**EXECUTIVE SUMMARY  
POLICY & RESOURCES SCRUTINY COMMITTEE  
20<sup>th</sup> OCTOBER 2021**

**Revenue & Capital Budget  
Monitoring Report 2021/22**

The Financial Monitoring report is presented as follows:

**Revenue Budgets**

**Appendix A – Authority Corporate Budget Monitoring Report**

Overall, the monitoring report forecasts an end of year underspend of £508k on the Authority's net revenue budget with an underspend at departmental level of £285k.

At a high level this is due to a combination of:

- additional COVID19 related costs and lost income being largely refunded under the Welsh Government hardship scheme
- some services still paused or impacted by lockdown measures and social distancing during Q1.

**Appendix B**

Chief Executive and Corporate Services detailed variances for information purposes only.

**Capital Budgets**

**Appendix C – Corporate Capital Programme Monitoring 2021/22**

The total forecasted net expenditure is £91,568k compared with a working net budget of £130,490k, giving a **-£38,922k** variance. The variance projected at this time relates mainly to delays with the Pentre Awel development and delays with some school developments because of restrictions associated with the COVID19 pandemic

**Appendix D**

Details the main variances against agreed budgets for each department.

**Appendix E**

Details a full list of Chief Executive and Regeneration schemes, respectively. There are no Corporate Services schemes.

**POLICY & RESOURCES SCRUTINY COMMITTEE**  
**DATE: 20TH OCTOBER 2021**

**QUARTERLY TREASURY MANAGEMENT AND  
PRUDENTIAL INDICATOR REPORT**

**1<sup>st</sup> April 2021 – 30<sup>th</sup> June 2021**

**A QUARTERLY TREASURY MANAGEMENT REPORT**

**1. Introduction**

The Treasury Management Policy and Strategy for 2021-2022 was approved by Council on 3<sup>rd</sup> March 2021. Section B 1.1(2) stated that Treasury Management activity reports would be made during the year. This report outlines the Treasury Management activities in the period 1<sup>st</sup> April 2021 to 30<sup>th</sup> June 2021 and satisfies the reporting requirement stated above.

**2. Economic Update**

The 24<sup>th</sup> June 2021 Monetary Policy Committee meeting voted unanimously to keep Bank Rate unchanged at 0.10%. They voted by a majority of 8-1 to continue unchanged the existing programme of UK government bond purchases of £875bn which is due to end later this year.

Money markets are currently expecting the Bank Rate to start rising in mid-2022 but they are probably being too heavily influenced by looking across the Atlantic where inflationary pressures are much stronger than in the UK and building up further under a major boost from huge Federal government stimulus packages. Overall, there could be only a minimal increase in Bank Rate in 2023 or possibly no increases before 2024.

The annual inflation rate in the United Kingdom rose to 2.1% y/y in May from 1.5% y/y in April: this is the first time that the measure has been above the Bank of England's 2% target since July 2019.

Forward looking monthly business surveys are running at exceptionally high levels indicating that we are heading into a strong economic recovery. Capital Economics do not think that the UK economy will suffer major scarring from the lockdowns. The one month delay to the final easing of restrictions in July is unlikely to have much effect on the progress of recovery with GDP getting back to pre-Covid levels during August.

**3. Investments**

One of the primary activities of the Treasury Management operation is the investment of surplus cash for which the Authority is responsible. As well as the Authority's own cash the County Council invests School Trust Funds and other Funds, with any interest derived from these investments being passed over to the relevant Fund.

All surplus money is invested daily on the London Money Markets. The security of the investments is the main priority. Appropriate liquidity should be maintained and return on investments the final consideration. It continues to be difficult to invest these funds as the market continues to be insecure and as a consequence appropriate counterparties are limited.

The total investments at 1<sup>st</sup> April 2021 to 30<sup>th</sup> June 2021 analysed between Banks, Building Societies, Local Authorities and Money Market Funds, are shown in the following table:

Investments	01.04.21				30.06.21			
	Call and notice	Fixed Term	Total		Call and notice	Fixed Term	Total	
	£m	£m	£m	%	£m	£m	£m	%
Banks	34.50	7.53	42.03	36	40.50	0.52	41.02	28
Building Societies	0.00	0.00	0.00	0	0.00	7.00	7.00	5
Money Market Funds	25.00	0.00	25.00	22	25.00	0.00	25.00	17
DMADF (DMO)	0.00	36.50	36.50	31	0.00	73.50	73.50	49
Local Authorities	0.00	13.00	13.00	11	0.00	2.00	2.00	1
<b>TOTAL</b>	<b>59.50</b>	<b>57.03</b>	<b>116.53</b>	<b>100</b>	<b>65.50</b>	<b>83.02</b>	<b>148.52</b>	<b>100</b>

Investments on call are available immediately on demand.

Fixed term investments are fixed to a maturity date.

The DMADF (DMO) limit was increased in April 2021 to £100m from £70m by the Director of Corporate Services under Emergency powers.

The £148.52m includes £0.52m (13.10% of original claim) invested in Kaupthing Singer and Friedlander which has been reduced from the original £4.0m by distributions.

During the period the total investments made by the Council and repaid to the Council (the turnover) amounted to £363.01m. This averaged approximately £27.92m per week or £3.99m per day. A summary of turnover is shown below:

	£m
Total Investments 1st April 2021	116.53
Investments made during the quarter	197.50
Sub Total	314.03
Investments Repaid during the quarter	(165.51)
<b>Total Investments at 30 June 2021</b>	<b>148.52</b>

The main aims of the Treasury Management Strategy is to appropriately manage the cash flows of the Council, the required short term and longer term market transactions and the risks associated with this activity. Lending on the money market secures an optimum rate of return and also allows for diversification of investments and hence reduction of risk, which is of paramount importance in today's financial markets.

The benchmark return for the London money market is the "7 day LIBID rate". For 2021-2022 the Council has compared its performance against this "7 day LIBID rate". For the period under review the average "7 day LIBID rate" was -0.08% whereas the actual rate the Council earned was 0.05%, an out performance of 0.13%.

This outperformance can be quantified to £51k additional interest earned compared to the "7 day LIBID rate".

The gross interest earned on investments for the period amounted to £19k.

The income from investments is used by the Authority to reduce the net overall costs to the Council taxpayer.

#### **4. Update on the investments with Kaupthing Singer & Friedlander (KSF)**

As at 30<sup>th</sup> June 2021 the sum of £3.48m principal and £213k interest had been received from the Administrators, which equates to 86.90% of the claim submitted. The Administrators estimate total dividends payable to non-preferential creditors at 87.00%.

A further update will be provided in future reports.

## 5. Security, Liquidity and Yield (SLY)

Within the Treasury Management Strategy Statement for 2021-2022, the Council's investment priorities are:

- Security of Capital
- Liquidity and
- Yield

The Council aims to achieve the optimum return (yield) on investments commensurate with proper levels of security and liquidity. In the current economic climate it is considered appropriate to keep investments short term to cover short term cash flow needs but also to seek out value available in significantly higher rates in periods up to 12 months with highly credit rated financial institutions.

Attached in Appendix 1 is the Investment Summary and Top 10 Counterparty Holdings (excluding the £0.52m in KSF) as at 30<sup>th</sup> June 2021.

## 6. Borrowing

One of the methods used to fund capital expenditure is long term borrowing. The principal lender for Local Authorities is the Public Works Loan Board (PWLB).

Under the Treasury Management Strategy it was agreed to borrow when interest rates are at their most advantageous.

The total loans at 1<sup>st</sup> April 2021 and 30<sup>th</sup> June 2021 are shown in the following table:

<b>Loans</b>	<b>Balance at 01.04.21 £m</b>	<b>Balance at 30.06.21 £m</b>	<b>Net Increase/ (Net Decrease) £m</b>
Public Works Loan Board (PWLB)	403.38	403.38	0.00
Market Loan	3.00	3.00	0.00
Salix, Invest to Save, HILS & TCL	7.46	7.82	0.36
<b>TOTAL</b>	<b>413.84</b>	<b>414.20</b>	<b>0.36</b>

The Salix interest free loans have been provided by an independent publicly funded company dedicated to providing the public sector with loans for energy efficiency projects.

This interest free Invest-2-Save funding is to assist in the conversion of traditional street lighting to LED, which will help deliver a legacy of reduced energy costs and associated carbon taxes.

The Home Improvement Loan Scheme (HILS) repayable funding is provided by the Welsh Government to help individual home owners, small portfolio landlords, developers and charities to improve homes and increase housing supply.

The Town Centre Loan (TCL) repayable funding is provided by the Welsh Government to provide loans to reduce the number of vacant, underutilised and redundant sites and premises in town centres and to support the diversification of the town centres by encouraging more sustainable uses for empty sites and premises, such as residential, leisure and for key services.

### **6.1 New Borrowing**

The following loan was borrowed during the period:

<b>Loan Reference</b>	<b>Amount (£m)</b>	<b>Interest Rate</b>	<b>Start Date</b>	<b>Period</b>	<b>Maturity Date</b>
Salix	0.36	0.00%	16th April 2021	8yrs	01/04/2029
<b>Total</b>	<b>0.36</b>				

### **6.2 Interest Paid**

Interest paid on loans in the period was:

<b>PWLB Interest Paid £m</b>	<b>Market Loan Interest Paid £m</b>	<b>Total Interest Paid £m</b>
0.85	0.07	0.92

## **7. Rescheduling and Premature Loan Repayments**

No rescheduling opportunities arose during the period and there were no premature repayments of debt.

## **8. Leasing**

No leases were negotiated in the period ended 30<sup>th</sup> June 2021.

## **9. Conclusion**

The Treasury Management function for the period ended 30<sup>th</sup> June 2021 has been carried out within the policy and guidelines set in the Treasury Management Policy and Strategy 2021-2022.

## **B. QUARTERLY PRUDENTIAL INDICATOR REPORT**

### **1. Introduction**

As part of the 2021-2022 Budget and the Treasury Management Policy and Strategy 2021-2022, Council adopted a number of Prudential Indicators. These Indicators are designed to ensure that any borrowing or other long-term liabilities entered into for capital purposes were affordable, sustainable and prudent.

The Indicators are required by the Local Government Act 2003 and the Revised Prudential Code of Practice in order to control Capital Finance. The Prudential Code also required that those Prudential Indicators that were forward looking should be monitored and reported. Some of the indicators are monitored by officers monthly, and are only reported if they are likely to be breached, others are to be monitored quarterly by the Executive Board.

### **2. The Monitored Prudential Indicators**

#### **2.1 Affordability Prudential Indicator**

##### **2.1.1 Ratio of Financing Costs to Net Revenue Stream**

The indicator set for 2021-2022 in the Budget was:

	<b>2021-2022</b>
	<b>%</b>
Non –HRA	4.50
HRA	32.71

An examination of the assumptions made in calculating this indicator concluded that there have been no changes in the period.

#### **2.2 Prudence Prudential Indicators**

##### **2.2.1 The Gross Borrowing and Capital Finance Requirement (CFR) indicator**

The indicator set by the Budget for Gross Borrowing and CFR was that the Section 151 Officer envisaged no difficulty in meeting the requirement of the Gross Borrowing being less than the accumulated CFR for 2021-2022. An examination of assumptions made when calculating the Prudential Indicator show that there have been no material changes.

## 2.2.2 Authorised Limit and Operational Boundary

The actual value of loans outstanding must not exceed the Authorised Limit. In normal activity actual loans outstanding should be close but less than the Operational Boundary. The Operational Boundary can be breached in the short term due to adverse cash flows.

	Apr-21 £m	May-21 £m	Jun-21 £m
Authorised Limit	589.5	589.5	589.5
Operational Boundary	535.9	535.9	535.9
Loans Outstanding	414	414	414

Neither the Authorised Limit nor the Operational Boundary have been breached.

## **2.3 Treasury Management Prudential Indicators**

### **2.3.1 Interest Rate Exposure**

Position as at 30<sup>th</sup> June 2021:

	<b>Fixed Interest Rate £m</b>	<b>Variable Interest Rate £m</b>	<b>TOTAL £m</b>

Invested	(83.02)	(65.50)	(148.52)
<b>Net</b>	<b>328.17</b>	<b>(62.50)</b>	<b>265.67</b>
Limit	516.00	52.00	
<b>Proportion of Net Borrowing Actual</b>	<b>123.53%</b>	<b>(23.53)%</b>	<b>100.00%</b>
Limit	125.00%	5.00%	

The authority is within limits set by the 2021-2022 indicators.

