EDUCATION, YOUNG PEOPLE AND THE WELSH LANGUAGE SCRUTINY COMMITTEE 23 JANUARY 2023

THE CURRICULUM FOR WALES AND SUPPORT PROVIDED FOR SCHOOLS

This report is written in response to a request for information from the ECS Scrutiny committee.

The aim is to briefly provide the current context regarding schools' implementation of the Curriculum for Wales, focussing predominantly on the support that is available for schools.

The report also aims to outline some of the challenges regarding curriculum implementation and the key focus areas for this academic year, sharing some of the actions in place.

Discussions regarding the delivery of curriculum support and related matters will inform future actions.

Policy, Crime & Disorder and Equalities

We will need to ensure that all schools are well supported in implementing the Curriculum for Wales and that all learners, irrespective of need, achieve good progress in line with the four purposes of the curriculum.

Finance

We need to ensure that all funding ensures high quality support for curriculum development and value for money at all times.

Risk Management Issues

Failure to support schools effectively in implementing the new curriculum for Wales will lead to a lack of suitable progress for learners in their skills and knowledge development. Learning environments and experiences need to be fit for purpose, authentic and effectively equipping our children and young people for their futures.

Staffing Implications

Consideration may be needed regarding staff deployment in relation to any updated strategies relating to the local authority and to the region to ensure effective use of financial resources.

Supporting the Implementation of the Curriculum for Wales in Carmarthenshire Schools, Settings and PRUs

Context:

- Curriculum Implementation for Primary schools – September 2022
- Curriculum Implementation for Secondary schools – September 2022 or 2023. Carmarthenshire Secondary schools have opted for 2023.
- The Curriculum for Wales contains a range of complex mandatory elements for schools to address when designing their curriculum. See below.
- Schools note how challenging a task this is, with time capacity and expertise noted as some of the key challenges. There is much positive work being developed across the schools within Carmarthenshire, however this is variable across schools.

Mandatory Elements of the Curriculum for Wales:

Four purposes								
Ambitious, capable learners	Enterprising, creative contributors	Ethically, informed citizens	Healthy, confident individuals					
Developing a shared understanding of progression								
The principles of progression and the descriptions of learning are intended to guide the development of a curriculum which reflects appropriate progression								
Principles of progression								
Increasing effectiveness	Increase breadth and depth of knowledge	Deepening understanding, ideas and disciplines	Refinement and growing sophistication	Making connections and transferring learning				
Assessing for the future								
Assessment has three main roles in the process of enabling learner progression

Principles of curriculum design								
Evidence-based	Authentic	Responsive	Inclusive	Ambitious				
Unified	Empowering	Engaging	Based on subsidiarity	Manageable				
Areas of Learning and Experience (AoLEs)								
The 27 statements of what matters are the basis of learners progression throughout CfW and its 3-16 learning continuum								
Descriptions of learning provide guidance on how learners should progress within each statement of what matters as they journey through the continuum of learning								
Expressive arts	Health and well-being	Humanities Includes Religion, values and ethics (RVE)	Languages, literacy and communication	Mathematics and numeracy	Science and technology			
Cross-curricular skills			Integral skills	Cross-cutting themes

Challenges / Areas for development:

- Headteacher Survey notes that schools are not receiving the support for curriculum development that they need. 2021 2022
- Uptake of Carmarthenshire schools in the Partneriaeth professional learning offer is low. Possibly 4 / 5 / 6 schools attending a training session. Anecdotally some schools note that they value the progression workshops delivered by Partneriaeth, for example. However, the number of schools participating is low. Our maximum capacity for each event is 10 schools.
- Input from schools, notes that further support is required in the following areas:
 - Curriculum Design - Understanding of the mandatory elements and organising planning effectively.
 - Cross Curricular skill development – Literacy, numeracy and digital
 - Assessment and progression – what does this look like?
 - What do standards look like in relation to each AOLE?
 - Understanding and implementation of learning opportunities in relation to the integral skills
 - Understanding of the cross-cutting themes.

Next Steps:

The Carmarthenshire ECS departmental Curriculum strategy focuses on the following priority areas during 2022 2023:

- Sharing key national messages in a timely manner.
- Curriculum Design - mandatory elements in particular
- Cross-curricular Skill progression
- Cluster working
- Transition
- Assessment and progression (within each AOLE)
- Professional learning

Actions include:

Timeline	Focus area	What will we have achieved during this time?
Sept to Dec 2022	1. Implementation of the Curriculum for Wales – September 2022 for Primary schools and optional for secondary schools, 2022 or 2023. 2. Update School Improvement strategy in line with the WG guidance. Key focus	1. The Partneriaeth PL offer will support the implementation of the curriculum. 2. The SCIMP strategy will be based on a combination of the Estyn Framework, The School Improvement guidance and the principles of progression. Pupil progress in school will increasingly be monitored in the context of the curriculum for Wales.

Jan to April 2023	<ol style="list-style-type: none"> 1. Understanding of the mandatory elements (EF) 2. Cluster Working (EG) 3. Curriculum Design (EF) 4. Transition (AL) 5. Assessment and progression - Shared understanding of progression (within each AOLE) (MO HAJ) 6. Professional learning (CLJ) 7. Ensure that the SCIMP team invest time in familiarising themselves with their lead AOLE, followed by expectations in relation to cross cutting and integral skills. 	<ol style="list-style-type: none"> 1. Joint planning (Carmarthenshire and Partneriaeth) for the AOLE delivery to ensure that schools have a practical understanding of the Mandatory elements of the curriculum. See diagram below for reference. 2. The Cluster Working strategy will ensure there is a standardised approach across all clusters. 3. Partneriaeth will deliver PL on curriculum design that meets the needs of schools. A Carmarthenshire 'Sharing event' (6.2.2023) will launch the Curriculum and Evaluation platform and we will have more strategic methods to share effective practice in relation to Curriculum design. 4. Transition Plan will be launched. Resources developed. Cluster to complete the transition plan. 5. We will have developed a strategy to bring schools together to share pupil progress, across a cluster. 6. Partneriaeth and CCC PL offer will be aligned avoiding duplication and ensuring that PL meets the needs of schools. Professional learning in relation to pupil skill progression continues on a bespoke basis, via networks and training sessions.
April to July 2023	<ol style="list-style-type: none"> 1. Cluster Working Strategy. 2. Professional learning offer 3. Monitoring pupil progression 4. SCIMP strategy, 5. ESAs deployment. 6. Sharing effective practice 	<ol style="list-style-type: none"> 1. Cluster Working Strategy will be refined ensuring consistency of progress across all clusters. We will have a robust understanding of grant expenditure across clusters. Sharing effective practice will become more routine. 2. PL offer from Partneriaeth and CCC will be aligned for 2023 2024, addressing the areas for development for our schools robustly. 3. We will be prepared for monitoring pupil progression in line with the curriculum mandatory elements, AOLEs, cross cutting themes, cross curricular and integral skills. Team development programme in place. Strategic monitoring plan drafted. 4. Revised SCIMP strategy, addressing the principles of progression and the contributory factors. 5. Consider how ESAs are deployed from September onwards. Should this now be on a cluster basis? 6. A short, medium and long-term strategy is in place in relation to sharing effective practice.

