1. YMDDIHEURIADAU AM ABSENOLDEB.

Derbyniwyd ymddiheuriadau am absenoldeb gan y Cynghorydd Linda Davies Evans - yr Aelod o'r Bwrdd Gweithredol dros Dai a Mr Jake Morgan - y Cyfarwyddwr Cymunedau.

2. DATGAN BUDDIANNAU PERSONOL.

Cynghorydd	Rhif y Cofnod	Y Math o Fuddiant
Y Cynghorydd Cefin Campbell	6 - Polisi Codi Tâl Mynediad i Gefn Gwlad – Celfi Llwybrau Cyhoeddus	Mae llwybr troed cyhoeddus yn mynd drwy dir y mae'n berchen arno.

3. LLOFNODI FEL COFNOD CYWIR COFNODION CYFARFOD Y BWRDD GWEITHREDOL A GYNHALWYD AR Y 2AIL TACHWEDD, 2020

PENDERFYNWYD YN UNFRYDOL lofnodi cofnodion cyfarfod y Bwrdd Gweithredol a gynhaliwyd ar 2 Tachwedd, 2020 yn gofnod cywir.

4. CWESTIYNAU Â RHYBUDD GAN YR AELODAU

Dywedodd y Cadeirydd nad oedd dim cwestiynau â rhybudd wedi cael eu cyflwyno gan yr Aelodau.

5. CWESTIYNAU A RHYBYDD GAN Y CYHOEDD

Dywedodd y Cadeirydd nad oedd dim cwestiynau wedi dod i law gan y cyhoedd.

6. POLISI CODI TÂL MYNEDIAD I GEFN GWLAD - CELFI LLWYBR CYHOEDDUS

Bu'r Bwrdd yn ystyried adroddiad a oedd yn rhoi manylion polisi codi tâl a ddatblygwyd gan y gwasanaeth Mynediad i Gefn Gwlad i gyflwyno dull o adennill cyfran o'r gwariant presennol sydd ynghlwm wrth gyflenwi a gosod celfi llwybrau cyhoeddus ar ran tirfeddianwyr.

Nododd yr adroddiad fod Adran 146 o Ddeddf Priffyrdd 1980 yn ei gwneud yn ofynnol i'r tirfeddiannwr gynnal a chadw unrhyw gamfa neu gât ar draws llwybr troed, llwybr ceffylau, neu gilffordd gyfyngedig.

Nododd y Bwrdd fod y polisi arfaethedig wedi'i ystyried yn ofalus i gyflwyno lefel briodol a theg o adennill costau ar gyfer cyflenwi a gosod celfi gan yr Awdurdod yn ogystal â ffurfioli consesiynau mewn rhai amgylchiadau. Roedd y polisi hefyd yn darparu cyfres glir o reolau ar gyfer darparu celfi a fyddai'n rhoi gwybod i dirfeddianwyr am eu cyfrifoldebau statudol ac yn cynorthwyo staff Mynediad i Gefn Gwlad i gynnig cymorth cyson, teg a rhesymol i dirfeddiannwr.

PENDERFYNWYD YN UNFRYDOL gymeradwyo mabwysiadu Polisi Codi Tâl ar gyfer cyflenwi a gosod celfi llwybrau cyhoeddus ar draws y rhwydwaith hawliau tramwy cyhoeddus.

7. EGLWYS GYMUNEDOL TYWI – BOWLIO XCEL

Bu'r Bwrdd yn ystyried adroddiad a oedd yn cynnig cefnogi cais a gyflwynwyd gan Ganolfan Bowllo Xcel a changhennau elusennol Eglwys Gymunedol Tywi i'w galluogi i barhau i ddarparu'r gwasanaethau a ddarperir i drigolion Sir Gaerfyrddin ac ardaloedd cyfagos. Roedd yr adroddiad yn gofyn am gymeradwyaeth y Bwrdd Gweithredol i sicrhau bod ymrwymiad cyllid ar gael fel grant, er mwyn sicrhau cynaliadwyedd ariannol tymor hwy Bowllo Xcel a phrosiectau cysylltiedig.

Cydnabu'r Bwrdd fod Bowllo Xcel a phrosiectau cysylltiedig yn darparu prosiectau hanfodol gan gynnwys Banc Bwyd, Siop Gymunedol ac Ailgylchu Celfi a'i bod wedi gweithio gyda mwy na 50 o asiantaethau atgyfeirio gweithredol yng Nghaerfyrddin a'r cyffiniau, gan gynnwys y Cyngor, i ddiwallu anghenion teuluoedd difreintiedig.

Cydnabu'r Bwrdd y byddai pandemig Covid-19 a'r cyfyngiadau symud cysylltiedig wedi cael effaith sylweddol ar lawer o brosiectau eraill ac awgrymodd y byddai'n ddoeth llunio meini prawf i baratoi ar gyfer ceisiadau am gymorth yn y dyfodol.

PENDERFYNWYD YN UNFRYDOL GYMERADWYO:

7.1 ymrwymo swm o £50,000 i Eglwys Gymunedol Tywi i gefnogi Bowlio Xcel a phrosiectau cysylltiedig gan ganiatáu iddynt barhau i fasnachu. Byddai hyn yn cael ei ariannu o gronfeydd wrth gefn adrannol. Byddai'r cyllid yn cael ei roi fel grant i'w dynnu yn ôl y gofyn;

7.2 pe bai angen arian ychwanegol ar Eglwys Gymunedol Tywi i gefnogi ei gweithrediad parhaus, byddai cynyddu ei benthygiad presennol hyd at £50,000 yn cael ei ganiatáu.

8. ADRODDIAD MONITRO CYLLIDEB REFENIW Y CYNGOR

Bu'r Bwrdd Gweithredol yn ystyried adroddiad monitro'r gyllideb refeniw a oedd yn rhoi'r wybodaeth ddiweddaraf am y sefyllfa gyllidebol fel yr oedd ar 31 Awst 2020, o ran 2020/2021. Roedd y sefyllfa gyllidebol yn cydnabod y pwysau ychwanegol sylweddol a roddwyd ar yr Awdurdod wrth ymateb i bandemig Covid-19.

Yn gyffredinol, roedd yr adroddiad yn rhagweld y byddai gorwariant diwedd blwyddyn o £3,971k ar gyllideb refeniw net yr Awdurdod ac y byddai gorwariant o £4,971k ar lefel adrannol. Nododd y Bwrdd Gweithredol fod y sefyllfa na welwyd ei thebyg o'r blaen yn deillio o gyfuniad o gostau ychwanegol na ellid eu hadennill o ganlyniad i weithgarwch Covid-19, incwm a ildwyd o ran gwasanaethau a oedd wedi cau yn ystod y cyfyngiadau symud cenedlaethol ac a oedd yn parhau i gael llai o refeniw, na chaiff ei ad-dalu'n llawn o bosibl gan Lywodraeth Cymru, a chynigion arbedion arfaethedig nad ydynt wedi'u cyflawni oherwydd y pandemig.

Cadarnhaodd yr adroddiad fod yr Awdurdod yn cyflwyno hawliad caledi misol i Lywodraeth Cymru am wariant Covid-19 ychwanegol. Roedd y rhan fwyaf o'r costau'n cael eu had-dalu, er bod rhai yn cael eu hystyried yn anghymwys, yn benodol mewn cysylltiad â phenderfyniadau lleol.

Yng ngoleuni'r gorwariant sylweddol a ragwelwyd ar lefel adrannol, gofynnwyd i Brif Swyddogion a Phenaethiaid Gwasanaeth adolygu'r opsiynau a oedd ar gael iddynt yn feirniadol i gyfyngu ar y gorwariant a ragwelwyd ar gyllidebau, yn ogystal â chydabod y pwysau yr oedd Covid-19 wedi'u rhoi ar gyllideb gyffredinol yr Awdurdod.

Mewn ymateb i ymholiad, cadarnhaodd yr Aelod o'r Bwrdd Gweithredol dros Adnoddau fod Llywodraeth Cymru wrthi'n ymateb ar hyn o bryd i fynd i'r afael â'r materion sy'n codi yn y sectorau hamdden, diwylliant a theatr.

