Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

1. Entry to the Gardens during standard opening hours is by admission, which provides the opportunity to engage with visitors to the Gardens. If any visitor posed a risk to the occurrence of crime, disorder, public safety, public nuisance or harm to children, then entry would be declined.
2. Entry to the Gardens outside of standard opening hours is usually by admission or pre-purchased ticket: this presents the same opportunity for engagement as item (1).
3. If entry to the Gardens outside of standard opening hours is not by admission or pre-purchased ticket, then entry is supervised: this presents the same opportunity for engagement as item (1).
4. All events, wedding ceremonies/receptions and private functions are supervised.

b) The prevention of crime and disorder

The consumption of irresponsible amounts of alcohol is never promoted; responsible consumption is encouraged.

c) Public safety

1. Compliance with health and safety and fire safety requirements.

Continued from previous page...

2. An event-specific health and safety plan will be made for any event where the anticipated number of attendees exceeds 1,000.
3. A full guest/attendee list is required from the organiser of wedding receptions.
4. The exit point for marquee wedding receptions held on the main marquee site is that which is closest to the marquee site, so that walking distance is the shortest and safest possible.

d) The prevention of public nuisance

1. The maximum sound level of live music or recorded music played either indoors or outdoors is 85 dB. The Trust reserves the right to request that hirers of the site for wedding receptions or private functions lower sound levels of live music or recorded music should this ever be required.
2. The main site for marquee wedding receptions is at the end of Aberglasney which is furthest away from the community in Llangathen village.
3. The exit point for marquee wedding receptions held on the main marquee site is that which is furthest away from the nearest community.
4. The departure from late night events is supervised with the aim of preventing public nuisance.

e) The protection of children from harm

Children must be accompanied by a responsible adult at all times.

Section 19 of 21**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Head of Homes and Safer Communities
Carmarthenshire County Council

Carmarthen
SA31 1LE

Dear Sir,

**RE: Application for a Premises Licence
Aberglasney Gardens, Llangathen, Carmarthen, SA32 8QH
Application Date 13/03/2019**

Further to the receipt of the above application, the Licensing Authority make the following representations:

a) Previous Enforcement Action / Prosecutions

The premises currently has the benefit of a premises licence granted in 2006 relating to some of the permanent buildings and alternative marquee site as identified on the licence plan. There have been no previous prosecutions or enforcement action taken by the licensing authority in relation to these premises.

b) Complaints.

There have been no complaints received by the licensing authority in relation to these premises.

c) Responsible Authority Referrals.

The licensing authority has not received any referrals from the other responsible authorities in relation to the above premises.

d) Relevant Sections of the Statutory Guidance.

The Licensing Authority believes that the following sections of the Statutory Guidance are relevant to this licence application: - Section 1 Introduction, Section 2 relating to The Licensing Objectives, Section 5 relating to Premises

licences, Section 8 relating to Applications for Premises Licences and Section 10 relating to Licence Conditions.

e) **Relevant Sections of the Local Licensing Policy.**

The Licensing Authority believes that the following sections of Carmarthenshire's Licensing Policy are relevant to this licence application:- Section 3 Fundamental principles, Section 4 Conditions of Licence, Sections 5 – 9 relating to The Licensing Objectives and Section 11 relating to Licensing Hours.

f) **Proposed Operating Schedule.**

Having considered the current application and the operating schedule put forward by the applicant, the Licensing Authority believes that, if the application were granted, the wording set out in the operating schedule, is not sufficiently precise to enable it to form clear enforceable licence conditions in accordance with section 18(2)(a) of the Licensing Act .

From experience in dealing with licensing other large events and licensed venues and given the wide range of activities sought by the applicant, the requested permitted hours of operation and the large capacity of the premises within this rural location, the licensing authority believes that it would be appropriate to attach the following licence conditions to the premises licence, if granted:-

The Environmental Health representation outlines licence conditions which they believe are appropriate to attach to the licence if the application is granted. The licensing authority supports their request for the reasons outlined above.

The Dyfed Powys Police have also submitted a letter of representation in relation to the application. The Police representation requests that additional conditions be attached to the licence should the application be granted, to which the applicant has agreed.