### **2.3.2 Maturity Structure Of Borrowing**

	<b>Structure at 30.06.21 %</b>	<b>Upper Limit %</b>	<b>Lower Limit %</b>

20 years to 30 years	20.15	50	0
30 years to 40 years	23.03	50	0
40 years and above	14.74	50	0

The authority is within the limits set by the 2021-2022 indicators.

### **2.3.3 Maximum principal sums invested longer than 365 days**

	<b>2021-2022 £m</b>
Limit	10
Actual as at 30 <sup>th</sup> June 2021	NIL

### **3. Conclusion**

For the period 1<sup>st</sup> April 2021 to 30<sup>th</sup> June 2021 the actual Prudential Indicators to be monitored by the Executive Board are within the limits set by the Budget 2021-2022 and the Treasury Management Policy and Strategy 2021-2022. This is also true for the indicators being monitored by officers.

<b>Comment</b>	The findings of the Wales Audit Review - `Commercialisation in Local Govt` has been considered by the TIC Income Workstream. The toolkit included within the report is now being used to support a self-assessment exercise by the workstream. It is hoped that similar exercise then can be undertaken by Heads of Service and the findings from these exercises will then be used to inform a discussion at CMT and with elected members. <b>Action promised</b>	We will advance our progressive procurement action plan following on from the work with the Centre for Local Enterprises (CLES)						
<b>Comment</b>	<p>Progressive procurement Cluster meetings are being regularly held between Procurement, Policy and Economic Development to deliver the actions in the CLEs Progressive Procurement Report.</p> <p>Additional sub-groups have been set up, one to develop a Social Value Policy and another on Business Engagement Opportunities. Discussions have been held around the forthcoming Mechanical and Electrical Framework (estimated value of £12m) which is due to be tendered early next year which the group feels is likely to have a lot of local interest from suppliers. The aim is to ready the marketplace informing them of the opportunities in advance and also of the lotting strategy and standards, insurances etc they will need in order to tender. Another tender the team are working on currently is a Community Preventative Services Framework. Valued at approx. £13m the 3rd Sector are the current suppliers for a wide range of services under this umbrella and work has started to consider the best way to engage with them in this tender process. Opportunities to collaborate are considered to be very significant and the team has reached out to the Wales Co-operative Team for support on this element.</p> <p>The Spend Analysis work CLES carried out as part of the Progressive Procurement project is being scrutinised by our spend officer and aligned to the Authority's Atamis spend data. This will be taken back to the Cluster meeting in July.</p>

ACTIONS - Theme: WB05. Create more jobs and growth throughout the county			
Sub-theme: D-Strengthen the foundational economy and community resilience.			
Action	14947	Target date	31/03/2022
Action promised	We will continue to support the early engagement of Local Businesses and have due regard to the effect of our procurement on the local economy		
Comment	<p>During this quarter (April – June 2021) Suppliers were met with virtually on a “first point of contact &amp; procurement link to local business” basis which provides procurement advice &amp; guidance on promoting their goods &amp; services to Carmarthenshire County Council. In excess of 20 suppliers were met with in this way during this quarter.</p> <p>The transition from a “meet &amp; greet” type session to a “virtual” meeting is now showing signs of becoming a popular &amp; effective means of meeting with suppliers and providers. Due to Covid19 &amp; the restrictions placed on Supplier Engagement, we are adapting our way of working &amp; are now involved in organising Virtual Procurement Surgery Sessions &amp; Webinars to replace &amp; further enhance procurement support available.</p> <p>We are currently focussing on offering a programme of virtual meetings, sessions, workshops &amp; webinars to local suppliers which will be rolled out over the next few months. These will be via Microsoft Teams.</p> <p>Further procurement support is now offered to suppliers &amp; provider as we are working in conjunction with Business Wales to organise “Live Tender Workshops”. The aim of the Workshops initiative managed by CCC Procurement &amp; delivered by Business Wales Tender Advisers is to pro-actively engage with suppliers who require this level of assistance with submitting their tenders via the electronic tender portal, Bravo.</p> <p>This type of Supplier Engagement Initiative has been held during this period, examples being a Virtual Market Engagement Event for the Domiciliary Care Services tender whereby 40 providers attended. These sessions were organised &amp; run by CCC Procurement Team. It was suggested that a Briefing Paper be drawn up for the event summarising the requirements &amp; specification of the tender which provided as much information as possible to providers prior to the tender advertisement. This allowed opportunity for providers to ask more relevant/pertinent questions at the virtual event.</p> <p>This is being followed by a Live Tender Workshop for the Domiciliary Care Services tender organised by CCC &amp; run in conjunction with Business Wales Tender Support Team, it is currently awaiting confirmation of a suitable date to hold the LTW.</p> <p>Early Market Engagement Events are currently being discussed for the forthcoming Mechanical &amp; Electrical Service Contracts with the contract being broken down into 35 lots, therefore emphasis is placed on supporting local businesses as best we can by providing an opportunity to attend such events &amp; by giving an opportunity to take part in the formation of the tender packaging &amp; specification for this framework.</p> <p>We are offering virtual one to one meetings to suppliers via a Virtual Procurement Surgery Session type supplier engagement which will be rolled out during September /Oct/Nov 2021. This gives opportunity to suppliers to speak to a procurement professionals on a one to one basis &amp; offering support &amp; guidance relating to forthcoming opportunities, referral to specific Lead Officers &amp; signposting to relevant Officers within the Council. One of these PSS will be devoted to Third Sector Organisations.</p> <p>With officers from the economic development and corporate policy team, procurement has been involved in a considerable piece of work with the Centre for Local Enterprises (CLES) as part of the Council’s Foundational Economy Challenge Fund project. This project links in further with the wider Carmarthenshire Public Services Board (PSB).</p> <p>This included a review of the Councils current approach, our Procurement spend, engagement with key stakeholders and suppliers (both current and prospective) and subsequently provided us with an Advancing progressive procurement action plan – this includes recommendations that will further support opportunities for the Council to build community wealth building into our procurement activity. One being to explore opportunities to localise spend, prioritising interventions where there is a strong overlap between leakage and local economic vulnerability and further develop our market engagement approaches with economic development colleagues.</p> <p>This work is closely aligned with the Council’s economic recovery plan with progressive procurement being a key theme of that plan. This will incorporate a “Think Carmarthenshire First” theme for under £25k spend where there are no current arrangements in place.</p> <p>The report and recommendations was endorsed by CMT in March 2021 and now a working group with representation from the Council’s procurement, economic development and corporate policy teams, with input and support from other relevant Council services and partners, will be established to further develop this work.</p>

## Digital Schools Strategy 2018 - 2021 Annual Progress Report 2020/21

In May 2018 Carmarthenshire County Council produced its first ever Digital Schools Strategy from 2018 to 2021. That Strategy sets out our vision, underpinned by overarching principles and key priorities areas for the provision of ICT Services to Schools across Carmarthenshire.

Our strategy aims to improve the current provision of technology within schools, creating the conditions to allow everyone involved with delivering education in Carmarthenshire, along with

pupils and parents to take full advantage of the opportunities offered by digital technology in order to raise attainment, ambition and opportunities for all.

The strategy outlines the technology we will deliver and support within schools, underpinning the skills and confidence of teachers whilst improving access to digital technology for all learners. We want to ensure that digital technology is a central consideration in all areas of curriculum delivery and that ICT is embedded deeply to enhance the overall quality of education throughout the county. Our strategy sets out how we underpin our ambitious approach to transform the way we deliver our services to Schools and ensuring that our teachers can achieve the ambitions of the National Digital Competence Framework.

Whilst 2020 was a challenging year for everyone, it placed significant pressure on ICT to ensure that learning continued to be delivered at home whilst students were unable to attend their normal classes. The foundation provided within our strategy and in particular the move into the Hwb learning environment allowed teachers and students to maintain contact and to continue learning.

The Authority fully participates in the Hwb EdTech Programme, a transformational strategic initiative Welsh Government that has seen £92m of investment within schools in Wales. The objectives of the programme are fully aligned with several Carmarthenshire objectives and has seen our schools benefit from an investment in new infrastructure and devices of £3.27m in 2019/20 and £1.79m in 2020/21.

It was agreed by the Executive Board and Corporate Management Team that the Digital Schools Strategy would be reviewed annually, and we would report our progress in delivering on our key projects in this, our Annual Report.

## Why do we need a Digital Schools Strategy?

Carmarthenshire County Council's ICT Services Division provides extensive support and services to all schools across the Authority. Our Digital Schools Strategy provided the vision, underpinned by overarching principles and key priority areas for the provision of ICT Services to and in schools.

The schools' use of technology promotes innovative learning by digitally confident students, inspired by skilled and creative teaching. Welsh Government's Digital Competence Framework is distinct from ICT. Digital Competence is one of three cross-curricular responsibilities, alongside literacy and numeracy; it focuses on developing digital skills which can be applied to a wide range of subjects and scenarios that are transferable to the world of work.

This fully costed and resourced Digital School's Strategy outlines where we intend to take the ICT provision within Schools over the coming years, to ensure that schools have the appropriate technology to deliver the Digital Competence Framework. The audience for this Digital Schools Strategy are our schools, teachers, governors, staff and elected members.

ICT Services, through the Service Level Agreements it has in place with schools, articulates how we will continue to support schools of a day-to-day basis with its ICT support and services.

We will adopt the Sustainable Development Principles of the Wellbeing of Future Generations Act in our design and implementation of all transformational activity and new digital technologies to assist us in delivering the Future Generations Wellbeing Objectives

## A Digitally Enabled Carmartheshire

To help achieve this bold vision within Schools we must:

- Align all digital technology to the needs of teachers, learners, the Curriculum and the Digital Competence Framework.
- Fully migrate all schools to the Welsh Government HWB digital learning platform.
- Make digital connectivity and bandwidth the foundation of our schools technology stack, providing reliable and fast access to the Internet and HWB environment.
- Harness cloud environments to deliver technology anywhere, anytime for schools, teachers, staff and pupils.
- Decommission our central and schools based on premises infrastructure and replace with virtual cloud technology where at all possible.
- Assist schools wherever possible to achieve efficiency savings without affecting learning outcomes.
- Ensure schools have access to cost-effective ICT equipment, with a reasonable life span, that is supported by the central service and can be purchased within financial regulations.
- Provide timely remote and onsite support to ensure that essential equipment is available at key times.
- Provide appropriate web filtering controls to ensure that Internet users are safe online.
- Help and encourage schools to take ownership and responsibility of all matters relating to ICT within their school.

**ICT is an ever-changing environment. It is critical that the services and technology provided to schools underpins the key objectives of teaching and learning in order to enable students to reach their full potential and to fulfil the requirements of the Digital Competence Framework.**

# Overarching Principles

To achieve the ambitions laid out in this Digital Schools Strategy we will adhere to the following overarching guiding principles:

There are significant and compelling drivers to adopt a **HWB FIRST, CLOUD FIRST APPROACH** towards teaching resources, technologies and infrastructure. We will pursue and migrate to these solutions where at all possible.

Fully commit and align schools ICT provision to the **NATIONAL ICT AGENDA** as directed by Welsh Government where at all possible, to include but not limited to HWB, LiDW2, 21st Century Schools and the requirements of the Digital Competence Framework.

We currently host and support a variety of complex and ageing legacy technologies both centrally and within schools. Supporting and maintaining these is both resource intensive and educationally restrictive. We will seek to **RATIONALISE & CONSOLIDATE TO HWB** at every opportunity.

We will take advantage of potential benefits and efficiencies through the active investigation, pursuit and adoption of **NEW & EMERGING TECHNOLOGIES**. Where there is potential to add significant value within schools, we will pursue that technology.

We will strive to **IMPLEMENT ALL CHANGES** in a methodical and controlled manner. We will consult and communicate frequently with all relevant stakeholders.

Where there are opportunities to underpin and add value through **COLLABORATION**, we will do so, locally, regionally, nationally, across the education sector, the public sector, and private sector.

