EXECUTIVE SUMMARY
POLICY & RESOURCES SCRUTINY COMMITTEE
10th JUNE 2021

**Revenue & Capital Budget
Monitoring Report 2020/21**

The Financial Monitoring report is presented as follows:

Revenue Budgets

Appendix A – Authority Corporate Budget Monitoring Report

Overall, the monitoring report forecasts an end of year underspend of £1,980k on the Authority's net revenue budget with an underspend at departmental level of £1,872k.

At a high level this is due to a combination of:

- substantial additional grant funding expected to be received from Welsh Government before year end, which also includes funding for schools of approximately £5m;
- additional COVID19 related costs and lost income being largely refunded under the Welsh Government hardship scheme;
- services paused or reduced due to lockdown measures and social distancing; and
- staffing vacancies, some of which it has not been appropriate to recruit during the year.

Appendix B

Chief Executive and Corporate Services detailed variances for information purposes only.

Capital Budgets

Appendix C – Corporate Capital Programme Monitoring 2020/21

The total forecasted net expenditure £34,525k compared with a working net budget of £76,120k, giving a -£41,595k variance. The significant variance projected at this time continues to be attributable to restrictions associated with the COVID19 pandemic and follows an adjustment to the budgets to reflect £38m slipped to future years

Appendix D

Details the main variances against agreed budgets for each department.

Appendix E

Details a full list of Chief Executive and Regeneration schemes, respectively. There are no Corporate Services schemes.

Savings Report

Appendix F

Regeneration division	2,806	Regeneration is a key priority for the council. The Division provides Business, employability, grant funding and skills support and advice. We also deliver physical regeneration projects throughout the county, including the Swansea Bay City Deal Pentre Awel Life Science and Wellness Village planned for Delta Lakes. The Regeneration Division is responsible for the management of land assets (those within the economic/commercial portfolio) of the Council, taking a strategic commercial view to ensure the portfolio is managed to meet the Council's economic development needs. The Division is also responsible for the delivery of the Council's Net Zero Carbon agenda.	75	0	75	£50k increase in commercial income; £25k net effect of running costs following vacation of Nantyci Rural Development centre;	There was a reduction in Commercial property income even before the effect of COVID19 therefore this efficiency is undeliverable in the current year; Nantyci not yet sold/ leased so most running costs are still relevant. Other non related underspends within admin buildings as a result of COVID19 mean that the undeliverable efficiencies are covered in this financial year.
Marketing & Media	1,921	Business unit comprising of translation, marketing and tourism, contact centres, customer services, press and communications.	30	0	30	£30k Customer Services realignment;	Service review due to be undertaken to identify the proposed savings. This has been delayed due to COVID19 but should be resolved in the coming months.

EXECUTIVE SUMMARY

POLICY AND RESOURCES SCRUTINY COMMITTEE

10 JUNE 2021

Council CCTV Policy

The Council has in excess of 90 CCTV systems with over 600 cameras in premises plus 79 vehicles with around 250 cameras and also approximately 25 body worn cameras. Departments use surveillance camera devices for various purposes including cameras within its premises and car parks as well as on the highway, body worn video camera equipment, and automatic number plate recognition.

The Council has a duty, under the Protection of Freedoms Act (PoFA) 2012, to pay due regard to the [Home Office Surveillance Camera Code of Practice](#) in 2013 which relates to CCTV cameras in public places. The Surveillance Camera Commissioner's Code has 12 guiding principles to ensure there is a clear rationale for all cameras, that their use is proportionate and transparent, that systems are run effectively and can provide good quality images:

1. Use of a surveillance camera system must always be for a specified purpose which is in pursuit of a legitimate aim and necessary to meet an identified pressing need
2. The use of a surveillance camera system must take into account its effect on individuals and their privacy, with regular reviews to ensure its use remains justified
3. There must be as much transparency in the use of a surveillance camera system as possible, including a published contact point for access to information and complaints
4. There must be clear responsibility and accountability for all surveillance cameras system activities including images and information collected, held and used
5. Clear rules, policies and procedures must be in place before a surveillance camera system is used, and these must be communicated to all who need to comply with them
6. No more images and information should be stored than that which is strictly required for the stated purpose of a surveillance camera system, and such images and information should be deleted once their purposes have been discharged
7. Access to retained images and information should be restricted and there must be clearly defined rules on who can gain access and for what purpose such access is granted; the disclosure of images and information should only take place when it is necessary for such a purpose or for law enforcement purposes
8. Surveillance camera system operators should consider any approved operational, technical and competency standards relevant to a system and its purpose and work to meet and maintain those standards
9. Surveillance camera system images and information should be subject to appropriate security measures to safeguard against unauthorised access and use
10. There should be effective review and audit mechanisms to ensure legal requirements, policies and standards are complied with in practice, and regular reports should be published
11. When the use of a surveillance camera system is in pursuit of a legitimate aim, and there is a pressing need for its use, it should then be used in the most effective way to support

public safety and law enforcement with the aim of processing images and information of evidential value

12. Any information used to support a surveillance camera system which compares against a reference database for matching purposes should be accurate and kept up to date.

The Surveillance Camera Commissioner requires each Local Authority to identify a Senior Responsible Officer to deliver a corporate approach to their responsibilities under the POFA. This role is being undertaken by Noelwyn Daniel, Head of ICT and Corporate Policy.

A corporate review in 2015 aimed to audit council camera systems in public places, review levels of compliance with the Code, identify any areas of improvement, optimise service cost and delivery and develop any guidance needed by departments. An officer working group was then established in 2017, consisting of leads from departments with CCTV systems, to implement the review's recommendations. Significant work has been undertaken to put in place the required documentation to comply with the Code of Practice including Self-Assessment Templates (SATs) and Data Protection Impact Assessments (DPIAs).

This policy has been developed to ensure both compliance with the Code of Practice by all relevant services and to ensure a consistent approach to the gathering, storage, use and disposal of CCTV system recorded data. This policy covers all overt CCTV systems used by the Council but does not cover Carmarthenshire schools.

In addition to implementing the Council policy for CCTV, future areas of work include:

- standardising and updating SATs for each system, ensuring these are published on the council's website alongside the DPIAs, with annual reviews of all documents
- introduction of corporate signage
- common approach introduced for the planning and commissioning of new systems and amendments to existing ones, including a public consultation approach
- ensuring details of all CCTV systems, policy documents, legislation, procedures and templates are available on the intranet
- applying for third-party certification to demonstrate the council is adhering to the highest standards and that the cameras are being used proportionately, effectively and efficiently.

A bid for a 12 month dedicated resource to lead on the delivery of this work, in liaison with departmental leads, is to be made to the Risk Management Steering Group.

Policy, Crime & Disorder and Equalities

By implementing the CCTV Policy and ensuring a corporate approach to meet the requirements of the Surveillance Camera Commissioner, the council will continue to utilise surveillance camera devices to reduce crime and disorder locally, in line with Section 17 of the Crime and Disorder Act 1998.

Legal

The Council has a duty, under the Protection of Freedoms Act 2012, to pay due regard to the Home Office Surveillance Camera Code of Practice 2013 which relates to CCTV cameras in public places. A failure on the part of any person to act in accordance with any provision of this code does not of itself make that person liable to criminal or civil proceedings. This code is, however, admissible in evidence in criminal or civil proceedings, and a court or tribunal may take into account a failure by a relevant authority to have regard to the code in determining a question in any such proceedings and could ultimately result in the Council having to pay compensation.

Staffing Implications

Meeting the Code of Practice's requirements has involved additional staff resources to date. Implementation of the policy and the additional areas identified will involve a further commitment to be undertaken by relevant officers in the Council and also a dedicated resource if made available.

1. Introduction

- 1.1 The following policy relates to surveillance camera equipment and the gathering, storage, use and disposal of Closed Circuit Television (CCTV) system recorded data. The Council uses surveillance camera devices for various purposes. These include CCTV systems within council premises and car parks as well as on the highway, body worn video camera equipment, and automatic number plate recognition. In this policy, such devices shall be referred to as 'CCTV systems'.
- 1.2 Use of cameras and other electronic recording devices in public places has escalated over recent years and the advance of technology has meant that the variety of devices available has expanded. Whilst these perform a useful role in preventing and detecting crime and keeping people and property safe, such use has led to much greater intrusion into the private lives of individuals going about their lawful business. This policy aims to set out standards relating to the use of such equipment that maximises effectiveness whilst at the same time minimises interference with the privacy of individuals whose images are captured by the devices.
- 1.3 This policy covers all overt CCTV systems used by the Council but does not cover Carmarthenshire schools.
- 1.4 Carmarthenshire County Council is referred to as 'the Council' throughout this policy.
- 1.5 This document should be read in conjunction with relevant codes of practice from both the Biometrics and Surveillance Camera Commissioner and the Information Commissioner.
- 1.6 Details of all CCTV systems, policy documents, legislation, procedures and templates will be made available on the council's intranet.
- 1.7 Officers undertaking covert surveillance with or without recording devices must comply with the requirements of the Regulation of Investigatory Powers Act 2000 (RIPA) and the Codes of Practice issued pursuant to that legislation. This policy does not apply to such activities.

2. Objectives

- 2.1 It is important that everyone and especially those charged with operating the CCTV systems on behalf of the Council understand exactly why each of the CCTV systems and each camera used as part of a CCTV system has been introduced and what the cameras should and should not be used for.
- 2.2 Each CCTV system will have its own site or task specific objectives. These could include some or all the following:
 - Protecting areas and premises used by council officers and the public.
 - Deterring and detecting crime and anti-social behaviour.
 - Assisting in the identification of and apprehension of offenders.

- Deterring violent or aggressive behaviour towards council officers.
- On-site traffic and car park management.
- Monitoring traffic movement.
- Identifying those who have contravened parking regulations. Assisting in traffic regulation enforcement.
- Protecting council property and assets.
- Assisting in grievances, formal complaints and investigations.

3. Legislation

3.1 CCTV systems are subject to legislation under:

- The Data Protection Act 2018 (DPA)
- UK General Data Protection Regulation (UK GDPR)
- The Human Rights Act 1998 (HRA)
- The Freedom of Information Act 2000 (FOIA)
- The Protection of Freedoms Act 2012 (POFA)
- The Criminal Procedures and Investigations Act 1996
- The Regulation of Investigatory Powers Act 2000 (RIPA).

4. Responsibilities

Senior Responsible Officer (SRO)

- 4.1 The SRO ensures the delivery of a corporate approach to the Local Authority's responsibilities arising from POFA. The SRO has strategic responsibility for the integrity and efficacy of the processes in place within the Local Authority which ensure compliance with POFA and in respect of all surveillance cameras operated by the Local Authority.
- 4.2 The SRO will submit an annual report to CMT providing an update on CCTV, including detailing how effective, in the previous year, CCTV systems have proved to be, in meeting the objectives listed in Section 2.
- 4.3 The SRO will ensure the publication of all Self-Assessment Templates (SATs) and Data Protection Impact Assessments (DPIAs) on the website and that these are reviewed on an annual basis.
- 4.4 The SRO will lead on third-party certification to provide evidence of compliance with the Surveillance Camera Commissioner's Code of Practice.

CCTV Single Point of Contact

- 4.5 The CCTV SPOC is the operational lead for all matters relating to surveillance cameras. They are responsible for ensuring all those involved in the use of CCTV systems are aware of current

legislation and guidance relating to CCTV systems. This will be done through the Council's intranet.

The Responsible Officer

- 4.6 The day-to-day operational responsibility for each CCTV system rests with the designated Responsible Officer for each system. A list of all CCTV systems and their Responsible Officer will be recorded and made available in a CCTV register on the Council's CCTV intranet page. Responsible Officers shall ensure the register is kept updated. This will also be the case when a third party under the direction or control of the Council operates the CCTV system.
- 4.7 The Responsible Officer shall ensure that council officers involved in the operation of the CCTV system are trained in the use of the equipment and are aware of this policy and the procedures in place to manage CCTV systems at the council.
- 4.8 The Responsible Officer should act as the first point of contact for all enquiries relevant to the CCTV system and should ensure that only authorised council officers are able to operate or view images.
- 4.9 The Responsible Officer shall investigate any reported misuse of a CCTV system and report it immediately to the CCTV SPOC.
- 4.10 The Responsible Officer shall ensure the CCTV system is operational and take steps to deal with any faults as appropriate.