In addition, we need to:

- Ensure efficient use of all financial resources in relation to Curriculum development, impacting positively on staff development and pupil progress at all times.
- Ensure that strategy and professional learning meets the needs of schools effectively.
- Strengthen strategies to ensure that messages regarding curriculum design and delivery, emanating from Welsh government or cross regional meetings, are shared with LA officers in a timely manner. Messages are currently not influencing school improvement strategy and approaches quickly enough.
- CCC delivered an AOLE developmental session on the Expressive Arts to schools, September 2022, to explore approaches. 42 schools attended. Feedback was very positive. As a result, in the Spring term 2023, CCC officers, supported by Partneriaeth officers, will delivery AOLE support for schools. 1 session per AOLE. We aim to translate the theory into practice, in line with school requests.
- Strengthen the facilitation of sharing effective practice to inspire innovation between teachers and leaders, securing pupil progression, wellbeing and enjoyment in their learning.

How will we know that our curriculum support for schools is successful?

- Pupils will be achieving good progress in relation to their starting points and teachers' expectations across all mandatory areas of the curriculum. This will be reflected in ESA reports following support visit to schools.
- There is a shared understanding of progression across the cluster.
- Schools will have developed a purpose led curriculum which supports them to realise their vision. Schools will be able to exemplify and communicate their curriculum development journey.
- Our schools' curriculum is inclusive of all and enables all to develop in line with the four purposes of the curriculum.
- Teaching is of a high standard across all schools and aligns to the 12 pedagogical principles.
- Assessment informs the planning of teaching and learning experiences, routinely.
- Pupils are fully engaged in their learning and contribute towards curriculum design effectively.

The Education Support Advisers evaluate progress and impact routinely alongside our schools.

Our professional learning offer is amended as a result.

Our strategy will be further updated for September 2023 ensuring that there is a rigorous focus on the principles of progression as well as the Welsh Government's School Improvement guidance and Estyn framework.

1. INTRODUCTION

- 1.1. Cabinet in October 2022 received a report on the Revenue Budget Outlook for 2023/24 to 2025/26 which appraised Members of the financial outlook and the proposals for taking forward the budget preparation.
- 1.2. This report provides Members with the current view of the Revenue Budget for 2023/24 together with indicative figures for the 2024/25 and 2025/26 financial years. The report is based on officers' projections of spending requirements and takes account of the provisional settlement issued by Welsh Government on 14th December 2022.
- 1.3. Whilst significant work has already been undertaken in preparing the budget, this represents an initial position statement which will be updated over the coming months as the budget is further developed, council members are engaged and public consultation takes place. The final settlement is due to be received from Welsh Government on 7th March 2023.
- 1.4. The report is broken down into six parts:
 - Funding Projections/Provisional Settlement
 - Budget Requirement
 - Impact on the Authority's budget requirement
 - Consultation
 - Conclusion
 - Recommendations

2. FUNDING PROJECTIONS/PROVISIONAL SETTLEMENT

- 2.1. The provisional settlement was announced on Wednesday 14th December 2022. Provisional figures for individual Local Authorities were provided for 2023/24, with indicative figures for 2024/25.
- 2.2. The Westminster Autumn Statement announced in November 2022 included a significant Barnett consequential for Welsh Government, reported at £1.2 billion over two years. This was primarily made up of increased funding for Education, Health and Social Care, and changes to business rates, all of which are devolved functions.
- 2.3. The main points of the Provisional Settlement 2023/24 on an all Wales basis are as follows:
 - 2.3.1. Local government revenue funding for 2023/24 set at £5.514 billion, an increase of 8.0% (£403 million) compared to 2022/23. Like for like, the increase is 7.9% on an all-Wales basis.
 - 2.3.2. The minister's letter accompanying the settlement highlights that the increase includes funding to meet the Foundation Living Wage, as well as passporting the Education consequential from the UK Autumn Statement.
 - 2.3.3. Whilst this is welcome, the inflationary pressures far exceed the funding provided. In particular, no additional funding has been provided to meet the inherent budget shortfall going forward as a result of the 2022 pay awards.
 - 2.3.4. There is no funding floor, meaning a wide variation between individual Local Authorities, ranging from +9.3% (Monmouthshire) to +6.5% (Blaenau Gwent). These variances are driven by updates to key datasets which influence the funding allocation, such as the number of Universal Claimants and Free School Meal Pupils in particular areas.
- 2.4. The Settlement figures for Carmarthenshire are:
 - 2.4.1. After adjustments for WG identified transfers, the increase in the provisional settlement is 8.5% (£26.432 million). The Aggregate External Finance (AEF) therefore increases to £338.017 million in 2023/24.

This settlement is significantly above the indicative figure of a 3.4% increase and provides some £15.5m more than our original assumption, **however Welsh Government themselves recognise that even this increased figure will not be enough to meet inflationary pressures facing councils and difficult decisions will need to be made.** The

level of inflationary cost increases is on a scale not seen for several decades, as discussed in detail later in this report.

We have set our Medium Term Financial Plan (MTFP) assumptions for 2023 and beyond to accommodate an easing of inflation versus current rates. Whilst the Office of Budget Responsibility (OBR) forecasts a sharp reduction in CPI over the next 12 months – we have followed this pattern, albeit at a higher level – this is because the OBR forecast includes in particular the impact of energy and food costs, which our budget accommodates as separate cost pressures. A key assumption is that across our workforce, pay awards track the prevailing inflation rate over the medium term. The financial model forecasts a requirement for £20m savings over the three year MTFP period.

Details of the many Welsh Government Service Specific Grants were provided alongside the provisional settlement on 14 December 2022 at an all-Wales level. For 2023/24, as has been standard over several years, most remain at a broadly similar level (cash value) to previous years, which will in reality reduce outputs. With the level of general inflation as well as pay awards at a much higher level, the impact of this next year will be significant.

2.5. There are however some important updates to specific grants:

- There is new funding of £40m all-Wales to provide continued support to Ukrainians seeking refuge in Wales. This funding will be critical to mitigate any unfunded pressure on Local Authority budgets, meaning that the £1m pressure recognised in the October report can now be released.
- WG has provided additional £5.5m funding to flatline the Recruit Recover Retain Standards (RRRS), instead of the planned reduction. This will enable schools to continue catchup/recovery activities.
- The Additional Learning Needs Transformation grant has nearly doubled from £6.6 million to £12 million across Wales. This increase is estimated to contribute c. £300k-400k to Carmarthenshire.
- The Pupil Development Grant has been increased by a reported £9m across Wales, which is estimated at c. £500k-600k to Carmarthenshire

As with last year, there are a number of grant changes referred to in the text to the main WG budget narrative, for which the values do not appear to be reflected in the Local Government provisional grant tables – it is assumed that they are due to be updated for the final settlement.

