**EXECUTIVE SUMMARY**  
**STANDARDS COMMITTEE**  
**6<sup>TH</sup> DECEMBER 2019**

**CODE OF CONDUCT COMPLIANCE BY  
TOWN AND COMMUNITY COUNCILLORS**

As part of its role in monitoring Code compliance by Town and Community Councillors, the Committee receives reports detailing the levels of code training received, declarations of interest made, dispensation requests granted and Code complaints registered in respect of Town and Community Councils within the County.

A request for this information was submitted to all Town and Community Councils in the County.

The attached spreadsheet sets out the information provided and allows for comparison with previous years.

As can be seen, there continue to be significant variations between councils as to the extent to which declarations of interest are made and/or dispensations sought, although there appears to be no correlation between these factors and the level of code of conduct training provided.

Similarly there appears to be no clear evidence of any correlation between the provision of code training and the number of code complaints nor is there is a consistent pattern of complaints against particular councils.

Unlike in previous years a high proportion of Councils have responded to the request for information. Only 11 councils failed to respond.

Overall however the statistical evidence appears to suggest a generally good level of Code compliance by Town and Community Councillors across the County.