## Resources and Efficiencies

Throughout 2020/21 we have invested a significant amount of financial and staffing resources ensuring that our Schools continue to develop and improve their digital curriculum delivery and that technology is enhanced in order to raise attainment levels for all. We have made significant investments in our people and skills, digital systems and services, and in providing a robust and resilient infrastructure to underpin Education delivery across the County. In addition to the Service Level Agreement funding, all of which is reinvested in Schools ICT, we have invested the following over the past financial year:

### Capital Investment

- **£35K** on upgrading and enhancing Schools internet connectivity, working alongside Welsh Government and the all Wales Public Sector Broadband Aggregation team.
- **£360K** on ICT provision at new and refurbished schools via the Authority's Modernising Education Programme.

### People & Skills

Whilst 2020/21 has indeed been a very different year, we have invested **£12K** in upskilling ICT staff, providing them with the skills and ability to take our ambitious adoption of Digital Transformation and technology forward including the delivery of Schools ICT provision and support. In addition, we've taken advantage of fully funded local, regional and national development opportunities offered through Welsh Government, Academi Wales, the Institute of Leadership and Management and the Council's internal Learning and Development department.

Doing so is helping to develop and retain the Digital leaders and workforce of the future within Carmarthenshire who are working alongside colleagues in the Education department and Schools to shape our Digital Schools of the future.

The core Hwb Programme implementation team have also worked closely with Welsh Government, Microsoft and Google to manage our devices within their systems. Carmarthenshire was the first Authority in Wales to achieve integration on the greater part of its hardware estate.

### Efficiencies Delivered

- **£29K** annual savings delivered through the migration of Carmarthenshire Schools to the all Wales HWB Digital learning platform. This money has been reinvested in essential Cyber Security and Anti-Virus technology for all Schools.
- **£79K** of annual efficiencies for Schools via renegotiated Printing and Telecommunications contracts.
- **£33K** of revenue efficiencies achieved so far through the introduction of cashless catering systems across schools.
- **£25k** per annum from adopting the Hwb Device Management system instead of procuring an independent software package

## Engagement

In line with our departmental purpose, which is to “*engage with and understand our customers to help them deliver effective services*”, a significant amount of work has gone in to ensuring we are as proactive as possible in terms of customer care and engagement with Schools, our Education Department and Welsh Government throughout the year. This includes:

- Representing Carmarthenshire at the Welsh Technical Standardisation group, including piloting of presentation model to group.
- Representing Carmarthenshire on the Welsh Government Device Management forum, working closely with the Hwb Team, Microsoft and Google.
- Chair of the National Hwb EdTech Delivery Board for 2020/21
- Leading on all ICT related matters on the corporate Modernising Education project delivery board.
- 6 monthly technology development days for all secondary school ICT network managers.
- Attending quarterly meetings with all primary school’s digital champions.
- 6 monthly meetings with secondary school’s heads of curriculum for ICT.
- Attending primary schools head teacher meetings on at least a quarterly basis.
- Attending secondary school head teacher meetings.
- Regular attendance at Education department management team meetings.

## Modernising Education Programme

In addition to our ICT provision to schools via our Service Level Agreement, ICT Services also leads on all ICT related matters relating to the authority's Modernising Education Programme. This includes decisions and recommendations regarding the strategic direction of technology within new and refurbished schools as well as the delivery of that technology including procurement, configuration, installation and support.

Throughout 2020/21 we have successfully completed the full ICT implementation of Ysgol Pum Heol, Ysgol Llangadog and Ysgol Rhys Prichard, as part of our Modernising Education Programme. This work and investment has provided students and teachers with 21st Century technology to deliver first class digital education.

As part of our work across the MEP program we have modified our digital blueprint for Carmarthenshire schools to fully align with the Welsh Government Education Digital Standards document.

# HWB First

## Hwb Digital Learning Platform

**Management of all Windows and Chrome devices within Hwb platform** – During 2019/20, Carmarthenshire worked closely with Welsh Government, Microsoft and Google to manage devices within their respective systems, securely managed within Hwb. This has saved the Authority £25k per annum by migrating into the Hwb system that is supported by Microsoft and Google. The efficiencies have been reinvested into the school ICT service and into additional bandwidth for schools.

**Rollout of Devices via Hwb** – during the pandemic, a quick rollout of devices was essential to support teachers and learners in schools. With financial and technical support from the Hwb team, all 4785 Windows devices and 5552 Chromebooks were provisioned using the respective “White Glove” service. This means that devices were delivered directly to schools for them to log in using their Hwb username and password, knowing that they would work directly out of the box, putting them in the hands of learners far quicker and reducing visitors to schools during the pandemic. It further supported teachers in delivering lessons via the Hwb environment on equipment that provided a consistent and reliable experience.

**Provision of Learner Devices via Hwb** – the Authority has provided over 900 Chromebooks and Neverware Laptops (a Windows laptop converted to a Chromebook) to students to enable them to continue with their learning at home. These are all provisioned and managed, safely and securely within the Hwb environment, with additional web filtering enabled for enhanced safeguarding.

**Migration of all teacher and student data from on premises solutions into HWB’s secure platform** – Building on the planning carried out during 2019/20 and under challenging conditions in 2020/21, approximately 80% of all Primary School teacher data has now been migrated from onsite and local storage into the safe and secure Hwb cloud platform. All secondary schools have commenced the journey, with all providing their learning materials online. Two schools have eliminated nearly all of their on-premise data storage. Significant benefits have already been felt, with online lessons, student work and marked work all integrated within Hwb. It is planned that this will continue during 2021/22 until all onsite data storage is migrated.

**Migration of all schools websites from on-premise Umbraco solution into the HWB digital platform** – This work has been further delayed during 2020/21 as was not possible to provide adequate onsite training and hands-on migration support during the Covid pandemic. The decision to delay was also influenced by the potential risk of making any significant website

changes when many schools used their existing website for communication with parents. In the meantime, we have acted to ensure this delay has no adverse effect on Carmarthenshire Schools and the integrity of their websites. The existing on-premise environment has been updated and security patched to ensure optimized performance and that all Schools retain a fully functioning website for the foreseeable future.

## **Hwb EdTech Programme**

The EdTech Programme is an innovative and transformational scheme that aims to significantly improve the digital infrastructure within all maintained Schools in Wales. The scheme underpins the Education Digital Standards for Wales and aims to ensure that each Local Authority's has a plan in place to ensure that the ICT and learner experience each school is consistent, standardised and sustainable.

The Authority has worked closely with its schools to design and implement a long term Hwb Sustainability Scheme to ensure that the investment from Welsh Government is replaced as and when required into the future. Carmarthenshire was the first Authority in Wales to have a full sustainability scheme implemented.

With full access to schools anticipated during the next 12 months, it is expected that the deliverables of the project in terms of consistency, standardisation and sustainability will be fully achieved so that staff and students will receive the full benefits.

The sustainability scheme is reviewed annually to ensure that the hardware is replaced at the appropriate time, giving the best opportunities for staff and learners.

**Carmarthenshire has received a funding allocation of £3.27m in 2019/20 and £1.79m in 2020/21. Whilst access to schools has been challenging during the pandemic, they have already benefitted from the following works:**

Replaced data cabinets in <b>16</b> schools	Repaired/Extended <b>40</b> school networks	Implemented <b>318</b> switches at 74 Schools	Distributed and installed <b>1751</b> Staff Windows devices
			
Installed <b>3034</b> Student Windows devices	Rolled out <b>1500</b> connectivity docks on teacher desks	Provided <b>715</b> PC's	Distributed <b>5552</b> Chromebooks for Student Use
			
Enrolled <b>1350</b> existing Chromebooks into the management system	Provided <b>1669</b> student iPads – already enrolled into their new management system	Delivered <b>262</b> Trolleys for schools to safely and securely store and charge their devices	Replaced <b>103</b> broken screens and projectors across all schools
			

Welsh Government have provided an additional **3141** Chromebooks to schools and also granted a further allocation of **£878k** during 2021/22

## Efficient & Effective Networks

**Learning in a Digital Wales 2 (LiDW2) joint investment Project** – All schools have been upgraded as planned. With the developments within Digital Learning, impacted by the increase in numbers of devices, now that students have returned to the classroom this is having an effect on network connectivity in some schools. Three schools were upgraded to 1gbps as a pilot project with Welsh Government and we are currently working with BT PSBA to increase the bandwidth of two others. School internet usage is monitored and analysed on a weekly basis to ensure sufficient bandwidth is provided.

**Adoption of Cloud hosted web content filtering** – We worked closely with BT and Welsh Government colleagues throughout 18/19 to scope, test and configure this new collaborative, all Wales solution for Web filtering in Schools. All schools are now migrated to the solution with excellent results. During the initial lockdown period, we worked with Welsh Government, BT and their filtering provider to jointly develop a cloud-based filtering solution for Chromebooks that were lent to students at home. This now forms part of the standard offering to all schools within Wales.

**Schools Wireless Network maintenance and development** – The overall upgrade of the Wireless network was completed on time. However, with changing pupil numbers in schools and challenges to provide flexible and Covid-compliant learning, further developments have been made to the network in 2020/21.

## Security of Data & Online Services

**Expansion and evolution of schools' infrastructure cyber security capabilities** – Year-on-year, we have made improvements to our cyber-security portfolio, to ensure that our networks and data remain safe. We have installed a new core Firewall and have consistently ensured that our school filtering is on the latest security patch. Bandwidth requirements have increased significantly and with the new schools firewalls and switching purchased from our Hwb EdTech Programme allocations, over 70% of our schools have already been upgraded to take advantage of the new faster, safer technology. Remaining schools are scheduled for completion by end Summer holidays 2021.

The safety provided by the Hwb environment has already provided benefits to our email users, but with Blended Learning being a key feature of learning during lockdown, the safety from the Microsoft Teams and Google Meet applications within Hwb have provided important functionality in a safe and secure way.

**Review, upgrade and evolution of schools' antivirus and device encryption solutions** – The implementation of a cloud-based antivirus solution has been extremely successful, however through the Hwb EdTech collaboration with Welsh Government, access to other software packages have become available and the Primary Schools have been migrated to product within that portfolio. Secondary school provision is under review and a decision will be made in 2021/22. Currently Welsh Government are working on a central device encryption package for which we anticipate providing to our schools when it is available.

## Digital Schools & Classrooms

**Classroom Hardware Provision** – Significant savings and service improvements had been obtained from the standardisation and streamlining of our product portfolios. However, the implementation of the Hwb EdTech Programme, with its centralised purchasing framework and all-Wales economies of scale has now superseded this arrangement for high value items. The Carmarthenshire framework remains for consumables and small peripherals (such as

**Microsoft Enterprise Agreement (Software)** – The All-Wales agreement between Welsh Government and Microsoft has been immensely beneficial to our staff and learners. All students have access to Microsoft Office on 5 of their personal devices and all of our Windows devices have the latest versions of Windows 10 and Microsoft Office.

The most significant development in 2019/20 has been the full adoption of the Device Management services that are fully implemented within the Hwb environment. All new devices are already enrolled within Microsoft InTune or the Google Management Console, requiring all users requiring to authenticate with their Hwb username and password. This provides significant security and achieves many of our future identified security objectives.

### ICT in Schools

Our Digital Schools Strategy set out an ambitious vision to move our schools forward in several difference areas. The unexpected but extremely welcome introduction of the Hwb Programme, some £5.5m of Welsh Government funding, completely transformed the vision of ICT in Schools and came at a most opportune time, with devices arriving just after lockdown began.

Whilst the Strategy had started the transformation of the networks and hardware, access to the additional funding for infrastructure and devices allowed most of the original objectives to be achieved quicker than planned.

It was fortuitous that when the pandemic struck, that significant numbers of new devices had been ordered and were on their way from the manufacturers. This put us in an extremely favourable position to respond quickly to ensure that our teaching staff were able to continue teaching from home, using Microsoft Teams or Google Classroom.

## Our Digital Schools Strategy: How it affected our response during the Pandemic:

### *Hwb First*

The decision was made in 2018 to move all locally hosted email and collaboration services into the Hwb environment. Whilst there were several objectives behind the decision, it also meant that staff and learners had invested significant time in Hwb and they were developing quality skills from using the applications within it.

With staff and students familiar with Hwb and some schools already sharing homework and other tasks within the environment, it was natural progression for all virtual learning to transition into Hwb as well. Whilst it cannot be underestimated how difficult the journey from physical to virtual teaching was for some staff, the hard work of the staff and the schools did achieve the transition for everyone.