Heads of Service

- 4.11 The overall responsibility for CCTV systems rests with the relevant Head of Service. This includes ensuring all relevant staff are appropriately trained and all systems are used in accordance with this policy.
- 4.12 Heads of Service will nominate a designated lead officer for CCTV who will liaise with the Responsible Officers for the system.

Lead Officers

- 4.13 Lead Officers will have oversight of all CCTV systems managed by the service and will be a central point of contact and advice in relation to queries from staff on CCTV. They will be responsible for ensuring that SATs are in place for all systems, that the corporate DPIAs cover all systems and that these documents are reviewed on an annual basis and available for publication.
- 4.14 Lead officers will ensure that the necessary steps are taken before installing a new system or making changes to existing ones, including the completion of the Passport to Compliance and consultation.

5. CCTV Operations

- 5.1 Council officers operating CCTV systems are responsible for operating the equipment in accordance with all requirements set out in current legislation, this policy document, relevant guidelines, codes of practice and local operational manuals.
- 5.2 Council officers operating CCTV systems must be familiar with the requirements of the UK GDPR and DPA and should complete the Council's eLearning course which provides an introduction to the legislation.
- 5.3 Council officers involved in the use of CCTV systems shall report any misuse to the Responsible Officer and shall cooperate with any investigation by the Responsible Officer. The Responsible Officer shall report it immediately to the CCTV SPOC and investigate any reported misuse of a CCTV system.
- 5.4 Council officers operating CCTV systems shall be responsible for bringing any equipment faults to the Responsible Officer's attention immediately.
- 5.5 A number of council owned CCTV systems are located in premises occupied by third parties. In these cases, it is important that there is a clear understanding between the Council and the organisation(s) concerned as to who is responsible for each aspect of the CCTV system. This should be recorded and signed by both parties. A copy of this document should be given to the council's CCTV SPOC.

6. Purchasing and Deployment of CCTV Cameras

- 6.1 Permission must be obtained prior to the procurement of any systems from the Senior Responsible Officer – Head of ICT and Corporate Policy.
- 6.2 Arrangements are being put in place for the procurement of all systems and the maintenance of those systems to be undertaken with the assistance of the Council's Procurement team.
- 6.3 Those responsible for introducing and operating CCTV systems must ensure that the use of cameras is proportionate to the intended objective and that individuals' right to privacy is respected at all times. The Passport to Compliance must be completed with a clear operational objective for the CCTV system and the relevant DPIA checked to ensure it covers the system.
- 6.4 Care must be taken to ensure that cameras do not capture images or sounds of private spaces such as private houses.
- 6.5 Covert cameras are not permitted to be deployed under the auspices of this policy. Such activities fall under the ambit of RIPA or shadow RIPA and authorisation must be obtained for such activity under the relevant RIPA procedures. CCTV systems should normally be clearly visible with unobstructed signage situated close to the device informing those in the vicinity that they are being monitored and/or recorded. The content of such a sign or notice may differ according to the nature of the device being used, the area it is being used in and the purpose of its use.

- 6.6 The Council does not deploy ‘dummy’ cameras as part of its CCTV systems as these can provide a false sense of security.
- 6.7 The Council does not generally operate cameras that can monitor conversation or be used to talk to individuals as this is seen as an unnecessary invasion of privacy. This does not apply to body worn camera devices.
- 6.8 Upon the introduction of a static CCTV system, a map showing the location of the camera should be sent to the CCTV SPOC for inclusion in the Council’s central register of CCTV systems.
- 6.9 Use of CCTV systems should be considered as part of planning a building construction or refurbishment. Advice should be obtained from the Designing Out Crime Officer from Dyfed Powys Police by contacting 101. Authorisation for the deployment of CCTV systems should be shared at an early stage in building design with the Head of Service for whom the building is being constructed. This is so that this policy can be applied and either an alternative method adopted or an acceptable CCTV system built into the designs. Information about the CCTV system should be retained as part of the file relating to the completed building.

7. Monitoring

- 7.1 CCTV system monitors sited in reception areas are intended to provide live monitoring of reception areas by council officers. The ability to view the CCTV system monitors must be restricted to those authorised to see them. Monitors must not be visible to all entering the premises.
- 7.2 Monitoring of CCTV systems where required will only be carried out by persons authorised by the relevant Responsible Officer.
- 7.3 CCTV will only be subject to the UK GDPR Act if the footage captured “relates to living individuals who can be identified” from it.
- 7.4 If the GDPR Act does apply, the CCTV operator will be required to do a number of things:
- Put up signs notifying people that CCTV is in use (see section 9)
 - Give any individual who requests it, copies of footage of themselves (Subject Access Request) in consultation with the Data Protection Officer (see 8.2)
 - Ensure that any footage stored is kept for no longer than necessary for the purposes for which it is obtained
 - Ensure that footage is not disclosed to anyone unless it is permitted under an exemption contained under the Data Protection Act 2018 and UK GDPR.
- 7.5 In addition to the obligations under the Data Protection Act 1998, the Human Rights Act requires any public authority using CCTV cameras to do so compatibly with Article 8 of the convention.

- 7.6 The Council uses body worn cameras in order to protect council officers dealing with members of public in situations where they are particularly vulnerable to abuse or where there is an ongoing need to capture images or speech for evidential purposes. Usage is in accordance with the Standard Operating Procedure.
- 7.7 Details of CCTV systems data collection are included in the Council's privacy notice for CCTV.

8. Viewing Images

- 8.1 The casual viewing or trawling of images or sounds captured by a CCTV system is strictly forbidden. Viewings must only be carried out for a specific, legitimate purpose.
- 8.2 Under Article 15 of the GDPR, data subjects have the right to access information held about them by the Council and to have a copy of that personal data. Individuals also have the right to access images of themselves recorded on CCTV systems controlled by the Council. Such requests must be made in writing to the Data Protection Officer, County Hall, Carmarthen, SA31 1JP dataprotection@carmarthenshire.gov.uk. Please see our website for further details: <https://www.carmarthenshire.gov.wales/home/council-democracy/data-protection/>
In the event of a request being received by another officer, that officer should contact the Data Protection Officer to discuss the request.
- 8.3 On occasion, council services may wish to access images and recordings captured on CCTV systems as part of a legitimate investigation into criminal activities, civil claims, potential disciplinary matters, complaints, grievances or health and safety issues. Viewings and images will only be released to a properly authorised investigating council officer upon the submission of a formal request to the Responsible Officer. The viewing request should include:
- The name of the authorising officer
 - The name and contact details of the person viewing images
 - The reason for viewing the images.

Viewing Requests should be made in a timely manner as the retention period for most CCTV systems in operation in the council is one month. Council officers who are subject to council disciplinary, complaints or grievance procedures have the right to see and retain footage of themselves and can request copies as a Subject Access request as outlined in 8.2.

- 8.4 On occasion, police officers may request to view images taken from CCTV systems during the investigation of criminal activity. This is generally permitted under an exemption found in the UK GDPR Act.
- 8.5 Occasionally insurance companies or solicitors will request footage, generally over disputes regarding damage to cars in car parks. As the footage may identify the individual drivers or vehicles involved it is classed as personal information. Copies of personal information can be requested making a Subject Access Request to the Information and Data Protection Officer – see 8.2 for details.

- 8.6 Any viewing or disclosure of images must be recorded on the 'Access and disclosure recording' form.
- 8.7 A record of all disclosures is kept by the Data Protection Officer for a period of five years after administrative use is concluded. Details of any disclosures will also be recorded on the template held relating to the system which records all occasions when images are viewed.

9. Signage

- 9.1 All areas where fixed site CCTV is in use should be clearly signed. Such signs warn people that they are about to enter an area covered by a CCTV system or to remind them that they are still in an area covered by a CCTV system. Signs will also act as an additional deterrent. CCTV system signs should not be displayed in areas that do not have CCTV cameras.
- 9.2 Where body worn cameras are in use, officers using them must wear the appropriate council uniform and display a clear notice that this is the case on their person or on the device to confirm that they are operating a body worn camera. Officers will always advise that an individual is being recorded as soon as the device is activated.
- 9.3 Signs should be an appropriate size depending on context. For example, whether they are viewed by pedestrians or car drivers.
- 9.4 Signs should be more prominent and frequent in areas where people are less likely to expect that they will be monitored by a CCTV system. This is particularly important when an ANPR system is being used that covers a large area.
- 9.5 Corporate signage will be made available which will:
- Be clearly visible and readable
 - Confirm that the system is operated by the Council and include contact details for the Contact Centre
 - Confirm if the system is recorded or monitored or both
 - State the purpose for having a surveillance system in place.

10. Storage and Retention

- 10.1 CCTV system images are stored generally for 30 days and then overwritten.
- 10.2 Access to CCTV footage will be kept secure.
- 10.3 All images will be stored securely.
- 10.4 All images remain the property and copyright of the Council.
- 10.5 Each new recording disc will have a unique reference number.

10.6 All images are time and date stamped.

10.7 Image resolution should be relevant to purpose.

10.8 All media will be confidentially disposed of when no longer needed.

10.9 Recorded material will not be sold or used for commercial purposes.

For further information, please see the Council's 'Handling Personal Information Policy and Procedure'

<https://www.carmarthenshire.gov.wales/media/1213588/handling-personal-information-policy-v30.pdf>

11. Inspections

11.1 CCTV systems at the council can be inspected at any time by:

- The CCTV SPOC.
- The CCTV SRO
- The relevant Responsible Officer
- The relevant Head of Service or their nominated representative
- A member of the relevant regulatory body.

12. Health and Safety

12.1 The relevant Responsible Officer should ensure that officers are made aware of and comply with all council policies on health and safety, in particular, working with electrical equipment, Visual Display Unit regulations and working with heights.

13. Complaints

13.1 Any complaints regarding CCTV systems at the Council will be dealt with in accordance with the Council's complaints procedure.

EXECUTIVE SUMMARY

POLICY AND RESOURCES SCRUTINY COMMITTEE

10 JUNE 2021

Carmarthenshire Public Services Board Well-being Plan Annual Report 2020-2021

In order to ensure PSBs are democratically accountable, the Well-being of Future Generations (Wales) Act 2015 places a requirement on councils to designate an overview and scrutiny committee to scrutinise the work of the PSB. In the 'Guidance for Local Authority Scrutiny Committees on the scrutiny of Public Services Boards' issued by Welsh Government in August 2017 it notes:

'Under the provisions contained in the Act, overview and scrutiny committees have extensive powers to review the PSB's governance arrangements as well as any decisions made or actions taken by the PSB. In addition, overview and scrutiny committees are provided with considerable reporting powers as they are required to share copies of any reports or recommendations made in connection with the board's function or governance arrangement with the Welsh Ministers, the Future Generations Commissioner for Wales and the Auditor General for Wales.'

In Carmarthenshire, the Council's Policy & Resources Scrutiny Committee has been designated as the relevant scrutiny. This is the third Carmarthenshire Well-being Plan annual report and covers progress for the period 2020-21 after the Plan was first published in May 2018. While it is recognised that less activity has been possible in the last year as a result of the pandemic, significant progress has been made in a number of areas. It is also recognised that all important relationships built up through the work of the PSB, contributed greatly at a time where multi-agency working and response was essential. The Board has reviewed its priorities to consider opportunities arising from the lessons learnt from organisations' experiences of dealing with the coronavirus pandemic and the enhanced collaborative working that developed as a result.

The report provides information on:

- PSB structure
- Regional working
- Five ways of working
- Delivery Group progress reports
- Safer Communities Partnership
- Development areas.

Carmarthenshire PSB's Well-being Plan 2018-2023

3rd Annual Report

May 2020/May 2021

Foreword

I am pleased to present the third annual report of the Carmarthenshire PSB following the publication of our Well-being Plan in May 2018. This last year has been an unprecedented and challenging time. Covid-19 has impacted on all of us – public services, businesses and our communities and we have come together to help people needing both practical and emotional support. Enhanced communication between our partner organisations has been critical to respond to the ever-changing landscape and impact on service delivery.

Public service partners have had a short-term focus on supporting the recovery from the pandemic and working together to develop plans for medium and long-term recovery. I firmly believe that this alliance has been assisted by the strong partnership relationships that exist, having been built over the years through the work of the PSB. We continue to share what we have learnt and will continue to learn from how we adapted whilst also looking at the opportunities to work collaboratively going forward, improving service delivery.