3. BUDGET REQUIREMENT 2023/24

3.1. Current Years performance (2022/23)

3.1.1. As the Authority's core spending requirement remains constant year on year, a review of current year's performance is important in identifying whether there are any underlying problems within the base budget

3.1.2. The current projection for the Revenue Outturn for 2022/23 (based on the October 2022 monitoring) is as follows

Service	Approved Budget £'000	Total Expenditure Forecast £'000	Variance Forecast For Year £'000
Chief Executive	17,218	16,687	-531
Communities	119,589	122,223	2,634
Corporate Services	29,116	28,235	-881
Education and Children's Services	187,394	191,091	3,697
Environment	65,784	65,709	-75
Departmental Expenditure	419,101	423,945	4,844
Unfunded Pay offers		6,300	6,300
Corporate contingency	3,000	200	-2,800
Capital Charges	-17,694	-20,194	-2,500
Levies and Contributions	11,479	11,477	-2
Transfer to/ from Reserves	0	-2,370	-2,370
Net Expenditure	415,885	419,358	3,473

The main reasons for the departmental variances are as follows:

- Chief Executive's Department: underspends on member pay and travelling, registrars and vacant posts across the department, offset by People Management overspends
- Education and Children's Services: Significant overspends in children's services due to increased demand and agency costs, overspends in ALN budgets and School Meals Service, offset by additional grants in Early Years non-maintained provision.
- Communities Department: underspends in Older Peoples and Physical Disabilities budgets are offset by overspends in Learning Disabilities and Mental Health divisions. Additionally, Leisure income levels have been gradually returning to pre-pandemic levels, however this creates an in-year overspend. It should also be noted that without the sectoral staffing shortages in social care, the overspend could be significantly higher.

- Corporate Services: there are underspends on pre-Local Government Reorganisation pension costs, and Council Tax Reduction, partially offset by an overspend in Rent Allowances.
- Environment Department: Overspends in waste services, school transport and reduced car park usage post-pandemic, offset by vacant posts and reduced property maintenance activity due to contractor capacity.

At this point the Authority is currently forecasting an overspend of £3.5 million which will need to be met from general balances. **It is imperative that the structural pay issue causing this is dealt with in next year's budget as this is not a sustainable financial position.**

3.2. Validation

3.2.1. Validation reflects the changes in expenditure requirements to deliver the **current level** of services in future years. Primarily this is inflation, but also includes some service specific changes. Some areas of inflation are currently at rates that have not been seen in decades and present risks to our budget. The key validation factors are as follows:

	<u>2023/24</u> <u>Original</u>	<u>2023/24</u> <u>Proposed</u>	<u>2024/25</u>	<u>2025/26</u>
General inflation - Expenditure	3.0%	5.0%	3.0%	2.0%
General inflation - Fees & Charges	2.5%	10.0%	3.0%	2.0%
Electricity & Gas	5.0%	£9.5m	-10.0%	0.0%
Fuel	5.0%	50.0%	3.0%	5.0%
Pay Inflation - non teaching	2.5%	5.0%	3.0%	2.5%
Pay Inflation - Teaching	2.5%	5.0%	3.0%	2.5%
NI increase	nil	-1.25%	nil	nil
Levies (see para 3.2.9)	2.5%	13.0%	3.0%	2.0%
Pension Contributions	nil	-1.8%	nil	nil
Capital Charges	£500k	£500k	£500k	£500k

3.2.2. With the exception of pay, the largest change to the council's budget is the sharp increase in energy and fuel costs. As with large parts of the public sector, our gas and electricity needs are procured by Crown Commercial Services, who aggregate their client's requirements to secure prices in the year ahead. Whilst this paid handsome dividends for our 2022/23 energy needs, the wholesale energy market has been at unprecedented levels, largely driven by the war in Ukraine. Carmarthenshire has set a two year purchasing strategy, with around three quarters of our energy needs already secured for 2023/24 and half for 2024/25. Based on the latest figures from Crown Commercial Services, we will need to add £9.5m to energy

budgets for 2023/24, however there is expected to be a 10% reduction for 2024/25 which is built into our calculations.

3.2.3. The cost of Road Transport Fuel has also increased rapidly over the last year. This affects both the council's own fleet, for which a 50% price increase has been added to budgets, as well as third party run services such as school transport, for which an explicit budget pressure is included within Appendix B.

3.2.4. The Council's 2022/23 budget was set on the basis of a 4% pay award for both NJC staff (the largest share of our payroll by value and staff numbers) and Teachers. Against this:

3.2.5. The NJC award has been agreed at a flat value of £1,925 across all grades, which equates to a 7.1% increase when applied to our workforce. The unbudgeted 3.1% "catchup" must be built into the budget calculations for 2023/24

3.2.6. The independent pay review body's recommendation of a 5% increase for all Teachers has been accepted by Welsh Government, but at this point Unions are balloting for strike action, demanding an uplift to 12%. Our draft budget includes the 1% "catchup" to 5%, with a recognition that any extra above this would be unfunded and represent an explicit significant risk. Every 1% is worth approximately £1m.

3.2.7. The previous MTFP planning assumptions include future annual pay awards of 2.5% for all staff. This was updated to 5% for 2023/24 in the budget outlook paper to reflect the higher inflation combined with the level of industrial action across both the public and private sector currently. Looking beyond this, the picture is highly uncertain, therefore our assumption is that pay growth mirrors inflation.

The impact of nationally set pay awards adds c. £19m to the estimated budget requirement for 2023/24, and a total of £33m over the 3 year planning period.

3.2.8. Against these extraordinary increases, we are able to offset three separate cost savings which partially mitigate the scale of the increase required:

- Within the Autumn Statement, the Chancellor confirmed the removal of the Health and Social Care Levy. As the 2022-23 allowed for an increase of £2m across council employed staff

and a further £500k for commissioned care, these can now be reversed.

- Staffing budgets have historically been set at the “top of paycales” – this means for individual jobs, the budget provides for the maximum pay point an individual employee could reach in that role. Whilst prudent budgeting, this leads naturally to an inherent underspend due to normal levels of staff turnover, internal promotions etc. By budgeting more precisely according to the exact makeup of the current workforce, we are able to reduce staffing budgets by an estimated £2.5m. This would apply to all departments, with the exception of delegated school budgets, as they are governed by the fair funding formula.
- Strong investment returns and prudent stewardship of the Dyfed Pension Fund over many years has resulted in a funding surplus, confirmed by the fund’s independent actuaries following the most recent Triennial valuation of the Dyfed Pension Fund which has been carried out over the last year. As a consequence, Carmarthenshire is able to reduce our Employers contribution rate by 1.8%, which provides a saving of £2.8m. The final valuation results will be notified to Carmarthenshire before the end of the Financial Year.

These three measures, taken together, are worth nearly £8m, and without which, the budget reductions requirement and/or council tax increase would have been considerably more challenging.

3.2.9. We understand from the Fire Authority that their indicative budget assumed a levy increase of 13%. Since this was agreed, Welsh Government has indicated that Fire Authorities will be required to meet the ongoing annual costs of the emergency service network, the share of which we estimate and anticipate will add £150k to Carmarthenshire and is shown in the pressures appendix for reference. This is yet to be confirmed by the Fire Authority in a formal meeting.

3.2.10. As a result of these factors, validation adds over £30 million to the current year’s budget.

3.3. Cost Reduction Programme

In anticipation of the settlement challenges, significant work to review service efficiencies/rationalisation proposals has been undertaken.

3.3.1. The savings targets set for each financial year are as follows:

	2023/24 £m	2024/25 £m	2025/26 £m
Original target – MTFP (March 2022)	3.839	5.333	n/a
Budget Outlook (October 2022)	18.800	n/a	n/a
Proposed Savings (following Provisional Settlement and other budget adjustments)	9.377	6.448	4.531

3.3.2. Accordingly, departments have developed a range of proposals, and these efficiencies are included in **Appendix A** of this report.