Diolchodd y Bwrdd Gweithredol yn ddiffuant i staff adran y Gwasanaethau Corfforaethol am addasu i'r ffordd newydd o weithio drwy'r pandemig a'u holl waith caled wrth baratoi cyllid a rheoli gwariant y Cyngor.

PENDERFYNWYD YN UNFRYDOL:

- 8.1** Derbyn adroddiad monitro'r gyllideb, a rhoi ystyriaeth i'r sefyllfa gyllidebol a'r camau unioni priodol.
- 8.2** Bod y Prif Swyddogion a'r Penaethiaid Gwasanaeth yn adolygu'r opsiynau sydd ar gael iddynt yn feirniadol i gyfyngu ar y gorwariant a ragwelwyd ar gyllidebau, yn ogystal â chydabod y pwysau y mae Covid-19 wedi'u rhoi ar gyllideb gyffredinol yr Awdurdod.

9. DIWEDDARU RHAGLEN GYFALAF 2020-21

Bu'r Bwrdd Gweithredol yn ystyried adroddiad a oedd yn rhoi'r wybodaeth ddiweddaraf o ran y sefyllfa gyllidebol ddiweddaraf ar gyfer rhaglen gyfalaf 2020/21 fel yr oedd ar 31 Awst, 2020, ac yn nodi cyfres o drosglwyddiadau y gofynnwyd i'r Bwrdd Gweithredol eu cymeradwyo.

Yn adrannol, dywedwyd y rhagwelwyd gwariant net o £63,428k o gymharu â chyllideb net weithredol o £114,264k gan roi -£50,836k o amrywiant.

Tynnodd yr adroddiad sylw at y cynlluniau ychwanegol canlynol, a oedd wedi cael cyllid uniongyrchol, i'r Rhaglen Gyfalaf:-

- Tai Preifat;
- Dechrau'n Deg;
- Amgueddfa'r Sir;
- Dwyrain Cross Hands – Llain 3 a
- Re-fit Cymru.

PENDERFYNWYD YN UNFRYDOL:

- 9.1** Derbyn adroddiad diweddarau'r rhaglen gyfalaf.
- 9.2** Cymeradwyo'r trosglwyddiadau y manylir arnynt yn yr adroddiad.

10. UNRHYW FATER ARALL

Dywedodd y Cadeirydd nad oedd unrhyw eitemau o ran materion brys.

EXECUTIVE SUMMARY
Executive Board
30th November 2020

REVENUE BUDGET OUTLOOK
2021/22 to 2023/24

The report appraises members of the current financial outlook and updates our current financial model covering the next three financial years.

The report outlines the proposals for taking forward the budget preparation for the three year period.

DETAILED REPORT ATTACHED?

YES

IMPLICATIONS

I confirm that other than those implications which have been agreed with the appropriate Directors / Heads of Service and are referred to in detail below, there are no other implications associated with this report :

Signed: C Moore

Director of Corporate Services

Policy, Crime & Disorder and Equalities	Legal	Finance	ICT	Risk Management Issues	Staffing Implications	Physical Assets
YES	NONE	YES	NONE	NONE	NONE	NONE

1. Policy, Crime & Disorder and Equalities

The budget is being prepared having regard for the Council's Corporate Strategy.

Equalities Impact Assessments will be undertaken on budget proposals in order to consider and assess the potential impact with respect to protected characteristic groups and the Welsh language. All budget proposals considered to have an impact on front line services will undergo a period of public consultation. The Equalities Impact Assessments will be further developed following consideration of possible mitigation measures to reduce the impact once the responses and findings of the budget consultation have been received.

2. Finance

Council Fund

The report provides an updated view of the Budget outlook for 2021/22, together with indicative figures for the 2022/23 and 2023/24 financial years.

The financial model tabled above will be updated as and when more information becomes available, including the provisional and final settlement from Welsh Government.

Provisional settlement is expected December 2020.

CONSULTATIONS

I confirm that the appropriate consultations have taken in place and the outcomes are as detailed below

Signed: **C Moore** **Director of Corporate Services**

1. Scrutiny Committee

Consultation with Scrutiny Committees will be undertaken during the budget process.

2. Local Member(s)

N/A

3. Community / Town Council

All budget proposals considered to have an impact on front line services will undergo a period of public consultation before the final budget is set.

4. Staff Side Representatives and other Organisations

Consultation with Staff Side Representatives and other organisations will be undertaken and results will be reported during the budget process.

1. PURPOSE OF REPORT

The purpose of this report is to:

- 1.1. Appraise members on the current financial outlook
- 1.2. Update our current financial model covering the next three years;
- 1.3. Outline proposals for taking forward the budget preparation for the three year period.

2. BACKGROUND

- 2.1. The current three year Medium Term Financial Plan (MTFP) was agreed by Council on 3rd March 2020 and was based on estimates of known commitments at that time, and formulated in the context of the Welsh Government (WG) financial settlement for 2020/21, with estimates used for years 2 and 3 of the plan.
- 2.2. Following the sustained period of Austerity since 2010, recent years have seen a gradual shift away from this policy. The public sector pay freeze was gradually relaxed, and successive negative settlements have given way to cash increases, albeit they have been reductions in real terms once pressures are taken into account.
- 2.3. This shift was at its starkest when setting the 2020/21 budget. Although the Authority received a £14m increase in its WG

settlement, the combination of 2.75% pay awards, teachers pensions cost increases above £4m, and a higher than expected increase in the national living wage combined with other inescapable pressures to necessitate a council tax increase of 4.89% and budget reductions totalling £5.1m to balance the budget.

- 2.4. The overall financial standing of the Authority has been maintained at a prudent level. In addition to existing reserve balances earmarked for specific purposes such as insurance or committed capital schemes, the authority set aside one-off funding in a Covid-19 resetting services reserve and was able to modestly add to our Council Fund, increasing the balance to 3.0% of our net budget. In recent years we have made limited use of such reserves to support ongoing expenditure.

3. OTHER CONSIDERATIONS

COVID-19, BREXIT & CSR

- 3.1. As with all other aspects of public life in the UK, Covid-19 will continue to dominate public sector finances over the medium term and perhaps longer. There is the immediate, current “triple-whammy” of reduced tax revenues from the economic impact of restrictions, unprecedented financial support measures for citizens and businesses, and additional funding requirements for the delivery of public services, principally health and social care.
- 3.2. Even taking a benign assumption that a vaccine is successfully deployed across the UK in the first half of 2021, the hangover effect will be significant. The economy and consequent tax revenues will be at a much lower base, the NHS will have a significant backlog of non-Covid-19 to get on top of, and HM Treasury will need to put in place measures to address public sector borrowing, which over 2020 is predicted to reach its highest level in peace time Britain.
- 3.3. The timeline is however far from clear. Whilst the outlook for public finances is undeniably worse as a result of Covid-19, there may be a gradual transition towards addressing public sector borrowing, driven by the need for public sector investment to boost economic recovery.
- 3.4. Brexit Trade talks, once the top daily news headline, continue but with no clear sense of an agreed deal. Should a deal not be agreed with the EU before the end of the year, economists widely predict a negative impact on UK business and prosperity.

- 3.5. The Westminster Government held a Comprehensive Spending Review (CSR) over the summer months, the outcome of which will now only be for one year only and whilst unavailable at the time of writing is due to be announced on 25th November. Whilst this is a clear threat of budget reductions, it is unlikely to be a popular move to cut budgets such as health, education and local government/social care. A verbal update will be provided in the meeting.
- 3.6. Whatever the outcome of the CSR, it will have a direct impact on Welsh Government budgets through the Barnett Consequential. During 2020/21 WG received very substantial additional funding through this mechanism which it has deployed to support the NHS, Local Authorities, businesses and others to respond to the pandemic.
- 3.7. On 29 October, Welsh Local Authorities received confirmation from the Minister for Finance that WG will confirm provisional settlement data on 22nd December. Whilst this is clearly driven by the CSR timeline, it will unquestionably compress the budget timetable more than at any time in recent history.