Many of our public services have been working differently, with staff working from home, meetings held virtually. As a PSB, we have continued to meet regularly to drive forward our important agenda – and with meetings held online, we have seen some positives, with significant reductions in travelling time and mileage, the impact on the environment has been beneficial, and we will continue to consider how best to work effectively in the future.

The PSB brings together senior representatives from public services working in Carmarthenshire to improve the economic, social, environmental and cultural well-being of our residents. We work together to add value to each other's services and there continue to be huge

opportunities to develop innovative approaches, learning from our experience over the last year. We are working to address what may not have seemed possible before, different ways to meet the needs of our communities. The work of our Delivery Groups is ongoing, progressing work collaboratively to implement key actions to meet the Board's objectives. Partners are looking at how we can do things differently and build on local engagement with our communities.

I am proud of the recent collaborative efforts, despite the challenging circumstances, and being able to say that we are starting to make some real progress in Carmarthenshire, working to reshape public services for the better. This annual report outlines many of our key achievements over the last year, a year which has reinforced the importance of public services to our day to day lives.

Once again, I thank all those involved who continue to do all they can to deliver our Well-being Plan. By working together, we will continue to see how we can make a better future for our future generations.

PSB Well-being Plan

The Plan outlines how the PSB partners will work together to address some of the key issues affecting the well-being of the citizens and communities of the County. These partners are: **ADD LOGOS**

The Plan focuses on the delivery of four well-being objectives, identified following extensive engagement with frontline staff, residents and other key stakeholders:

- **Healthy Habits** – People have a good quality of life and make healthy choices about their lives and environment
- **Early Intervention and Prevention** – To make sure that people have the right help at the right time; as and when they need it
- **Strong Connections** – strongly connected people, places and organisations that are able to adapt to change
- **Prosperous People and Places** – To maximise opportunities for people and places in both urban and rural parts of our county.

PSB Structure

The structure in place has been developed to ensure the effective delivery of the Well-Being Plan. This consists of a series of Delivery Groups in order to make progress against the short-term actions within the PSB's well-being objectives. Each group has an Expert Lead, Vice Chair and Lead Officer. **STRUCTURE CHART**

The Delivery Groups have been meeting since mid-2018 and have, in the last year, been progressing their project plan to deliver against the Well-being Plan. These Delivery Groups are administered by the Council's PSB Support Team and the team also acts as a conduit between the Delivery Groups in order to identify areas of possible collaboration and avoid duplication.

The Safer Communities Partnership, a statutory, long-standing multi-agency group, continues to be accountable to the PSB and reports on a regular basis to the Board. It meets on a quarterly basis and is fully aligned with two other county-based groups linked to community safety – the CONTEST (counter-terrorism) Board and Serious Violence and Organised Crime Board. Information about the work of these groups is included later in this report.

The PSB structure will be regularly reviewed to ensure that it best supports the work of the Board, including the delivery of progress against the Well-being Plan.

PSB Areas of Progress

Several areas have been progressed or supported by the PSB, in addition to the work done by the Delivery Groups to meet the PSB's objectives:

- The on-going collaboration taking place with the seven Carmarthenshire Town and Community Councils subject to the Well-being of Future Generations Act continues to develop and benefit from closer working. Representatives from those councils (Llanelli Town, Llanelli Rural, Pembrey and Burry Port, Llanedi, Llannon, Cwmaman and Carmarthen) now attend each PSB meeting as a voice for the town and community council sector. The PSB Support Team have continued to work with the Clerks and Development Officers of the councils during the year. Regular discussions with these local councils have enabled greater collaboration in locally led initiatives which will continue going forward. During the year the councils have worked with the PSB on a tree planting project, funded through NRW

(further information available in the Healthy Environment Delivery Group update). Under the Well-being of Future Generations Act, the councils are required to report on progress made in meeting the local Well-being Plan's objectives. The local councils presented their annual reports at PSB meetings during the year. A number of issues and initiatives were raised by partners during these discussions and links made for future development and collaboration. Going forward, it has been agreed that an annual event will be held with the Town and Community Councils to identify good practice and share annual reports.

- Significant progress has been made by PSB members working collaboratively to further develop the ongoing work with partners and the community to regenerate the Tyisha ward in Llanelli. This ward is one of the most deprived communities in Carmarthenshire and partners have developed a transformational plan to address this deprivation and the priorities identified by the community including community safety concerns, the social and physical environment. This work links to the development of other planned initiatives in the area such as regeneration of the town centre and the development of Pentre Awel, the Life Science and Well-being Village.

Over the last year, initiatives have included:

- Recruitment of two dedicated community wardens to tackle anti-social behaviour, encourage neighbourhood watch schemes and promote cohesion, two dedicated housing officers to lead on issues involving Council tenants and promote community engagement and a project development officer to engage with young people and focus on delivering a new hub for the area.
- Embedded four dedicated workstreams - Crime and Disorder, Housing and Regeneration, Environment and Transport, and Children, Families and Communities – to lead on various aspects of the project
- Supported the set-up of a new foodbank for the area
- Developed new family housing for the area and improved other stock
- Decanted a number of tenants living in the redundant Ty's blocks and provided them with alternative and more suitable accommodation.
- Moving both youth projects out of the area and finding a range of different options which will provide more opportunities and aspirations.
- Decommissioning and recommission our temporary accommodation and looking to disperse units across Llanelli rather than confined to one area.
- Improving housing standards in the Private Rented Sector with a dedicated Environmental Health Officer undertaking proactive and reactive work and leading on public health, noise, and waste complaints
- Working with private landlords to set up a forum to build relationships and improve communication

- Assisting residents of Tyisha in conjunction with Dyfed Powys Police in setting up two Neighbourhood Watch Schemes, with the aim to build safer communities and helping to prevent crime
- Dedicated waste team cleansing the rear lanes and streets improving the environment and taking enforcement action where needed.
- A workshop is being planned for PSB partners across the region to progress opportunities for collaboration regarding carbon reduction. This follows the Council's declaration of a Climate Emergency which commits to make the Council a net zero carbon local authority by 2030 and to work with the PSB to develop opportunities to make carbon savings. The workshop will outline current and planned activity within partner organisations to respond to climate change and facilitate discussion around future joint working.

The PSB has reviewed its priorities following extensive discussions during the year to consider opportunities arising from the lessons learnt from organisations' experiences of dealing with the coronavirus pandemic and the enhanced collaborative working that developed as a result. As a result of the challenges faced, partners discussed opportunities to rethink how they work together and how services are delivered.

The following priority projects going forward were identified to ensure future action by the PSB focuses on agreed key collaborative opportunities and supporting the county's recovery:

Well-being Plan Objective	Project
Healthy Habits	Social & Green Solutions for Health (regional and link to RPB)
	Environmental Risk Assessment
	Newcastle Emlyn Climate Resilience Plan
	Opportunities for collaboration to respond to climate emergency
Prevention & Early Intervention	NEW Focus on developing means of sharing organisational intelligence on vulnerability in order to build a better profile of needs in Carmarthenshire to plan and focus service provision. Building on work being undertaken by Dyfed Powys Police through the Serious Violence & Organised Crime Board.

Well-being Plan Objective	Project
Strong Connections	Volunteering (link to RPB)
Prosperous People & Places	Work with Regional Learning & Skills Partnership to further develop areas of priority for Carmarthenshire going forward
	Public sector procurement – initially through the Foundational Economy Challenge Fund project
	Progressive procurement regional cluster with Pembrokeshire, Swansea and Neath Port Talbot
Safer Communities	Work towards compliance with Counter-Terrorism duties by partners ensuring appropriate staff training provided
	Continue to develop partnership working to tackle serious organised crime including County Lines activity
	Develop usage of 'Internet of Things' technology to tackle local crime and disorder problems
	Raising awareness of cyber crime among partners
	Learning from themes identified by domestic homicides
Collaboration opportunities	Work to bring together communities while identifying any tensions affecting community cohesion
	NEW Multi-agency/multi-sector town centre or community hub developments – as we ease out of working from home arrangements, there is a need to establish new ways of working by reducing the need for numerous organisational headquarters and look at opportunities to develop a multi-agency approach to more localised community access to services, agile working areas for staff and/or locations for outreach staff to touch-base without having to return to main office.
	10 rural towns
	Tyisha regeneration programme
	Well-being Assessment

The two new priorities agreed were multi-agency/sector town centre or community hubs and developing information sharing arrangements to enable organisational intelligence on vulnerability to be better utilised.

The PSB promoted the initiative, '**Circular Economy Innovation Communities**' to its members, encouraging participation of managers and leaders of public services and third sector organisations in a 10-month programme run by Swansea University. The Welsh Government-funded programme aims to assist teams to support the development of new service solutions to enhance productivity and deliver Circular Economy benefits by keeping resources and materials in use for as long as possible and avoiding all waste. There are seven cohorts across the

Swansea Bay region including one consisting of Carmarthenshire PSB partners working on the town centre hub initiative which will complement the ongoing partnership work.

A presentation was given to the PSB in July 2020 on the **Swansea Bay City Deal's Digital Infrastructure programme**. Many PSB partners have been involved in the conception of this £55 million programme which has now received Ministerial approval from both the UK and Welsh Governments. Delivery of the individual projects within the programme will now begin and take place over the next four years. These projects include interventions to improve rural digital connectivity, investment in full fibre infrastructure across urban and economic growth zones and investment in next generation wireless networks across the region. PSB partners will be invited to participate in the next step which will be workshops to develop the specific details of the individual interventions.

The PSB has also been kept informed of latest developments and opportunities relating to the significant **Pentre Awel** project being taken forward in Llanelli. Many PSB members, including the Health Board, University and Coleg, are already directly involved in the project being led by the Council as part of the **Swansea Bay City Deal**. Progress achieved during the year means that £40million of Swansea Bay City Deal funding can be drawn down to help deliver the landmark scheme on the 83-acre site at Delta Lakes, Llanelli. Pentre Awel will be the first development of its scope and size in Wales and will bring together life science innovation, community healthcare and modern leisure facilities all at one location along the Llanelli coastline. The research and development will help to push the boundaries of understanding of what it means to live well. Pentre Awel will be home to big science and small start-ups, established businesses and new kids on the block. All working in partnership with universities and colleges and the health board to make life better. The exciting project includes integrated care and physical rehabilitation facilities to enable the testing and piloting of life science technologies aimed at enhancing independent and assisted living. A well-being skills centre will focus on health and care training, along with a clinical delivery centre to deliver multi-disciplinary care closer to home. The new leisure centre will bring state-of-the-art sports and fitness facilities to the people of Llanelli and the surrounding area with include a 25-metre eight-lane swimming pool, new top-of-the-range gym, eight-court sports hall and an adventure play area for young children. The development will bring a wide range of employment opportunities creating almost 2,000 jobs including apprenticeships and is expected to boost the local economy by a staggering £467million.

The PSB began to consider the implications of a number of key strategic documents published during the year and these discussions are ongoing. These have included: **ADD HYPERLINKS**

- ‘Review of Strategic Partnerships’ by the Welsh Government and Welsh Local Government Association – this review considered the broad partnership landscape and identified key areas where there was felt to be unnecessary complexity or duplication, working with partners to identify opportunities for simplification and rationalisation. The review identified action which could be taken immediately by the relevant partnerships or Welsh Government to rationalise partnerships/improve alignment and action which would require legislative change through the Local Government and Elections Act.
- ‘Future Generations Report 2020’ by the Future Generations Commissioners – this report is the first of its kind, meeting the statutory duty on the Commissioner to publish this report every five years. The report analyses the progress of all public bodies, including Welsh Government, in implementing the Well-being of Future Generations (Wales) Act since it became law in 2015. A workshop is to be planned to further consider the Commissioner’s report.
- Senedd’s Public Accounts Committee's Report 'Delivering for Future Generations: The story so far' - this inquiry focused on the barriers to implementation of the Well-being of Future Generations (Wales) Act 2015 and how it can be implemented successfully in future.

Additional projects progressed by the Delivery Groups

Although the Delivery Groups have not been able to make as much progress as was hoped due to the pandemic, with some of the groups not being able to meet during the year due to officers being focused or redeployed to support COVID-19 response, a number of projects have been developed and progressed.

