EXECUTIVE SUMMARY

POLICY & RESOURCES SCRUTINY COMMITTEE

14th JULY 2016

Transform, Innovate & Change (TIC) Programme Annual Report 2015/16 and Business Plan 2016/17

- The 'Transform, Innovate and Change' programme was launched in response to the significant financial challenges being faced by the Council. A dedicated team has been established to support a programme of radical and transformational change across the Council, and to seek opportunities to drive out waste and inefficiency by delivering more purposeful services.
- This Annual Report provides an opportunity to reflect on the work of the TIC Programme over the last year and to report on outcomes achieved thus far. It also provides an opportunity to look ahead to the programme's work for the coming year.
- The benefits of the TIC approach are being realised as many of the projects have started to deliver significant improvements in terms of service quality, customer experience and financial efficiencies. To date, the TIC approach has assisted in identifying or is helping to deliver approximately £6.4m of efficiency savings.
- Appendix A also provides a thematic overview of the projects to be progressed as part of the programme for 2016/17.