FUNDING PRIORITIES

- 3.8. In February 2018, County Council endorsed the Executive Board's plan for Moving Forward in Carmarthenshire over the next 5 years. This document sets strategic priorities and aspirations and will underpin the key policy decisions to be taken in the development of the Medium Term Financial Plan. Consideration will need to be given to the impact which Covid-19 will inevitably have upon progress in delivering these goals.
- 3.9. Members will note that it is necessarily much later and more compressed than in normal budget cycles, leaving just a three week window for public consultation. Consultation activities will of course this year all take place electronically due to public health measures.

4. CURRENT FINANCIAL OUTLOOK

Budget development always involves assumptions which are refined as the situation evolves and information becomes clearer. However it is hard to recall such a great degree of uncertainty at such a late stage in the process. Given this, it is recommended that preparations are made based on the current MTFP parameters as set out in the budget papers agreed by Council Council in March 2020. Further details are provided in the subsequent paragraphs.

5. FINANCIAL MODEL

The financial model has been extended by one year and so covers the three year period up to 2023/24. It is realistically expected, however, that less progress will be made on this than under normal circumstances. During the coming months of the budget development, officers and members priorities must be the addressing the immediate challenge of balancing the 2021/22 budget. Notwithstanding this, the most important part for any financial plan or model is the underlying assumptions, the current key assumptions being:

- 5.1. For the purposes of our financial outlook, the base model reflects the Aggregate External Finance (AEF) increasing by 2.0% each year. Service specific grants currently account for around £100 million and it is assumed that EITHER any further reductions are contained within the AEF reduction above OR that activity/expenditure is reduced in line with grant funding.

There are no significant planned reductions that officers are aware of, however members should note that we still have no details of the proposed “Shared Prosperity Fund” which is due to replace existing EU funding streams.

- 5.2. As for all Local Authorities, the treatment of delegated school budgets has a significant impact on the scale of savings proposals across every other service area. Our planning assumption is currently that schools’ delegated budgets do not have a specific savings target applied. School budget outturns have been in deficit for the last two financial years, with progress to address this understandably and unavoidably impacted by Covid-19. As a consequence of validation for pay and price inflation, it is recognised this budget will grow, and that proportionally larger savings would need to be found elsewhere. Should there be new or additional pressure put on the budget, for example from a worse than planned WG settlement, schools funding would need to be reassessed.

- 5.3. The MTFP approved by County Council in March 2020 included substantial savings in the Education department linked to the rationalisation of primary school provision. This would not see an adverse funding outcome for delegated budgets, but is instead about capturing the financial benefit of an overall more efficient schools system and the support services behind it. As with a number of other council transformation agendas, progress has inevitably been disrupted due to Covid-19. As such these proposals are being critically assessed for scale and speed of deliverability.

- 5.4.** The current pay settlement for NJC staff was a one year settlement covering 2020/21 at 2.75%, which was the same for the majority of our teaching staff. There are pulls in both directions in national negotiations on staffing costs – on one hand the recognition and reward for the role which many have played in delivering services above and beyond at a time of great need; on the other hand there is the possible re-introduction of restraint at a time of significant private sector job losses and worsening public finances. Given these opposing forces, the financial model maintains the current assumption of 2.75% per annum. Allowances have been made with pressures funding for national living wages increases.

There are similarly opposing forces likely to influence inflation going forward. Consumer Price Indices have been below 1% since April 2020, however the transition to new trade arrangements will bring inflationary pressures in 2021. As such assumptions are maintained at 2% for now.

- 5.5.** The 5 year capital plan was approved by Council in March 2020, however the pandemic has highlighted the need to consider possible new investment to support the local economy, jobs and livelihoods. With this in mind it is recognised that there may be further schemes the council wishes to pursue for which either additional funding would required or members may need to consider deferral or removal of previously approved schemes.

- 5.6.** Validation assumptions for the three years have been revisited and are currently:

	Financial Model		
	2021/22 %	2022/23 %	2023/24 %
Expenditure Inflation	2.0	2.0	2.0
Income Inflation	2.0	2.0	2.0
Pay Awards	2.75	2.75	2.75
Employers Pension Rates	0	0	0
Fuel	5.0	5.0	5.0
Energy Costs	5.0	5.0	5.0
Capital charges	£500k	£500k	£500k

- 5.7.** Service Pressures:

The financial model assumes growth pressures of £6m per annum for next year and £5.5m for each of the following two years.

Clearly the pandemic, and nature of ongoing public health response measures to contain it, will have a substantial impact on future expenditure for the Authority. An overarching holding assumption has been added to service pressures of £1m. Over and above this, it is assumed for planning purpose that existing funding mechanisms from WG will remain in place. The initial growth bids for non-covid pressures submitted by departments for 2021/22 exceeds £10m and is currently being critically reviewed.

Over the MTFP period, there are likely to be additional funding requirements in respect of the City Deal projects. These include both interest costs (as it is forecast they will exceed the business rates retention deal agreed with WG) and additional staffing costs. These will be addressed within the individual business case appraisals before their commencement, and as such it is not anticipated these will impact upon 2021/22 budgets.

- 5.8.** The modelling is based on Council Tax increases of 4.89% each year in line with the MTFP indicative figures approved in March 2020, extended to year 3 purely for planning purposes.
- 5.9.** Based upon the above assumptions a financial model has been constructed (see table below) which highlights the impact of the proposed changes, and identifies the likely budget shortfall. Comparative figures from the current MTFP are included for information.

Summary of Financial Model

	Current MTFP		Financial Model		
	2021/22 £'000	2022/23 £'000	2021/22 £'000	2022/23 £'000	2023/24 £'000
Previous Year's Budget	371,593	382,147	371,593	382,147	393,075
General Inflation	2,462	2,462	2,462	2,462	2,632
Pay Inflation	6,688	6,849	6,688	6,849	7,037
Other	1,334	1,345	1,334	1,345	1,357
Growth	6,000	5,500	6,000	5,500	5,500
Original & approved PBB Proposals	-5,297	-4,694	-5,297	-4,694	0
Net Expenditure	382,147	393,075	382,147	393,075	404,392
Revenue Settlement	-279,643	-285,235	-279,643	-285,235	-290,940
Council Tax Receipts	-102,505	-107,840	-102,505	-107,840	113,452
Shortfall	633	515	633	515	5,208

5.10. Key points:

5.10.1. We are looking at requiring cumulative reductions of £16m over the three years.

5.10.2. Our budget, in common with all authorities will contain a number of expenditure items that are essentially 'fixed' such as our debt costs, payments to those in receipt of council tax reduction support, the cost of levies, insurance costs, external audit fees, etc. In terms of managing and addressing any reductions we need to exclude these budgets. It is proposed that the savings requirements for each of the financial years be allocated between departments as follows, according to controllable budgets:

	2021/22	2022/23	2023/24
	£'000	£'000	£'000
Chief Executive	492	432	432
Schools Delegated Budget	0	0	0
Education & Children	1,029	904	904
Communities	2,813	2,471	2,470
Corporate Services	205	180	180
Environment	1,391	1,222	1,222
	5,930	5,209	5,208

5.10.3. The above model, as stated above, is based upon increases to the AEF of 2% each year and council tax increases of 4.89%.

6. SENSITIVITY ANALYSIS

- 6.1.** Any budget forecast has an element of risk and a large degree of uncertainty when planning over the medium term, and this is particularly so in with the current outlook.
- 6.2.** Any changes to the assumptions will inevitably be the result of a number of factors. The following table identifies the individual impact of the main components of the budget:

Budget element	Movement	Annual Impact
Pay inflation	1%	£2.4m
General inflation	1% (expenditure only)	£2.3m
General inflation	1% (income only)	-£1.4m
WG Settlement	1%	£2.8m
Specific Grants	1%	£1.0m
Council Tax	1%	£1.0m

- 6.3.** The following table illustrates the scale of the impact on departmental savings targets in 2021/22 if some of the movements outlined above materialised (Tables do not reflect a cumulative effect) :

Department	1% change in WG settlement	1% change in Council Tax Increase	No schools protection – i.e. increased schools efficiencies
	£'000s	£'000s	£'000s
Chief Executive	+/-232	+/-85	-182
Schools Delegated Budget	0**	0**	2,192
Education & Children	+/-485	+/-178	-380
Communities	+/-1,327	+/-486	-1,040
Corporate Services	+/-97	+/-35	-76
Environment	+/-656	+/-240	-514
	+/-2,568	+/-1,025	0

** Based on assumption that no savings target is applied to school budgets

- 6.4.** The Budget modelling will be monitored and refined as the likely position becomes clearer.