A priority for the **Healthy Environment Delivery Group** continues to be to tackle climate change. The regional work on severe weather events commissioned by NRW, working closely with the PSBs in Carmarthenshire, Ceredigion and Pembrokeshire, in 2019, resulted in a more targeted approach focusing on two of the identified at-risk communities - Newcastle Emlyn in Carmarthenshire and Fishguard in Pembrokeshire. This work was commissioned in February 2020 and was completed in December. The project involved online engagement with key stakeholders to develop a plan for building climate resilience through identifying the direct impact of climate risks on their situation and place and seeking

their responses on how to build resilience. The final report, its findings and recommendations have been considered by the Delivery Group and recommendations will be put forward to the PSB for consideration.

The PSB was awarded £25,000 from NRW to deliver projects linked to the Well-being Plan before the end of March 2021. The Delivery Group put forward two projects which were approved by the PSB and then successfully delivered:

- 1) a tree planting initiative, led by the seven town and community councils, engaging safely with local community members getting involved in the planting, benefitting from spending time in natural spaces and improving residents' ownership of, and sense of pride in, their communities. Almost 2,350 trees were planted with eight new woodland and tree planted sites created. Four community groups were established or enhanced, who are now working with the town and community councils in the long-term management of the new and existing green spaces. This project was later expanded to include habitat improvements following an underspend on the second project – a Green Infrastructure (GI) initiative - due to the delivery timetable.
- 2) investigating how GI can be incorporated into the redevelopment of Jackson's Lane, Carmarthen to address key issues such as air quality, health and well-being, and climate resilience, as well as economic regeneration and green recovery from Covid-19, and also in Newcastle Emlyn town centre, with the aim of maximising climate resilience, economic regeneration and health and well-being. Moving forward, stakeholder workshops will be held with participants, identified from the stakeholder database, to discuss the initial findings of the report. This knowledge gathering and sharing will then be used to finalise a GI masterplan for each site which will inform the future development.

The **Strong Connections Delivery Group** made a successful partnership bid to the Welsh Government Coronavirus Recovery Grant for Volunteering for £152,991.45 to progress priorities identified, including a - Carmarthenshire Volunteering Strategy, an online portal for volunteers/volunteering and digitising training. The funding will be used to sustain volunteering and community action witnessed throughout the pandemic and to ensure more sustainable models of volunteering moving forward. The work will include mapping existing volunteering provision across PSB partners, developing a crisis response plan and investigating ways in which volunteers can be shared across partners and third sector groups, exploring opportunities for shared processes such as recruiting and training volunteers and establishing a framework for local Volunteering Teams.

The **Safer Communities Partnership** continues to be involved in successful work to tackle 'County Lines' including the sharing of information and participating in campaigns such as targeted weeks of action. County Lines is a term used for illegal drug-dealing networks, usually controlled by a person using a telephone number – the 'county line'. They distribute drugs via 'runners' who are vulnerable children and adults recruited to transport drugs and cash all over the UK. This crime is often associated with other serious crimes such as sexual exploitation, violence, money laundering and human trafficking.

A new 'INTACT' Strategy for 2021-24 has been developed by partners to tackle Serious Violence and Organised Crime across Dyfed Powys. A work plan has been produced, information and awareness sessions arranged for staff of partner organisations and clear prevention messages are being promoted widely to the public, with a new theme per month. A new Early Intervention and Prevention Team started in April consisting of 10 community support officers across the region and an analyst. This team aims to prevent children, young people and vulnerable adults from engaging in, or becoming victims of Serious Violence and Organised Crime. The team will develop and deliver early intervention activities, identifying opportunities for diversion activities, undertake targeted vulnerability patrols and support partners when working with young people.

Partner organisations are working closely together to tackle the drug, alcohol and anti-social behaviour issues in Tyisha, aiming to make the area a safer place to live. A survey has been completed by 217 residents in Tyisha – 10% of households - to give information on how they feel about policing, reassurance and safety in their neighbourhood. The results are being analysed and an action plan will be developed to tackle local concerns.

Two community wardens have been recruited by the Council and are working in Tyisha and Glan-y-môr to provide reassurance and support to the local community and raise awareness of crime prevention measures. The community wardens are setting up Neighbourhood Watch schemes and are working with partners to reduce crime relating to drug and alcohol use and to tackle anti-social behaviour including the use of CCTV and video doorbells provided by the Safer Communities Partnership using Home Office 'Safer Streets' funding secured through the Dyfed Powys Police and Crime Commissioner. The Council are also working in partnership with neighbourhood policing teams and local housing associations to tackle anti-social behaviour within tenancies and deliver robust action plans to prevent it from reoccurring.

Funding from the Police and Crime Commissioner has been used to support two initiatives. The first contributes towards a project which uses the 'Internet of Things' and LoRaWAN technology to tackle local crime and disorder problems. This is part of a wider project to develop a network of SMART towns across the county which aligns with current work across the ten rural towns focusing on economic growth. Gateways are being installed in our rural towns - St Clears, Whitland, Laugharne, Llanybydder, Llandovery, Newcastle Emlyn, Llandeilo,

Cwmamman, Kidwelly and Cross Hands – and Ammanford and Burry Port. SMART towns use different types of electronic methods and sensors to collect data. Insights gained from that data are used to manage assets, resources and services efficiently; in return, that data is used to improve the operations across the town. This joint pilot project is to be funded by the county's Local Action Group, Grŵp Cefn Gwlad, who are responsible for the delivery of the LEADER programme, as well as Valley's Taskforce Programme.

The second project is a partnership between the Council's Trading Standards team and Police Rural Crime Team to protect our rural farming communities. 'No cold calling' signs have been purchased to be put on farm gates to help prevent burglary by acting as a deterrent for potential offenders. Support and advice is also being given to farmers on security.

Although the **Prosperous People and Places Delivery Group** has not been able to meet during the year, progress has continued to be made.

Foundational Economy Challenge Fund project looking at public sector food procurement

The PSB secured £100k funding to take this project forward which focused on two key elements, those being public sector procurement arrangements and local food supply chains. Despite the challenging circumstances it was felt even more important to progress this work as part of the economic recovery planning and development work. The Centre for Local Economic Strategies (CLES) were commissioned to work with the Council, Health Board, University and Coleg to review current procurement arrangements and food spend/supply. Due to the pandemic the remit of the work for the Council was extended to cover all procurement spend areas. The findings and recommendations of the CLES work have been considered and approved by the PSB partners involved in the project with a view to embedding progressive procurement across those organisations. As part of the second element of the project looking at local food supply chains, the project engaged with two food experts to better understand the supply and demand challenges facing the food sector and to consider ways of addressing these going forward. Two stakeholder events were held in March, both as virtual meetings that attracted a significant amount of interest and generated a lot of discussion and ideas for further for development. The first session was focused on setting the strategic direction and outlining the opportunities for innovation through public sector collaboration and the second event was focused on the supply and production side of things in order to consider opportunities for local development of the supply chain in order to potentially fulfil public sector requirements.

Securing the dedicated funding has enabled the PSB to bring the key stakeholders together and outline the possibilities for development, giving a practical way forward for partners to work together. Further work will be taken forward within the PSB partners on the procurement and economic recovery elements and discussion are on-going, with opportunities for further project development on the food supply chain of

things. The PSB project has opened the door on a number of significant opportunities in this area of work and these will be progressed over coming months.

Skills

Regular updates have been provided to PSB partners from the Regional Learning and Skills Partnership on the impact of Covid-19 on the economy of Carmarthenshire. Labour market data is analysed regularly to provide information regarding the economy, labour market, people and skills and bi-monthly data is provided to the Welsh Government. Information received directly from local businesses is also considered in analysing the effects of the pandemic. Updates have been provided on levels of furloughed workers, claimant levels, take up of the Self-employment Income Support Scheme, redundancy rates, vacancies data, areas of growth and demand and skills demands. Consideration has been given to how the Carmarthenshire statistics compare to other areas in the region, Wales and the UK. The main findings relating to skills by sector has shown a demand for IT skills across all sectors due to the new ways of working.

Issues discussed by the PSB have included the effect on young people, impact on apprenticeships and opportunities for developing engineering apprenticeships, the significant increase in claimant levels of Universal Credit and Job Seeker's Allowance, although proportionally the increases seen in the county and region are lower than those seen across Wales and the UK and the increased demand for skills in certain sectors.

The **Prevention and Early Intervention Delivery Group** has unfortunately not been able to meet during the year due to key members of the group from Public Health Wales and the Health Board focusing their whole attention, rightly so, on responding to the pandemic. It is intended that progress on priorities such as developing the Social and Green Solutions for Health initiative will be a priority for 2021-22 as this will be a key area as part of COVID-19 recovery.

Carmarthenshire County Council in partnership with Hywel Dda University Health Board, supported by the PSB, successfully secured funding through the Early Years Integration and Transformation Programme – Pathfinder Co-production Grant in February 2020. The grant aims to develop integrated working across professions and organisations working with families during the early years of their children's lives. The funding enabled a dedicated officer to lead on the strategic development of Early Years Integration through the development of a Regional Maternity and Early Years Strategy and associated Operational Plans. Welsh Government have allocated this funding for 2021/2022 to continue this work.

This 2020/21 funding also enabled the setting up of the Pilot Cwm Gwendraeth Early Years Integration Team. All staff funded via this grant – an Early Years Integration Co-ordinator, Performance and Finance Officer, Community Connector and two Family Support Workers - were recruited into the team by September 2021 and the team became fully operational. Health Visitors and Midwives also form part of the team structure. The team have been testing innovative ways of working with families during the pandemic by developing a dedicated webpage for Cwm Gwendraeth Families and an app for accessing information alongside virtual delivery of programmes. The Team are also testing ways of working across Health, Family Support and third sector partners that will improve the early identification of need and the quality of referrals being made to various agencies. This funding has been confirmed in principle to continue for a further year to end of March 2022.

Regional Working

There have continued to be significant developments in working regionally during the last year:

1. between PSB lead officers from Carmarthenshire, Ceredigion and Pembrokeshire,
2. with the three PSBs and West Wales Regional Partnership Board (RPB),
3. a joint Regional meeting of Carmarthenshire, Ceredigion, Pembrokeshire and Powys PSBs and the RPBs for West Wales and Powys in November 2020.

PSB lead officers

The close working with the PSB leads for Ceredigion and Pembrokeshire has continued with regular meetings held between the officers and the main areas of work during the last year have been:

- ongoing development of the innovative regional Digital Information System jointly commissioned by the three PSBs using regional funding from Welsh Government and with a contribution also from the West Wales RPB's Transformation Fund. The RPB is also involved in the ongoing development and implementation of the system. The online platform is near completion – testing commenced

at the end of April 2021 and the system is expected to go live by June 2021. The system will help with future well-being assessments, assessing performance, reporting arrangements and engagement opportunities. It will provide a central repository for all PSB members, stakeholders and citizens to the ongoing recording and analysis relating to well-being. The system aims to bridge the five-year gap between the publication of the assessments, to ensure that information on well-being is continuously utilised as and when new evidence is made available.

- the agreement of a joint approach again to undertaking the Assessment of Local Well-being. As previously, each PSB will again produce its own Well-being Assessment, completed by May 2022, dovetailing where possible with the process for the RPB's Population Needs Assessment, but these will be developed using a consistent methodology across the region. A regional working group has been established and has produced a Joint Methodology Framework between the PSBs which outlines this collective approach. It sets out how the Boards will work together across the four stages (data review, analysis, engagement and next steps), the different types of groups to be engaged with and the types of engagement techniques that will be used. A Regional Engagement Framework is being developed which will outline the approach to conducting engagement and consultation on the assessment.
- The three PSBs have been successful in bidding to the Welsh Government to utilise its regional allocation of funding for a Project Coordinator to assist with the preparation and production of the Assessments of Local Well-being. Ceredigion County Council will lead on managing the Project Co-ordinator post on behalf of the three PSBs.
- The three PSBs have applied, as a cluster, to benefit from support in relation to their implementation of co-production and involvement, with an initial focus on well-being assessments from Co-production Network for Wales. The Co-production Network has secured 5 years of funding from the National Lottery Community Fund to work with three 3 PSBs or a cluster of PSBs, building on the first round of well-being assessments to deepen engagement and involvement practice. It is hoped that the application will be successful with the work beginning in June 2021.

- The Head of Regional Collaboration, as the Regional Partnership Board (RPB) officer lead, is a member of the PSB and provides regular updates to PSB meetings on the Healthier West Wales Transformation Programme. These updates particularly focus on the areas where

there are clear links between the priorities of both Boards to ensure close alignment. Discussions are taking place to collaboratively progress projects receiving Welsh Government Transformation Fund money which support PSB objectives such as the promotion of volunteering and resilient communities, engagement with our communities and social and green solutions for health.

