EXECUTIVE SUMMARY

EDUCATION & CHILDREN SCRUTINY COMMITTEE 10th OCTOBER 2016

Transform, Innovate & Change (TIC) Programme Update

The 'Transform, Innovate and Change' programme was launched in response to the significant financial challenges being faced by the Council. A dedicated team has been established to support a programme of radical and transformational change across the Council, and to seek opportunities to drive out waste and inefficiency by delivering more purposeful services.

The benefits of the TIC approach are being realised as many of the projects have started to deliver significant improvements in terms of service quality, customer experience and financial efficiencies. To date, the TIC approach has assisted in identifying or is helping to deliver approximately £6.4m of efficiency savings.

A short presentation will be provided at the meeting with examples of projects that the Team has supported in services that are within the Committee's remit.