7. TAKING THE WORK FORWARD

There are a number of strands to develop in bringing about change to ensure we achieve balanced budgets:

- 7.1.** A continued real and focused drive to achieve efficiency in what we do – including business processes, taking advantage of technology and reviewing non-employee spend.

- 7.2.** Establishing what is important to members (and other stakeholders) in terms of what they wish to prioritise and importantly what is not and can be 'given up'/or reduced, recognising that prioritising in one area unavoidably leads to difficult choices elsewhere;
- 7.3.** Demand management which explores all the drivers of demand for our services and asks whether we can reduce or manage that demand by other methods and/or by doing things differently – e.g. earlier intervention in a cycle; changing user expectations of services; use of the third sector/other organisations or alternative delivery models etc;
- 7.4.** Innovation and alternative funding sources – whilst innovation will be evident in all the other strands it is felt useful to also have it as standalone to allow some free thinking to emerge and understand whether that free thinking leads to approaches that may generate further avenues for attracting revenue support or generating income.
- 7.5.** All of the above will involve:
 - 7.5.1. Consideration of alternative delivery models/providers;
 - 7.5.2. Acceptance of lower performance/reduction/cessation in some areas as an acceptable price to prioritise/protect others;
 - 7.5.3. Consideration of alternative and perhaps as yet untapped sources of finance;
 - 7.5.4. Some analysis of the cost/benefit equation of what we currently do and what we would propose to do.
 - 7.5.5. Council will need to implement measures in 2020/21 to increase as far as possible its options in respect of the 2021/22 budget setting process. The aims of these measures would be to partially mitigate the risk of the council not achieving a balanced budget for 2021/22 and would need to be undertaken following consultation with members.
- 7.6.** In considering the budget proposals, members need to take into consideration the requirements of the Wellbeing of Future Generations (Wales) Act 2015. The Act requires that we must carry out sustainable development, improving the economic, social environmental and cultural well-being of Wales.

8. BUDGET PREPARATION FOR 2021/22

- 8.1.** The financial model tabled above will be updated as and when more information becomes available, key amongst which will be the provisional settlement expected from WG in December 2020. A timetable is provided at Appendix A.
- 8.2.** As part of the current Medium Term Financial Plan, Departments are requested to update their efficiency/service rationalisation proposals for 2021/22 and 2022/23 and to consider possible areas to target for 2023/24. To support the process, the Departmental service Director will challenge/draw up the cost reduction proposals in conjunction with:
- Executive Board portfolio member, plus
 - Executive Board Portfolio Holder for Resources and/or Deputy Leader.
- 8.3.** Officers will continue to refine the budget projections taking account of inflation factors, the collection rate and reviewing the potential for the use of reserves etc.
- 8.4.** Virtual Member seminars on budget proposals to be convened in January 2021.
- 8.5.** Public consultation on the budget proposals to commence in January 2021. This will not necessarily involve public gatherings, but additional efforts will be made to engage as widely as possible given the circumstances, including the use of virtual meetings, and digital communications.
- 8.6.** Scrutiny Committee consultation in January/February 2021.

9. RECOMMENDATION(S)

It is recommended that:

- 9.1.** The Executive Board receives the initial budget outlook and considers the level of Council Tax rises and budget savings that it considers appropriate for developing the Medium Term Financial Plan;
- 9.2.** Executive Board endorse the proposed approach to identifying the required savings
- 9.3.** Executive Board note the proposed approach to the budget consultation

EXECUTIVE SUMMARY

30th November 2020

Ombudsman's Annual Letter 2019/20 Carmarthenshire County Council

1. **Annually, the PSOW provides to each County Council a letter in the form of a factsheet with accompanying data. It is provided to assist in reviewing performance.**
2. **This year's Letter is attached to this summary. Selected items include:**
 - The impact of the Covid 19 pandemic;
 - In May, the Public Services Ombudsman (Wales) Act 2019 received Royal Assent. The Act has a number of new features, but two that the Ombudsman mentions are the new Standards Agency and "own initiative" investigations;
 - The overall number of new complaints against Local Authorities has decreased by 2.4% over the figure for last year;
 - In addition, the number of Code of Conduct referred to a Standards Committee or the Adjudication Panel for Wales has also fallen;
 - The Ombudsman received 42 complaints against Carmarthenshire. Factsheet A. In terms of population this equated to 0.22 complaints per 1000 residents, with the average for Wales being 0.28 (Carmarthenshire is the fourth most populous county in Wales). Last year the figure of received complaints was 49;
 - Factsheet B shows how Carmarthenshire complaints are broken down into subject area. Planning and Housing traditionally generate the largest proportion of complaints. It is also mentioned that the classification of subject area is ascribed by the Ombudsman, so does not take into account service structures at Carmarthenshire. Subject areas may therefore contain individual cases that Carmarthenshire would categorise to a different area of service;
 - Factsheet C shows that there were no public interest reports issued against Carmarthenshire, however there were two other complaints upheld. One related to MH and LD and the other Planning. The first was a Children's Services case, where the Ombudsman found that the time taken to complete an investigation was excessive. The Authority provided an apology, a financial redress of £500 and shared the findings with staff. The second was upheld in part only, the Ombudsman finding that communication with the complainant had been insufficiently clear, leading to delays in process. The Authority provided an apology, a financial redress of £250, and was required to set out clearly to the complainant what it required to determine the application before it.
 - Factsheet D shows to what extent the Ombudsman has intervened in cases. These are cases that are settled, resolved early, or where he has issued a report. Carmarthenshire's figure falls exactly on the average figure of 13%;
 - Code of Conduct figures at E shows the smaller proportion of cases referred to in the Letter, when compared with the position last year. It hopefully also reflects the results

of the programme of training delivered by Carmarthenshire officers to Community and Town Councils;

3. The Public Services Ombudsman (Wales) Act 2019 and the new Complaints Standards Agency (CSA)

- This new Agency is tasked with gathering data, monitoring performance and promoting improvements;
- Officers from Carmarthenshire met with representatives of the new Standards Agency in November 2019, and since that time have been delivering performance statistics to the Agency on a quarterly basis. The Ombudsman makes reference in the Letter to the data from Welsh Authorities and what it has been showing. The Authority has also arranged three training sessions to be delivered to officers by the Agency. It is also worth mentioning that the Ombudsman has also brought into being a new, all-Wales model complaints policy. This Authority has localised its policy in light of the Ombudsman's model, with a view to formal approval of this draft in due course.

Annwyl Cynghorydd Dole

Llythyrau Blynyddol 2019/20

Mae'n bleser gennyf ddarparu fy Llythyr Blynyddol (2019/20) i Gyngor Sir Gaerfyrddin.

Yr wyf yn ysgrifennu hyn yn ystod cyfnod na welwyd ei debyg o'r blaen ar gyfer gwasanaethau cyhoeddus yng Nghymru a'r sawl sy'n eu defnyddio. Mae'r rhan fwyaf o'r data yn yr ohebiaeth hon yn gysylltiedig â'r cyfnod cyn y cynnydd cyflym yn ymlodiad Covid-19 a chyn cyflwyno cyfyngiadau ar weithgareddau economaidd a chymdeithasol. Fodd bynnag, yr wyf yn ymwybodol iawn o'r effaith y mae'r pandemig yn parhau i gael ar bob un ohonom.

Yr wyf yn falch o ddweud y bu'n rhaid inni, yn ystod y flwyddyn ariannol ddiwethaf, ymyrryd (cadarnhau, setlo neu ddatrys yn gynnar) mewn cyfran lai o gwynion am gyrrff cyhoeddus: 20% o gymharu â 24% y llynedd.

