**1. BRIEF SUMMARY OF PURPOSE OF REPORT.**

The COVID-19 national emergency has had an unprecedented impact on the UK and will significantly impact on public bodies' preparation of the 2019-20 accounts and our audit work, both financial audit and performance audit.

Due to the UK Government's restrictions on movement and anticipated sickness absence levels, we understand that many public bodies will not be able to prepare accounts in line with the timetables set out.

In light of this, timetables for audited bodies' preparation of financial statements and other information and our audit work on it will need to be revised.
