EXECUTIVE SUMMARY

EXECUTIVE BOARD

19TH SEPTEMBER 2016

POLICY ON THE INTERNAL USE OF THE WELSH LANGUAGE

1. BRIEF SUMMARY OF PURPOSE OF REPORT

Carmarthenshire County Council received its Compliance Notice in relation to the Welsh language Standards in September 2016.

As part of the Standards we are required to prepare and publish a Policy on the Internal use of the Welsh language, which aims to promote and facilitate the use of the Language in our day to day work and in our workplaces.

Many of the opportunities outlined in the draft policy were previously in place and are requirements of the new Welsh language Standards or supported through the previously approved 'The Welsh Language in Carmarthenshire' report and recommendations (March 2014) and Welsh Language Skills Strategy. However this policy provides us with an opportunity to collate and review the information and subsequently our approach.

2. OTHER OPTIONS AVAILABLE AND THEIR PROS AND CONS

Preparing and publishing a Policy on the Internal use of the Welsh language is a statutory responsibility under the Welsh Language Measure (2011).

1. Policy, Crime & Disorder and Equalities

The Council has a statutory responsibility to meet the Welsh language Standards, which have been placed on us as part of the Welsh Language Measure (2011).

2. Legal

The Welsh Language Standards Regulations 2015 came into force on 31 March 2015. These Regulations have replaced the responsibilities placed on Carmarthenshire County Council under the Welsh Language Act 1993 and have been imposed on the council since 31 March 2016.

3. Finance

The cost for majority of the support outlined in the Policy is already met by current budgets.

There is however a need to look at the Welsh language learning / improvement opportunities which may lead to increased costs.

CONSULTATIONS

I confirm that the appropriate consultations have taken in place and the outcomes are as detailed below

The CERF group support the Policy in principle however concern was noted in relation to costs of implementing the Policy. The CERF group has asked CCC to discuss the funding for the implementation of this Policy with the Welsh Government.