Cyfeiriasom hefyd gyfran lai o gwynion y Cod ymddygiad at Bwyllgor Safonau neu Banel Dyfarnu Cymru: 2% o gymharu â 3% y llynedd.

O ran cwynion newydd yn ymwneud ag Awdurdod Lleol, mae'r cyfanswm wedi gostwng o 2.4% o gymharu â'r flwyddyn ariannol flaenorol. Yr wyf hefyd yn falch y bu'n rhaid inni ymyrryd mewn cyfran lai o'r achosion a gaewyd (13% o gymharu â 15% y llynedd). Wedi dweud hynny, yr wyf yn bryderus bod ymdrin â chwynion yn parhau fel un o'r prif bynciau ein cwynion eto eleni.

Ymhlith prif uchafbwyntiau'r flwyddyn, yn 2019 pasiodd Cynulliad Cenedlaethol Cymru (Senedd Cymru bellach) ein Deddf newydd. Erbyn hyn, ni yw'r swyddfa Ombwdsmon gyntaf yn y DU i fod â phwerau llawn a gweithredol i ysgogi gwelliannau systematig mewn gwasanaethau cyhoeddus drwy ymchwilio 'ar ein liwt ein hunain' a'r rôl Safonau Cwynion.

Yn 2019/20, yr ydym wedi ymgysylltu'n helaeth ag Awdurdodau Lleol ynglŷn â'r mater hwn, gan gychwyn defnyddio ein pwerau Safonau Cwynion newydd.

Cyflwynodd Awdurdodau Lleol yng Nghymru ddata am y cwynion a ymdriniwyd ganddynt i'r Awdurdod Safonau Cwynion (ASC) am y tro cyntaf yn 2019/2020, gan ddatgelu gymaint mwy am y sefyllfa cwynion yng Nghymru.

Mae'r data a gyflwynwyd ar gyfer 2019/2020 yn dangos:

- Cofnodwyd dros 13,000 o gwynion gan Awdurdodau Lleol - 4.25 ar gyfer pob 1000 o drigolion
- Cadarnhawyd bron i hanner (42%) y cwynion hynny yn llawn neu'n rhannol
- Ymchwiliwyd i oddeutu 80% (79.51%) ohonynt o fewn 20 diwrnod gwaith
- Yn y pen draw, cyfeiriwyd oddeutu 7% (6.91%) o'r holl gwynion at OGCC.

Bydd yr ASC yn gweithio â chyrrff cyhoeddus i sicrhau bod y data a gyflwynir yn gynrychiolaeth gywir o'r cwynion sy'n cael eu cyflwyno gan ddefnyddwyr gwasanaeth.

Gweler ynghlwm grynodedb o'r cwynion o gamweinyddu/methiant gwasanaeth a dderbyniwyd mewn cysylltiad â'ch Cyngor.

Hefyd ynghlwm y mae crynodeb o'r cwynion y Cod Ymddygiad mewn cysylltiad ag aelodau'r Cyngor a'r Cyngorau Tref a Chymuned yn eich ardal.

Camau i'w cymryd gan y Cyngor:

- Cyflwyno fy Llythyr Blynnyddol i'r Cabinet i gynorthwyo aelodau yn eu swyddogaeth o graffu ar berfformiad y Cyngor
- Ymgysylltu â'm gwaith Safonau Cwynion, cael hyfforddiant i'ch staff a darparu data cwynion
- Rhoi gwybod imi am ganlyniad ystyriaethau a chamau gweithredu arfaethedig y cyngor yng nghyswllt y materion uchod erbyn **30ain Tachwedd**

Mae'r ohebiaeth hon yn cael ei chopïo i Brif Weithredwr eich Cyngor a'ch Swyddog Cyswllt. Yn olaf, bydd copi o'r holl Lythyrau Blynnyddol yn cael eu cyhoeddi ar fy ngwefan.

Yn gywir

MID YEAR TREASURY MANAGEMENT AND PRUDENTIAL INDICATOR REPORT

1ST April 2020 – 30TH September 2020

A. TREASURY MANAGEMENT REPORT

1. Introduction

The Treasury Management Policy and Strategy for 2020-2021 was approved by Council on 3rd March 2020. Section B 1.1(2) stated that Treasury Management activity reports would be made during the year. This report outlines the Treasury Management activities in the period 1st April 2020 to 30th September 2020 and satisfies the reporting requirement stated above.

There are no policy changes to the Treasury Management Policy and Strategy for this period and this report updates the position in light of the updated economic position and budgetary changes already approved.

2. Economic update

As expected, the Bank of England's Monetary Policy Committee kept Bank Rate unchanged on 6th August 2020. It also kept unchanged the level of quantitative easing at £745bn. Its forecasts were optimistic in terms of three areas:

The fall in GDP in the first half of 2020 was revised from 28% to 23% (subsequently revised to -21.8%). This is still one of the largest falls in output of any developed nation. However, it is only to be expected as the UK economy is heavily skewed towards consumer-facing services – an area which was particularly vulnerable to being damaged by lockdown.

The peak in the unemployment rate was revised down from 9% in Q2 to 7½% by Q4 2020.

It forecast that there would be excess demand in the economy by Q3 2022 causing CPI inflation to rise above the 2% target in Q3 2022, (based on market interest rate expectations for a further loosening in policy). Nevertheless, even if the Bank were to leave policy unchanged, inflation was still projected to be above 2% in 2023.

It also squashed any idea of using negative interest rates, at least in the next six months or so. It suggested that while negative rates can work in some circumstances, it would be “less effective as a tool to stimulate the economy” at this time when banks are worried about future loan losses. It also has “other instruments available”, including QE and the use of forward guidance.

3. Prospects for Interest Rates

Based on the average projection from a number of sources we can expect the trend in base rates over the year to be as follows:

	Apr 2020	Jun 2020	Sep 2020	Dec 2020	Mar 2021
Base Rate %	0.10	0.10	0.10	0.10	0.10

(Source: LINK Asset Services)

Link Asset Services undertook its last review of interest rate forecasts on 11th August 2020 after the Quarterly Inflation Report of the Bank of England and Monetary Policy Committee (MPC) meeting 6th August 2020, where the decision was made to keep the Bank Rate unchanged at 0.10% due to the ongoing uncertainty surrounding the Coronavirus outbreak.

The revised projection based on this review:

	2020-21	2021-22	2022-23
	%	%	%
Revised Average Bank Rate	0.10	0.10	0.10
Original Average Bank Rate (TM Strategy 2020-21)	0.81	1.00	1.25

4. Investments

One of the primary activities of the Treasury Management operation is the investment of surplus cash for which the Authority is responsible. As well as the Authority's own cash the County Council invests School Trust Funds and other Funds, with any interest derived from these investments being passed over to the relevant Fund.

All surplus money is invested daily on the London Money Markets. The security of the investments is the main priority; appropriate liquidity should be maintained and returns on the investments a final consideration. It continues to be difficult to invest these funds as the market continues to be insecure and as a consequence appropriate counterparties are limited.

The total investments at 1st April 2020 and 30th September 2020 analysed between Banks, Building Societies, Local Authorities and Money Market Funds, are shown in the following table:

Investments	01.04.20				30.09.20			
	Call and notice £m	Fixed Term £m	Total £m	%	Call and notice £m	Fixed Term £m	Total £m	%
Banks	19.00	0.53	19.53	27	26.00	0.53	26.53	22
Building Societies	0.00	3.00	3.00	4	0.00	7.00	7.00	6
Money Market Funds	12.00	0.00	12.00	16	20.00	0.00	20.00	17
DMADF (DMO)	0.00	18.00	18.00	24	0.00	33.00	33.00	28
Local Authorities	0.00	21.00	21.00	29	0.00	32.00	32.00	27
TOTAL	31.00	42.53	73.53	100	46.00	72.53	118.53	100

Investments on call are available immediately on demand. Fixed term investments are fixed to a maturity date. The current longest investment is maturing on 31st March 2021.

The £118.53m includes £0.53m (13.33% of original claim) invested in Kaupthing Singer and Friedlander which has been reduced from the original £4.0m by distributions.