Since students have returned to their physical classrooms, a significant amount of learning has remained within Hwb and schools are eager not to lose the benefits and skills achieved from transitioning to an online delivery. Consideration is being given in 2021/22 as to whether providing each student with their own device is practical, affordable and achievable.

There remains a challenge to continue investing staff time in using all of the different packages within Hwb and to ensure that teachers and learners are trained in and adopt any new functionality.

### *Efficient & Effective Networks*

Whilst the school networks were not under pressure during lockdown, it did give the opportunity to upgrade the infrastructure without directly affecting teaching and learning.

39 schools received upgraded network switching (funded by the Hwb project) during the Summer Term, when ICT Support Staff were allowed to revisit school premises.

The remainder of schools will be completed by October 2022.

### *Security of Data & Online Services*

Having moved the core schools systems into Hwb, there was significant confidence that the data storage and provision of any online services were extremely safe. With regulation from Welsh Government and our own ICT Security Officer, plus regular testing from the Hwb Team, the investment in security from all parties has been considerable.

During the pandemic, all new devices provided to both staff and students were linked to Hwb and all users were required to authenticate with their Hwb username and password in order to gain access to the device, before being asked to re-enter the details again to access the Hwb platform.

In order to keep learners safe online at home, any loaned Chromebooks were also enrolled in cloud-based web filtering so that students would have the same level of protection as in school. Carmarthenshire was the first Authority in Wales to roll-out this functionality after an extensive testing programme.

Whilst the iPads loaned from the Authority did not have filtering enabled, these were targeted at Foundation Phase learners, when the device was used under the supervision of an adult.

## Digital Schools & Classrooms

When learners returned to school, with their schoolwork focused on the resources contained within Hwb, it was imperative that the devices purchased from the Hwb Programme funding were circulated to schools quickly. Approximately 8,000 devices were circulated to schools between June 2020 and October 2020. A further 5,800 devices were circulated to schools between January and July 2021 to keep our students learning.

Every teacher now has their own allocated device, centrally managed and updated using the Hwb environment. This gives all teaching staff the tools to remote teach should a further lockdown or firebreak occur. There was also a dedicated process implemented to ensure that any existing laptops that were faulty were able to be replaced using a fast-track process to ensure continuity of teaching.

### What other responses were required?

Working under guidance from Welsh Government and alongside the Education Department, IT Services provided over 1600 devices and nearly 250 connectivity devices to learners at home.

The effort and logistics committed to supporting our learners via the Continuity of Learning Programme should not be under-estimated and although it was achieved in the end, the rollout of devices was not as quick as anticipated.

The Welsh Government strategy was to re-use older devices from schools and to turn them into Chromebooks. The time and effort required to contact schools, wait for them to clear their data and then to meet ICT staff was significant and progress at times was frustrating. Many devices came from schools without chargers and additional time was spent and costs incurred in obtaining new and waiting for them to be delivered before they could be distributed.

Distribution required a set of policies and procedures, checked by other CCC officers to ensure that schools staff were kept safe whilst issuing devices and that the exercise was legally compliant. If this exercise were repeated, the Authority would manage the distribution of the devices to eliminate inconsistencies between different distribution hubs. In some cases, learners who were directly supplied from the Local Authority had a far better and quicker experience than those supported by a Hub.

### Overall...

**the pandemic put significant demands on the Schools ICT Service and staff responded well under often difficult conditions. However, if there were to be a further lockdown, some elements (particularly supporting students at home) would be approached very differently.**

## What Challenges Did We Face?

- The balance of deploying a major replacement project whilst not being able to have access to school buildings or permitted to work in close proximity to school staff was particularly challenging.
- Some key (but not critical) elements of the Hwb project were delayed due to access issues or because schools did not want internet access interrupted during term time. This has set the overall infrastructure element back by several months, although end-users and particularly learners, have not been affected.
- Connectivity for learners at home was alleviated in the short term by the provision of 4G MiFi dongles by Welsh Government (although funded by Carmarthenshire) but for a minority, overall usage was low.
- The coordination of over 1600 devices to students at home was a huge logistical and technical project that consumed significant resources but did not reach learners as fast as anticipated.
- Upskilling teaching staff to move from a classroom-based delivery to online delivery was a significant task, although support from Education and schools staff ensured everyone was able to support learning.

## What Is The Short, Medium And Long-Term Impact?

The rollout of significantly increased numbers of devices and the large-scale adoption of online/blended learning is a huge achievement and has permanently changed the way learning is delivered.

With online and blended learning now firmly embedded into the provision of education, schools are now revising their plans to ensure that the method of delivery continues. With the potential for recording lessons and making learning materials available safely within the Hwb environment, it allows students to revisit lessons and for those isolating at home to remain learning whilst recovering from illness.

Long term, there remains the challenge of ensuring that students have access to devices in order to undertake their learning at home and in school. Whilst the Hwb Programme will ensure that there are greater numbers of devices available, further discussions are taking place about how this can be improved.

Connectivity is also critical and whilst the Authority is taking every opportunity to lobby all stakeholders to improve connectivity within the County, affordability for families should not be forgotten.

**Vaccination Policy**

**Background & Summary**

Carmarthenshire County Council's role in assisting with the roll of the vaccination programme has been overseen by a Vaccination Tactical Group, and this Group was tasked with developing a vaccination Policy for the Authority that sets out clearly the Authority's approach to vaccination and the ancillary workforce issues that surround it.

The policy has been developed to reflect the changes in guidance and regulation coming from Welsh Government.

The Policy was originally scheduled for discussion earlier in the year but was held back pending national advice / guidance relating to mandatory vaccination. To date there has been no decision on this matter, and so our policy strongly encourages all staff to take up the offer. The policy will be reviewed as and when new guidance is received.

## 1. Background

The Government is currently rolling out its national COVID-19 vaccination programme. Carmarthenshire County Council fully supports the Covid-19 vaccination process and aims to ensure that all employees get the opportunity to receive the vaccine when this is offered to them.

The aim of this Policy is to clearly set out the Authority's approach to all aspects of the COVID-19 vaccination in relation to our employees.

## 2. Scope

This policy and procedure applies to all Carmarthenshire County Council employees excluding staff on the complement of locally managed schools. Schools may wish to adopt a similar approach.

## 3. Vaccination Process

Vaccinations are free of charge on the NHS. They are being administered according to a priority list at vaccination centres, including some hospitals, sports facilities, conference centres and GP surgeries.

We encourage employees who are not registered with a GP to do so as soon as they can. See [NHS 111 Wales - Local Services : GPs - Information and Links](#) for information on how to do this.

## 4. Individual's decision

We ask that, when a coronavirus vaccination becomes available, employees take the opportunity to be vaccinated. We understand that this is ultimately each individual's choice, but we encourage our workforce to make an informed decision by:

- reading up about COVID-19 vaccinations via official sources,
- paying attention to the information the NHS provides when offering a vaccine; and
- being wary of misinformation around COVID-19 vaccinations put out by unreliable sources.

We would also encourage any of our employees who have concerns to discuss these directly with their line manager.

## 5. Further information

Information on the national COVID-19 vaccination programme is set out at:

[www.phw.nhs.wales/topics/immunisation-and-vaccines/covid-19-vaccination-information](http://www.phw.nhs.wales/topics/immunisation-and-vaccines/covid-19-vaccination-information)].

## 6. Time off for vaccination appointments

To assist our workforce, and where appointments fall within your normal working hours, we are providing employees with time off during 2021 to attend COVID-19 vaccination appointments.

Employees should obtain approval from their line manager in advance of taking time off to attend a COVID-19 vaccination appointment. They should give their line manager as much notice as they can that they would like to take time off for this purpose.

Line managers may, at their discretion, ask employees to produce evidence of their appointment (for example an appointment card or email/text inviting them to a COVID-19 vaccination appointment).

To facilitate this, appropriate time off with pay will be granted for employees who receive a vaccination appointment during working hours.

Time off will not be credited to an employee who receives a vaccination appointment outside normal working hours.

Time off is provided for the two vaccination appointments for 2021 only.

## 7. Return to work following vaccination appointments

Following a vaccination, employees should be able to resume their normal activities, including working, as long as they feel well.

This means that employees should return to work as soon as they can after their vaccination appointment. If it is not practical for the employee to return to work immediately after their appointment, for example if it is towards the end of their working day, they should discuss alternative arrangements with their line manager.

However, employees who are unwell after receiving a coronavirus vaccination should take sickness absence in the usual way and should notify their line manager as soon as reasonably practicable, preferably before they are due to start work.

## 8. Treating colleagues with respect

We recognise that the subject of the COVID-19 vaccination programme can be divisive and lead to the expression of strong opinions. However, employees must

remain responsible and respectful when communicating with their colleagues about COVID-19 vaccinations.

Employees must not act against colleagues in a way that could amount to bullying or harassment, for example mocking a colleague's views on COVID-19 vaccinations or foisting their own views on COVID-19 vaccinations on others.

For example, the harassment or intimidation of colleagues because of their views or individual circumstances may lead to disciplinary action, up to and including dismissal.

Any employee who is offended by, or concerned about, a colleague's behaviour in this regard should raise the matter with management and/or can raise a formal complaint by referring to our [Behavioural Standards in the Workplace guidance](#).

#### 9. Travelling claims for Covid19 Vaccinations

The costs of travelling to receive the vaccination will not be covered.

#### 10. Staff who refuse to have the Covid 19 vaccination

As an employer, we cannot compel our employees to be vaccinated if they do not wish to do so. However, we are supportive of the Covid 19 vaccination programme and would strongly encourage you to take up the offer of a vaccine, particularly if you are working in a client / patient facing role. We would also encourage any of our employees who have concerns to discuss these directly with their line manager.

However, there may be instances where staff who perform specific roles with Services Users who are clinically potentially at greater risk of serious illness from Covid19, who for a range of reasons may not be vaccinated. In these rare situations, the Authority may need to undertake a risk assessment to ensure that both Employees and Service users are safeguarded, and that we endeavour to assess and minimise the exposure to risk of harm.

**Ethical Employment in Supply Chains Policy and  
Annual Modern Slavery, Ethical Employment in Supply Chains Statement**

The Welsh Government contacted all Local Authorities across Wales on the 9th February 2018, requesting the Council’s adoption of the Code of Practice – Ethical Employment in Supply Chains. In June 2018 Carmarthenshire County Council formally committed to signing up to the Code and an action plan was produced by the Corporate Procurement Unit and colleagues in Policy and HR to take this forward.

As part of our commitment we are required to produce a written policy on ethical employment within our own organisation and our supply chains. Once produced we are required to communicate the policy throughout our organisation and we will review it annually and monitor its effectiveness.

A further commitment is to produce an annual written statement outlining the steps taken during the financial year, and plans for future actions, to ensure that slavery and human trafficking are not taking place in any part of our organisation and its supply chains.

A Social Partnership and Public Procurement (Wales) Bill is out for consultation which ended on the 23<sup>rd</sup> April 2021. This proposed Bill is looking to ensure the delivery of Fair Work through Procurement and to place duties on contracting authorities to explore options for delivering fair work. The proposal is to look at the inclusion of fair work practice questions and living wage, including due diligence on overseas supply chains, Employee voice and representation – union recognition, access to workers, collective bargaining; Security and flexibility; Opportunities for access growth and progression; Safe, Healthy and inclusive working environment; Legal rights supported and given substantive effect and Equality and diversity. This Bill will place duties on contracting authorities on the procurement cycle as a whole, not just the “advert to award” stages.

## Ensuring Equality of Opportunity

All employees are required to adopt a positive, open and fair approach and ensure this policy is adhered to and applied consistently to all irrespective of race, colour, nationality, ethnic or national origins, disability, religion and belief or non-belief, age, sex, gender reassignment, gender identity and gender expression, sexual orientation, pregnancy or maternity, marital or civil partnership status.

In addition, the Welsh Language Standards ask us to 'ensure that the Welsh language is treated no less favourably than the English language' and this principle should be adopted in the application of this policy and procedure.

If you have any equality and diversity concerns in relation to the application of this policy and procedure, please contact a member of the Procurement Team who will, if necessary, ensure the policy/procedure is reviewed accordingly.