- The efficiency proposals are categorised as follows:
 Managerial – Efficiencies that result in no perceivable change to the overall level of service delivery.
 Policy – Efficiency or service rationalisation proposals that will directly affect service delivery.

	2023/24 £m	2024/25 £m	2025/26 £m
Managerial	6.136	3.641	2.755
Existing Policy	0	0.200	0.952
New Policy	3.241	0.543	0.289
Total	9.377	4.384	3.996

(Detail at **Appendix A**)

3.3.3. More work will need to be undertaken to further develop these efficiencies.

3.4. New Expenditure Pressures and contingency

3.4.1. New expenditure pressures are the combinations of additional cost to meet existing service needs e.g. increased client base/greater service take up and the costs of meeting change in service provision e.g. policy changes.

3.4.2. The original budget outlook report included £5.5 million per annum to meet growth pressures.

As with recent years, a much higher value of initial growth bids were received from departments, totalling £17 million. Based on an evaluation of the value and unavoidable nature of pressures submitted as well as additional funding identified through grants as explained in paragraph 2.5 above. Initial indications that many of the submissions are genuinely unavoidable and have already been constrained where practical. At this stage in the budget development, and pending further analysis to be undertaken by Directors, an indicative sum of £12 million been allocated across departments (Appendix B).

This budget round, social care pressures in particular have been at a very high level:

- the Foundation Living Wage, which impacts commissioned social care delivery, has been increased to £10.90, a 10% uplift.
- As well as demographic growth pressures for older people's budgets, this year's bid recognises the demographic increase in adults living with learning disabilities, which has seen a significant overspend in the current year.
- There are significant and unavoidable increases to energy and food costs incurred by residential care providers.

Last year's budget provided part year increased funding to support changes to the waste collection methodology – required to achieve increasingly challenging statutory Welsh Government recycling targets. This budget completes this with a further £0.8m, which will also contribute towards the decarbonisation agenda.

The Education and Childrens department bids include areas of acute overspend in the current year such as ALN and Inclusion services, and pressures on children's services.

3.4.3 In total, pressures funding adds £12 million to the budget, including an unallocated sum of £250k. The detail is provided at **Appendix B**.

3.4.4 Last year's budget included an explicit contingency budget of £3.5 m, of which £0.5m was ringfenced for social care. This was

to meet increased costs or lost income following the cessation of the WG hardship scheme which came to an end in March 2022.

Of the £3m corporate contingency, £200k has been allocated to school transport costs, with additional allocations likely to be needed to cover a range of budgetary issues such as sustained reduction in car park usage and PPE purchase and storage. As this requirement is much lower than what was feared, and given the scale of the budget gap, **it is proposed that £1.5m can be released.**

3.5. Schools Delegated Budgets

- 3.5.1 Over recent years, our MTFP has provided in full for known pressures to school budgets including inflationary costs and pay awards, without requiring any budget reduction proposals. School balances have also benefitted from additional grant funding provided by Welsh Government, with aggregate balances in March 2022 totalling £15.2m.

In 2022/23 delegated school budgets represent more than 30% of the authority's net revenue budget. Given the scale of the financial challenge this year, it is impossible to maintain this protection without significantly impacting other council services. This budget therefore includes a £2.7m saving applied, which is consistent with the level of savings required of other areas of council services.

Members should also note that as outlined in paragraph 2.5 above, there are increases to the RRRS grant (which was not expected to continue at the same level), ALN and PDG grants. These will all help to support education funding over the year ahead.

Immediately following the provisional settlement publication, there were calls to ensure that the additional Education Barnett consequential funding was indeed spent on Education. This draft budget meets and exceeds that expectation.

3.6. Internal Funding

- 3.6.1. Generally speaking, whilst the use of reserves to support annual budgets should not be summarily discounted, it must be treated with caution. Funding on-going expenditure from such funds merely defers and compounds difficult financial problems to the following year. One-off items of expenditure within any budget proposal lend themselves better for such funding support.

3.6.2. In deliberating this point however, members must bear in mind any **inherent risks** that may be built into the budget strategy. These include:

- Cash-flat grants next year with reductions in 2024/25, which inevitably will either reduce outputs, or increase pressure on core departmental budgets
- Teachers 2022 Pay Award – as this is currently not agreed by Unions
- 2023 NJC and Teachers Pay awards – our 5% assumption may be insufficient if inflation stays higher for longer
- Possible COVID19 resurgence, for which we have very little budgetary contingency, and would need to fall back upon reserves
- Social care delivery – the true demand pressures are currently constrained by what is operationally deliverable by the workforce – any positive progress made to increase capacity in this area will in effect have a negative impact on the budget

Following the significant change to funding from Westminster and the unrecognisable inflationary environment, Welsh Government has marginally increased its indicative settlement for 2024/25 from 2.4% to 3.0%. We have not uplifted our assumptions out of prudence, based upon:

- The indicative reduction in specific grant values could credible outweigh this, dependent upon individual grants and the extent to which they support core service delivery and fund staffing (direct or commissioned)
- The wide range in Local Authorities individual settlements. The 0.6% increase is dwarfed by the 2.8% variation from highest to lowest settlement.

It should also be noted that within the Westminster Government Autumn statement, much of the fiscal tightening is planned in the three years following the General Election in 2025.

3.6.3. The following table summarises the main categories of reserves held by the Authority.

	1 st Apr 2022 £'000	31 st Mch 2023 £'000	31 st Mch 2024 £'000	31 st Mch 2025 £'000
Schools Reserves	15,205	7,815	7,815	7,815
General Reserves	13,468	9,995	9,995	9,995
Earmarked Reserves	139,328	112,831	77,955	61,744

School Reserves

- Schools have delegated responsibility for the management of their own finances. The level of reserves held by an individual school at any point in time will depend on a number of factors including the level of contingency fund that the school governing body considers appropriate, and the particular plans each school has for expenditure. Officers have yet to be informed of any transfers to/from these reserves by individual schools for future years.
- Legislation allows schools to carry forward reserves from one financial period to another. The School Funding (Wales) Regulations 2010 requires schools to limit their accumulated reserves at year end to £50,000 for Primary Schools and £100,000 for Secondary and Special Schools or 5% of their budget dependent on what is greater. School Improvement officers are currently working with schools to ensure they comply with the guidance. As at 31st March 2022, 17 primary, 2 secondary and 1 special schools were in deficit.

3.6.4. General Reserves

- In the changeable and challenging environment currently facing Local Government the Authority is committed to maintaining a reasonable level of General reserves or Balances. Whilst there is no prescribed minimum level for Balances, Council has previously deemed 3% of net expenditure as being a prudent level, which has been accepted by our Auditors as being reasonable
- The overall level of balances is taken into consideration each year when the annual budget is set and has on occasions been utilised to augment expenditure/reduce council tax. The 2023/24 budget was set on the basis of no transfers from the General Reserves. Based upon the October Budget monitoring (outlined in paragraph 3.1.2 above) there could be a draw on General Reserves of £3.5m and a fall of £7.4 m in school balances at the end of the current financial year.
- Given the ongoing impact of the pandemic response on our budgets and the uncertainty of continued WG support into next year, it is deemed imprudent at this stage to assume any further

support for future years budgets from the current General Reserves.

