JOINT NEGOTIATING COMMITTEE FOR CORONERS

To: Chief Executives (London Boroughs, Metropolitan Districts, County Councils and Unitary Councils in England and Wales) (copy for Treasurer)

2 November 2017

CORONERS' CIRCULAR No 61

Dear Sir/Madam

Coroners' pay

We are writing to update you on our negotiations regarding the pay of coroners.

As you are aware the JNC for Coroners agreed to undertake a job evaluation (JE) exercise to assess the roles set out in the Coroners and Justice Act 2009.

We commissioned Korn Ferry Hay Group to undertake the job evaluation exercise to enable us to develop a grading arrangement based on broader criteria than the population based approach taken in the past. That exercise has created new model job profiles and has been able to take account of criteria relevant to both local authority and judicial contexts. It has also been the first opportunity to consider through the JNC pay recommendations with regard to Area and Assistant Coroners. Having considered the outcome of the technical evaluation exercise and looked at a wide range of potential pay benchmark data, the two sides have reached agreement in principle on an approach, details of which are set out below.

- Senior coroners - a range of £117,000 to £130,000. The salary includes statutory out of hours work as set out in legislative provisions. The current JNC 5.5% salary pension supplement will no longer apply.
- Part-Time senior coroners – a base salary of £20,000 and then a daily rate range of £440 to £500 with earnings capped at the level of a full-time senior coroner in a similarly complex area. The 5.5% pension allowance provision would fall as would the current provision in some authorities of 'county loadings' of at least 10% of salary. This would also see the abolition of long inquest payments. Legislation requires that all senior coroners are salaried which precludes falling back solely on a day rate for part-timers. A fixed salary will also cover the need for coroners to be available at all times even given they are notionally part-time. The proposed range of day rates is based on removing the suggested level of £20,000 from the senior coroner range and then dividing by 220 to achieve a range of daily rates which is transparent and equitable. The
