1. Policy, Crime & Disorder and Equalities

To comply with the Well-being of Future Generations (WbFG) Act 2015, we must (in carrying out sustainable development) :-

<ul style="list-style-type: none"> Set and publish well-being objectives 	This was done when we published our Well-being Objectives in March 2017. This was included in the New Corporate Strategy – June 2018.
<ul style="list-style-type: none"> Take all reasonable steps to meet those objectives 	
<ul style="list-style-type: none"> Publish a statement about well-being objectives 	
<ul style="list-style-type: none"> Publish an annual report of progress 	This will be accomplished by the enclosed Annual Report

Only when a public body can demonstrate it has taken into account the sustainable development principle in the setting, taking steps and meeting of its well-being objectives will it be compliant with the Act. Public bodies may take other matters into account when making their decisions, but in order to comply with the Act they **must** take into account the 5 ways of working.

1. Long term
2. Integrated
3. Involving
4. Collaborative
5. Preventative

In May the Future Generations Commissioner published her expectations for Annual Reports. Despite the late publication of these expectations this Annual report does address a lot of what is expected. See Appendix 5 of the Annual Report.

These expectations will be addressed in more depth in next year's Annual Report.

2. Legal

We have to publish our Annual Report by the 31st October to comply with the Local Government Measure 2009

3. Finance

See the Making Better use of Resources theme
