Learning & Development	P&R	492	The service is currently responsible for meeting the corporate, generic learning & development needs of Carmarthenshire County Council's workforce & through a strategic partnership enabling the needs of the social care sector workforce in Carmarthenshire to be met. All corporate L&D programmes are developed to meet the needs of the organisation by closely aligning with the vision, objectives & priorities of the organisation. Social care workforce development is closely aligned with WAG/Care Council/SSIW regulations, guidance & frameworks and the needs of changing service provision, in particular the integration of Health & Social Care. It coordinates the Investors in People programme supporting the organisation via the liP Steering group to maintain liP recognition	35	35	C	18/19 The service is being re-aligned to include the Consultancy element of the People Management function. Part of this realignment will refocus the learning and development provision across the authority with the aim of reducing training administration and delivering effective collaboration with partner agencies to provide value for money and improve the evaluation/outcomes of investment learning.
Human Resources	P&R	760	HR provides advice and guidance to people managers as well as ensuring the Authority is compliant with employment legislation. Employment Policy framework development and maintenance. The service is currently being reviewed with a view to providing a more integrated HR/Payroll Support service to its users and meet the challenges of the Education agenda and collaborative working.	35	35	C	18/19 Severance,

Information Technology	P&R	4,359	ICT Services underpins and contributes towards all that the Council delivers both internally as an organisation and externally to service users and communities, independently or in partnership. It is a vital function providing innovative opportunities for improving services and achieving our priorities in an efficient and effective way. IT Services is pivotal as an enabler of change and a vehicle for driving froward transformational improvement to all services. We have a workforce of 72.3 FTE's which has reduced over the last 5 years from 109 FTE's and we have delivered £2.08m in efficency savings over that period. The FTE's being put forward as savings are from applications for severence and we are looking to contunally rationalise the systems we support to provide further efficiencies.	135	135		2018/19 - Three FTE leaving under the Authorities severence scheme (£123K) and £12k operational costs. efficiencies