## Overview

The aim of this policy is to set out clearly the context for ethical trade and employment practices for Carmarthenshire County Council within our own organisation and our supply chain. We are committed to ensuring a high standard of practice to eradicate acts of modern day slavery and human trafficking within our business and multi-tier supply chain. This Policy has been written by the Corporate Procurement Unit and will be embedded throughout the Council.

**The Modern Slavery Act 2015** was introduced to criminalise slavery, forced servitude and human trafficking in the UK, we acknowledge our responsibility to the Act and expect our suppliers to observe best practice and continue to seek improvements throughout their supply chains.

We have signed up to the Welsh Government's **Code of Practice on Ethical Employment in Supply Chains** to show our continued commitment to the development of more ethical supply chains in delivering our contracts. In signing up to the Code the Council has agreed to comply with the 12 commitments designed to eliminate modern slavery and support ethical employment practices. These commitments are embedded into this policy.

## **Our Commitment & Approach**

This policy will be communicated throughout Carmarthenshire County Council. The Corporate Procurement Unit will monitor and review this policy's effectiveness and the Council has appointed an Anti-Slavery and Ethical Employment Champion.

In line with the *Code of Practice* Commitments we pledge to comply with the following:

### **Employment practices**

- The production of a whistle-blowing policy - Our existing whistle-blowing policy has been updated to reference the Welsh Government's Code of Practice on Ethical Employment in Supply Chains and encourages workers to 'blow the whistle' where it is reasonably believed malpractice has taken place or is likely to take place.
- Ensure employment practices are mainstreamed in the procurement process - We will require that a copy of this policy is included in all tenders.
- We will ensure that false self-employment is not undertaken and that umbrella schemes and zero hour contracts are not used unfairly - We will mitigate any risk of unethical employment by assessing the eligibility of all self-employed claims against HMRC guidelines and ensure that umbrella schemes and agencies are registered with appropriate regulation bodies. In addition to this, the People Management team will review casual working arrangements on a regular basis, to ensure that workers are afforded the rights to be recognised with employee status, where appropriate.
- We will ensure that workers are free to join a trade union without discrimination - Our policies ensure that staff are able to join trade unions without discrimination.
- The Council pays our employees the Foundation Living Wage (non-statutory) as a minimum and we will encourage our suppliers to do the same.
- We will ensure that all those undertaking work on an outsourced contract are treated fairly and equally - In accordance with the "Transfer of Undertakings (Protection of Employment) Regulations 2006" employees' rights are protected when the organisation or service they work for transfers to a new employer. Outsourced contracts are also subject to the Welsh Government Code of Practice on Workforce Matters (Two Tier Code). The County Council will continue to observe these regulations.

## Training

- The delivery of a training programme on modern slavery and ethical employment – Alongside our colleagues in Learning and development we will identify the training needs of staff, and provide appropriate, ongoing training in order to ensure an understanding of modern slavery and human rights abuses, including human trafficking. We will adopt the Welsh Government's eLearning module as part of this process.

## Procurement Tendering & Contract Management

- Questions on ethical employment practices will be included in tenders as appropriate and incorporate appropriate contract conditions.
- Information on the Welsh Government's Code on Ethical Employment in Supply Chains will be provided in new tenders and suppliers will be encouraged to sign up to the Code when appropriate.
- Work with suppliers to ensure that working arrangements do not compromise ethical employment practices - We will work with our suppliers to ensure that they do not compromise ethical employment practices. We will ensure that suppliers are paid in good time.
- Assess expenditure to identify and address issues of modern slavery, human rights abuses and unethical practice - We will review supplier expenditure, and work with our departments to identify high risk suppliers. We will work with suppliers to rectify issues of illegal or unethical employment practice. We will monitor employment practices of high risk suppliers.
- We will ensure that, where appropriate, tender specifications contain clear, effective ethical procurement criteria, which encompass economic, social and environmental factors.

## Process

We will also communicate the Welsh Government's *Code of Practice on Ethical Employment in Supply Chains* to our existing suppliers with the expectation they sign up to the Code as far as is reasonable and practical.

## Measuring & Reporting

This policy will be monitored and measured, and progress on its implementation will be reported at the Policy and Resources Scrutiny Committee.

We will produce an annual written statement of our progress on ensuring that slavery and human trafficking are not taking place in the organisation and supply chain - The annual statement will be submitted to the Executive Board and CMT for Approval, It will be signed off by the Anti-Slavery and Ethical Employment Champion and published on the County Council's website.

Tudalen 137

In accordance with the Modern Slavery Act 2015, Carmarthenshire County Council recognises it has a responsibility as an employer to be aware of the potential for instances of modern slavery and to report such instances or concerns to the relevant body. We are committed to acting ethically and with integrity and transparency in all business dealings. We will put effective systems and controls in place to safeguard against any form of modern slavery taking place within the Council or our supply chain.

In June 2018, the Council's Executive Board signed up to the *Welsh Government's Code of Practice on Ethical Employment in Supply Chains* which aims to ensure that all public sector organisations are taking action to eradicate unlawful and unethical employment practices.

This statement is made pursuant to section 54(1) of the Modern Slavery Act 2015 and constitutes Carmarthenshire County Council's Ethical employment and supply chains statement for the financial year ending 2022.

It sets out the Council's actions to understand all potential modern slavery risks related to its business and to put in place steps that are aimed at ensuring that there is no slavery or human trafficking in its own business and its supply chains.

Modern Slavery can take many forms including the trafficking of people, forced labour, servitude and slavery.

We work with a variety of suppliers from large corporations, sub-contractors to small to medium local suppliers providing a wide range of services. Our supply chain members are diverse, not only in the goods and services that they provide but also in the size and structure of their organisations. We encourage smaller businesses to apply to join our supply chain in order to promote local business initiatives in Wales.

Where appropriate the Council will, as part of its tendering and contracting process, seek assurances from suppliers and potential suppliers that they have no knowledge of any of the above forms of modern slavery within their organisations or supply chains. The Council will expect that those suppliers take responsibility to seek similar assurances from their own supply chains.

In addition, the Council will ensure that staff involved in procurement activities will undertake relevant training via the Welsh Government e-learning module.

We operate a number of internal policies to ensure that we are conducting business in an ethical and transparent manner. These include:

- **Recruitment policy.** We operate a robust recruitment policy, including conducting eligibility to work in the UK checks for all directly employed staff, and agencies on approved frameworks are audited to provide assurance that pre-employment clearance has been obtained for agency staff, to safeguard against human trafficking or individuals being forced to work against their will.
- **Equal opportunities.** As an equal opportunities employer we have a statutory duty to promote equality under the Equality Act 2010, and are fully committed to creating and ensuring a non-discriminatory and respectful working

environment for our staff. We have a range of controls to protect staff from poor treatment and/or exploitation. These include provision of fair pay rates, fair terms and conditions of employment, and access to training and development opportunities. All employees are required to adopt a positive, open and fair approach and ensure the Council's Equality and Diversity Policy is adhered to and applied consistently to all irrespective of race, colour, nationality, ethnic or national origins, disability, religion and belief or non-belief, age, sex, gender reassignment, gender identity and gender expression, sexual orientation, pregnancy or maternity, marital or civil partnership status.

- In addition, the **Welsh Language Standards** ask us to 'ensure that the Welsh language is treated no less favourably than the English language' and this principle should be adopted within the Council and our supply chain.
- **Safeguarding and Whistleblowing.** Our policies and procedures provide clear guidance so that our employees are clear on how to raise safeguarding concerns about how colleagues or people providing our services are being treated, or about practices within our business or supply chain without fear of reprisals.
- **Employee Code of Conduct and behavioural standards guidance.** These make clear to employees the actions and behaviours expected of them. The Council strives to maintain the highest standards of employee conduct and ethical behaviour.
- **Ethical Employment & Supply Chains Policy.** This policy sets out the context for ethical trade and employment practices for the Council and our supply chains and outlines our commitment, steps taken and future planned steps to address slavery and human trafficking risks.

During 2021-2022 as part of our commitment to preventing modern slavery and human trafficking the Council will undertake the following activities:-

- Make staff aware of the Modern Slavery Act 2015 and inform them of the appropriate action if they suspect a case of slavery or human trafficking.
- Ensure that consideration of the modern slavery risks and prevention are added to procurement strategies and contract terms and conditions include references to modern slavery and human trafficking.
- Deliver training on Modern Slavery and Ethical Employment Practices to staff procuring goods and services.
- Communicate our commitment to the Welsh Government's Code of Practice on Ethical Employment in Supply Chains both internally and within our supply base.

This statement was approved on xx/xx/20xx by xxxx who will review and update it annually.

Signed ..... (Anti-Slavery and Ethical Employment champion)

**EXECUTIVE SUMMARY  
POLICY & RESOURCES SCRUTINY COMMITTEE  
20 October 2021**

**Carmarthenshire Public Services Board (PSB) Minutes –  
May & July 2021**

In order to ensure PSBs are democratically accountable, the Well-being of Future Generations (Wales) Act 2015 places a requirement on councils to designate an overview and scrutiny committee to scrutinise the work of the PSB. In the 'Guidance for Local Authority Scrutiny Committees on the scrutiny of Public Services Boards' issued by Welsh Government in August 2017 it notes:

*'Under the provisions contained in the Act, overview and scrutiny committees have extensive powers to review the PSB's governance arrangements as well as any decisions made or actions taken by the PSB. In addition, overview and scrutiny committees are provided with considerable reporting powers as they are required to share copies of any reports or recommendations made in connection with the board's function or governance arrangement with the Welsh Ministers, the Future Generations Commissioner for Wales and the Auditor General for Wales.'*

In Carmarthenshire, the Council's Policy & Resources Scrutiny Committee has been designated as the relevant scrutiny.

The minutes of the May 2021 Carmarthenshire PSB meeting were approved by the PSB at its 15 July 2021 meeting and the minutes of the July 2021 meeting were approved by the PSB at its 29 September 2021 meeting.

The minutes are presented to the Council's Policy & Resources Scrutiny for further consideration and scrutiny.

### 3. Deddf yr Amgylchedd (Cymru) – Dyletswydd Bioamrywiaeth a Gwydnwch Ecosystemau / Partneriaeth Natur / Adroddiad ar Sefyllfa Byd Natur

#### Deddf yr Amgylchedd (Cymru) – Dyletswydd Bioamrywiaeth a Gwydnwch Ecosystemau / Partneriaeth Natur

Rhododd Isabel Macho, Swyddog Bioamrywiaeth CSC, gyflwyniad ar Adran 6 o Ddeddf yr Amgylchedd – Dyletswydd Bioamrywiaeth. Yn ogystal â'r argyfwng hinsawdd, mae gennym argyfwng natur, ac ni ellir ystyried y naill heb y llall. Mae Deddf yr Amgylchedd yn ategu darpariaethau Deddf Llesiant Cenedlaethau'r Dyfodol ac yn berthnasol i bob corff cyhoeddus a'r Bwrdd Gwasanaethau Cyhoeddus. Er mwyn cydymffurfio â dyletswydd Adran 6, dylai cyrff cyhoeddus ystyried bioamrywiaeth ac ecosystemau yn gynnar ac wrth gynllunio busnes, gan gynnwys mewn polisiau, cynlluniau, rhaglenni a phrosiectau, yn ogystal â gweithgareddau o ddydd i ddydd. Mae manteision lu'n perthyn i Ddeddf yr Amgylchedd sy'n galluogi cyrff cyhoeddus i gyrraedd eu nodau llesiant. Mae hefyd yn cyflwyno Datganiadau Ardal y mae'n rhaid eu hystyried wrth baratoi Asesiadau Llesiant, sydd yn eu tro'n llywio cynlluniau llesiant y BGC.

Dangoswyd enghraifft o rwydwaith ecolegol gydag awgrymiadau ar sut y gellid ei wella. Gellid rheoli cynefinoedd glaswelltir yn well drwy dorri ar lefel uwch ac yn llai aml gan fod glaswelltir yn dda am storio carbon. Gellir helpu rhywogaethau y mae newid yn yr hinsawdd yn effeithio arnynt drwy osod blychau adar ac ystumod. Gall cynhyrchion glanhau hefyd fod yn niweidiol i gyrsiau dŵr a dylid ystyried caffael cynhyrchion sy'n sensitif i'r amgylchedd.

