# EXECUTIVE SUMMARY

## STANDARDS COMMITTEE

14<sup>TH</sup> JUNE 2019

### CODE COMPLIANCE DATA

The Standards Committee receives an annual report (usually at its December meeting) as to the level of code compliance by Town and Community Councillors during the preceding municipal year.

At the meeting of the Standards committee on the 15<sup>th</sup> March 2019 committee members expressed concern that a significant proportion of Councils had not provided the requested data for 2017/2018 and that in some cases Councils had never provided data in response to a request from the committee.

The request for data for 2018/2019 was sent to Councils on the 24<sup>th</sup> April 2019.

Committee members therefore requested that be provided with an update as to progress at subsequent meetings.

As at the date of preparing this report a total of 35 responses had been received out of 72 Councils.

DETAILED REPORT ATTACHED?

NO

## IMPLICATIONS

I confirm that other than those implications which have been agreed with the appropriate Directors / Heads of Service and are referred to in detail below, there are no other implications associated with this report :