A further representation has been received from other persons, which sets out their concerns regarding the application. The subcommittee will have to be satisfied that granting the application will not undermine the licensing objectives.

These representations have been prepared on the 10th of April 2019 with the benefit of viewing the original application and the representations from the responsible authorities and other persons.

I would be grateful if the applicant could contact me to discuss the above representations at the earliest opportunity and certainly prior to the application being referred to a Licensing Sub Committee hearing for determination.

If you require any further information or assistance, please do not hesitate to contact me.

Yours faithfully,

Dear Sir/Madam,

**Re: Premises Licence Application
Aberglasney Gardens, Llangathen, Carmarthen, Carmarthenshire, SA32 8QH**

Further to the receipt of the above application, I would like to make the following representations on behalf of the Environmental Health Section of Carmarthenshire County Council.

The above premises currently operates under a Premises Licence, and on reviewing our complaint database there are no records of complaints that relate to either "Public Nuisance" or "Public Safety" arising from events held at the above premises.

Nevertheless I would like to make the following comments, which are based on my professional opinion, experience from dealing with similar venues across the county and also the following factors relating to this application

- The nature of the application including the hours and activities applied for
- The nature of the locality and its proximity to existing residential properties
- The proposed operating schedule does not contain sufficient noise control measures.

Thereby in order to ensure that the "Public Safety" and the "Prevention of a Public Nuisance" Licensing objective is being promoted I recommend that the following conditions are attached to the Premise Licence.

1. The Licence Holder shall prepare a suitable Event Management Plan (EMP), for each event where Licensable Activities (includes the provision of regulated entertainment) that is held in the open air or within a temporary structure at the premises. The Event Management Plan shall include relevant information as detailed in the "Purple Guide" and "The Code of Practice of Environmental Noise Control of Concerts" and will include a plan detailing the temporary installation and which areas are being used. The Licence Holder shall retain a copy of the EMP for 12 months and shall provide a copy to the Licensing Authority of Responsible Authorities upon request.

2. The Premises Licence Holder shall ensure that each Event Management Plan is effectively implemented during the event and monitored to ensure compliance with the Plan.
3. The Premises Licence Holder shall arrange for all relevant Certificates, Inspection Reports and Images to be available on site for the duration of the event and stored for a minimum of 31 days after the event.
4. Where regulated entertainment is held in outdoor areas (including those held in temporary structures e.g. marquees) the specified Music Noise Levels shall not exceed those stipulated in Table 1 of the "The Code of Practice of Environmental Noise Control of Concerts". When measured at 1 meter from the façade of any noise sensitive property during the event.
5. Prior to any specific outdoor music concert where Licensable Activities takes place a noise management plan shall be developed in accordance with the "Code of Practice of Environmental Noise Control at Concerts" and shall be submitted to and agreed with the Licensing Authority at least 21 days prior to the event date.

Should you agree with the above and wish to accept the conditions, you are required to confirm in writing that you do so. A copy of your acceptance should be forwarded to the Licensing Section and myself.

Accepting the above will enable me to withdraw the representation and the above requirements will become conditions of your premises licence.

CHIEF EXECUTIVES DEPT.

We strongly object to the application for the extension of Aberlany
Ratcatcher track.

The property is within 300 metres of our private road from
driveway.

Approval of this request will result in a substantial increase of
road traffic, accustomed by an increase in noise level and disturbance

Road traffic would naturally want to proceed beyond
Aberlany, and would seek to venture on to our driveway, with
other possibility of leaving by not closing the farm gate,

Resulting in farm located gaining access to the highway and
possibly Aberlany Gardens.

Our farm land borders / adjoins Aberlany Gardens and a
increase in noise levels during unmovable hours will
disturbance to humans as well as livestock.

The Gardens are able to operate ^{openly} ~~open~~ ^{openly} without the need of
alcohol and music, which is available at local pubs

The trustees of Aberlany do not reside locally, and will
not be affected by a substantial disturbance and noise levels
Aberlany Gardens opened as gardens to the public, and should
remain as such.

Yours faithfully,
HYWEN DAVIES
