EXECUTIVE SUMMARY

HEALTH & SOCIAL SERVICES SCRUTINY COMMITTEE 21ST MARCH, 2024

SUBJECT: THE MID & WEST WALES SAFEGUARDING CHILDREN & ADULTS BOARDS ANNUAL REPORT 2022-2023
--

This Annual Report outlines the progress that has been made against the outcomes set by CYSUR and CWMPAS as part of the joint Annual Strategic Plan for the year 2022-23.

Significant investment and time has been dedicated throughout the year to supporting the development of the new Single Unified Safeguarding Review (SUSR) process, including the development of the draft statutory guidance published earlier this year. We are proud to report we have been commissioned by the Welsh Government to develop and deliver the national training framework to support and accompany implementation of the new guidance.

Our particular successes this year include the development of multi-agency safeguarding training packages. This includes the development and implementation of professional curiosity training and accompanying resources, as well as the development of a safeguarding training animation created by our Junior Board. These suites of training and resources help to support practitioners in their work safeguarding children and adults at risk, and give powerful messages to practitioners about how to best communicate with and listen to children.

Our continued commitment to deliver against our Violence Against Women Domestic Abuse and Sexual Violence (VAWDASV) agenda has progressed at some pace this year. Our new four-year strategy and accompanying delivery plan has been completed and published, directly informed by survivors with lived experience of domestic abuse in the Mid and West Wales area. Developing creative solutions to some of the significant workforce challenges the social care and the public sector workforce is experiencing has continued to be a key focus of the Boards' work this year, both within a regional and national context. A review of the social care workforce across the region has been undertaken, and we will be implementing actions in the coming year to improve recruitment and retention of staff locally alongside ongoing national work.
