EXECUTIVE SUMMARY
SOCIAL CARE & HEALTH SCRUTINY COMMITTEE
DATE: 3RD JULY, 2019

SUBJECT:

ANNUAL REPORT ON ADULT SAFEGUARDING AND DEPRIVATION OF LIBERTY SAFEGUARDS (DoLS) (2018-19)

The purpose of this report is to provide information on the role and functions and activities undertaken by the Authority in regard to Adult Safeguarding and Deprivation of Liberty Safeguards.

The Report explains the changing policy context of adult safeguarding/DoLS and details the arrangements the Authority has established to respond effectively to such reports and applications received. As the statutory organisation responsible for adult safeguarding, the Authority is required to have effective arrangements in place to ensure vulnerable adults are protected from harm. The Local Authority undertakes this role in close partnership with Dyfed Powys Police, Hywel Dda University Health Board and other statutory and non-statutory organisations. The report itemises some of the key performance activity as well as key changes in process and practice.

The Local Authority is also the Supervisory body for Deprivation of Liberty Safeguards which ensures some of our most vulnerable citizens are properly safeguarded. This report details some of the key improvements made to our DoLS arrangements and the forthcoming changes and challenges.

This report aims to reassure the committee that Carmarthenshire County Council is well placed to implement the duties and principles of the Social Services and Well Being Act and is performing well in relation to meeting the expectations of DoLS Legislation (within the Mental Capacity Act (2005).

2. Legal

We have reviewed our processes to ensure compliance with the requirements of the Social Services and Wellbeing (Wales) Act 2014.

5. Risk Management

We have identified that there are risks associated with the waiting list for Deprivation of Liberty Safeguards authorisations which has reduced significantly. We continue to make improvements in this area each year. We currently have no DoLS assessments awaiting authorisation as all have been authorised where appropriate. Although the financial and reputational risks remain, we have introduced robust processes to mitigate these risks.
