EXECUTIVE SUMMARY
EXECUTIVE BOARD MEMBER DECISIONS MEETING FOR
ENVIRONMENT
15TH APRIL 2019

OBJECTIONS TO THE COUNTY OF CARMARTHENSHIRE
(WITH THE EXCEPTION OF CARMARTHEN,
LLANELLI AND AMMANFORD)
(WAITING RESTRICTION AND STREET PARKING PLACES)
CONSOLIDATION (VARIATION NO 30)

BRIEF SUMMARY OF PURPOSE OF REPORT

1. Purpose

This report is to determine objections received to the proposed on-street waiting restrictions rural order. Full details of the proposed restrictions are listed in **Appendix 1** and **Appendix 2** of the report. The purpose of the proposed restrictions is to safeguard road users and to facilitate the safe and unhindered passage of traffic.

2. Consultation

The advertised proposals are listed in **Appendix 1**.

3. Objections and Comments

During the consultation period the Council's Head of Administration and Law received twenty objections and a 64 name petition against the advertised proposals. These objections are summarised in Appendix 3 along with officer comments and recommendations.

In brief, the objections are explained below:

- i. **Cwmann, A482** - Introduce a prohibition of waiting at any time, on the North side of Treherbert street, near its junction with Cwrt Deri.
The objectors which include a petition of 64 names, request further consultation and refer to previous rejection of the proposals. They say that the proposed double Yellow lines removes natural traffic calming and creates parking issues for residents directly affected, and the wider village. They feel that no parking restrictions at the junction is adequate, as there is enough room to park as the road is not especially narrow.
Recommendation: Implement the proposals as described in Appendix 1.
- ii. **Heol y Gaer, Llanybydder** - Introduce a prohibition of waiting at any time both sides of junction.
The objectors see no reason to place double yellow lines at this junction, which will lead to nowhere for people to park, cause congestion in the summer months when people visit the park and also when football matches take place. The new restrictions will stop people visiting the park.
Recommendation: Amend the advertised proposals as follows:
Prohibition of waiting at any time
Street – Unclassified road U5358, Llanybydder
South side - From a point 40 metres North East of the centre of its junction with Heol Y Gaer for a distance of 68 metres in a South Westerly direction.

- iii. **Trallwm Road/Bryn Isaf, Llwynhendy** – Introduce a prohibition of waiting at any time and loading/unloading at the junction.
The objectors reckon that the proposals will not help with the issue of vehicles stopping to drop off and collect children from outside the nearby schools. They consider the proposals will increase problems of where parents park their vehicles but also just move the issue to the other side of the street.
Recommendation: Implement the proposals as described in Appendix 1.
- iv. **Elkington Park, Burry Port** - Introduce a prohibition of waiting at any time.
The objectors consider that the double yellow lines will have an adverse affect on the street, with vehicles parking and blocking driveways due to displacement and just pushing the parking problems further along the street.
Recommendation: Implement the proposals as described in Appendix 1.
- v. **Danlan Road, Pembrey** - Introduce a revocation of the existing prohibition of waiting at any time and introduce a prohibition of waiting, Monday to Friday between 08:00 and 17:00 hours.
The objector states that he has worked in the area for over 20 years and never had a problem with parking along this road.
Recommendation: Implement the proposals as described in Appendix 1.

4. Recommendations

5.

That the Executive Board Member for Environment:

1. Determine the objections
2. Implement the proposals as described in Appendix 1 subject to the amendments in section ii.
3. Inform the objectors accordingly.