Specific discussions have taken place this year relating to the 'Proactive Technology – Enabled Care' (Connect) and 'Creating Connections for All' Programmes. The 'Connect' programme provides proactive care for people, using appropriate technology to promote and support chronic condition management, reduce loneliness & isolation, reduce hospital admissions & use of emergency services and 'Creating Connections for All' is engaging with communities to develop health and well-being.

Regular meetings continue to take place between the PSB leads for Carmarthenshire, Ceredigion and Pembrokeshire with the Head of Regional Collaboration to progress collaborative working.

Specific areas of integrated working which have continued to be progressed during the last year included:

1. citizen engagement arrangements at regional and locality level – the Health Board is co-ordinating this work to develop a public sector approach to involvement and engagement. Following discussion with PSB partners on collaborative opportunities to engage with our communities, the Health Board have commissioned digital systems that can support greater citizen engagement. A number of PSB member organisations are involved in the project with a view to creating a consistent engagement approach across a number of different public sector bodies. It is planned to use the 'Engagement HQ' platform during the engagement phase of the Well-being Assessment.
2. the development of the Digital Information System as outlined above.

Regional meeting of Carmarthenshire, Ceredigion, Pembrokeshire and Powys PSBs and RPBs

The annual regional meeting of the Carmarthenshire, Ceredigion, Pembrokeshire and Powys PSBs and the RPBs for West Wales and Powys took place on 4 November 2020, hosted by Ceredigion PSB. There were a series of presentations relating to key current regional matters:

- Digital Information System update
- RPB Working Together – an RPB perspective

- Strategic priorities and links to PSB – Hywel Dda Health Board
- Social and Green Solutions for Health Summit – January 2020 report
- Local Resilience Forum and the response to Covid-19
- Report from Police and Crime Commissioner

Five Ways of Working - images and description of 5 WOW

The PSB has embedded the five ways of working into its planning and working arrangements, aiming to consider the Five Ways of Working in all it does. This is evident in the projects which have been developed during the year.

The town centre/community multi-agency/sector hubs initiative is looking at how better use can be made of the premises that PSB partners have. With likely changes to ways of working in the future, as it has been demonstrated how staff can successfully work from home during the pandemic, partners are **collaboratively** reviewing the buildings needed for their staff to work out of and to deliver services from. **Integration** is being discussed, looking at options to bring staff together from different organisations to work out of the same buildings, saving space and running costs.

A **long-term** approach is being considered to change the behaviour and culture of organisations and communities in **collaborative** approaches to opportunities in responding to the climate emergency. This is also a **preventative** approach to stop matters getting worse. This includes the climate resilience plan for Newcastle Emlyn that has been developed and is being progressed and the planned carbon reduction workshop.

The work in Tyisha **involving** the local community to address key issues of concern that matter to the local community continues and is beginning to have an impact on the regeneration of the area. Local people will benefit from living in a safer, more enjoyable place.

The tree planting initiative **involved** local members of the community volunteering to plant almost 2,350 trees, creating new woodland sites for all to enjoy now and in the **long-term** as the areas continue to develop.

The Early Years Integration Team is delivering a **preventative** approach, developing **integrated** working across professions and organisations working with families during the early years of their children's lives.

The Green Infrastructure **involved** key stakeholders including the business community in the discussions

Preventative action is being taken to tackle anti-social behaviour and crime to stop vulnerable people from becoming victims in a multi-agency, **collaborative**, targeted approach.

Development areas for coming year

Other priority areas to be progressed:

- To prepare the next well-being assessment, aided by the new digital information system and engagement platform, by May 2022.
- To begin work to develop the new Well-being Plan, incorporating the learning from the Future Generations report.
- To ensure the delivery of our new priorities and actions as reviewed during the year and to continue working together as public sector partners to tackle the key issues facing Carmarthenshire as part of COVID-19 recovery.
- To review and ensure alignment and closer working with other regional strategic partnerships to ensure all opportunities are taken to engage and work with other regional partnerships.
- To continue to further integrate our work with the RPB with collaborative working to rationalise delivery arrangements and maximise the opportunities to implement both Plans.
- To develop the PSB's website to ensure it is an effective tool to give an insight into the working of the PSB and promote the collaborative efforts taking place and successes in delivering the Well-being Plan
- To develop a proposal for wider PSB communication channels to raise awareness among our communities of the work of the PSB, the actions being progressed and achievements to date.

EXECUTIVE SUMMARY
POLICY & RESOURCES SCRUTINY COMMITTEE
10 June 2021

**Carmarthenshire Public Services Board (PSB) Minutes –
December 2020, February & March 2021**

In order to ensure PSBs are democratically accountable, the Well-being of Future Generations (Wales) Act 2015 places a requirement on councils to designate an overview and scrutiny committee to scrutinise the work of the PSB. In the 'Guidance for Local Authority Scrutiny Committees on the scrutiny of Public Services Boards' issued by Welsh Government in August 2017 it notes:

'Under the provisions contained in the Act, overview and scrutiny committees have extensive powers to review the PSB's governance arrangements as well as any decisions made or actions taken by the PSB. In addition, overview and scrutiny committees are provided with considerable reporting powers as they are required to share copies of any reports or recommendations made in connection with the board's function or governance arrangement with the Welsh Ministers, the Future Generations Commissioner for Wales and the Auditor General for Wales.'

In Carmarthenshire, the Council's Policy & Resources Scrutiny Committee has been designated as the relevant scrutiny.

The minutes of the December 2020 Carmarthenshire PSB meeting were approved by the PSB at its 2 February 2021 meeting, the minutes of the February 2021 meeting were approved by the PSB at its 23 March 2021 meeting and the minutes of the March 2021 meeting were approved by the PSB at its 4 May 2021 meeting.

The minutes are presented to the Council's Policy & Resources Scrutiny for further consideration and scrutiny.

Cyngor Tref Cwmaman

Pwysleisiodd Rob Venus, Swyddog Datblygu Cymunedol, pa mor bwysig oedd yr angen am ddata lleol cyfredol a sut y gellid defnyddio eu hasedau i gyflawni amcanion y BGC wrth i bartneriaid y BGC eu cefnogi i ddatblygu prosiectau a'u gweithredu. Amlinellodd ddull cydweithredol yn cynnwys rhannu syniadau, rhannu gwybodaeth a nodi atebion. Gofynnwyd iddo baratoi cynnig ffurfiol ar y dull hwn er mwyn i'r BGC ei ystyried yn y dyfodol.

Mynegodd Huwel Manley ac Anna Bird ddiddordeb mewn cynnal trafodaethau pellach gyda'r Swyddogion Datblygu Cymunedol.

Cyngor Cymuned Llanedi

Rhoddodd Ruth Taylor-Davies, Swyddog Datblygu Cymunedol, drosolwg o'r gwaith a wnaed a'r heriau a wynebwyd.

Trafodwyd y mater o wella'r cydweithredu rhwng y BGC a'r Cynghorau Tref a Chymuned a chodi ymwybyddiaeth y BGC a'i waith mewn cymunedau a chytunwyd y byddai'r Cadeirydd a thîm cynorthwyo y BGC yn rhoi rhagor o ystyriaeth i hyn.

Ymhlith yr heriau y rhoddwyd sylw iddynt oedd trafndiaeth a gwasanaethau mewn siroedd cyfagos fel iechyd ac addysg.

Bydd Anna Bird yn cysylltu â'r Swyddogion Datblygu Cymunedol i drafod y tîm datblygu allgymorth cymunedol a mynediad at ragnodi cymdeithasol. Cytunodd Maria Battle fod cyfathrebu yn her barhaus a chadarnhaodd y bydd pob meddygfa yn darparu rhagnodi cymdeithasol yn y dyfodol.

Cyngor Cymuned Llannon

Gwnaed cais i rannu adnoddau/arbenigedd, yn enwedig o ran sefydlu siambr fasnach, awgrymiadau ar gyfer cyfleoedd cyllido a rheoli prosiectau.

Cynhaliwyd trafodaeth ar hyfforddiant cyflogadwyedd a diffyg trafndiaeth gyhoeddus o ardaloedd gwledig.

Crynhodd David Davies mai'r materion allweddol a amlygwyd gan y tri chyngor tref a chymuned oedd rhannu gwybodaeth ac awgrymodd y dylid ystyried hyn yn rheolaidd, rhagnodi cymdeithasol a seilwaith gwyrdd. Cytunwyd y dylid rhoi cyflwyniad ar y Bartneriaeth Natur mewn cyfarfod yn y dyfodol.

4. Cynllun Llesiant Cyngor Sir Caerfyrddin - y Wybodaeth Ddiweddaraf

Cronfa Her yr Economi Sylfaenol - Prosiect Caffael Bwyd y Sector Cyhoeddus

Mae'r cyllid yn dod i ben ddiwedd mis Mawrth ac mae'n mynd rhagddo'n dda.

- Caffael – Mae CLES wedi cwblhau adroddiadau gydag argymhellion a'u rhoi i'r sefydliadau. Bydd cyfle iddynt ystyried y rhain cyn i swyddogion perthnasol ailymgynnull i nodi meysydd posibl ar gyfer cydweithio. Yna cyflwynir adborth i'r Bwrdd Gwasanaethau Cyhoeddus a bydd cyfle i Aelodau eraill ymuno â thrafodaethau yn y dyfodol.
- Cadwyn cyflenwi bwyd – Y ffocws ar hyn o bryd yw mapio'r galw sefydliadol yn erbyn y cyflenwad lleol sydd ar gael ar hyn o bryd, yn enwedig bwyd ffres. Hefyd mae'n edrych ar arferion gorau mewn mannau eraill lle mae caffael yn y sector cyhoeddus wedi dylanwadu ar y cyflenwad lleol. Cynhelir dau ddigwyddiad mawr i randdeiliaid ym mis Mawrth a bydd y dyddiadau hyn yn cael eu rhannu.

Cyhoeddodd Llywodraeth Cymru yn ddiweddar y bydd cyllid ychwanegol ar gyfer datblygu prosiectau presennol y Gronfa Her.

Cafwyd trafodaeth ar Themâu, Canlyniadau a Mesurau a chytunwyd i ychwanegu hyn at Gynllun Gwaith Cronfa Her yr Economi Sylfaenol.

Y wybodaeth ddiweddaraf am gyllid Cyfoeth Naturiol Cymru

Roedd dau brosiect wedi'u cymeradwyo ar gyfer y cyllid a ddyrannwyd. Mae'r prosiect plannu coed yn mynd rhagddo'n dda. Fodd bynnag, nid yw'n bosibl cwblhau'r gwaith uwch gynllunio Seilwaith Gwyrdd ar gyfer Lôn Jackson a Chastell Newydd Emlyn cyn y dyddiad cau ar ddiwedd

mis Mawrth. O ganlyniad, dim ond elfennau o'r prosiect fydd yn cael eu cyflawni a'r gobaith yw, os bydd cyllid ar gael, y bydd y gwaith yn parhau y flwyddyn nesaf.

Gwahoddwyd partneriaid i gysylltu â Jean White i fynd ar drywydd cyfyngiadau ariannol o ran Llywodraeth Cymru. Ychwanegodd Ruth Mullen y bydd hi hefyd yn ymateb i ohebiaeth sydd wedi dod i law yn gofyn am adborth ar y rhwystrau a'r heriau sy'n arwain at y niferoedd isel o geisiadau am gyllid CNC/LIC yn ymwneud â'r Goedwig Genedlaethol ac Ecoleg Gynaliadwy. Mae gan y ddwy raglen amserlenni tynn a meini prawf anodd.

Prosiect Cronfa Adfer Gwirfoddoli yn sgil y Coronafeirws

Cafwyd cymeradwyaeth ganol mis Ionawr ac mae angen gwario'r cyllid erbyn diwedd mis Mawrth. Roedd y broses dendro wedi'i chwblhau cyn cadarnhau, ac o ganlyniad roedd penodiadau wedi cael eu gwneud yn gyflym ar gyfer y porth a'r hyfforddiant ar-lein sy'n mynd rhagddynt yn dda. Yn anffodus, ni fu'n bosibl penodi ymgynghorydd ar gyfer gwaith y Strategaeth Wirfoddoli sydd bellach wedi'i rannu'n dri darn o waith: Rhan BGC o'r prosiect yn ymwneud â datblygu, gwirfoddoli mewn argyfwng, a gwirfoddoli lleol. Cymeradwywyd y prosiect gan yr holl Bartneriaid.

