<b>Project Title</b>	<b>Provision of Mobile and Pop Up Hubs</b>
<b>Applicant</b>	Un Sir Gar
<b>Project Description</b>	<p>The purpose of the project will be to improve and expand upon the way in which the services offered at the 'Hub' location in Llanelli, is replicated to people all across Carmarthenshire, especially to those in rural areas.</p> <p>The proposal is twofold, as Un Sir Gar will work in conjunction with the Library Service and opening 'pop up Hubs' in across the county.</p> <p>One of the biggest challenges Un Sir Gar has faced, has been to find a way of offering the same level of service available at 'The Hub' to the rest of the County. Although outreach work has been undertaken in various forms, and at many locations throughout Carmarthenshire, it has been difficult to consistently replicate the service available at 'The Hub' in other areas, due to resource implications.</p> <p>The 'Pop up Hubs' will be similar to the 'Hub on Tour' events, where they set up The Hub for a day in an alternative location across Carmarthenshire, and are joined by all the organisations that utilise The Hub in Llanelli. The 'Pop up Hubs' will ensure that people in the more rural parts of Carmarthenshire will be able to access the organisations and services that are available in the Llanelli 'Hub'</p> <p>This will bring an additional physical presence of Un Sir Gar to the following areas: Brechfa, Cilycwm, Crwbin, Cwffwrdd, Cwnwyl Elfed, Hendy, Laugharne, Llanboidy, Llanddoarog, Llandybie, Llangadog, Llangeler, Llanwni, Llannon, Llansaint, Llansteffn, Llanybydder, Maesybont, Manordeilo, Meidrim, Nantgaredig, Pencader, Pendine, Pumpsaint and Trelech.</p>

<b>Project Title</b>	Holiday Playcare Pilot
<b>Applicant</b>	Clybiau Plant Cymru
<b>Project Description</b>	Clybiau Plant Cymru is a charitable organisation that exists to help communities within Wales by promoting, developing and supporting quality, affordable out of school childcare clubs.

	<p>The charity has developed a pilot project to complement the findings of the Childcare Sufficiency Assessment Report (2014-2017), which was produced by CCC. The report identified that there is an unmet demand for registered out of school childcare across various areas of the county, particularly the Amman network area. The report also suggests that the cost of childcare provision tends to be high within this area, with the household income being low.</p> <p>The project will comprise of a flexible childcare model that gives families an opportunity to access affordable childcare during school holidays. Clybiau Plant Cymru will assist in delivering a free open access play programme comprising of two hours per day, which will run parallel with the closed access childcare currently offered by a provider in the Amman network area. This will allow parents to access a whole day of childcare for a reduced fee, giving them increased opportunity to seek employment or training.</p>
