EXECUTIVE SUMMARY

ENVIRONMENTAL & PUBLIC PROTECTION SCRUTINY COMMITTEE 26th SEPTEMBER 2016

Road Safety Strategy (Investment Programme)

This report will enable members to scrutinise progress against improvement objectives within the strategy by raising awareness of the current programmes and the relevant issues that influence the development of the programme.

DETAILED REPORT ATTACHED?

YES

IMPLICATIONS

I confirm that other than those implications which have been agreed with the appropriate Directors / Heads of Service and are referred to in detail below, there are no other implications associated with this report.

Signed: Stephen G. Pilliner Head of Transportation & Highways

Policy, Crime & Disorder and Equalities	Legal	Finance	ICT	Risk Management Issues	Staffing Implications	Physical Assets
YES	YES	YES	NONE	YES	NONE	NONE

1. Policy, Crime & Disorder and Equalities

Road Safety is one of the Carmarthenshire Integrated Community Strategies. Road Safety strategies are also set out in the Carmarthenshire County Council Local Transport Plan which is contained within the Joint Transport Plan for South West Wales.

Delivery of sustainable transport projects is also one of the objectives of the Carmarthenshire County Council Local Transport Plan which is contained within the Joint Transport Plan for South West Wales.

2. Legal

The Council has a statutory responsibility to manage and maintain public roads. That duty includes the investigation of road traffic accidents, the provision of road safety measures and the expeditious movement of traffic.

3. Finance

The budgets for the current financial year to deliver sustainable transport and road safety projects are set out in the report.

5. Risk Management Issues

Potential for challenge to the Council's management of sustainable transport and road safety project grant claims.

CONSULTATIONS

I confirm that the appropriate consultations have taken in place and the outcomes are as detailed below:
