# EXECUTIVE SUMMARY

## EXECUTIVE BOARD

### 4<sup>th</sup> JUNE 2018

#### **Draft New Corporate Strategy 2018-23**

To consolidate and align key strategies in order to deliver the Administration's Plan '*Moving Forward in Carmarthenshire: the next 5 years*'.

#### **1. BRIEF SUMMARY OF PURPOSE OF REPORT:**

This new Corporate Strategy consolidates the following plans into one document:-

1. The 2015-20 Corporate Strategy
2. The Improvement Objectives, as required by the Local Government Measure 2009.
3. It includes our Well-being Objectives as required by the Well-being of Future Generations (Wales) Act 2015. Our Well-being Objectives do not have to change every year, or be deliverable within one year. It is perfectly legitimate to set objectives which span more than one year
4. Carmarthenshire County Council's Executive Board key projects and programmes for the next 5 years, as set out in '*Moving Forward in Carmarthenshire: the next 5 years*'

**The New Corporate Strategy is framed by our Well-being Objectives.**

As part of budget consultation in December 2017, we consulted on our Well-being objectives. Over 600 responses were received, with agreement that all should remain.

## 1. Policy, Crime & Disorder and Equalities

Our key strategic policies are addressed throughout our Well-being Objectives  
 Crime and disorder is identified and addressed through the *Well-being Objective 9: Supporting good connections with friends, family and communities*  
 Equality implications are addressed within the *Well-being Objective 15: Building a Better Council and Making Better Use of Resources*

## 2. Legal

The law states that:-

- a) We must carry out sustainable development, improving the economic, social, environmental and cultural well-being of Wales. The sustainable development principle is '*... the public body must act in a manner which seeks to ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.*'
- b) We must demonstrate 5 ways of working:  
 Long term, integrated, involving, collaborative and preventative
- c) We must work towards achieving all of the 7 national well-being goals in the Act. Together they provide a shared vision for public bodies to work towards.
  1. A prosperous Wales
  2. A resilient Wales
  3. A healthier Wales
  4. A more equal Wales
  5. A Wales of cohesive communities
  6. A Wales of vibrant culture and thriving Welsh Language
  7. A globally responsible Wales

## 3. Finance

We need to continue to strengthen the links between Strategic and Financial Planning.  
 The Act requires the publication of a statement detailing how a public body proposes to ensure that resources are allocated annually for the purpose of taking such steps to meet the well-being objectives. Para 53 SPSF 1

Our AGS has been revised to take account of the new CIPFA/SOLACE, 7 Principles of Corporate Governance. This is addressed in the Building a Better Council and Use of Resources Action Plan aligned to the 7 Principles. Internal Audit undertook a stocktake during

2017/18 against the guidance specifications and identified any gaps to be addressed.

#### **4. ICT**

ICT implications are being taken forward within our Digital Transformation Strategy and feature within the *Well-being Objective 15: Building a Better Council and Making Better Use of Resources*

#### **5. Risk Management Issues**

Our key strategic risks are identified and addressed within Service Business Plans that underpin our Well-being Objectives

#### **6. Physical Assets**

The key strategic Asset Management Plan incorporates our Well-being Objectives, Capital prioritisation takes into account the Objectives.

#### **7. Staffing Implications**

People Management Strategy issues are identified in Well-being Objective 15: *Building a Better Council and Making Better Use of Resources*
