EXECUTIVE SUMMARY

EDUCATION & CHILDREN SCRUTINY COMMITTEE 9th MARCH 2016

Modernising Education Programme (MEP) proposal to discontinue Llanedi Primary School

Background

The Authority has a legal responsibility to review the number and type of schools it has in an area and whether or not it is making the best use of resources and facilities to deliver the opportunities that children deserve.

In recent years Llanedi Primary School has seen a steady decline in pupil numbers from 33 pupils on roll in January 2010 to 18 pupils on roll in January 2015 (PLASC) resulting in 51% surplus places at the school. Following the departure of the last permanent head teacher in December 2013 the school has faced challenges and uncertainty with regard to fulfilling the senior leadership position. The school has implemented a range of senior leadership models including serving teachers 'acting up' and a part time acting head teacher model (used in partnership with another primary school) between September 2014 and August 2015. Current arrangements since September 2015 are utilising the skills of a current member of staff in the role of 'acting deputy head teacher for an interim period of the current academic year.

The culmination of these unavoidable facts presents a school model which does not represent a sound, stable educational model or best use of resources. With no prospect of there being a significant increase in pupil numbers for the foreseeable future and the ongoing challenges the school faces to secure permanent senior leadership, it is not possible to sustain current arrangements.

In addition, the Authority feels that from an educational perspective having such a small number of pupils makes it extremely difficult for the school to deliver the breadth and depth of curricular and social experiences which pupils of this age require to fully develop.

Proposal

The Authority's proposal is as follows:

- To close Llanedi Primary School on the 31st August 2017;
- It is proposed from 1st September 2017 that the catchment area of Llanedi be re-designated and included within the existing catchment area of Hendy Primary School.

The details of the proposal are outlined in the attached Draft Consultation document. The Consultation Document is currently in draft format and updated where appropriate during the informal consultation exercise.

Conclusion

In light of the present pupil numbers and uncertainty with regard to fulfilling the senior leadership position at the school it is recommended that the Authority moves to close Llanedi Primary School through the instigation of formal statutory procedures. The closure of the school will be planned for the end of the summer term in 2017.

From 1st September 2017, the catchment area of Llanedi Primary School should be included within the existing catchment area of Hendy Primary School.

Transfer to Secondary School will change to Bryngwyn School and Ysgol Y Strade (Welsh stream). It must be noted that it is the home address which is taken into account when considering admission to secondary school and not the primary school attended.

Transport will be provided in accordance with Carmarthenshire County Council's School Transport Policy.