Cynllun Gwaith

Datblygwyd hwn i gadw golwg ar y prosiectau a'r mentrau niferus y mae'r BGC yn ymwneud â nhw. Bydd yn eitem sefydlog ar yr agenda ac yn cael ei diweddarau fel y bo'n briodol.

Mae'r prosiect Caffael Blaengar yn brosiect rhanbarthol, ar sail ôl troed Bargaen Ddinesig Bae Abertawe, a ariennir gan Lywodraeth Cymru. Cynhelir gweithdy cychwynnol ar 11 Chwefror, wedi'i hwyluso gan CLES a'i gefnogi gan Ganolfan Cydweithredol Cymru. Mae Llywodraeth Cymru wedi comisiynu CLES i weithio gyda Byrddau Gwasanaethau Cyhoeddus yn ystod y 10 mis nesaf i herio'r meddylfryd ar egwyddorion caffael blaengar. Bydd elfen yn dyblygu prosiect yr Economi Sylfaenol gyda'r fantais o weithio gyda sefydliadau eraill a chydweithio ar sail ôl troed gwahanol.

5. Ffocws blaenoriaethau newydd – amlinellid o'r trefniadau

Bregusrwydd

Mae bregusrwydd yn gyfrifol am 80% o'r galw am yr heddlu. Sefydlwyd yr Hwb Bregusrwydd yn y Pencadlys i sicrhau dull cyson ar draws ardal yr heddlu. Datblygwyd dull system gyfan o ran bregusrwydd a mabwysiadwyd ethos y Bwrdd Diogelu, sef 'y cymorth iawn ar yr adeg iawn'. Mae'r Hwb wedi bod ar waith ers 12 mis ac mae'n cael ei werthuso ar hyn o bryd. Un

o'r datblygiadau allweddol yw cyflwyno'r Ddesg Brysbennu ac Asesu. O ran bregusrwydd a diogelu, nid oes unrhyw bryderon ynghylch rhannu gwybodaeth ond mae angen gwneud gwelliannau mewn perthynas â rhannu gwybodaeth gorfforaethol.

Croesawyd y cysylltiadau cryf â'r Bwrdd Diogelu, ond mae gan y BGC rôl o ran atal y materion lefel is rhag gwaethygu. Cytunwyd i gysylltu â'r Bwrdd Diogelu o ran mabwysiadu'r dull gweithredu, sy'n debyg i ddull clwstwr Powys o rannu gwybodaeth ag ysgolion. Cytunwyd hefyd i gynnal gweithdy strategol i adolygu rhannu gwybodaeth gorfforaethol a chytuno ar y camau nesaf.

Hybiau Gwasanaethau Cyhoeddus Canol Tref

Cynhaliwyd cyfarfod yn ddiweddar rhwng Gwasanaeth Tân ac Achub Canolbarth a Gorllewin Cymru, Heddlu Dyfed-Powys, Bwrdd Iechyd Prifysgol Hywel Dda a Chyngor Sir Caerfyrddin i rannu gwybodaeth am ffyrdd newydd a gwell o weithio ar ôl COVID. Cytunwyd i ymgymryd â'r gwaith cwmpasu cychwynnol o ran y gweithlu, TGCh, cyfathrebu, adeiladau ac eiddo. Y nod yw nodi cyfleoedd i gydweithio mewn perthynas â hybiau canol tref a bod yn amlwg o bosib mewn trefi gwledig. Estynnwyd gwahoddiad i'r holl aelodau ymuno â'r sgysiau.

6. Y wybodaeth ddiweddaraf am y Bwrdd Partneriaeth Ranbarthol

Mae'r cynlluniau cyflawni ar gyfer rhaglenni'r Gronfa Trawsnewid yn cael eu datblygu a derbyniwyd cyllid ar gyfer blwyddyn bontio arall. Cafwyd cadarnhad hefyd ynghylch dyraniad y Gronfa Gofal Integredig ar gyfer y flwyddyn nesaf ac mae sgysiau'n parhau gyda Llywodraeth Cymru ynghylch cyllid olynol. Rhoddwyd trosolwg o'r Papur Gwyn ar Ailgydbwysu Gofal a Chymorth, a gyhoeddwyd yn ddiweddar. Daw'r ymgynghoriad i ben ar 6 Ebrill.

Cyngor Gwledig Llanelli

Rhoddodd Darren Rees, Swyddog Datblygu Cymunedol, drosolwg o'r ffordd y mae'r cyngor yn bodloni Amcanion Llesiant Sir Gaerfyrddin. Mae'r mentrau a ddatblygwyd yn ystod y flwyddyn yn cynnwys: Hwb Casglu Sbwriel, Cyfeillion Stryd, Credydau Amser a phrosiect Hwb Llwynhendy lle mae astudiaeth ddichonoldeb yn cael ei chynnal. Rhoddodd Mark Galbraith, Clerc, drosolwg o'r cynlluniau ar gyfer Cronfeydd Cwm Lliedi lle bydd y ffocws tymor byr ar osod pontŵn ac adnewyddu'r bloc toiledau.

Cyngor Tref Caerfyrddin

Rhoddodd Alun Williams, Clerc, drosolwg o'r datblygiadau yn ystod pandemig COVID a oedd yn creu heriau o ran ffyrdd o weithio. Canolbwyntiwyd ar ofalu am y rhai sy'n agored i niwed a defnyddiwyd tudalen Facebook newydd i gyrraedd llawer ohonynt. Mae'r Cyngor Tref hefyd wedi helpu i ddarparu 150 o fasgedi crog, 500 o feisorau diogelwch (ar y cyd â'r Ford Gron), a hylif diheintio dwylo. Un o elfennau allweddol llesiant cymunedol yw Parc Caerfyrddin sy'n cynnig amrywiaeth o gyfleusterau ac yn cynnal digwyddiadau amrywiol megis Gŵyl y Gaeaf a ddenodd 62,000 o bobl i'r dref.

4. Y Bwrdd Partneriaeth Ranbarthol: Diweddariad ynghylch Gorllewin Cymru Iachach

Rhoddodd Martyn Palfreman a Rebecca Llewhellin gyflwyniad ar Raglen Drawsnewid Gorllewin Iachach Cymru, yn enwedig y Rhaglenni 'Gofal Rhagweithiol trwy Gymorth Technoleg' (Connect) a 'Creu Cysylltiadau i Bawb'.

Roedd rhaglen Connect yn darparu gofal rhagweithiol i bobl, gan ddefnyddio technoleg briodol i hyrwyddo a chefnogi rheoli cyflyrau cronig, lleihau unigrwydd ac arwahanrwydd, lleihau derbyniadau i'r ysbyty a defnyddio gwasanaethau brys. O ganlyniad i Covid-19 roedd dros 2,000 o bobl wedi ymuno â'r rhaglen rhwng Mawrth 2020 a Chwefror 2021, roedd 12,030 o alwadau rhagweithiol wedi'u gwneud ac roedd 42,152 o sgysiau monitro galwadau wedi bod gyda chleientiaid; yr oedd 7% ohonynt wedi'u hatgyfeirio ar gyfer asesiadau statudol. Y blaenoriaethau ar gyfer 2021-22 yw ehangu'r rhaglen er mwyn cefnogi mwy o gleientiaid ar draws y rhanbarth, datblygu cynllun cynaliadwyedd effeithiol ar gyfer y rhaglen, ac ymgysylltu â gwasanaethau statudol a darparwyr eraill i gynyddu atgyfeiriadau i Connect ac oddi wrth Connect.

Mae Creu Cysylltiadau i Bawb yn ymgysylltu â chymunedau i ddatblygu iechyd a llesiant. Arweiniodd Covid-19 at ymgysylltu'n ddigidol mewn dull oedd yn canolbwyntio ar unigolion. Darparwyd yr hyn a gyflawnwyd a'r canlyniadau hyd yn hyn, a oedd yn cynnwys lansio Plattform Connect yn gyflymach, addewidion caredigrwydd ar y wefan cysylltu â charedigrwydd, cyllid grant i 11 o brosiectau sy'n pontio'r cenedlaethau, gwirfoddolwyr yn cyfrannu at ddarparu gweithgareddau cymunedol a sefydlu Canolfannau Gweithredu Lleol. Y blaenoriaethau ar gyfer y flwyddyn i ddod oedd ymestyn y defnydd o'r plattfformau Connect, canolbwyntio ar sefydliadau a'r gweithlu ar gyfer Cysylltu â Charedigrwydd, ymgysylltu â Connector Plus, meithrin sgiliau a hyder, ailsefydlu'r Canolfannau Gweithredu Lleol a chymell gwirfoddoli.

Roedd ap Cysylltu â Llesiant wedi'i ddatblygu a byddai'n mynd yn fyw ar 1 Ebrill.

Cafodd y ddau eu llongyfarch ar y gwaith hyd yn hyn a chafwyd trafodaeth ynghylch ymgysylltu.

Roedd y sesiynau wedi denu llawer o ddiddordeb. Roedd y cyllid yn dod i ben ddiwedd mis Mawrth 2021; fodd bynnag roedd trafodaethau'n parhau ynghylch parhau ag ail gam y prosiect. Cafodd argymhellion penodol o'r adroddiad CLES eu cyflwyno i gytuno arnynt mewn egwyddor, ond gan fod yr aelod o'r Bwrdd lechyd wedi gadael y cyfarfod, gan adael y BGC heb gworwm, trefnwyd y byddai'r adroddiad yn cael ei ddosbarthu drwy e-bost i'w gymeradwyo gan yr aelodau.

Roedd y fenter plannu coed wedi'i hymestyn i gynnwys gwella cynefin fel blychau nythu, gan elwa ar y tanwariant ar y prosiect Seilwaith Gwyrdd. 7. Y Diweddaraf am Asesu Llesiant

Roedd yr Asesiad Llesiant i'w gyhoeddi erbyn 5 Mai. Roedd yr Aelodau wedi cytuno o'r blaen i gefnogi dull rhanbarthol ac roedd gweithgor wedi'i sefydlu i ddatblygu hyn. Roedd trafodaethau cychwynnol wedi'u cynnal lle roedd ystyriaeth wedi'i rhoi i adborth Comisiynydd Cenedlaethau'r Dyfodol a Llywodraeth Cymru ar yr asesiad diwethaf. Roedd llythyr ar y cyd wedi dod i law gan y Comisiynydd a'r Gweinidog Tai a Llywodraeth Leol, a roddai ddisgwyliadau clir. Byddai hon yn eitem sefydlog yng nghyfarfodydd y BGC yn y dyfodol.

8. Unrhyw Fater Arall

Gweithdy adroddiad Comisiynydd Cenedlaethau'r Dyfodol

Cytunwyd bod dyddiad yn cael ei drefnu ar gyfer y gweithdy a bod y cynnwys hefyd yn ymdrin â phynciau eraill fel y bo'n briodol i lywio'r Asesiad Llesiant.

Pwyllgor Cyfrifon Cyhoeddus y Senedd

Cyflwynwyd ymateb i ymholiad y Pwyllgor ar sut roedd Deddf Llesiant Cenedlaethau'r Dyfodol wedi cael ei hymgorffori. Roedd adroddiad y Pwyllgor wedi'i gyhoeddi yr wythnos diwethaf a byddai'n cael ei ddosbarthu i'r aelodau er gwybodaeth.

Cyfleoedd ariannu Llywodraeth y DU

Roedd Llywodraeth y DU wedi cyhoeddi dwy gronfa yr wythnos diwethaf: *Levelling Up* a *Community Renewal*. Roedd yr awdurdod lleol wedi'i benodi fel y sefydliad arweiniol ar gyfer Sir Gaerfyrddin, â photensial am hyd at werth £3m o gynigion i'w cyflwyno ar gyfer y gronfa adnewyddu cymunedau. Gofynnwyd i bartneriaid y BGC fod yn rhan o grŵp cynghori a fyddai'n ystyried prosiectau, a chyflwyno ceisiadau eu hunain. Byddai angen i brosiectau ganolbwyntio ar sgiliau, cymunedau, lleoedd a busnesau lleol, a chymorth i gyflogaeth.

Cynghorau Tref a Chymuned

Yn dilyn cyfarfod gyda'r Cynghorau Tref a Chymuned, roedd wedi'i gynnig bod digwyddiad blynyddol yn cael ei gynnal gyda'r BGC i nodi arfer da ac i rannu adroddiadau blynyddol. Cytunwyd ar hyn mewn egwyddor gan y BGC. Byddai rhagor o wybodaeth yn cael ei rhoi maes o law.