3.6.5. Earmarked Reserves

- The Authority holds earmarked reserves which have been set up to finance the delivery of specific projects, or in protecting the authority against future liabilities or issues. The reserves can be summarised as follows:

Reserve	March 2022 £'000	March 2023 £'000	March 2024 £'000	March 2025 £'000	March 2026 £'000
Insurance	13,536	14,286	15,536	15,536	15,536
Capital Funds	47,557	38,896	19,681	15,202	9,702
Development Fund (inc Schools Dev Fund)	1,033	1,131	2,185	2,191	2,191
Corporate Retirement Fund	6,171	6,493	6,108	5,747	5,403
Joint Ventures	1,538	1,504	1,455	1,406	1,387
Other	69,492	49,819	32,989	21,661	15,694
TOTAL	139,328	112,131	77,955	61,744	49,915

- As can be seen from the table above the level of earmarked reserves fluctuates greatly year on year, and whilst the level in each fund is not an exact science it is based on an informed estimate and past experience of the likely call on the authority in future years in line with the intended purpose of each reserve. Great care must therefore be taken when considering utilising such funds for purposes other than those which they were created as this could lead to the authority being faced with substantial unfunded liabilities in the future
- The budget proposals therefore assume nil contribution from reserves in support of the revenue budget in 2023/24 and a further analysis of the reserves held will be undertaken over the coming months with any further proposed utilisation being considered at the budget finalisation stage.
- Taking account of the proposals within this report, the Director of Corporate Services confirms that overall the estimated level of financial reserves (as indicated above) is adequate for the financial year 2023/24, with the General Reserves being at the appropriate level in line with guidelines and good practice, but is also very conscious of the significant risks highlighted in paragraph 3.6.2 of this Budget Strategy.
- The Director is also very conscious of the ongoing commitment to capital projects and of the demand on future services and

therefore feels the reserves will need to be monitored closely going forward.

4. IMPACT ON THE AUTHORITY'S BUDGET STRATEGY

The table below provides an updated position on the current financial outlook taking account of the provisional settlement and also other recent validation changes.

4.1. The Current Financial Outlook (updated for the Provisional Settlement) is set out in the table below:

	Current MTFP		Proposed Financial Model		
	2023/24 £'000	2024/25 £'000	2023/24 £'000	2024/25 £'000	2025/26 £'000

1. Includes effect of reductions to pay budgets outlined in paragraph 3.2.8

4.2. The total of budget reductions now required for 2023/24 is £9.4m and for the 3 year period are estimated at £20m.

4.3. The 2023/24 budget contains £716k which is as yet unallocated, which will allow members scope to consider additional information forthcoming in respect of:

- 4.3.1. Responses to the consultation process
- 4.3.2. Clarification of specific grants – including the inflationary impact of reduced outputs
- 4.3.3. Further growth pressures not currently addressed
- 4.3.4. Changes in assumptions on inflation and pay offers
- 4.3.5. Changes arising from the final settlement

5. CONSULTATION

Budget consultation has been planned for the coming month and a summary of the individual approaches are as follows:

- 5.1. Members seminars. (16-20 January 2023)
- 5.2. The public consultation was launched on 21 December 2022 and will run until 29 January 2023
- 5.3. Town & Community Councils meeting on 19 January 2023
- 5.4. Commercial ratepayers consultation in January 2023
- 5.5. Consultation with Scrutiny Committees 23-30 January 2023.
- 5.6. Consultation with the Schools Budget Forum on 11 January 2023
- 5.7. Trade Union Consultation meeting on 18 January 2023

6. WELLBEING OF FUTURE GENERATIONS (WALES) ACT 2015

- 6.1. In considering the budget proposals, members need to take into consideration the requirements of the Wellbeing of Future Generations (Wales) Act 2015. The Act requires that we must carry out sustainable development, improving the economic, social environmental and cultural well-being of Wales.

‘... the public body must act in a manner which seeks to ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs’

- 6.2. In doing so, we must demonstrate the following 5 ways of working:
 - Looking at the long-term so that we do not compromise the ability of future generations to meet their own needs
 - Understanding the root causes of the issues to prevent them recurring
 - Taking an integrated approach so that we look at all well-being goals and objectives of other services and partners

- Collaboration – Working with others in a collaborative way to find shared sustainable solutions
- Involving a diversity of population in decisions that affect them

6.3. Carmarthenshire's Well Being objectives were updated in April 2021:

Start Well

1. Help to give every child the best start in life and improve their early life experiences
2. Help children live healthy lifestyles

Live Well

3. Support and improve progress, achievement, and outcomes for all learners
4. Tackle poverty by doing all we can to prevent it, help people into work and improve the lives of those living in poverty
5. Create more jobs and growth throughout the county
6. Increase the availability of rented and affordable homes
7. Help people live healthy lives (tackling risky behaviour and obesity)
8. Support community cohesion, resilience and safety

Age Well

9. Support older people to age well and maintain dignity and independence in their later years

In a Healthy and Safe & Prosperous Environment

10. Look after the environment now and for the future
11. Improve the highway and transport infrastructure and connectivity
12. Promote Welsh Language and Culture

Corporate governance

13. Better Governance and use of Resources

7. CONCLUSION

- 7.1. Currently the budget proposals assume the full delivery of all of the savings proposals submitted.

- 7.2.** Work needs to be undertaken to further develop the cost reductions for years 2024/25 and 2025/26 to be able to maintain the current Budget Strategy and level of council tax. Departments will be working over the forthcoming year to refine these savings.
- 7.3.** It is recognised the critical importance of minimising the Council Tax increase for our residents during this cost of living crisis, whilst recognising the requirement to set a legally balanced budget in a time of economic turmoil.
- 7.4.** Given the current risks around this Budget Strategy and the ongoing inflationary backdrop, the Council Tax increase next year has been increased to 7%, seeking to mitigate reductions to critical services valued by our residents. In years 2 and 3, the financial picture remains uncertain, and as such we have modelled indicative Council Tax increases of 4% and 3% purely for planning purposes, seeking to strike a balance with budget reductions. This partially alleviates the scale of the reductions proposals which the council needs to consider over future years of the Medium Term Financial Plan.
- 7.5.** Over the coming weeks and part of the refining of the Medium Term Financial Plan where the Authority gets further clarification on costs and grant funding and feedback on the consultation, the Authority will aim to limit the Council Tax increase as far as possible.

8. RECOMMENDATION

8.1. That Cabinet:

- 8.1.1. Note the contents of the report and approve the three year Budget Strategy 2023/24 – 2025/26. This strategy will be used to support the budget consultation and form the basis of the final budget proposals.
- 8.1.2. Note the budget reductions/savings proposals in Appendix A, which will be considered as part of the consultation.
- 8.1.3. Note the unallocated sum of £716k in the current strategy, which will be given further consideration at the completion of the consultation as noted in paragraph 4.3.