During the period the total investments made by the Council and repaid to the Council (turnover) amounted to £1,432.01m. This averaged approximately £54.78m per week or £7.83m per day. A summary of turnover is shown below:

	£m
Total Investments 1st April 2020	73.53
Investments made during the period	738.50
Sub Total	812.03
Investments Repaid during the period	(693.50)
Total Investments 30th September 2020	118.53

The main aims of the Treasury Management Strategy is to appropriately manage the cash flows of the Council, the required short term and longer term market transactions and the risks associated with this activity. Lending on the money market secures an optimum rate of return and also allows for diversification of investments and hence reduction of risk, which is of paramount importance in today's financial markets.

The benchmark return for the London money market is the "7 day LIBID rate". For 2020-2021 the Council has compared its performance against this "7 day LIBID rate". For the period under review the average "7 day LIBID rate" was -0.05% whereas the actual rate the Council earned was 0.28%, an out performance of 0.33%.

This outperformance can be quantified to £249k additional interest earned compared to the “7 day LIBID rate”.

The gross interest earned on investments for the period amounted to £0.209m.

The income from investments is used by the Authority to reduce the net overall costs to the Council taxpayer.

5. Update on the investments with Kaupthing Singer & Friedlander (KSF)

As at 30th September 2020 the sum of £3.47m principal and £212k interest had been received from the Administrators, which equates to 86.67% of the claim submitted. The Administrators estimate total dividends payable to non-preferential creditors at 86.80%.

A further update will be provided in future reports.

6. Security, Liquidity and Yield (SLY)

Within the Treasury Management Strategy Statement for 2020-2021, the Council's investment priorities are:

- Security of Capital
- Liquidity and
- Yield

The Council aims to achieve the optimum return (yield) on investments commensurate with proper levels of security and liquidity. In the current economic climate it is considered appropriate to keep investments short term to cover short term cash flow needs but also to seek out value available in significantly higher rates in periods up to 12 months with highly credit rated financial institutions.

Attached at Appendix 1 is the Investment Summary and Top 10 Counterparty Holdings (excluding the £0.53m in KSF) as at 30th September 2020.

7. Borrowing

One of the methods used to fund capital expenditure is long term borrowing. The principal lender for Local Authorities is the Public Works Loan Board (PWLB).

Under the Treasury Management Strategy, it was agreed to borrow when interest rates are at their most advantageous.

The total loans at 1st April 2020 and 30th September 2020 are shown in the following table:

Loans	Balance at 01.04.20 £m	Balance at 30.09.20 £m	Net Increase/ (Net Decrease) £m
Public Works Loan Board (PWLB)	425.42	415.38	(10.04)
Market Loan	3.00	3.00	0.00
Salix, Invest to Save, HILS & TCL	4.11	4.11	0.00
TOTAL	432.53	422.49	(10.04)

The Salix interest free loans have been provided by an independent publicly funded company dedicated to providing the public sector with loans for energy efficiency projects.

The interest free 'Invest-2-Save' funding is to assist in the conversion of traditional street lighting to LED, which will help deliver a legacy of reduced energy costs and associated carbon taxes.

The Home Improvement Loan Scheme (HILS) repayable funding is provided by the Welsh Government to help individual home owners, small portfolio landlords, developers and charities to improve homes and increase housing supply.

The Town Centre Loan (TCL) repayable funding is provided by the Welsh Government to provide loans to reduce the number of vacant, underutilised and redundant sites and premises in town centres and to support the diversification of the town centres by encouraging more sustainable uses for empty sites and premises, such as residential, leisure and for key services.

7.1 New Borrowing

No new loans were borrowed during the period.

7.2 Interest Paid

Interest paid on loans during the period was:

PWLB Interest Paid £m	Market Loan Interest Paid £m	Total Interest Paid £m
8.89	0.07	8.96

8. Rescheduling and Premature Loan Repayments

The current economic climate and the consequent structure of interest rates meant that no rescheduling opportunities arose during the period and there were no premature loan repayments.

9. Leasing

No leases were negotiated during the period 1st April 2020 to 30th September 2020.

B. PRUDENTIAL INDICATOR REPORT

1. Prudential Indicators

As part of the 2020-2021 Budget and the Treasury Management Policy and Strategy 2020-2021, the Council adopted a number of Prudential Indicators. These Indicators are designed to ensure that any borrowing or other long-term liabilities entered into for capital purposes were affordable, sustainable and prudent.

The Indicators are required by the Local Government Act 2003 and the Revised Prudential Code of Practice in order to control Capital Finance. The Prudential Code also required that those Prudential Indicators that were forward looking should be monitored and reported. Some of the indicators are monitored by officers monthly, and are only reported if they are likely to be breached, others are to be monitored quarterly by the Executive Board.

1.1 Affordability Prudential Indicator

1.1.1 Ratio of Financing Costs to Net Revenue Stream

The indicator set for 2020-2021 in the Budget was:

	2020-2021 %
Non-HRA	4.74
HRA	33.93

An examination of the assumptions made in calculating this indicator concluded that there have been no changes in this period.

1.2 Prudence Prudential Indicators

1.2.1 Capital Financing Requirement (CFR)

The Director of Corporate Services reports that no difficulties are envisaged for the current or future years in complying with this prudential indicator.

	2020-2021 Estimate £m	As at 30.09.20 £m	2020-2021 Forecast £m
Capital Financing Requirement			
CFR – non housing	282	272	272
CFR – housing	176	175	175
CFR - housing subsidy buy-out	71	71	71
Total CFR	529	518	518

1.2.2. Authorised Limit and Operational Boundary

The actual value of loans outstanding must not exceed the Authorised Limit. In normal activity actual loans outstanding should be close but less than the Operational Boundary. The Operational Boundary can be breached in the short term due to adverse cash flows.

	Authorised Limit for External Debt		Operational Boundary for External Debt	
	2020-21 Estimate £m	2020-21 Forecast £m	2020-21 Estimate £m	2020-21 Forecast £m
Borrowing	568.5	568.5	516.9	516.9
Other Long-Term Liabilities	0.5	0.5	0.1	0.1
Total	569	569	517	517

	Apr-20 £m	May-20 £m	Jun-20 £m	Jul-20 £m	Aug-20 £m	Sep-20 £m
Authorised Limit	569	569	569	569	569	569
Operational Boundary	517	517	517	517	517	517
Loans Outstanding	430	430	430	422	422	422

Neither the Authorised Limit nor the Operational Boundary have been breached.

2.1 Treasury Management Prudential Indicators

2.1.1 Interest Rate Exposure

Position as at 30th September 2020:

	Fixed Interest Rate £m	Variable Interest Rate £m	TOTAL £m

EXECUTIVE SUMMARY

EXECUTIVE BOARD November 30th, 2020

Variation of Legal Agreement to School Improvement through Regional Working (ERW)

ERW is an alliance of six local authorities created to deliver school improvement services across Mid and South West Wales. ERW is governed by a Joint Committee bound by a Legal Agreement.

The Executive Board on the 16th of March agreed the following-

- a) That the Swansea Bay City Deal footprint be considered as the preferred option for Carmarthenshire.
- b) That Carmarthenshire County Council issues Notice to Withdraw from ERW
- c) That subject to the provisions of the Legal Agreement a one year transition period to 2020/21 be agreed
- d) That the Director of Education and Children's Services, the Executive Board Member for Education and Children's Services, in liaison with the Leader and Chief Executive Officer develop the preferred model and ascertain the impact of any changes (including legal, HR and financial), subject to the provisions of the Legal Agreement.

Decisions a) and d) remain outstanding and will need to be implemented before 31/3/21, to facilitate Carmarthenshire leaving ERW at the end of the financial year. We will need to ensure a suitable alternative provision to the current Consortium to provide support for Carmarthenshire's schools.

Recent developments within the ERW Consortium and Joint Committee decisions also need to be taken into account, including:

- Neath Port Talbot left ERW on 31/3/20.
- Ceredigion and Swansea County Councils have also given notice to leave ERW.
- Powys and Pembrokeshire County Councils have not given notice.

On the 13th of November ERW's Joint Committee considered two reports on proposed changes to the ERW Legal agreement subject to approval being obtained from each of ERW's local authorities.

