Carmarthen Shopmobility

The County Council has supported the Carmarthen Shopmobility scheme since 2011. The current funding arrangement is due to expire this year.

The Carmarthen scheme provides a valuable service for the disabled and has been successful with 1,021 members to date.

The group generates income from charges and fund raising. The scheme is however mainly reliant on the County Council's financial support. The Group has requested further financial support from the Council for the forthcoming 12 months to the sum of £14,650.

Shopmobility is one of many initiatives being encouraged by the Authority to support the town and is one of the key priorities within our Integrated Parking Strategy i.e.

“To provide more facilities for the mobility impaired” – including appropriate levels of parking provision within car parks and through the encouragement of Shop Mobility schemes within town centres.”

The Council has set aside funding to fund a further twelve months support.

It is therefore recommended that the Carmarthen Shopmobility scheme is supported with funding of £14,650 for a further twelve months and that:

- the authority is provided with regular reports on the scheme operational and financial performance.
- the authority is provided with copies of minutes from management meetings

Recommendation.

The Carmarthen Shopmobility be supported with a further grant of £14,650 for a further twelve month period.
