PURPOSE OF REPORT

The strategy document has been developed building on insights and consultation with members, key stakeholders, and the public through an online consultation exercise. This document provides a framework for the service to deliver the strategically aligned Leisure, Culture, and Outdoor Recreation Strategy for the next 10 years.

The strategy answers three basic questions:

- Where has the service come from?
- Where is it now?
- Where is it going?

EXECUTIVE SUMMARY

Purpose of service: Leisure, Culture and Outdoor Recreational services help create places where people want to live, work and visit. They play a vital part in public health and well-being whilst developing cultural identity and community cohesion.

- Get more people engaged in thriving, caring, active communities;
- Develop a stronger Carmarthenshire Cultural identity;
- Create a healthier Carmarthenshire;
- Make Carmarthenshire a better place to live, work and visit;
- Ensure people look after and make better use of our outdoor environment;

1. Policy, Crime and Disorder

The purpose of this document is to align with national, corporate, and key stakeholder objectives to deliver an integrated Leisure, Culture, and Outdoor Recreation Strategy for Carmarthenshire for the next 10 years.

Integrated impact assessments form part of this work, including those focussed on changes to specific service direction for the final strategy.

3. Finance

The strategy outlines a vision, an ambition, and an intent for the service, recognising that no additional resource above existing revenue and capital budgets are committed. The reference to future investment would be subject to separate funding bids, and / or may be delivered via external resources, or possibly using invest to save principles.

7. Physical Assets

The strategy recognises the importance of developing a service asset management plan aligned with the corporate asset management plan for the authority.