Report 1- To facilitate provision of agreed services to Neath Port Talbot schools during 2020/21.

The Joint Committee agreed:

1. the proposed changes to the Legal Agreement to enable ERW to provide Neath Port Talbot schools with access to agreed services as detailed within the variation report, subject to the assurance of no costs falling on ERW (save for legal costs incurred in amending the Legal Agreement).
2. to the preparation of a separate legal agreement between ERW and NPT

A draft Deed of Variation between the remaining ERW authorities setting out the services to be provided to NPT considered by the Joint Committee is shown at Appendix 1.

Report 2- To make changes to the Joint Legal Agreement in accordance with Clause 25 Variation.

Clause 25 states that ERW can recommend changes to the Legal Agreement by giving notice to each partner authority. Each authority shall, on receipt of a notice, use all reasonable endeavours to consider within 6 weeks of such receipt, whether to accept the recommendation. If all the authorities agree to the

recommended changes, a memorandum of variation shall be prepared on behalf of each authority and appended to the Agreement.

The Joint Committee recommended:

1. to each Authority, in accordance with Variation clause (Clause 25) of the ERW Joint Legal Agreement (2014) ("Legal Agreement"), that changes are made to the Legal Agreement, to:
 - i. *facilitate dissolution/termination of the ERW Consortium,*
 - ii. *address any subsequent liabilities/indemnities of all present (and former) Authorities.*
 - iii. *facilitate a reduced notice of withdrawal period to 3 months.*
2. That notice in writing is given to each Authority of Recommendation 1 (above)

The Joint Committee also considered a Consortium Update report and recommended that Leaders should meet to discuss issues surrounding ERW, including dissolution/termination date.

Current position

The Legal Agreement does not contain an appropriate exit (dissolution/termination) clause. In order to implement the ERW Joint Committee decisions, and in particular, to facilitate dissolution/termination of ERW it is necessary for the ERW Legal Agreement to be varied.

The Executive Boards/Cabinets of each Authority will need to consider the proposed variations to the Legal Agreement and advise ERW if they are supportive of the proposals.

The draft variation proposals are in relation to clause 15 Withdrawal and Indemnity for Consequences of Withdrawal of the Legal Agreement are shown at Appendix 2.

This includes an amendment to clause 15.1 in order to reduce the withdrawal notice period from 12 months to 3 months. It also proposes a new clause 15.6 to facilitate withdrawal, address liabilities, indemnities and costs.

The draft variation proposals have not (yet) been agreed by respective Heads of Legal. It was necessary to wait until the ERW joint committee had made its recommendations on 13/11/20.

If agreed, upon receipt of a notice to withdraw from all (remaining) authorities the changes will enable the Legal Agreement "to determine" (i.e. for ERW to be dissolved). The current proposal is that this should take place at the end of the 2020/21 financial year (i.e. 31/3/21). This timeline may change depending on the agreements reached by respective Leaders as the 31st of August has been suggested as an alternative implementation date.

In order that Powys and Pembrokeshire County Councils may give notice to withdraw (should they wish to do so), and for this to be effective from 31/3/21 (rather than 31/3/22), that notice must be issued by 31/12/20.

The final version of the Local Government & Elections (Wales) Bill has still not been published. The Bill includes reference to Corporate Joint Committees (CJC) to oversee several regional functions, including School Improvement.

Legal

In order to implement the decisions of ERW's Joint Committee the current Legal Agreement needs to be revised specifically in providing specific services to NPT schools; changing the notice period and clarifying dissolution and termination issues.

Finance

The Legal Agreement specifies clearly the financial responsibility on each partner should they leave ERW. The revised Legal Agreement will clarify matters even further. There could be additional costs in relation to current liabilities and staff redundancies which will have to be borne by all partners authorities.

Risk Management

The current consortium provides our schools with support and services currently not provided by the local authority. Should ERW cease to exist we will have to ensure our schools are still able to access support for *Professional Learning and Research, Leadership, Curriculum, Digital Skills, Equity and Well-being and Welsh*.

Staffing Implications

Although we're not the direct employer, as a partner in ERW we have a responsibility to the staff currently employed by the entity and their wellbeing. Should we move to an alternative model we will have to follow the HR advice and guidance in line with Pembrokeshire County Council's policies (As lead Authority) to ensure that staff are dealt with fairly.

Physical Assets

ERW's current base is Y Llwyfan and it has an agreement with the University of Wales Trinity St David's. In addition the consortium has numerous contracts and owns furniture and technology.

CONSULTATIONS

I confirm that the appropriate consultations have taken in place and the outcomes are as detailed below

Signed: 

Director of Education and Children's Services

1. ERW Scrutiny Committee- will be consulted with on the 3rd of December, 2020

4. Relevant Partners- All partner County Councils will be part of this discussion.

5. Staff Side Representatives and other Organisations- there will be appropriate consultation with staff and their trade unions.

EXECUTIVE SUMMARY

Local Development Order – Cross Hands East

What is an LDO?

An LDO is made by a Local Planning Authority (LPA) and grants planning permission for the type of development and within the spatial area specified within the LDO. It offers an LPA the opportunity, under particular circumstances, to streamline the planning process by removing the need for developers/applicants to make a planning application to the LPA. This can allow an LPA to act proactively in response to locally specific circumstances within their area. As stated above, it should relate to a geographical area, reflect the focused purpose of the LDO and the nature of its intended outcomes. An LDO may also be permanent or time limited depending on its objective, in this respect, a time limited LDO provides for increased flexibility in fast changing and developing areas allowing for easy revision and updating, or to deliver a set objective over a fixed timescale.

Certain types of development, as set out within the Town and Country Planning (General Permitted Development) Order 1995 (PDO), are already permitted without the need for planning permission. The PDO grants a general permission for various types of relatively small scale and normally non-contentious development without the need to make a planning application. LDOs can therefore be seen as an extension of permitted development but decided upon locally in response to specific local circumstances.

LPAs can revoke an LDO at any time. Where it is proposed to modify a Local Development Order, re-consultation may be required.

The Council has recently made an LDO covering Llanelli town centre that is proving successful and allows specified changes of use to take place without the applicant having to apply for planning permission. This is currently the only adopted LDO in the County.

Rationale for an LDO at Cross Hand East

Cross Hands East Strategic Employment Site is a regionally significant employment location in Carmarthenshire and an important part of the Cross Hands Growth Zone. The success of other sites across Carmarthenshire and the region mean that very few serviced plots are now available for development other than those in Cross hands. This site will therefore play a key role in the success of the economy of Carmarthenshire and West Wales. The site is well placed as a location that can be considered the gateway to West Wales along the A48 and to the north and south along the A476. The site is in planning terms strategically located within the Ammanford/Cross Hands Growth Areas and is identified for employment use both within the current adopted LDP as well as the emerging Revised LDP. It is recognised that it forms an important component of the Plan's strategic employment aspirations, with its delivery important in providing the growth and job creation objectives for the area. The site is managed via a Joint Venture between the County Council and Welsh Government that has facilitated implementation of Phase 2 infrastructure via ERDF funding.

The site, shown edged black on attached plan, has major potential to deliver economic benefit for the region due to its location and strategic transport links. The council's promotion of Cross Hands as a growth zone includes infrastructure development. The site will further benefit from the completion of a new link road to improve local highway infrastructure and facilitate new development and growth. The new road, when fully completed, will be a catalyst

to development and a Local Development Order (LDO) will help deliver the Council's intentions for the site and meet its Economic Development aspirations of increasing GDP in the County. The production of a LDO would be an integrated approach to regeneration which incorporates a proactive and enabling approach to the planning process. The site is also a key feature of the Swansea Bay City Region's strategy to create a strong network of 10 key interconnected centres to deliver the highest quality sites.

The Cross Hands East site is a significant opportunity to meet these needs, providing 19 acres of developable land, which would accommodate some 300,000sqft of modern business space. Development of this scale would create in the region of 1,000 new jobs. Demand for industrial and business space in Cross Hands and the County is high with occupancy rates in the Council's Industrial portfolio consistently over 90%. Vacancy periods are short and there are waiting lists for many estates, especially those in Cross Hands. Most of the 70 or so units in Cross Hands can be considered as starter workshops and few estates offer opportunities for expansion and growth. The site will give many companies an opportunity to expand and the site will draw interest from the County and beyond.