Rhagair gan y Cadeirydd

Fel Cadeirydd y Pwyllgor hwn, mae'n bleser gennyf gyflwyno Adroddiad Blynnyddol y Pwyllgor Craffu - Polisi ac Adnoddau ar gyfer blwyddyn y cyngor 2020/21. Mae'r adroddiad hwn yn rhoi crynodeb cynhwysfawr o'r gwaith a wnaed gan y Pwyllgor yn ystod y cyfnod hwn ac yn rhoi cyfle i fyfrio ar y gwaith hwnnw.

Mae'r flwyddyn ddiwethaf wedi bod yn gyfnod heriol i'r Cyngor oherwydd Pandemig Covid 19 a chredaf fod y Pwyllgor hwn wedi parhau i chwarae rôl adeiladol wrth graffu ar berfformiad a chyfrannu at bolisïau a phenderfyniadau allweddol y Cyngor.

Er bod nifer o gyfarfodydd wedi'u canslo ar ddechrau'r flwyddyn oherwydd i gyfyngiadau symud ddod i rym, daeth Rheoliadau Awdurdodau Lleol (Coronafeirws) (Cyfarfodydd) (Cymru) (Diwygio) 2020 i rym ar 22 Ebrill 2020 gan ganiatáu i'r Awdurdod wneud trefniadau i gynnal cyfarfodydd o bell. Roedd, wrth reswm, ei heriau ei hun ynghlwm wrth hyn ond roeddem wedi gallu trafod a chraffu ar amrywiaeth eang o bynciau. Roedd y rhain yn cynnwys adroddiadau monitro safonol a rheolaidd yn ogystal â pholisïau a strategaethau newydd a gyflwynwyd gan y Cyngor Sir.

Bydd y flwyddyn sydd i ddod yn sicr yr un mor heriol ond rwy'n hyderus y byddwn yn parhau i roi pwyslais ar wella gwasanaethau mewn modd effeithiol ac effeithlon. Bydd hyn, wrth reswm, yn cynnwys ffyrdd newydd o weithio a chyfarfod wrth i ni ystyried goblygiadau'r pandemig.

Edrychaf ymlaen unwaith eto at yr her o gadeirio'r Pwyllgor hwn, a chyda chymorth fy Is-gadeirydd a gweddill y Pwyllgor gobeithio y cawn effaith gadarnhaol ar y canlyniadau ar gyfer trigolion Sir Gaerfyrddin. Byddwn yn parhau i weithio'n agos gydag uwch-reolwyr a staff y Cyngor i sicrhau bod y flwyddyn sydd o'n blaenau yn un gynhyrchiol.

Fel Cadeirydd y Pwyllgor, cadeirïaf hefyd Fforwm y Cadeiryddion a'r Is-gadeiryddion Craffu, sy'n trafod gwelliannau i'r swyddogaeth graffu i'w hystyried gan Weithgor Adolygu Cyfansoddiad y Cyngor ac yn gweithredu fel fforwm ar gyfer rhannu a dosbarthu arferion da o ran craffu. O ganlyniad i bandemig Covid-19, gohiriwyd llawer o'r gwaith Craffu a gynlluniwyd ar gyfer 2020/21 wrth i swyddogion wneud penderfyniadau dirprwyedig yn ystod y cyfnod hwn o argyfwng. [Cyn belled](#) ag yr oedd Pwyllgorau Craffu yn y cwestiwn, manteisiwyd ar y cyfle dros yr haf - mewn cytundeb â'r Bwrdd Gweithredol, i ail-osod Craffu ac i we-ddarlledu cyfarfodydd Craffu. Mae'r broses ddiwygiedig yn rhoi Aelodau'r Bwrdd Gweithredol mewn man blaenllaw o ran atebolrwydd. Gan ragweld y trefniadau craffu newydd, gwnaethom hefyd gytuno ar gyfres o sesiynau hyfforddi Craffu rhithwir ar gyfer aelodau a gynhaliwyd gan y Ganolfan Llywodraethu a Chraffu. Roedd y sesiynau hyfforddi hyn yn rhoi sylw i'r

sgiliau hanfodol sy'n ofynnol i ymgymryd â chraffu yn effeithiol a hefyd sgiliau ar gyfer cyfarfodydd ar-lein wrth inni we-ddarlledu'r cyfarfodydd craffu am y tro cyntaf. Er bod cyfarfodydd y Pwyllgor Craffu, wrth reswm, wedi eu canslo am rai misoedd, rhoddwyd trefniadau ar waith i sicrhau bod y grwpiau gwleidyddol yn ymwybodol o waith y Cyngor. Ymhlith y mentrau hyn oedd amserlennu cyfarfodydd wythnosol ar-lein rhwng Arweinyddion y 4 Grŵp Gwleidyddol, a bu'r cyfleuster "galw i mewn" safonol a chwestiynau heb rybudd ar waith o hyd ar gyfer cyfarfodydd y Bwrdd Gweithredol o fis Mehefin 2020 ymlaen.

Mae wedi bod yn gyfnod heriol i aelodau etholedig a swyddogion fel ei gilydd wrth newid sut yr ydyn ni'n gweithio a mynd i'r afael â thechnoleg newydd er mwyn cynnal cyfarfodydd o bell. Cytunodd Cadeiryddion ac Is-gadeiryddion y Fforwm Craffu fod y gyfres gyntaf o gyfarfodydd rhithwir wedi mynd yn dda ac y byddai adborth a gwelliannau am gyfarfodydd rhithwir yn eitem sefydlog ar agenda ein Fforwm hyd y gellir rhagweld'.

I gloi, hoffwn ddiolch i holl aelodau'r Pwyllgor a'r swyddogion am eu cyfraniadau a'u hymroddiad yn ystod 2020/21.

Y Cyngorydd Giles Morgan
Cadeirydd y Pwyllgor Craffu - Polisi ac Adnoddau

1. Cyflwyniad

Mae Erthygl 6.2 o Gyfansoddiad y Cyngor yn ei gwneud yn ofynnol i'r holl bwyllgorau craffu *"baratoi adroddiad blynyddol sy'n egluro gweithgareddau'r Pwyllgor dros y flwyddyn flaenorol."*

Prif nod yr adroddiad yw pwysleisio'r gwaith sydd wedi'i wneud gan y Pwyllgor Craffu - Polisi ac Adnoddau yn ystod 2020/21. Mae'n amlinellu gwaith posibl y Pwyllgor yn y dyfodol. Mae'n bosibl hefyd y bydd y ddogfen yn hwyluso trafodaethau am eitemau eraill a allai gael eu cynnwys mewn rhaglenni gwaith yn y dyfodol.

Cadeirir y Pwyllgor gan y Cynghorydd Giles Morgan ac mae'n cynnwys 13 o Aelodau Etholedig. Darperir cymorth i'r Panel gan y Tîm Gwasanaethau Democrataidd a swyddogion eraill y Cyngor pan fo angen.

Mae'r adroddiad hwn yn rhoi trosolwg o waith y Pwyllgor Craffu - Polisi ac Adnoddau yn ystod blwyddyn y cyngor 2020/21. Mae'n caniatáu i Aelodau ystyried llwyddiannau'r flwyddyn a nodi beth a weithiodd yn dda ac ymhle y gellid gwneud gwelliannau. Mae'r dadansoddiad hwn yn hanfodol i ddatblygu'r broses graffu.

2. Trosolwg o waith y Pwyllgor 2020/21

2.1 Nifer y Cyfarfodydd

Cynhaliodd y Pwyllgor Craffu 6 chyfarfod ym Mlwyddyn Ddinesig 2020/21. Cafodd y cyfarfodydd a oedd i fod i'w cynnal rhwng mis Ebrill a Hydref 2020 eu canslo oherwydd y Pandemig Coronafeirws.

2.2 Y Flaenraglen Waith

Mae'r Pwyllgor Craffu yn datblygu ei Flaenraglen Waith (FWP) ei hun ar gyfer 2020/21 ond ni chadarnhaodd y Pwyllgor hyn tan ei gyfarfod ar 2 Rhagfyr 2020 oherwydd y cyfarfodydd a ganslwyd.

Roedd y Flaenraglen Waith yn seiliedig yn bennaf ar y meysydd allweddol a nodwyd fel amcanion yn Strategaeth Gorfforaethol y Cyngor 2018-23 ynghyd ag eitemau safonol megis adroddiadau monitro perfformiad a chyllideb, adroddiadau monitro cynlluniau gweithredu a cheisiadau penodol gan y pwyllgor craffu ei hun. Gofynnwyd hefyd am adroddiadau ychwanegol gan y Pwyllgor Craffu yn ystod y flwyddyn a newidiwyd y Flaenraglen Waith yn unol â hynny.

Drwy ddatblygu'r cysyniad o Flaenraglen Waith a'r broses ar gyfer cytuno arni, mae modd i bob pwyllgor craffu benderfynu ar ei agenda waith ei hun. Mae manteision y dull hwn o weithio wedi arwain at wella'r drafodaeth a'r cyfraniadau yn ystod cyfarfodydd y pwyllgorau craffu.

Roedd Deddf Llesiant Cenedlaethau'r Dyfodol (Cymru) 2015 yn rhoi lle blaenllaw i gynaliadwyedd hirdymor o ran y modd y caiff gwasanaethau cyhoeddus eu dylunio a'u cyflwyno ac mae'n rhoi pwyslais ar gyrff cyhoeddus i weithio mewn partneriaeth â'i gilydd a'r cyhoedd er mwyn atal a mynd i'r afael â phroblemau. Sefydlodd y

Ddeddf Fwrdd Gwasanaethau Cyhoeddus ar gyfer pob Awdurdod Lleol yng Nghymru.

Er mwyn sicrhau bod y byrddau gwasanaethau cyhoeddus yn atebol yn ddemocrataidd, roedd gofyniad ar Gynghorau i ddynodi pwyllgor trosolwg a chraffu i graffu ar waith y Bwrdd Gwasanaethau Cyhoeddus. Fel Pwyllgor Craffu dynodedig y Cyngor i'r perwyl hwn, mae'r Pwyllgor Craffu - Polisi ac Adnoddau wedi parhau â'i rôl o ran craffu ar waith y Bwrdd Gwasanaethau Cyhoeddus a'i ddal i gyfrif ynghylch ei berfformiad o ran cyflawni amcanion y Cynllun Llesiant Lleol. Yn hyn o beth cafodd y Pwyllgor gofnodion cyfarfodydd y Bwrdd Gwasanaethau Cyhoeddus yn rheolaidd.

Bydd yr adrannau canlynol yn rhoi cipolwg ar brif feysydd gwaith y Pwyllgor.

2.4 Cyllidebau Refeniw a Chyfalaf

Cafodd y Pwyllgor adroddiadau chwarterol am y cyllidebau cyfalaf a refeniw adrannol a chorfforaethol. Galluogai'r adroddiadau hyn yr aelodau i fonitro'r gwariant ym mhob maes a'r cynnydd a wnaed o ran unrhyw waith cyfalaf.

Yn ogystal â monitro'r gyllideb bresennol, ymgynghorwyd â'r Pwyllgor hefyd ynghylch Strategaeth Cyllideb Refeniw 2021/22 i 2023/24. Roedd yr adroddiad yn rhoi'r cynigion presennol i'r Pwyllgor ynghylch y Gyllideb Refeniw ar gyfer 2021/22, ynghyd â ffigurau dangosol ar gyfer blyneddoddd ariannol 2022/23 a 2023/24.

Wrth gyflawni ei waith mae'r Pwyllgor wedi wynebu sawl her, gan gynnwys eitemau heb gael eu hadrodd yn unol â'r Flaenraglen Waith, lefel y manylder yn yr adroddiadau - weithiau gormod o fanylion, weithiau rhy ychydig a'r oedi cyn cael yr adroddiadau ariannol, er bod hyn yn cael sylw i'r graddau yr oedd y gweithdrefnau ariannol yn caniatáu.

POLICY & RESOURCES SCRUTINY COMMITTEE

10TH JUNE 2021

FORTHCOMING ITEMS FOR NEXT MEETING TO BE HELD ON 21ST JULY 2021

In order to ensure effective Scrutiny, Members need to be clear as to the purpose of requesting specific information and the outcome they are hoping to achieve as a consequence of examining a report. Limiting the number of agenda items may help to keep meetings focused and easier to manage.