Mae Partneriaeth Natur Sir Gaerfyrddin (CNP) wedi bodoli ers 20 mlynedd ac mae'n rhan o rwydwaith Partneriaeth Natur Leol Cymru. Mae ganddi nifer o bartneriaid, gan gynnwys CSC a Cyfoeth Naturiol Cymru fel cyrff cyhoeddus, a sefydliadau eraill fel yr Ymddiriedolaeth Gwarchod Glöynnod Byw, Ymddiriedolaeth Adar y Gwlyptir, a'r Ymddiriedolaeth Natur. Mae gan Bartneriaeth Natur Sir Gaerfyrddin Gynllun Adfer Natur ar gyfer y sir, sy'n adlewyrchu'r amcanion cenedlaethol. Mae cydweithio agos hefyd â thîm Datganiad Ardal y De-orllewin o fewn Cyfoeth Naturiol Cymru. Mae Partneriaeth Natur Sir Gaerfyrddin yn cael ychydig o gyllid bob blwyddyn a fydd yn cael ei ddefnyddio i lunio Adroddiad Sefyllfa Byd Natur i Sir Gaerfyrddin, gan weithio ochr yn ochr â phartneriaid, a phrosiectau amrywiol i gefnogi camau gweithredu.

Mae proffil bywyd gwyllt yn eich ward wedi cael ei greu ar gyfer pob ward yn y sir, a bydd yn cael ei ddsbarthu i gynyddu ymwybyddiaeth o fywyd gwyllt yn yr ardaloedd hyn a nodi beth gellir ei wneud i helpu hynny.

### Adroddiad ar Sefyllfa Byd Natur (SoNaRR)

Rhoddodd Russel De'Ath, Ymgynghorydd Arbenigol Arweiniol Cyfoeth Naturiol Cymru (CNC), gyflwyniad ar SoNaRR. Mae gan CNC ddyletswydd i gynhyrchu'r adroddiad hwn bob 5 mlynedd ac mae'n bwydo Adroddiad Tueddiadau'r Dyfodol a Pholisi Adnoddau Naturiol Llywodraeth Cymru. Mae'n sail dystiolaeth o ran i ba raddau y mae adnoddau naturiol yn cael eu rheoli'n gynaliadwy ac yn seiliedig ar bedwar nod allweddol:

- Bod stociau o adnoddau naturiol yn cael eu diogelu a'u gwella (ymestyn a chyflwr)
- Ecosystemau gwydn
- Lleoedd iach i bobl (llygredd/ansawdd aer, rheoli gwastraff, llygredd sŵn, llygredd dŵr, defnydd tir a phriddoedd, rhywogaethau estron goresgynnol, perygl llifogydd)
- Economi adfywiol (cynhyrchiant a defnydd cynaliadwy a'n hól troed tramor)

Mae tystiolaeth i ddangos ein bod yn tynnu llawer mwy o'r ddaear nag yr ydym yn ei roi'n ôl, a'r casgliad gan SoNaRR yw bod angen gwneud newidiadau ar raddfa fawr i'r systemau bwyd, ynni a thrafnidiaeth er mwyn mynd i'r afael â'r heriau. Mae gan Borth Gwybodaeth Amgylcheddol Cymru wybodaeth i gefnogi'r gwaith o lunio'r asesiad llesiant, ac mae'r Datganiadau Ardal hefyd yn nodi heriau ar lefel leol. Mae angen ystyried materion morol ac arfordirol, yn enwedig yn achos cymunedau sydd dan fygythiad o achos y codiad yn lefelau'r môr. Cafodd cynnig ei wneud am gymorth i hwyluso gweithdy *Three Horizons* sy'n offeryn sganio yn y dyfodol.

Mae'r Grŵp Gweithredu Amgylchedd Iach (GGAI) yn datblygu'r gwaith hwn. Mae'r amgylchedd naturiol o dan bwysau aruthrol ac mae angen dod o hyd i ateb i fynd i'r afael â hyn ar gyfer cenedlaethau'r dyfodol. Mae sefydliadau'r sector cyhoeddus yn deall y neges, ond mae angen ei hamlygu ymhlith y sector preifat. Gall polisïau ar ôl Brexit ddylanwadu ar ddefnydd tir yn y dyfodol. Mae'r enghreifftiau a roddwyd yn dangos y dylai hyn fod yn rhan allweddol o raglen waith y BGC yn y dyfodol.

#### **4. Comisiynydd Pobl Hŷn Cymru: Cymunedau Oed Gyfeillgar**

Dywedodd Heléna Herklots, Comisiynydd Pobl Hŷn Cymru, fod angen sicrhau, wrth i ni symud drwy'r pandemig, nad anghofir am ein poblogaeth sy'n heneiddio. Cafwyd cyflwyniad ar gymunedau oed gyfeillgar, lle mae pobl hŷn yn teimlo eu bod yn cael eu gwerthfawrogi, eu parchu a'u cynnwys, a lle mae cymunedau'n helpu pobl i heneiddio'n dda.

Amlinellai strategaeth ddrafft Llywodraeth Cymru, yr oedd modd ymgynghori yn ei chylch cyn mis Mawrth, ei gweledigaeth i gefnogi pobl o bob oed i fyw a heneiddio'n dda. Mae'r adroddiad 'Gadael neb ar ôl', a lansiwyd fis Awst diwethaf, yn amlinellu meysydd allweddol gyda chamau gweithredu tymor canolig a hir. Mae Sefydliad Iechyd y Byd wedi nodi parthau oed gyfeillgar sy'n cwmpasu pob agwedd ar fywyd cymunedol y mae angen eu hystyried wrth

lunio cynlluniau. Dau brosiect sy'n bodoli ar hyn o bryd yn Sir Gaerfyrddin yw Connect a Bwcabus.

Mae gofyniad ar Awdurdodau Lleol i anelu at weld Cymru sy'n oed gyfeillgar. Ceir Grŵp Llywio Cenedlaethol sy'n oed gyfeillgar, a Chymuned Ymarfer sy'n galluogi ymarferwyr i gysylltu â'i gilydd. Yn lleol, y fantais fyddai bod trigolion hŷn yn rhan o'r broses o siapio'r man lle maent yn byw. Amlinellwyd gofynion ymgeisio Rhwydwaith Sefydliad Iechyd y Byd a chynigiwyd cymorth gyda'r broses ymgeisio gan yr OPCW. Eglurwyd y byddai angen i'r awdurdod lleol wneud y cais ond bod gweithio mewn partneriaeth yn hollbwysig.

Cadarnhaodd Emlyn Dole ei fod yn cefnogi'r gwaith ac yn cefnogi gweithio gydag eraill, ond bod angen trafod y peth cyn bwrw ymlaen. Ychwanegodd Martyn Palfreman ei fod yn falch bod Connect yn cael ei ddangos fel arfer da a soniodd am raglenni eraill oedd yn cefnogi pobl hŷn. Dywedodd fod cyfleoedd i'r Bwrdd Partneriaeth Ranbarthol weithio ochr yn ochr â'r Cyngor.

Darparwyd adroddiad cynnydd ar gyfer y ddau brosiect a gyflawnwyd yn llwyddiannus – plannu coed a seilwaith gwyrdd.

Diolchodd Huwel Manley i Kate Harrop a Wendy Phillips am eu gwaith ar y grant hwn, a oedd wedi bod yn her o ran y broses. Ychwanegodd fod ansicrwydd ynglŷn â'r cyllid ar gyfer y flwyddyn ariannol newydd.

### Cynllun Gwaith

Roedd diweddariadau ar y cynllun gwaith mewn print trwm.

Cytunwyd i ystyried defnyddio cyllid Cyfoeth Naturiol Cymru ar gyfer yr atebion cymdeithasol a gwyrdd ar gyfer iechyd, felly byddai penderfyniad cynnar ar gyllid yn y dyfodol yn fuddiol.

Cynhelir cyfres arall o weithdai ddiwedd mis Mai yn canolbwyntio ar y pedwar maes allweddol o gaffael blaengar fel y nodwyd yn y cynllun gwaith.

## 2. Cynllun Adfer a Chyflawni Economaidd Sir Gaerfyrddin

Rhoddodd Jason Jones, Pennaeth Adfywio, gyflwyniad ar y gwaith i gynorthwyo adferiad economaidd yn y sir.

Cyflwynwyd adroddiad ar effaith Covid ar fusnesau Sir Gaerfyrddin i Fwrdd Gweithredol y Cyngor ym mis Mehefin 2020. Sefydlwyd dau grŵp – Grŵp Adfer Busnesau a'r Economi (mewnol) a Grŵp Cynghori Busnesau (allanol). Roedd canlyniad yr adolygiad annibynnol dilynol gan ymgynghorwyr yn gadarnhaol.

Pwyntiau allweddol y cyfeiriwyd atynt:

- Mae amcanestyniadau'n dangos na fydd Gwerth Ychwanegol Gros na Chyflogaeth yn debygol o wella i'r lefelau cyn y pandemig o fewn tair blynedd heb ymyrraeth.
- Rhoddwyd trosolwg ar yr 11 thema – seilwaith cyfalaf; cymorth busnes; economi canol trefi; caffael; cynllunio; yr economi wledig; cymunedau; cysylltedd digidol; sgiliau; twristiaeth a digwyddiadau; asedau tir.
- Nod y cynllun cyflawni yw cefnogi 6,500 o fusnesau, creu 2,000 o swyddi, gwella sgiliau a chymwysterau 750 o unigolion, helpu 1,000 o unigolion i ddychwelyd i gyflogaeth, cynyddu gwariant caffael lleol £20 miliwn, buddsoddiad o £10 miliwn mewn cysylltedd digidol a mynediad at fand eang cyflym iawn ar gyfer 95% o safleoedd.
- Edrych ar strategaeth arloesi sy'n canolbwyntio ar gaffael, iechyd a llesiant, gwybodaeth ddigidol, newid yn yr hinsawdd ac adferiad gwyrdd. Mae Prifysgol Caerdydd yn cynorthwyo gyda'r gwaith hwn a bydd hefyd yn cynnwys ymgysylltu â charfanau rhanddeiliaid y gwahoddwyd y BGC i gymryd rhan ynddynt.
- Cyfleoedd cyllido yn y dyfodol – gwerthfawrogwyd cefnogaeth flaenorol gan y BGC a'r gobaithe yw y bydd yn parhau.
- Ffyrdd Gwell o Weithio - Yn ogystal â'r Grŵp Eiddo sy'n edrych ar asedau, gellid cynnwys tir hefyd mewn map data, gan greu canolfannau ar gyfer gweithio ystwyth, man cydweithredol ar gyfer y sector cyhoeddus a chyfleoedd profi masnachu ar gyfer masnachwyr annibynnol/marchnad fwyd ac ati.

Cymeradwywyd y cais i gymryd rhan yn y Grŵp Ymgysylltu â Rhanddeiliaid a gwnaed cais am adborth rheolaidd ar gynnydd.

- Rhagwelir y bydd y 10 tref yn gweld cynnydd yn nifer yr ymwelwyr oherwydd gweithio ystwyth. Bydd ffocws hefyd ar lety canol tref yn y prif drefi, o bosibl drwy brynu adeiladau canol tref.
- Caiff amcanion y rhaglen gaffael eu cyfleu i'r gwahanol sectorau er mwyn galluogi arallgyfeirio i sicrhau cadwyn gyflenwi leol.

Dywedodd Huwel Manley fod gan CNC ystâd fawr yn Sir Gaerfyrddin ac y byddai'n croesawu ymgysylltu ynghylch ffyrdd posibl o gyflawni amcanion ehangach.

### 3. Y Diweddaraaf am Brosiect Pentre Awel Bargen Ddinesig Bae Abertawe

Rhoddodd Sharon Burford, Rheolwr Prosiect, a Richard Reynolds, Swyddog Prosiect, gyflwyniad ar Bentre Awel, sy'n brosiect gan Gyngor Sir Caerfyrddin.

