#### 4. INFORMATION IN SUPPORT OF YOUR APPLICATION

Please set out below the reasons why you consider that the Standards Committee should grant a dispensation in this case:

***(Please note that failure to complete this section will result in the application form being returned to you)***

CAMRA (Campaign for Real Ale) was formed in 1971 and now has over 191,000 members. It is an independent voluntary consumer organisation, which promotes real ale, real cider and the traditional British pub. It is now the largest single-issue consumer group in the UK, and is a founding member of the European Beer Consumer Union. CAMRA supports responsible drinking and believes that traditional well run pubs perform an important social function in both urban and rural communities. It does not have charitable status

During 2018 Evan Evans brewery submitted a planning application in relation to their Llandeilo site. As a member of the Local Planning Committee I discussed any possible conflict of interest between my CAMRA membership and my role on this committee, with the Council's legal team. I was advised that because of CAMRA's promotion of real ales, which are brewed on the Llandeilo site, I had a personal and prejudicial interest in this planning application. Thus, I did not take part in any proceedings relating to this application, leaving the council chamber when this application was discussed and voted on.

I feel strongly however that the public's confidence in the conduct council business such as this would not have been undermined had I been allowed to participate.

Although I have been a CAMRA member for many years I do not attend any local or national CAMRA meetings, nor do I participate in any promotional or fund-raising activities. My interest is solely as a CAMRA member and as a supporter of real ale.

Interest in, and support for the brewing of, traditional real ale is not confined to CAMRA members. It would seem perverse that a Councillor who shares the views and objectives of CAMRA, but was not a member of that organisation, would presumably have been able to participate in the above mentioned council business, but I was not.

*(please continue on a separate sheet if necessary)*

I confirm that the information provided on this form is true to the best of my knowledge. I agree that this application and all the information contained within it may form part of a public report to the Standards Committee. I request a dispensation in respect of the above matter.

Signed: Cllr Ken Lloyd