School based Early Voluntary Retirement / redundancy (funded centrally)	176	Schools are currently provided with budget to fund Teaching Assistants (TAs) for pupils with a statement of educational need. If the pupil moves school, the TA can be redundant as they have been employed by a specific school.	50	0	0	50	Schools have been asked to communicate with the LA any projected redundancies. The Change Review Panel, will work closely with schools in an effort to re-deploy staff, thus avoiding any avoidable redundancy costs.
School Redundancies	2,133	The majority of this budget relates to ongoing pension costs from past decisions leaving only £100k to meet pension costs. Schools will be charged the redundancy element of new demands as schools need to downsize because of pupil numbers or school rationalisations.	100	0	0	100	Transfer responsibilities for redundancy costs to schools (Dept to pick up pension strain costs).
Early Years Non-Maintained	100 (grant funded)	The service provides support for our 30 non-maintained settings, focussing on ensuring a good start for all early years children attending settings. Leadership support is provided, including monitoring and evaluation to ensure that learning experiences meet the need of all children. Professional learning is delivered, working alongside 'Early Years' officers and school based practitioners.	50	0	0	50	We aim to maximise the service delivery to the providers for this age group, reflecting on the roles and responsibilities across the Education and children's services department and amending the service where applicable. This will result in a change to the way that we deliver support. All grants will continue to be maximised, relieving pressures on core budgets.

School Improvement -Partneriaeth 1	73	Partneriaeth contributes to the range of support, intervention and professional development activities led by our Education Support Advisors' Team. We work in close partnership with two neighbouring Local Authorities (Pembrokeshire & Swansea). This 'regional alliance' supports our school improvement services to implement effective support strategies across a wide range of specific areas of focus, for example curriculum provision and leadership development. Local, regional and national priorities, as outlined by Welsh Government within the 'National Model for Regional Working' (WG Guidance 126/2014, February 2014) and 'Education in Wales - Our National Mission' are supported in full. Partneriaeth are paid a contribution that has been funded from core budget to date.	73	0	0	73	To fund contribution to Partneriaeth via grants or negotiate a reduced / nil level of core funding.

Youth Support Service	586	Carmarthenshire Youth Support Service was established on 1/1/16 bringing together the Carmarthenshire Youth Service and the Carmarthenshire Youth Offending Service under a single integrated management structure. The Youth Support Service allows for the development of a more holistic approach to the delivery of the youth support services across Carmarthenshire. The service retains the statutory functions of the Youth Justice Team; promotes the ethos of working together to deliver targeted support and retains elements of direct universal youth work provision. Includes Youth Work Strategy Grant, YE&P Framework Grant, YJB YOT Partnership Grant, Promoting Positive Engagement Grant, Dyfed Powys Police & Crime Commissioner. Key responsibilities under Participation include the Children & Young People's Participation Strategy, support for Carmarthenshire Youth Council, support for School Councils, participation of vulnerable groups including the Junior Local Safeguarding Children's Board and Children's Rights.	100	0	0	100	Reconsideration not to proceed with a new post, keeping two p/time posts vacant (total =1.1FTE), reducing general expenditure, photocopying and transport.

School Improvement	1,484	The Council is obliged to employ a notional number of officers to provide a School Improvement Service to meet the needs of our schools. With a reduced number of schools it is possible to review this notional figure.	0	0	122	122	Reprofiled due to direct link to review of MEP. Reduction in School Challenge Advisor levels equivalent to 1 FTE on the basis that the school rationalisation programme is progressed - dependent upon member discussions/workshops
Departmental - across Education Services	17,295	The majority of the Services' budgets are for the support, administration and management of the schools - School improvement, Grant support, Data, Admissions, School Meals, Music Service, ALN, safeguarding to name a few	0	0	280	280	Reprofiled due to direct link to review of MEP. Rationalising of Primary Schools will reduce the level of support required. The savings would actually be managerial as service provision would not be reduced, however it is a policy decision that would enable this efficiency to be delivered. As with other linked savings, it is dependent upon member discussions/workshops.

Schools Delegated Budget

Primary School Delegated Budget	67,171	We have a statutory duty to ensure that there are sufficient primary and secondary schools in Carmarthenshire. This may involve opening new schools or adding places to existing schools where extra capacity is required. It may also mean reducing in size or closing schools with surplus accommodation. The challenge for the Council in attempting to secure value for money is to provide the right number of places in the right locations, to secure efficient and effective education for the pupils in its area. We have the second highest number of primary schools in Wales (94 Primary schools) and sustaining this number of schools provides many challenges including; recruitment and retention of staff, securing sustainable leadership, ensuring adequate funding to meet the needs of all learners and maintaining the school buildings.	0	200	550	750	We are proposing to review our primary schools' footprint, especially those unable to sustain effective staffing structures due to low pupil numbers and those that are disproportionately expensive to operate. Through carefully selected remodelling, strategically driven school federations and investment in sustainable settings the primary school estate could be reduced. The need to move to a more effective and efficient model is imperative and could improve the financial stability of the remaining schools and reduce demands on a range of County Council services e.g., Finance, HR, catering, cleaning.

School Music Service	333	Carmarthenshire Music Service provides weekly tuition to around 5000 children and young people across Carmarthenshire. With the introduction of the new Curriculum for Wales, the music service will evolve to deliver, engage, motivate and encourage learners to develop their creative skills.	75	0	0	75	We propose to look at all options to reduce costs including staffing and not appointing to vacant positions. We will review the skill set and balance required between staffing who hold qualified teacher status, paid on school teacher's pay and conditions, and those employed on a 'tutor' basis, aiming to meet the needs of schools efficiently.
Youth Support Services	586	The Youth Support Service provides a range of statutory and non-statutory functions to meet the needs of Carmarthenshire's children and young people. The service offers support from universal youth support e.g. Youth Clubs, through to specialist interventions supporting children and young people with complex needs. This incorporates School-based Youth Work; Youth Justice and Post 16 provision.	100	0	0	100	£16k reduction in youth club support (will try to replace with grant allocations) £84k reducing full time school based youth workers to 0.8FTE (potential for schools to fund 0.2 or be utilised for other youth work for the 0.2).

Schools Delegated Budget

Delegated Schools Budget	128,035	In recent years, the delegated school budget has been protected by the Council. This budget is delegated to every school (1 nursery, 94 Primary, 2 special and 12 secondary) under the fair funding formula. This budget is to meet all the costs associated with running a school (e.g., employment of teachers and support staff, support for learners, buying resources and equipment, Premises costs, Cleaning, HR, IT, etc.).	2,700	0	0	2,700	While we will continue to provide full funding to meet the substantial increase in energy costs and teacher staff pay awards, we propose that the delegated budget to schools should be reduced by 2.1% in line with all other Council Departments. The management of the overall delegated school budget will be the responsibility of the school's governing body who will have to manage this reduction.
Primary Schools Rising 4's Policy	67,171	The statutory requirement is to provide full time education from 5 years of age. We currently have a Rising 4's policy that allows learners full time admission to primary schools in the school term of their fourth birthday rather than the term after their fourth birthday, or the September after their fourth birthday, which is common practice across Wales.	0	300	200	500	These non-statutory aged pupils receive a full-time education in a school when funding is available to provide this provision in alternative settings. The childcare funding for Wales provided by Welsh Government provides up to 30 hours free education and childcare for children aged between 3-4 for up to 48 weeks of the year. At a time when revenue expenditure is under extreme pressure, the funding of non-statutory full-time pupils at such an early age could be re-prioritised to fund other statutory functions from the schools delegated budget. Therefore, we are proposing to remove the rising 4's policy.

