EXECUTIVE SUMMARY
EXECUTIVE BOARD MEMBER DECISIONS MEETING FOR
ENVIRONMENT
12TH FEBRUARY 2019

**OBJECTION TO THE PROPOSED ROAD HUMPS ON THE B4312
LLANSTEFFAN ROAD, JOHNSTOWN**

1. BRIEF SUMMARY OF PURPOSE OF REPORT

1.1 The B4312 Llansteffan Road at its southern end has been the subject of local concerns regarding speeding issues outside Rhydygors and QE High school.

This location has been provided with numerous measures to support the existing 20mph speed limit and it has also been the subject of enforcement by both Dyfed Powys Police and GoSafe (Safety Camera Partnership), despite these measures and enforcement, speeding remains an issue, as do local concerns. The County Council was successful in securing a Road Safety Capital Grant from the Welsh Government for 2018-19 for the B4312 Llansteffan – Johnstown.

Working in partnership with the Police a scheme of measures was developed for the route, which included Llansteffan Road. It was decided that the only option that would result in satisfactory reduction in speeds at the southern end of Llansteffan Road would be an additional vertical measure in the form of a round top hump and to replace the existing speed cushions with a round top hump. The notices have been formally published Appendix 1.

1.2 Two representations have been received to the advertised proposals.

1.3 The objections and officer responses are summarised in Appendix 2.

2.0 The following recommendation is made which is supported by the Local elected Member.

It is recommended that the Executive Board Member for Environment:

- i. determine the objections.
- ii. approve the proposals as described in Appendix 1 (Public Notice of the schedule of locations).