The proposed LDO as a mechanism to enable the delivery of the above and growth aspirations of the LDP will deliver structured, managed and branded approach to development of the site to deliver a consistent development approach and a coordinated landscaping theme, creating a high-quality environment that will enable businesses to flourish. The LDO would also reinforce the vision to create a sustainable industrial park that contributes positively to the Wellbeing of Future Generations Act. The site infrastructure provided to date has embraced the green infrastructure ethos through design, installation of a sustainable drainage system and ecological enhancement. Future development proposals within the plots created will be required to address their impact at the earliest stage through design and layout, use of materials and technology as well as adoption of operational features to maximise resource efficiency and reduce carbon emissions.

The Joint Venture is currently working with Welsh Government and the Active Building Centre (Swansea University) to develop self build mixed use proposals for the site's gateway plot (Plot 3). The proposed development would comprise buildings that adopt 'Active Building' principles in terms of their design and energy use to house a mix of offices, hybrid and light industrial activities. This will be the first commercial/industrial building in Wales to be developed via the Active Building principles and will be seeking to deliver carbon neutral or carbon positive outcomes. The lessons learned over the next 6-12 months will inform the future design framework for the site.

Preference will be given to the following key sectors that the Welsh Government has identified as having growth potential and are seen as being strategically important to the competitiveness of Carmarthenshire and Wales:

1. Advanced manufacturing
2. Creative Sector
3. Food and Food Agri-technology
4. Energy Sector
5. Financial and Professional

This reinforcement of the current and proposed planning policy is required to facilitate investment in Cross Hands East to enable 'footloose' occupier requirements, that often specify a need for occupation within a short timescale, to be accommodated within Carmarthenshire. An LDO approach, under a permissive planning regime in this location, linked to broader strategic planning and regeneration initiatives would allow development to satisfy appropriate occupier requirements, without the need for planning permission. This would further enhance and promote the location as a strategic opportunity that could be delivered to satisfy requirements. This approach accords with Arup's Two County Study (Sept 2019) - produced to support the production of the Revised LDP - providing a basis on which to plan future provision of strategic land and premises for economic activity across Carmarthenshire and Pembrokeshire. The study identifies Cross Hands as a larger than local strategic employment site and also recognises that opportunities are potentially being missed as a result of the time taken to gain necessary permissions for development, Arup suggest that "In recognising the demands of some key employees in the area and in an effort to increase the attractiveness of sites for investment, further work / analysis should be undertaken in relation to the potential role of LDO's in locations where the end use of the site is known". In this regard the provisions of the Revised LDP support such a proactive approach as a mechanism to drive delivery.

Evidential Requirements to support an LDO

Highways – Further clarity may be needed to address any concerns around capacity at the roundabout and to establish any requirements around active travel.

Ecology – The Caeau Mynydd Mawr contribution will need to be confirmed. It should, however, be noted that this may have already been accounted for as part of the original permission and delivery of site infrastructure.

Potential for Section 7 Habitat – There would be a requirement to understand the potential impact and address any mitigation requirements that may arise. This would require further evidence gathering to inform what, if anything, would be required.

Dŵr Cymru/Welsh Water – Identify any capacity issues that may exist. Whilst there are at present no issues being raised this would need to be considered as part of any infrastructure assessment. Any infrastructure assessment would also need to consider land management issues around flood risk, drainage and utilities.

Design Parameters – To ensure that development reflects the Council's ambitions in terms of quality, appearance and scale but also incorporate Green Infrastructure as a basic and fundamental starting point.

Financial Implications

It is estimated that that the cost of all necessary supporting studies and evidence gathering would be in the region of £50,000.

In addition, if the proposal for an LDO at Cross Hands East was adopted then this would result in a loss of Planning Application fee income for the Authority. The estimated floorspace that could be developed at Cross Hands East, on a phased basis, is 300,000 sq.ft. (27,870 sq.m.) Based on a current cost of £380 per 75sqm this should work out around £141,000 in planning fees over a provisional 15-year delivery period for the whole site. It should be noted

that there is a current consultation ongoing in relation to increasing the planning application fees – therefore this figure is likely to rise by circa 20%.

The Process

The procedural requirements for preparing a LDO are set out in the Town and Country Planning (Development Management Procedure) (Wales) Order 2012 (as amended). Article 27 of the Order sets out the requirements for formal consultation on the draft LDO along with a statement of the authority's reasons for making the order, which should outline a description of the developments which the order would permit and a plan or statement identifying the land to which the order would relate.

Approval is therefore sought for officers to develop and produce a Draft LDO for Cross Hands East through the production, collation and consideration of additional evidence, as set out above; to produce a draft LDO; and, to undertake a formal public consultations (6 weeks) as set out in legislation, as well as additional informal consultations to inform and guide its preparation.

The adoption of a LDO would augment, but also where appropriate supersede aspects of current local planning policy as set out in the adopted LDP.

The Draft LDO and its statement of reasons along with the responses received as part of the public consultation, and any proposed amendments will be reported to Council for its consideration and determination and resolution to adopt. Following resolution the documentation will be presented to the Welsh Ministers for their approval to adopt the LDO.

Recommendation

It is recommended that Council officers are authorised to:

1. Commission necessary evidence as appropriate to support the proposed LDO;
2. Prepare a draft LDO for Cross Hands East and its Statement of Reasons;
3. Formally subject the draft LDO to the statutory consultation process; and
4. Report back through the democratic process in order that Council can consider whether approval should be sought from The Welsh Government, in accordance with established provisions, to adopt the LDO.

1. Policy, Crime & Disorder and Equalities

Reflects the provisions of National Planning Policy. It also ensures alignment with the national Well-being Goals set out within the Well-being of Future Generations Act 2015. National and local planning policies seek to promote the principles of sustainability and sustainable development by facilitating the creation of communities and local economies which are more sustainable.

The integration of sustainability and the evidential requirements in preparing the LDO, as appropriate, ensures an iterative approach to policy making which ensures sustainability is at its heart and that it is reflective of the requirements emanating from the Wellbeing and Future Generations Act.

2. Legal

A Local Planning Authority may issue an LDO under section 61 (A, B, C and D) of the Town and Country Planning Act 1990, as inserted by section 40(1) of the Planning and Compulsory Purchase Act 2004 and amended by sections 188 and 238 and Schedule 13 of the Planning Act 2008. This power became effective in Wales on 30 April 2012. The Town and Country Planning (Development Management Procedure) (Wales) Order 2012 (DMPWO) sets out the procedural requirements for making LDOs, including preparation, notices, publicity, consultation, and adoption.

3. Finance

Financial costs (including preparation of the LDO) will be covered by the Cross Hands Joint Venture.

If the proposal for an LDO at Cross Hands East was adopted, then this would result in a loss of Planning Application fee income for the Authority. The loss of income is estimated to be in the region of £141,000 over a provisional 15-year delivery period for the whole site. It should be noted that there is a current consultation ongoing in relation to increasing the planning application fees – therefore this figure is likely to rise by circa 20%.

This loss of income will be offset by the economic and regeneration benefits accrued through the successful implementation of the LDO in terms of job creation and increased business rates income that the Council will indirectly receive from the Welsh Government.

Head of Regeneration

1. Scrutiny Committee

Subject to Executive Board endorsement of the report recommendations, relevant Committee will be consulted at the next stage of the process once the draft LDO has been the subject of consultation.

2. Local Member(s)

Local Members have been consulted. Members are Cllr E Dole, Cllr D Jones, Cllr D Price, cllr A Scourfield, Cllr D Thomas.

3. Community / Town Council

Will be consulted as part of any future formal consultation on the draft LDO.

4. Relevant Partners

Will be consulted as part of any future formal consultation on the draft LDO. Additional informal consultations may be undertaken to inform the preparation of the draft LDO as appropriate.

5. Staff Side Representatives and other Organisations

Informal consultations may be undertaken to inform the preparation of the draft LDO as appropriate.