Rhoddwyd ystyriaeth i'r trefniadau llywodraethu, arweinyddiaeth a phartneriaeth a oedd wedi arwain at ddatblygu'r Cynllun Cyfiawnder Ieuenctid, a nodwyd yn Atodiad 1 i'r adroddiad, yn unol â gofynion deddfwriaethol Deddf Trosedd ac Anhrefn 1998.

Roedd y Cynllun Cyfiawnder Ieuenctid yn amlinellu'r Gwasanaeth Cymorth Ieuenctid a'r Tîm Cyfiawnder Ieuenctid a ddarparwyd o dan un strwythur rheoli, a oedd yn darparu dull cyfannol o ddarparu gwasanaethau cymorth ieuenctid ledled Sir Gaerfyrddin. Tynnwyd sylw'r Pwyllgor at adran 8 o'r Cynllun Cyfiawnder Ieuenctid a oedd yn manylu ar berfformiad y bartneriaeth yn ystod 2021/22, a hefyd yn nodi'r blaenoriaethau a'r amcanion cynllunio gwelliannau am y flwyddyn i ddod, yn unol â'r egwyddorion 'plentyn yn gyntaf' cyffredinol ac ethos o welliant parhaus.

Cydnabu'r Pwyllgor waith hanfodol y bartneriaeth wrth geisio lliniaru effaith pandemig y coronafeirws er mwyn diogelu'r plant a'r teuluoedd mwyaf agored i niwed a chymhleth ar draws y sir. Yn ogystal, dywedwyd bod sawl grŵp strategol wedi'u sefydlu i fynd i'r afael â'r gofynion oedd yn gysylltiedig â lles plant ac oedolion agored i niwed.

Rhoddwyd sylw i'r materion/sylwadau a godwyd gan y Pwyllgor, fel a ganlyn:

Bu i'r Pwyllgor ganmol ymroddiad ac ymrwymiad parhaus staff y Tîm Cyfiawnder Ieuenctid wrth weithio gyda phlant a phobl ifanc yn ystod yr heriau welwyd adeg pandemig y coronafeirws.

Eglurwyd i'r Pwyllgor mai cynllun tu allan i'r llys oedd 'system Biwro' y sir, a oedd yn cael ei weithredu ar y cyd gan yr Awdurdod a'r Heddlu, ac mai ei fwriad oedd sicrhau ymyriadau cynnar fel nad oedd plant a phobl ifanc yn mynd i'r llys.

Mewn ymateb i ymholiad, eglurwyd i'r aelodau fod y wybodaeth oedd ar ffurf graff ar dudalen 19 o'r Cynllun Cyfiawnder Ieuenctid, ynghylch 'math o drosedd', wedi'i chrynhof, ac felly byddai'r wybodaeth yn cael ei hailgyflwyno'n llawn i'r Pwyllgor. Rhoddwyd sicrwydd hefyd i'r Pwyllgor y byddai adroddiadau'r dyfodol yn cynnwys geirfa gynhwysfawr i egluro'r rhestr lawn o fyrfoddau, a byddai allweddî'n cael eu darparu i alluogi darllenwyr i ddehongli'r graffiau'n hwylus.

Gofynnwyd cwestiwn ynghylch yr heriau a ragwelwyd o ran cyflawni'r blaenoriaethau a'r amcanion helaeth oedd wedi'u pennu ar gyfer y Tîm Cyfiawnder Ieuenctid yn 2022/23. Eglurwyd i'r Pwyllgor fod y blaenoriaethau'n

cyd-fynd yn strategol â disgwyliadau cenedlaethol, a'u bod yn unol â'r gofynion o ran adrodd am y prif ddangosyddion perfformiad. Pwysleisiwyd bod targedau uchelgeisiol wedi eu gosod er mwyn galluogi'r Tîm Cyfiawnder leuenctid i wneud pob ymdrech i sicrhau newid ystyrlon i blant a phobl ifanc yn y sir. Cyfeiriwyd hefyd at yr ymdrechion i hyrwyddo cyfranogi ac ymgysylltu cadarnhaol yn y dyfodol ar draws meysydd gwaith Cyfiawnder leuenctid, a byddai'r ffocws hwn yn cael ei gefnogi a'i gryfhau drwy weithredu strategaeth.

Mewn ymateb i ymholiad, roedd yn gysur i'r Pwyllgor gael clywed am yr amryw ddulliau, a gâi eu gweithredu drwy waith partneriaeth, a oedd yn mynd i'r afael ag ecsbloetio plant o ran gangiau a llinellau cyffuriau, a'r cysylltiadau â chyflenwi cyffuriau a thrais difrifol.

Yn dilyn ymholiad mewn perthynas â chyllid ar gyfer darparu gwasanaethau, roedd Prif Reolwr y Gwasanaeth Cymorth leuenctid yn falch o allu dweud y byddai'r cyfraniad ariannol i'r Tîm Cyfiawnder leuenctid yn cynyddu £20k ar gyfer 2022/23, a byddai dyraniadau grant pellach ar gyfer camau atal ac ymyriadau cynnar yn galluogi'r tîm i gynnal strwythur staffio sefydlog.

Cyfeiriwyd at faes blaenoriaeth 8, a oedd yn ymwneud â darparu gwasanaethau yn y Gymraeg. Bu i Brif Reolwr y Gwasanaeth Cymorth leuenctid fanylu ar y mentrau recriwtio a hyfforddi a oedd yn sicrhau bod darparu gwasanaethau yn Gymraeg yn rhywbeth oedd yn cael ei gynnal a'i gryfhau lle bo modd.

Cyfeiriwyd at y mesur perfformiad oedd yn ymwneud ag lechyd Meddwl, lle rhoddodd Prif Reolwr y Gwasanaeth Cymorth leuenctid wybodaeth gefndirol am y dull adrodd a chadarnhau ei bod yn hyderus bod mynediad at y gwasanaethau iechyd meddwl wedi bod yn amserol ac yn effeithiol yn ystod y cyfnod adrodd.

Mewn ymateb i bryderon a godwyd gan Aelod, fe wnaeth Prif Reolwr y Gwasanaeth Cymorth leuenctid egluro i'r Pwyllgor, oherwydd cymhlethdod carfan fechan o ail-droseddwr, y gallai'r cyfartaledd blynyddol amrywio'n sylweddol.

PENDERFYNWYD YN UNFRYDOL fod Cynllun Cyfiawnder leuenctid Sir Gâr ar gyfer 2022/23 yn cael ei dderbyn.

5. ADRODDIAD BLYNYDDOL CYNGOR SIR CAERFYRDDIN AR GYFER 2021/22

Bu'r Pwyllgor yn ystyried adroddiad blynyddol drafft y Cyngor ar gyfer y cyfnod 2021/22 a oedd wedi ei lunio i fodloni'r darpariaethau perthnasol yn Neddf Llesiant Cenedlaethau'r Dyfodol (Cymru) 2015 a Deddf Llywodraeth Leol ac Etholiadau (Cymru) 2021. Roedd yr adroddiad yn nodi'r cynnydd a wnaed o ran 13 Amcan Llesiant y Cyngor yn erbyn cefndir o amgylchiadau digynsail yn sgil pandemig Covid-19, ynghyd â hunanasesiad y Cyngor yn erbyn gofynion perfformiad y flwyddyn ariannol flaenorol. Dywedwyd wrth y Pwyllgor y byddai'r Adroddiad Blynyddol drafft yn cael ei ddiweddarau i adlewyrchu canlyniad y broses ymgynghori oedd yn ymwneud â gofynion perfformiad a nodwyd yn Atodiad 5C.