Proposed Agenda Item	Background	Reason for report <i>What is Scrutiny being asked to do? e.g. undertake a full review of the subject? Investigate different policy options? Be consulted on final proposals before decision making? Monitor outcomes /implementation?</i> <i>If the item is for information or for noting, can the information be provided in an alternative format i.e. via email?</i>
Draft Carmarthenshire County Council's Annual Report for 2020/21	The report provides an overview of 2020/21 Performance	Under the Local Government (Wales) Measure 2009 the Council must publish an Annual Report on past performance by the end of October each year.

Embedded within the action plans for delivering the key projects are the five sustainable development principles.
Digital Schools Strategy Annual Report 2021	This annual progress report provides an update on Carmarthenshire County Council's Digital Schools Strategy	The Digital Schools Strategy 2018-2021 was approved in May 2018 by the Executive Board and CMT. A commitment was given within that strategy to produce an annual report to inform the Authority of the progress made against the key priorities and approved projects.
Sickness Absence Monitoring Report - end of year 2020/21	This report provides the committee with sickness absence data for the 2020/21 financial year.	The Committee has requested that half yearly reports are provided to its members to allow them to fulfil their scrutiny role.

When choosing a topic a Scrutiny Committee should consider whether:-

- **scrutiny could have an impact and add value**
- **the topic is of high local importance and reflects the concerns of local people**
- **the resources are available that would be required to conduct the review, in terms of resources and budget**
- **it avoids work duplication elsewhere**
- **the issue is one that the committee can realistically influence**
- **the issue is related to an area where the council, or one of its partners, is not performing well**
- **the issue is relevant to all or large parts of the local area**
- **the review would be in the council's interests.**

Topics are not suitable for scrutiny when:

- **the issue is already being addressed elsewhere and change is imminent**

- the topic would be better addressed elsewhere (and will be referred there)
- scrutiny involvement would have limited or no impact upon outcomes
- the topic may be sub-judice or prejudicial to the council's interest
- the topic is too broad to make a review realistic
- new legislation or guidance relating to the topic is expected within the next year
- the topic area is currently subject to inspection or has recently undergone substantial change.

3. CWESTIYNAU GAN Y CYHOEDD

Nid oedd cwestiynau gan y cyhoedd wedi dod i law.

4. CYNLLUN BUSNES ADRANNOL Y PRIF WEITHREDWR 2021/22

Rhoddodd y Pwyllgor ystyriaeth i Gynllun Busnes Adran y Prif Weithredwr 2021-22 a amlinellai y blaenoriaethau ar gyfer yr adran ac a nodai sut yr oeddent yn cefnogi'r 5 Ffordd o Weithio a 7 Nod Deddf Llesiant Cenedlaethau'r Dyfodol (Cymru) 2015. Yn sgil pandemig Coronafeirws COVID-19, roedd hwn yn gynllun cryno; byddai fel arfer yn cynnwys adran adolygu ond roedd hwn eisoes wedi'i gynnwys yn yr Asesiadau o Effaith COVID-19 ar Wasanaethau a gyflwynwyd yn flaenorol i'r Pwyllgor.

Roedd y canlynol ymhlith y materion a godwyd wrth ystyried yr adroddiad:

TGCh a Pholisi Corfforaethol

- Dywedwyd y byddai profiadau ac adborth staff ac Aelodau dros y flwyddyn ddiwethaf o ran gweithio gartref ac ati yn cyfrannu at ddatblygiad rhaglen waith y dyfodol a 'ffyrdd newydd o weithio';
- Eglurwyd mai'r sgôr risg uchaf bosibl o dan 'Risgiau Adrannol Allweddol' fyddai 25 ac y byddai matrices yn cael ei ddefnyddio;
- Mewn ymateb i bryder ynghylch adrodd am 'Fesurau Llwyddiant Allweddol' fel canrannau yn hytrach na thargedau, eglurwyd bod hyn wedi'i osod ar lefel Cymru gyfan a'i fonitro gan Lywodraeth Cymru. Mewn gwirionedd roedd cynlluniau busnes is-adrannol gweithredol yn sail i'r Cynllun Adrannol 'lefel uchel' a oedd yn cynnwys llawer mwy o fanylion a mesurau perfformiad gweithredol. Rhoddwyd gwybod i'r Pwyllgor am y rhain yn chwarterol. Awgrymwyd y dylid trefnu sesiwn gloywi ar gyfer y Pwyllgor ynghylch y System Monitro Perfformiad a Gwella(PIMS);

Y Gyfraith a Gweinyddiaeth

- O ran 'cyllidebau cyfun' gydag awdurdodau eraill, dywedwyd bod pob awdurdod ar hyn o bryd yn cadw rheolaeth ar ei gyfran ei hun o'r gyllideb ond bod trafodaethau ar wariant yn cael eu cynnal ar sail partneriaeth;
- Dywedodd Pennaeth y Gyfraith a Gweinyddiaeth, mewn ymateb i gwestiwn, nad oedd gan Adran y Gyfraith ddigon o adnoddau ar hyn o bryd a bod yn rhaid i ryw faint o waith cyfreithiol sy'n ymwneud â gofal cymdeithasol ac addysg yn benodol gael ei gcontractio'n allanol a'r gwasanaethau perthnasol fyddai'n talu amdanynt. Roedd trafodaethau ar y gweill gydag adrannau cleientiaid gyda'r bwriad o nodi cyllid a fyddai'n caniatáu i dîm mewnol y gyfraith gadw mwy o waith yn fewnol;

Rheoli Pobl

- Mewn ymateb i ymholiad, cytunodd y Prif Weithredwr Cynorthwyol i ail-edrych ar hepgor perfformiad y tîm TIC o'r 'Mesurau Llwyddiant Allweddol' yn enwedig o ystyried yr arbedion effeithlonrwydd a nodwyd hyd yma a'r posibiliadau ar gyfer gwella ar y llwyddiant hwnnw mewn meysydd nad oeddent wedi cael sylw hyd yn hyn megis masnachadwyedd;
- Cyfeiriwyd at yr anawsterau presennol y mae gweithwyr newydd yn eu profi oherwydd diffyg ymgysylltiad wyneb yn wyneb â'u cydweithwyr a'r angen i greu ethos tîm. Dywedwyd y gallai Penaethiaid Gwasanaeth ganiatáu i staff ddychwelyd i'r swyddfa am resymau sy'n gysylltiedig â materion llesiant, diffyg lle neu fand eang gartref, hyfforddiant/sefydlu a chymorth ar gyfer prentisiaethau a staff newydd, neu ofynion gwaith e.e. gweithio ar bapur neu'r angen i gwrdd â'r cyhoedd wyneb yn wyneb;

Adfywio - Eiddo

- Mewn ymateb i ymholiad ynghylch a oedd unrhyw beth y gallai'r awdurdod ei wneud i sicrhau bod unrhyw eiddo a werthai yn cael ei ddefnyddio at y diben a gynigiwyd yn wreiddiol gan y prynwr. Nododd y Pennaeth Adfywio,

er bod hyn yn anodd, mewn rhai amgylchiadau, roedd yna ffyrdd lle y gellid dylanwadu ar ddefnydd yn y dyfodol megis cadw tir rhydd-ddaliad nes bod y datblygiad wedi'i gwblhau'n foddhaol;

- O ran meintioli buddion adfywio i dwristiaeth, dywedwyd wrth y Pwyllgor fod y cynllun adfer economaidd ledled y Sir yn seiliedig ar 11 thema allweddol a oedd yn cynnwys twristiaeth/digwyddiadau ac ati.

PENDERFYNWYD YN UNFRYDOL nodi'r Cynllun.

5. CYNLLUN BUSNES ADRANNOL GWASANAETHAU CORFFORAETHOL 2021/2022

Ystyriodd y Pwyllgor Gynllun Busnes Adran y Gwasanaethau Corfforaethol 2021-22 a oedd yn amlinellu blaenoriaethau'r adran a sut yr oedd yn cefnogi'r Pum Ffordd o Weithio a 7 nod Deddf Llesiant Cenedlaethau'r Dyfodol (Cymru) 2015.

Roedd y canlynol ymhlith y materion a godwyd wrth ystyried yr adroddiad:

- O ran y ddwy sgôr risg uchaf o 25 yn yr is-adran Refeniw a Chydymffurfiaeth Ariannol, dywedwyd bod y rhain mewn meysydd blaenoriaeth uchel ond bod rheolaethau ar waith i sicrhau y darperir gwasanaethau a oedd yn cynnwys monitro parhad;
- Mewn ymateb i gwestiwn, dywedwyd bod y Gofrestr Risg Gorfforaethol a gyflwynwyd i'r Pwyllgor Archwilio yn manylu ar y risg gychwynnol a'r risgiau a ailaseswyd a oedd yn ystyried y rheolaethau a roddwyd ar waith.

PENDERFYNWYD YN UNFRYDOL nodi'r Cynllun.

6. CYNLLUN BUSNES ADRANNOL YR AMGYLCHEDD 2021/22

Bu'r Pwyllgor yn ystyried darnau o Gynllun Busnes Adran yr Amgylchedd 2021-22 yn ymwneud â'r Is-adran Eiddo a oedd yn berthnasol i faes gorchwyl y Pwyllgor. Roedd y darnau o'r Cynllun yn amlinellu blaenoriaethau'r adran a sut yr oeddent yn cefnogi 5 Ffordd o Weithio a 7 nod Deddf Llesiant Cenedlaethau'r Dyfodol (Cymru) 2015.

Cytunodd y Pennaeth Eiddo, mewn ymateb i gwestiwn, i ymchwilio i gyfleoedd i ychwanegu at y rhestr o fesurau llwyddiant allweddol.

PENDERFYNWYD YN UNFRYDOL nodi'r Cynllun.

7. STRATEGAETH TRAWSNEWID DIGIDOL 2021-2024

Rhoddodd y Pwyllgor ystyriaeth i Strategaeth Trawsnewid Digidol arfaethedig 2021-2024 a oedd yn manylu ar flaenoriaethau a dyheadau digidol strategol y Cyngor ac yn amlinellu'r hyn yr oedd yn bwriadu ei wneud i gyflawni ei weledigaeth ar gyfer Sir Gaerfyrddin Ddigidol dros y 3 blynedd nesaf. Nodwyd bod y ddibyniaeth ar dechnoleg i ddarparu gwasanaethau rheng flaen hanfodol trwy'r pandemig Covid-19 wedi dangos pa mor dreiddiol oedd technoleg ddigidol ar draws pob sector ac wedi'i hintegreiddio'n llawn mewn sawl agwedd ar fywyd. Ystyriwyd bod angen Strategaeth Trawsnewid Digidol arloesol a chyffrous ar Gyngor Sir Gaerfyrddin oherwydd profwyd y gall technoleg ddigidol drawsnewid y Sir a bywydau pobl yn ogystal â chreu arbedion tymor hir ar gyfer y Cyngor.

Roedd y canlynol ymhlith y materion a godwyd wrth ystyried yr adroddiad:

- Dywedwyd nad oedd yr adroddiad yn cyfeirio at ganran yr ardaloedd digyswllt y cyfeiriwyd atynt mewn cyfarfodydd blaenorol a gofynnwyd y cwestiwn a oedd cyflymder lleihau'r ganran hon yn debygol o gynyddu'n

sylweddol. Mewn ymateb, dywedwyd wrth y Pwyllgor fod yr awdurdod wedi gweithio'n agos gyda swyddogion sy'n ymwneud â'r Fargen Ddinesig ac y byddai hyn yn chwarae rhan allweddol o ran helpu i wella mynediad/cysylltedd band eang yn yr ardaloedd hyn;

- Pwysleisiodd y Pennaeth TGCh ac Eiddo Corfforaethol y gwaith sylweddol sy'n cael ei wneud i wella cysylltedd i bawb gan gynnwys y cynllun talebau sydd ar gael i gymunedau a oedd yn cael problemau gyda band eang. Pwysleisiwyd, er bod y Cyngor yn gallu cynnig cysylltedd wi-fi yn rhai o'i adeiladau cyhoeddus fel llyfrgelloedd a chanolfannau hamdden, nid oedd yn ddarparwr gwasanaeth rhyngwrdd gan fod hon yn fenter sector preifat. Fodd bynnag, gallai cymunedau elwa ar gysylltedd ag ysgolion gwledig yn y dyfodol o bosib.
