EXECUTIVE SUMMARY

Licensing Committee

24/10/18

Licensing Act 2003 Film Authorisation Procedure

Following the receipt of a number of recent requests to classify films for public exhibition, the licensing section has drafted the attached Film Authorisation Procedure document which sets out a clear process for undertaking the work.

The procedure is based on a best practice document prepared by the All Wales Licensing Expert Panel, which has been updated to reflect the scheme of delegation set out in the revised Licensing Policy for Carmarthenshire.

The procedure sets out that film classification requests will be referred to a Licensing Sub Committee for determination, with the exception of requests relating to the approval to show a previously authorised film at a different location, which would be dealt with by officers in the first instance.