Ystyriwyd yr Amcanion Llesiant perthnasol oedd o fewn maes gorchwyl y pwyllgor, sef:

- AMCAN LLESIANT 1: Helpu i roi'r dechrau gorau mewn bywyd i bob plentyn a gwella eu profiadau yn gynnar mewn bywyd.
- AMCAN LLESIANT 2: Helpu plant i ddilyn ffyrdd iach o fyw.
- AMCAN LLESIANT 3: Cefnogi a gwella cynnydd, cyflawniad, a deilliannau i'r holl ddysgwyr.
- AMCAN LLESIANT 4: Trechu tlodi drwy wneud popeth o fewn ein gallu i'w atal, gan helpu pobl i gael gwaith a gwella bywydau'r rheiny sy'n byw mewn tlodi.
- AMCAN LLESIANT 12: Hyrwyddo'r Iaith Gymraeg a Diwylliant Cymru.

Rhoddwyd sylw i'r materion/sylwadau a godwyd gan y Pwyllgor, fel a ganlyn:-

Mynegwyd pryder y gallai ffocws yr Awdurdod ar hyrwyddo'r Gymraeg; maes oedd eisoes yn perfformio'n dda, roi pwysau gormodol ar blant a'u teuluoedd mewn cyfnod o ansicrwydd yng nghyd-destun gofynion y flwyddyn academaidd oedd i ddod, o ystyried effaith y pandemig, gweithredu'r cwricwlwm newydd, a'r prinder adnoddau. Eglurodd yr Aelod Cabinet dros Addysg a'r Gymraeg fod yr agenda ar gyfer hyrwyddo'r Gymraeg wedi ei gosod ar lefel genedlaethol drwy bolisi Llywodraeth Cymru.

Mewn ymateb i ymholiad ynghylch y wybodaeth ar dudalen 87 o'r adroddiad, cadarnhawyd byddai'r geiriad yn cael ei adolygu oherwydd, er bo'r duedd hirdymor wedi gostwng, roedd y ffigwr ar gyfer 2021/22 yn gynnydd ar y flwyddyn flaenorol.

Cyfeiriwyd at y ffaith bod arian grant yr UE yn dod i ben a gofynnwyd am ddiweddariad am y ffyrddau cyllid eraill ar gyfer y Gwasanaethau Ieuenctid megis Cam Nesa, Cynnydd ac ymyriadau arddull NEET. Cadarnhawyd i'r Pwyllgor fod y Gronfa Ffyniant Gyffredin wedi dod yn lle arian grant yr UE, a'r disgwyl oedd y byddai oddeutu £38m yn dod i law Sir Gaerfyrddin i'w ddosbarthu i'r mannau yr oedd ei angen. Mewn ymateb i ymholiad, dywedodd Pennaeth Strategaeth a Chymorth i Ddysgwyr y gellid cael gafael ar ffigyrau er mwyn cymharu lefel arian grant yr UE â lefel arian y Gronfa Ffyniant Gyffredin.

Holodd Aelod pa gymorth oedd ar gael i ddiwallu anghenion y nifer cynyddol o blant oedd yn cael diagnosis o awtistiaeth, y cyfeirid ato yn Asesiad Llesiant 1. Cyfeiriodd y Cyfarwyddwr Addysg a Gwasanaethau Plant at heriau diwallu anghenion plant ag anghenion dysgu ychwanegol yng nghyd-destun y cyfyngiadau ariannol. Fodd bynnag, roedd buddsoddiad yn cael ei wneud i ddarparu amgylchedd diogel ar ffurf unedau arbenigol a gwasanaethau effeithiol.

Mewn ymateb i ymholiad ynghylch yr ystadegau gordewdra yn Amcan Llesiant 2 yr adroddiad, cadarnhaodd y Cyfarwyddwr Addysg a Gwasanaethau Plant fod ffigyrau mwy diweddar yn ddisgwyliedig. Roedd yn cael ei gydnabod fod y

pandemig wedi amharu rhywfaint ar y gwelliannau wnaed yn y maes hwn dros y blynyddoedd diwethaf, ac felly bernid bod iechedd a llesiant plant yn brif flaenoriaeth yn natblygiad strategaeth gorfforaethol yr Awdurdod.

Gofynnwyd am ddiweddariad ar adolygiad y grŵp gorchwyl a gorffen o ddyddiadau derbyn disgyblion i ysgolion ac ystodau oedran ar draws y sir. Cafodd y Pwyllgor wybod fod y mater wedi cael ei drafod yn ddiweddar yn y cam cyn-gabinet, lle cytunwyd byddai proses ymgynghori gynhwysfawr yn dechrau yn y flwyddyn newydd, a fyddai'n cynnwys argymhellion y grŵp gorchwyl a gorffen. Nodwyd na fyddai unrhyw ddiwygiadau i'r polisi derbyniadau yn dod i rym tan fis Medi 2024 man cynharaf.

Cyfeiriwyd at gyflwyno prydau ysgol am ddim yng Nghymru yn ddiweddar a mynegwyd pryderon na fyddai rhieni/gwarcheidwaid yn gwneud cais bellach am brydau ysgol am ddim, a fyddai'n cael effaith ar lefel y cyllid Grant Datblygu Disgyblion (PDG) y gallai'r ysgol ei gael. Cyfaddefodd y Cyfarwyddwr Addysg a Gwasanaethau Plant fod y PDG yn fesur pwysig i bob ysgol ledled Cymru er mwyn cefnogi plant agored i niwed, a rhoddwyd sicrwydd fod sylwadau wedi eu cyflwyno i Lywodraeth Cymru ynghylch hynny. Rhoddwyd gwybod hefyd i'r aelodau am y gwaith parhaus o fewn yr Awdurdod i daclo tloedi yn y system addysg, a byddai rhagor o wybodaeth am hyn ar gael maes o law.

PENDERFYNWYD YN UNFRYDOL argymhell i'r Cabinet fod y fersiwn ddrafft o Adroddiad Blynyddol y Cyngor am 2021/22 yn cael ei gymeradwyo.

6. EGLURHAD AM BEIDIO Â CHYFLWYNO ADRODDIAD CRAFFU

PENDERFYNWYD YN UNFRYDOL nodi'r eglurhad am beidio â chyflwyno'r adroddiad.

7. EITEMAU AR GYFER Y DYFODOL

Pwysleisiwyd gan y Cadeirydd fod y Blaengynllun Gwaith yn ddogfen hyblyg y gallid ei diweddarau yn ôl y gofyn trwy gydol y flwyddyn wrth i wybodaeth newydd ddod i'r amlwg. O ganlyniad, byddai sesiwn arall i gynllunio'r Blaengynllun Gwaith yn cael ei threfnu faes o law i adolygu blaenoriaethau'r Pwyllgor ar gyfer 2022/23, yn unol â Blaengynllun Gwaith y Cabinet.
