DYFED-POWYS POLICE AND CRIME PANEL
04/11/2020

ANTI-SOCIAL BEHAVIOUR

In its annual report for 2018-2019 the Panel committed to undertaking an enquiry into and producing a report in respect of the approach taken by the Police and Crime Commissioner in respect of anti-social behaviour. Councillor William Denston Powell agreed to take the lead in preparing the report.

Unfortunately, due to the Coronavirus pandemic it was not possible to complete the report within the intended timescale and therefore it was decided that it should be deferred to the 2020-2021 municipal year.

In compiling this report the following steps have been taken;

1. Information has been received from the Police and Crime Commissioner
2. Evidence has been received from victims of anti-social behaviour
3. The wider public have been consulted
4. Examples of good practice elsewhere have been researched.

The report acknowledges the good work being done by the Commissioner and Dyfed-Powys Police, but makes the following recommendations.

- 1) The Commissioner's commitment to the roll out of CCTV for community reassurance and to combat criminality, including incidents of Anti- social Behaviour, is a matter of public record. Without wishing to pre-empt the work of my panel colleagues on the CCTV sub-group I recommend that an assessment be made of the impact of that investment on combatting ASB, to help prioritise deployment of resources in this area in the future;
- 2) Whilst acknowledging the commitment shown by the Commissioner to ensure, via his office's website, social media and communications activities, that members of the public are equipped with information regarding the support services available to them should they become a victim of ASB, I recommend a regular review and audit of this work be undertaken, so as to ensure that such information continues to be effective, accessible and user friendly.
- 3) I recognise the importance of the Commissioner's role as appellant body for victims of ASB but it would be appropriate for that role to be emphasised more in communications work, reminding members of the public of their rights and how to exercise them;
- 4) Whilst recognising the considerable amount of work already being done in relation to the Community Trigger, I recommend that the Commissioner engages pro-actively with the Police and partner agencies in order to improve the effectiveness of the Community Trigger in Dyfed-Powys, in line with the recommendations of the former and current Victims Commissioner
