**EXECUTIVE SUMMARY
EXECUTIVE BOARD MEETING
23/8/16**

**GOVERNANCE ARRANGEMENTS FOR THE MEMBERS HOME TO SCHOOL
TRANSPORT APPEALS PANEL**

1. At its meeting of the 13th April 2016 County Council considered a Notice of Motion and an Amendment to the Notice, and resolved “to set up an appeals panel to deal with Home to School Transport with relevant officers in an advisory capacity, alongside voting members – the Executive Board Member for Transport, the Executive Board Member for Education and Children’s Services and the local member for the relevant ward”.
2. Governance arrangements need to be agreed to set out the way in which appeal decisions will be taken, and are attached for the Board’s approval (as such appeals are an executive function).

1. Policy, Crime & Disorder and Equalities

The Authority has an approved and published Policy on the Provision of Free School Transport.

This proposal will set up a Members Appeal Panel to take the final determination on home to school transport applications.

2. Legal

Decisions of the Members Home to School Transport Appeal Panel will potentially be liable to be Judicially Reviewed in the High Court. It is therefore necessary to set out a clear decision-making process in case of challenge.

3. Finance

Any appeals allowed will be a cost against the Transport Department's Home to School transport budget.

Reintroduction of £30K staffing costs previously taken out of budget when a policy officer's post was released. Plus staffing related costs in relation to staff attendance at appeal hearings.

4. Staffing Implications

Various officers will need to be allocated to deal with the administrative aspects of setting up appeal hearings, and to provide technical and legal advice to the Panel at its appeal hearings.

CONSULTATIONS

I confirm that the appropriate consultations have taken in place and the outcomes are as detailed below