Bydd gan y safle, sy'n cwmpasu 83 erw o dir, bedwar parth a mannau gwyrdd â'r potensial ar gyfer rhagnodi cymdeithasol:

1. Y Fargen Ddinesig a Hamdden
2. Tai a Byw â Chymorth/Gofal Preswyl
3. Byw â Chymorth ac Ehangu Busnesau
4. Gwesty

Y prif nod yw cael safle sy'n hygyrch i bawb ac ar gyfer pob cenhedlaeth. Mae'r ffocws hyd yma wedi bod ar barth 1 sy'n elwa o £80 miliwn o fuddsoddiad gan y sector cyhoeddus – £40 miliwn gan Raglen Bargen Ddinesig Bae Abertawe i gyllido'r cydrannau busnes, addysg, ymchwil ac iechyd; rhaglen gyfalaf CSC gwerth £27 miliwn i gyllido cyfleusterau hamdden newydd a £15 miliwn tuag at seilwaith ar gyfer y safle, h.y. llwybrau troed a llwybrau beicio, amgylchfyd cyhoeddus, tirlunio a'r prif faes parcio. Bydd parth 1 yn eiddo i'r Awdurdod ac yn cael ei weithredu ganddo a chafodd y Cynllun Busnes ei gymeradwyo'n ffurfiol ym mis Mawrth. Rhoddwyd trosolwg o'i gynllun a ddatblygwyd ar ôl ymgysylltu â nifer o randdeiliaid.

Datblygwyd continwmm o addysg, sgiliau a hyfforddiant i annog pobl i ddychwelyd i addysg, sgiliau a hyfforddiant. Mae'r rhan fwyaf o'r hyfforddiant sydd ar gael yn ymwneud ag iechyd a gofal ond mae hefyd yn cynnwys adeiladu, gwasanaethau cymorth, megis hyfforddiant gweinyddol a derbynfa, a hyfforddiant digidol. Mae darparwyr ar waith ar gyfer pob elfen yn ogystal â Memorandwm Cyd-ddealltwriaeth sydd wedi'i lofnodi gan Brifysgol Cymru y Drindod Dewi Sant, Coleg Sir Gâr, Prifysgol Abertawe a Phrifysgol Caerdydd.

Bydd canolfan darpariaeth glinigol ac ymchwil glinigol yn cefnogi'r newid tuag at ofal yn y gymuned. Fe'i cynlluniwyd i osod myfyrwyr a hyfforddeion mewn lleoliad clinigol a gwella hynny. Mae'r broses o gaffael parth 1 wedi mynd allan i dendr a bydd yn cau'r wythnos nesaf.

Cydnabyddir mai penderfynyddion ehangach llesiant yw iechyd, creu swyddi, mynediad at wasanaethau, sgiliau, hyfforddiant a chydlyniant cymunedol. Cynhaliwyd arddangosfa gyhoeddus gyda'r gymuned leol, ac awgrymwyd gan aelodau'r BGC y dylid ailadrodd hyn er mwyn annog defnydd lleol o'r cyfleusterau. Awgrymwyd hefyd y dylid ystyried yr angen posibl dros yr 20-30 mlynedd nesaf ac adeiladu lleoedd a all addasu.

#### 4. Diweddariad ar Brosiect Seilwaith Digidol Bargen Ddinesig Bae Abertawe

Rhodddwyd cyflwyniad gan Gareth Jones, Rheolwr y Rhaglen Ddigidol, ar y datblygiadau diweddaraf. Y prif nod o ran y cysylltedd yw cyflymderau sy'n uwch na 1000mbps, a rhoddir blaenoriaeth i'r rhai nad oes ganddynt fand eang cyflym iawn ar hyn o bryd.

Mae meincnod Sir Gaerfyrddin yn dda iawn o gymharu ag awdurdodau gwledig eraill o ran buddsoddiad masnachol mewn gosod ffibr. Sicrhawyd buddsoddiad Cyflymu Cymru 2 gyda £9.2 miliwn i gysylltu 8,600 o'r safleoedd sydd â'r gwasanaeth gwaethaf ar draws Dinas-ranbarth Bae Abertawe; 3,300 yn Sir Gaerfyrddin. Mae pedwar mast ffonau symudol newydd, neu bump o bosibl, yn cael eu hadeiladu yn rhannau mwyaf gwledig Sir Gaerfyrddin ac mae gwaith yn mynd rhagddo i nodi safleoedd. Mae ffonau symudol yn ddewis amgen dilys yn lle band eang. Ar hyn o bryd mae deg Prosiect Cymunedol Cynllun Talebau Gigabit ar waith ac mae eraill ar y gweill. Mae saith ohonynt gyda'r Adran dros Ddiwylliant, y Cyfryngau a Chwaraeon (DCMS) yn aros am gymeradwyaeth. Byddant yn defnyddio'r cynllun talebau i drafod gyda chyflenwyr i gael gwell band eang – ar hyn o bryd mae pedwar cyflenwr yn weithgar yn y sir. Cyhoeddodd Llywodraeth Cymru yn ddiweddar y bydd yn ychwanegu at y cynllun.

Mae'r prosiect wedi'i gymeradwyo a'i gytuno gan bob parti ac mae'r trefniadau llywodraethu seilwaith digidol rhanbarthol ar waith. Mae hysbysebion wedi'u cyhoeddi ar gyfer swydd Rheolwr y Prosiect, adnoddau ar gyfer pob awdurdod lleol ac Ymgynghorydd Arbenigol.

Buddsoddiad Rhanbarthol Sylweddol:-

- £3.5 miliwn gan bartneriaid rhanbarthol, y prif awdurdod lleol
- £9.2 miliwn o gyllid Cyflymu Cymru, sy'n effeithio ar 3,300 o eiddo yn Sir Gaerfyrddin
- £290,000 Hwb Cysylltedd Gigabit Gwledig y DCMS
- £500,000 ar gyfer prosiectau band eang cymunedol
- £400,000 ar gyfer 'Rhyngwryd Pethau' di-wifr mynediad agored

Cynhelir gweithdai yn ystod y misoedd nesaf a gwahoddir partneriaid/rhanddeiliaid. Cafwyd sgwrs fer ar y Rhyngwryd Pethau a chytunwyd y dylid rhoi cyflwyniad mewn cyfarfod yn y dyfodol.

## 6. Cynllun Llesiant Sir Gaerfyrddin - y Wybodaeth Ddiweddaraf

Cronfa Her yr Economi Sylfaenol - Prosiect Caffael Bwyd y Sector Cyhoeddus

Er i'r cyllid ddod i ben ddiwedd mis Mawrth, mae gwaith yn mynd rhagddo mewn perthynas â chaffael. Mae hyn yn rhan allweddol o'r Cynllun Adfer Economaidd.

O ran yr elfen fwyd, mae Gwyneth Ayers yn cymryd rhan mewn prosiectau amrywiol, yn y sector cyhoeddus a'r gymuned, i ddatblygu'r gadwyn fwyd leol i sicrhau bod prosiectau'n cydfynd â'i gilydd. Mae rhai ceisiadau posibl am gyllid o ran dilyniant, sy'n edrych ar gydweithio yn y sector cynnyrch, yn benodol. Rhoddir diweddariad pan fydd yn briodol.

Mae Rhwydwaith Bwyd Sir Gaerfyrddin yn brosiect cyffrous dan arweiniad Cymdeithas Gwasanaethau Gwirfoddol Sir Gâr - CAVS. Fe'i sefydlwyd a daeth â rhanddeiliaid yn y gymuned at ei gilydd, e.e. banciau bwyd, cynlluniau tyfu cymunedol, rhandiroedd, perllannau, cynhyrchwyr, ac ati.

Bydd hyn yn cael ei gynnwys yn y cynllun gwaith yn y dyfodol, yn hytrach nag yn eitem ar yr agenda.

Mae trafodaethau'n mynd rhagddynt ar gynnig cam 2 i ddatblygu'r gwaith ymhellach.

### Cronfa Adfer Gwirfoddoli yn sgil y Coronafeirws - y wybodaeth ddiweddaraf

Mae gwaith gyda'r ymgynghorwyr yn dod i ben ac mae adroddiadau drafft wedi dod i law. Bydd rhai newidiadau'n cael eu gwneud cyn y byddant yn mynd i'r Grŵp Gweithredu Cysylltiadau Cryf i'w trafod.

Mae gwaith ar wirfoddoli a'r plattform dysgu yn parhau i ddatblygu, ynghyd â'r strategaeth wirfoddoli.

### Hybiau Gwasanaethau Cyhoeddus Canol Tref

Mae cyfarfodydd yn parhau ynghylch cydweithio posibl yn Llandeilo. Mae lleoliad wedi'i nodi sydd â'r potensial ar gyfer cydleoli gweithio ystywyth, cyfleoedd o ran delio â chwsmeriaid a chyfleuster allgymorth i staff sy'n gweithio yn y gymuned. Mae'r cynigion yn cael eu costio. Ceisiwyd cefnogaeth mewn egwyddor gan aelodau'r BGC ac mae pob un yn mynd â nhw i'w sefydliad ei hun i'w datblygu. Mae ymrwymiad a chefnogaeth gynyddol i wneud i hyn weithio.

### Cynllun Gwaith

(Ni thrafodwyd yr eitem hon, ond rhoddwyd nifer o ddiweddariadau yn ystod y cyfarfod).

## 7. Diweddariad Asesiad Llesiant

Rhodddwyd trosolwg o'r datblygiadau diweddar a gwnaed cynnydd mewn nifer o feysydd allweddol. Sefydlwyd Grŵp Arolwg Rhanbarthol i ddatblygu'r arolwg sy'n seiliedig ar y saith nod llesiant. Dylai'r arolwg fod yn fyw o ddechrau mis Awst i ddiwedd mis Medi. Cynhelir trafodaethau gyda chydweithwyr y Bwrdd Partneriaeth Ranbarthol i sicrhau bod cyfleoedd ymgysylltu ar y cyd yn cael eu hystyried rhwng asesu poblogaeth ac asesu llesiant.

Cynllun Ymgysylltu Rhanbarthol – edrych ar gyfleoedd eraill i ymgysylltu ac mae pecyn cymorth yn cael ei ddrafftio i hwyluso trafodaethau. Bydd nifer o ddigwyddiadau i randdeiliaid yn cael eu cynnal yn y sir.

Dosbarthwyd map o'r Ardal Cynnyrch Ehangach Haen Uwch, ond yr adborth gan Gomisiynydd Cenedlaethau'r Dyfodol yn sgil yr asesiad blaenorol oedd y dylai'r data fod yn fwy lleol. Awgrymwyd bod yr Ardal Cynnyrch Ehangach Haen Uwch yn cael ei defnyddio fel man cychwyn ac y gellir casglu data'r arolwg o'r côd post. Bydd datblygu proffiliau cymunedol ar gyfer y chwe ardal yn cael ei ystyried wrth symud ymlaen. Yn dilyn trafodaeth ar yr Ardal Cynnyrch Ehangach Haen Uwch a'r Ardal Cynnyrch Ehangach Haen Ganol, cytunwyd i ddefnyddio'r Ardal Cynnyrch Ehangach Haen Uwch ond y byddai'r setiau data sydd ar gael ar lefel Ardal Cynnyrch Ehangach Haen Ganol yn cael eu nodi.

Bydd y Cydgysylltydd Prosiect Llesiant Rhanbarthol newydd yn dechrau yn ei swydd ar 2 Awst. Yn anffodus, nid oedd cais y Rhwydwaith Cydgynhyrchu a drafodwyd yn y cyfarfod diwethaf yn llwyddiannus. Mae'r System Wybodaeth Ddigidol, Gorwel, yn cael ei phrofi ar hyn o bryd cyn mynd yn fyw a rhoddir ystyriaeth i weld a ellir ei defnyddio ar gyfer yr asesiad llesiant. Trafodwyd amserlen yr Asesiad Llesiant - er mai mis Mai yw'r dyddiad cau, ceisir ei gyhoeddi ym mis Mawrth 2022, cyn yr etholiadau llywodraeth leol.

Dywedodd Andrew Charles fod y gwaith o dan Ddeddf Llesiant Cenedlaethau'r Dyfodol i ddatblygu cerrig milltir cenedlaethol yn edrych ar fylchau mewn dangosyddion llesiant cenedlaethol yng nghyd-destun Covid, ac Adroddiad Tueddiadau'r Dyfodol. Disgwylir i'r rhain gael eu cyhoeddi ym mis Rhagfyr 2021 ond bydd ymgynghoriad yn yr hydref.

