## EXECUTIVE SUMMARY

### Annual Report on the Welsh language 2018-19

This Annual Report has been produced in order to comply with the Welsh Language Commissioner's monitoring arrangements. The Welsh Language Commissioner gave Carmarthenshire County Council a compliance notice regarding the Welsh Language Standards Regulations on 30 September 2015 which required CCC to comply with most of the standards by 31 March 2016.

The Standards mean that the Welsh language must not be treated less favourably than the English language, and must also promote or facilitate the use of the Welsh language. This is in accordance with the two principles that form the basis of the Welsh Language Commissioner's work:

- in Wales, the Welsh language should be treated no less favourably than the English language
- persons in Wales should be able to live their lives through the medium of the Welsh language if they choose to do so.

The Welsh language Standards have replaced the Welsh language schemes and will:

- provide greater clarity to organisations on their duties on the Welsh language;
- provide greater clarity to Welsh speakers about the services they can expect to receive in Welsh;
- Ensure more consistency of Welsh language services and improve their quality.
