WELSH PUBLIC LIBRARY STANDARDS 2017-2020

Sixth Assessment Framework for Welsh Public Library Standards: Annual Return 2018/19

1. BRIEF SUMMARY OF PURPOSE OF REPORT.

The Public Libraries and Museums Act 1964 sets out the statutory duties of public library authorities to "*provide a comprehensive and efficient library service*" and makes it a duty of the Welsh Ministers "*to superintend and promote the improvement*" of public library services in Wales.

In accordance with these statutory requirements the Welsh Government has completed its assessment of Carmarthenshire's library service Annual Return for 2018/19.

This is the second year of assessment under the sixth framework.

The external validator, in consultation with a Reference Group comprising Welsh Government officials and three heads of library services, found that:

- **Carmarthenshire met all of the 12 core entitlements in full.**
- **Of the 10 quality indicators with targets, Carmarthenshire achieved 9 in full, and 1 in part, and is one of only four authorities to achieve at this level.**

Carmarthenshire has continued to perform well against the standards framework in its second year. Library use has generally increased, with Carmarthenshire recording some of the highest per capita performances for visits, membership and adult use.

Carmarthenshire continues to meet the target for easy access to service points, through its network of regional, community, branch and mobile libraries.

The authority is also continuing to invest strongly in the service, with plans to extend the successful Makerspace initiative to two further libraries, and to further develop its new mobile library provision, in line with the aspirations of its Library Strategy.

Carmarthenshire has maintained its performance in this second year of the sixth framework, with no significant change on 2017/18, and remains one of the highest achieving authorities overall.
