Appendix 1**) to each Elected Member and those Elected Members who wish to produce an Annual Report can then complete an initial draft of their report for the period 1st May of the previous year until May of the current year.

Democratic Services will issue one reminder to all members. It will be assumed that any Elected Member not returning their initial draft report by the 31st July 2018 will not be completing an Annual Report for the period.