**4. ADRODDIAD BLYNYDDOL CYNGOR SIR CAERFYRDDIN 2020/21**

Cyflwynodd y Dirprwy Arweinydd Adroddiad Blynyddol Drafft y Cyngor ar gyfer 2020/21 ynghyd ag adroddiadau manwl ynghylch yr Amcanion Llesiant perthnasol sydd o fewn maes gorchwyl y Pwyllgor, sef:

- Amcan Llesiant 5 - Mynd i'r afael â thlodi;
- Amcan Llesiant 14 - Hyrwyddo'r iaith Gymraeg a diwylliant Cymru;
- Amcan Llesiant 15 - Adeiladu Gwell Cyngor a Gwneud Gwell Defnydd o Adnoddau.

Nodwyd ei bod yn ofynnol o dan Fesur Llywodraeth Leol (Cymru) i'r Awdurdod gyhoeddi Adroddiad Blynyddol ar berfformiadau blaenorol erbyn diwedd mis Hydref bob blwyddyn.

Roedd y canlynol ymhlith y materion a godwyd ynghylch yr adroddiad:

### **Amcan Llesiant 5**

- Mewn ymateb i sylw yn ymwneud â'r gwaharddiad ar droi allan yn ystod pandemig covid a'r disgwyliad dilynol y gallai nifer yr aelwydydd sydd mewn perygl o fod yn ddigartref fod wedi bod yn llai na'r hyn a nodwyd yn yr adroddiad. Cytunwyd y dylid gofyn i'r Aelod o'r Bwrdd Gweithredol dros Dai roi rhagor o wybodaeth am y mater hwn a hefyd gynlluniau'r Awdurdod i adeiladu tai yn y dyfodol;
- nododd yr Aelod o'r Bwrdd Gweithredol dros Gymunedau a Materion Gwledig bryder bod aelwydydd nad oeddent yn gallu elwa o fenter Dechrau'n Deg Llywodraeth Cymru gan nad oeddent mewn ardaloedd a oedd yn gymwys;
- diolchwyd i'r Cyngor am ei gamau gweithredu o ran darparu parseli bwyd ac wedyn taliadau yn lle prydau ysgol am ddim;
- Mewn ymateb i ymholiad, cadarnhawyd bod y Grant Datblygu Disgyblion wedi'i gynnwys yn y gyllideb ar gyfer eleni. Ni chafwyd unrhyw arwydd ynghylch tynnu'r grant yn ôl yn y dyfodol, a byddai effaith hynny'n sylweddol, ac ystyriwyd mai'r unig beth y gallai Llywodraeth Cymru ei wneud yn y dyfodol fyddai trosglwyddo'r grant i'r Grant Cynnal Refeniw;
- Cytunodd yr Aelod o'r Bwrdd Gweithredol dros Ddiwylliant, Chwaraeon a Thwristiaeth, mewn ymateb i sylw, i wneud ymholiadau ynghylch a ellid sicrhau bod cyllid Parc Rhanbarthol y Cymoedd ar gael yn ehangach ar gyfer parciau nad oeddent yn gymwys o dan y fenter ar hyn o bryd;

### **Amcan Llesiant 14**

- Nodwyd bod yr Aelod o'r Bwrdd Gweithredol dros Ddiwylliant, Chwaraeon a Thwristiaeth eisoes wedi cytuno i wneud popeth oedd yn bosibl i sicrhau bod busnesau yn Sir Gaerfyrddin yn gallu elwa o'r ymwelwyr a ddisgwyliad ar gyfer Eisteddfod yr Urdd 2023;

### **Amcan Llesiant 15**

- cytunodd yr Aelod o'r Bwrdd Gweithredol dros Adnoddau i ganfod faint o arian a wariwyd ar gontractwyr allanol pan oedd y gwaith dros gapasiti gweithlu'r Cyngor ei hun.

Mynegwyd pryder ynghylch yr ôl-groniad o geisiadau am ddarparu palmentydd, mewn ardaloedd gwledig yn arbennig, a oedd yn effeithio ar allu pobl i gadw'n heini ac 'Heneiddio'n Dda' yng nghyd-destun yr Adroddiad Blynyddol a hefyd o ran llwybrau cerdded diogel i ysgolion. Nodwyd nad oedd hyn yn dod o fewn maes gorchwyl y Pwyllgor hwn ac awgrymwyd y dylid gofyn i'r Pwyllgor Craffu – Diogelu'r Cyhoedd a'r Amgylchedd ystyried darparu palmentydd.

**PENDERFYNWYD YN UNFRYDOL argymell i'r Bwrdd Gweithredol fod fersiwn ddrafft o Adroddiad Blynyddol 2020/21 yn cael ei gymeradwyo.**

**5. ADRODDIAD BLYNYDDOL CYNLLUN CYDRADDOLDEB STRATEGOL 2020-21 A CHYNLLUN GWEITHREDU 2021-24**

Cyflwynodd yr Aelod o'r Bwrdd Gweithredol dros Gymunedau a Materion Gwledig Adroddiad Blynyddol y Cynllun Cydraddoldeb Strategol 2020-21, a'r Cynllun Gweithredu ar gyfer 2021-24, a oedd yn manylu ar sut yr oedd y Cyngor wedi gweithredu ei Gynllun Cydraddoldeb Strategol ac wedi cyflawni ei ddyletswyddau o dan Ddeddf Cydraddoldeb 2010 a Dyletswyddau Penodol Cymru.

Roedd y canlynol ymhlith y materion a godwyd ynghylch yr adroddiad:

- Mynegwyd pryder nad oedd yn ymddangos bod gan y Proffiliau Wardiau a gyrchwyd drwy wefan gorfforaethol y Cyngor y wybodaeth ddiweddaraf mewn meysydd fel nodweddion y boblogaeth, sefyllfa economaidd-gymdeithasol yn seiliedig ar feddiannaeth a math a deiliadaeth tai a bod gwybodaeth o'r fath yn hanfodol wrth geisio mynd i'r afael ag anghydraddoldeb a chefnogi cymunedau. Cytunodd yr Aelod o'r Bwrdd Gweithredol dros Gymunedau a Materion Gwledig i ymchwilio ymhellach i'r mater;
- Mewn ymateb i ymholiad ynglŷn â'r ganran lawer mwy [81%] o staff benywaidd a oedd wedi ceisio cyngor a chymorth llesiant drwy'r Ganolfan Cyngor a Chymorth Llesiant Gweithwyr o gymharu â staff gwrywaidd, awgrymwyd ei bod yn ymddangos bod dynion yn llai tebygol o geisio cymorth ond cytunodd y Prif Weithredwr Cynorthwyol (Rheoli Pobl a Pherfformiad) i godi'r mater gyda'i dîm;
- Cyfeiriwyd at y gwaith rhagorol a wnaed gan y Grŵp Gorchwyl a Gorffen Cydraddoldeb ac Amrywiaeth (Pobl Dduon, Asiaidd a Lleiafrifoedd Ethnig) ac yn arbennig y penderfyniad i godi byrddau dehongli priodol ar waelod y gofeb i Syr Thomas Picton.

**PENDERFYNWYD YN UNFRYDOL argymell i'r Bwrdd Gweithredol fod yr adroddiad yn cael ei gymeradwyo.**

**6. ADRODDIAD BLYNYDDOL AR YR IAITH GYMRAEG 2020-21**

Gan gyfeirio at gofnod 7 y cyfarfod a gynhaliwyd ar 5 Hydref 2016, cyflwynodd yr Aelod o'r Bwrdd Gweithredol dros Ddiwylliant, Chwaraeon a Thwristiaeth yr Adroddiad Blynyddol mewn perthynas â'r iaith Gymraeg a chydymffurfio â Safonau'r Gymraeg yn ystod 2020-21. Roedd yr Adroddiad wedi cael ei lunio er mwyn cydymffurfio â threfniadau monitro Comisiynydd y Gymraeg.

Roedd y canlynol ymhlith y materion a godwyd ynghylch yr adroddiad:

- Mewn ymateb i sylw ynghylch newid enwau lleoedd Cymru i'r Saesneg, dywedodd yr Aelod o'r Bwrdd Gweithredol dros Ddiwylliant, Chwaraeon, Twristiaeth fod pryderon y Cyngor wedi'u cyfleu i Lywodraeth Cymru a oedd yn ystyried y mater;
- Cytunodd y Prif Weithredwr Cynorthwyol (Rheoli Pobl a Pherfformiad) i ganfod y ffigurau cofnodion iaith ar gyfer y 2460 o staff mewn ysgolion a oedd wedi'u cynnwys yn y data sgiliau iaith;
- Mewn ymateb i sylw y dylai Dydd Gŵyl Dewi fod yn ŵyl banc, dywedodd yr Aelod o'r Bwrdd Gweithredol dros Ddiwylliant, Chwaraeon, Twristiaeth fod

llawer o ddatliadau yn digwydd mewn ysgolion na fyddai'n digwydd fel arall pe bai'n wyl banc. Roedd y mater yn cael ei drafod gan Lywodraeth Cymru.

**PENDERFYNWYD YN UNFRYDOL argymhell i'r Bwrdd Gweithredol fod yr Adroddiad Blynyddol ynghylch yr Iaith Gymraeg 2020-21 yn cael ei gymeradwyo.**

**7. ADRODDIAD BLYNYDDOL STRATEGAETH TRAWSNEWID DIGIDOL A STRATEGAETH TECHNOLEG DDIGIDOL 2021**

Cyflwynodd y Dirprwy Arweinydd Adroddiad Blynyddol Strategaeth Trawsnewid Digidol a Strategaeth Technoleg Ddigidol 2021 yn unol â'r ymrwymiadau a nodir yn Strategaeth Trawsnewid Digidol 2017-2020, a gymeradwywyd gan y Bwrdd Gweithredol ym mis Mai 2017, a Strategaeth Trawsnewid Digidol 2018-2021, a gymeradwywyd gan y Bwrdd Gweithredol ym mis Mai 2018. Roedd y ddwy strategaeth yn cynnwys ymrwymiad i lunio adroddiad blynyddol.

Roedd y canlynol ymhlith y materion a godwyd ynghylch yr adroddiad:

- O ran trosglwyddo i wasanaethau Cwmwl, a mwy o ddibyniaeth arnynt, rhoddodd y Pennaeth TGCh a Pholisi Corfforaethol sicrwydd bod cynllun Adfer mewn Argyfwng manwl iawn ar gyfer seilwaith yr Awdurdod a bod profion yn cael eu cynnal yn rheolaidd;
- Mewn ymateb i ymholiad, dywedodd y Pennaeth TGCh a Pholisi Corfforaethol, ar ôl mabwysiadu'r Polisi Dewch â'ch Dyfais Eich Hun, y gallai aelodau bellach osod Outlook ar eu dyfeisiau eu hunain i gael mynediad at nodweddion fel eu mewnflwch cyngor a'r dyddiadur;
- Sicrhawyd yr Aelodau bod gan holl ysgolion Sir Gaerfyrddin gysylltedd rhagorol a bod cyllid wedi'i ddarparu i sicrhau bod ganddynt y dyfeisiau a'r offer TG angenrheidiol;
- amlinellodd y Pennaeth TGCh a Pholisi Corfforaethol y cynnydd sy'n cael ei wneud o ran gwella cysylltedd â phob rhan o'r Sir a oedd yn cynnwys mentrau o fewn Bargaen Ddinesig Bae Abertawe;
- cytunodd y Pennaeth TGCh a Pholisi Corfforaethol i ganfod y rheswm pam, yng Nghymru rhwng 2018 a 2020, y bu gostyngiad yng nghanran yr aelwydydd a allai gael mynediad at y rhyngwyd o 89% i 88%;
- cytunodd y Pennaeth TGCh a Pholisi Corfforaethol i ymchwilio ymhellach i bryder ynghylch yr ôl-groniad o geisiadau am gyllid sy'n aros i'r Adran dros Ddiwylliant, y Cyfryngau a Chwaraeon eu cymeradwyo er mwyn gallu darparu band eang cyflym iawn i gymunedau lle'r oedd ei angen;
- O ran mynediad at wasanaethau gan bobl a oedd â mynediad digidol cyfyngedig, rhoddwyd gwybod i'r aelodau y gellid cael gafael ar wasanaethau'r Cyngor hefyd yng Nghanolffannau Hwb y Cyngor mewn canol trefi a thros y ffôn;
- Dywedodd y Dirprwy Arweinydd, mewn ymateb i bryder, fod y Grŵp Llywodraethu Corfforaethol eisoes yn ymwybodol o'r anghydraddoldebau a allai gynyddu rhwng y rhai a oedd â mynediad at TG a'r rhai sydd heb fynediad;
