## 3. Finance

The purpose of this report is to share information for further discussion.

An inhouse agency will require staffing and the FTE requirement will be influenced by the forecasted ongoing level of demand for agency staff. Many schools have had surplus balances following the covid period that have been funding additional staffing. With the surpluses depleting, it is possible that agency levels will reduce.

It is already noted in the report that there is little difference in the daily cost difference between employed and agency, with many other factors to consider.

Further detailed analysis and costing forecasts will be worked on prior to any decisions being taken.

## 6. Staffing Implications

Direct employment i.e. payment via payroll, whilst increasing the Authority's Payroll team workload and giving access to the LGPS / Teachers' Pension Scheme, may also impact Supply Teachers entitlement on pay progression and pay portability, and ultimately redundancy, thus potentially increasing the cost to schools.

An in-house supply agency, in addition to the implications noted above, will have resource implications in terms of maintaining and managing associated systems.

## Introduction

Supply staff play an important role in ensuring that schools can continue their daily routine with minimum disruption to pupils and their learning.

The purpose of this report is to provide the Committee with information in relation to current Supply Staff arrangements in Carmarthenshire, to include a review of whether current external provision is cost effective and whether there is scope for an in-house service provision.

The report will explore:

- 1] Why and how schools engage supply staff.
- 2] The context in terms of the NPS Supply Teacher Framework and the Agency Workers Regs, and the impact on supply staff remuneration.
- 3] The impact on pay progression for Supply Teachers paid via payroll.
- 4] The daily cost variation between agency and direct employment.
- 5] Welsh Government's commitment to establishing a National Supply Pool for Wales.
- 6] Agency spend since 2019.
- 7] Options for reducing supply costs.

## Why?

Schools use supply staff for various reasons, such as:

- To cover short-term, unplanned absences due to sickness, training or other reasons.
- To cover longer-term absences due to maternity leave, long-term sickness, or permanent vacancies.
- To respond to additional pressures where the likely duration of the need for additional staff is unclear i.e. to work with ALN pupils awaiting assessment.
- To save time and resources on pre-employment screening.
- Flexibility around terminating supply arrangements.
- To avoid accruing a redundancy liability.

# EDUCATION, YOUNG PEOPLE AND THE WELSH LANGUAGE SCRUTINY COMMITTEE

---

## How?

Supply staff are engaged in one of two ways i.e. via agency or employed directly via the Local Authority.

Where the chosen route is via agency, it is the agency's responsibility to undertake background checks, including Right to Work, DBS, references and EWC Registration. The agency is also responsible for paying the supply staff and will charge the employer a fee for this service.

Where employed directly, it is the employer's responsibility to undertake background checks and to process payment via payroll. Payment via payroll will entitle the supply staff to membership of the appropriate pension scheme, TPS or LGPS depending on the role.

## National Procurement Service – Supply Teachers Framework (NPS)

The Supply Agency Framework of the National Procurement Service, which operates on a geographical lot basis, was established in 2019.

The current framework came into effect from September 2023. As with previous arrangements, the aim of the Welsh Government Corporate Procurement (WGCP) Supply Agency Framework Agreement is to help schools recruit temporary staff through a national framework for Wales, which provides fairer pay and conditions for agency Supply Teachers, professional development opportunities and assurances to schools that agencies have met the minimum agreed requirements.

The revised framework continues to operate on a geographical lot basis, managed by the Welsh Government's Corporate Procurement (WGCP) Service. There are 23 approved agencies on the framework for the Carmarthenshire area currently, covering English and Welsh-medium schools.

The framework introduced a minimum daily pay rate for qualified Teachers - those who hold Qualified Teacher Status (QTS) working as Supply Teachers; this is in line with the current published School Teacher's Pay and Conditions (Wales) Document (STPCD). This minimum pay rate is to protect qualified Teachers. However, there is nothing to prevent

# EDUCATION, YOUNG PEOPLE AND THE WELSH LANGUAGE SCRUTINY COMMITTEE

---

schools / agencies paying higher daily rates if appropriate. The rate is based on the current published Teachers Main Pay Range ( $M2 \div 195 \text{ days} = \text{daily rate}$ ).

Of course, schools are free to engage qualified Supply Teachers from wherever they feel appropriate to meet the needs of their school (under Local Management of Schools Framework as outlined in the Staffing of Maintained Schools (Wales) Regulations 2006). However, using a commercial Supply agency from the NPS Framework provides schools with assurances that minimum quality standards and statutory safeguarding obligations are met.

Whilst not legally enforceable, it is recommended that if a Carmarthenshire school is using an agency, they enter into a voluntary supply agency pledge whereby they only procure from agencies identified on the NPS Framework Approved Supply Agencies and commit to a minimum daily rate of  $M2 \div 195 \text{ days}$ . The only exception will be that when agencies on the NPS framework are unable to supply a suitably skilled Teacher, the school will be able to approach alternative agencies but with a commitment to pay as a minimum, the M2 pay rate.

## Agency Workers Regulations 2010

The Agency Workers Regulations 2010 gives agency workers the entitlement to the same basic employment and working conditions as if they had been recruited directly, if and when they complete a qualifying period of 12 weeks in the same job.

Whilst this technically allows the employer to pay a lower salary during the first 12 weeks of the placement, it is Carmarthenshire County Council's established position to pay the job evaluated rate for of pay from Day one.

## Direct Employment of Supply Teachers

Teachers paid via payroll, who have completed periods of employment amounting to at least twenty-six weeks in aggregate within the previous school year as specified in the School Teachers Pay & Conditions (Wales) Document will also be eligible for pay progression. Whilst it is unlikely that Supply Teachers will be able meet the requirements to progress to the Upper Pay Range, it is entirely possible that, in time, they will reach the top of the Main Pay Range (M6).

# EDUCATION, YOUNG PEOPLE AND THE WELSH LANGUAGE SCRUTINY COMMITTEE

## Cost

Given the minimum daily pay rate for qualified Teachers, as noted above, and the commitment to paying the Job Evaluated grade for support staff engaged via agency from Day one, even when the agency fee is included, the cost to the school is likely to be no greater than the cost of direct employment when access to TPS / LGPS, and the potential for pay progression is factored in.

For comparison purposes, this is an estimate of the daily cost of both options:

Teachers	Minimum Daily Rate	Maximum Daily Rate
Direct LA Employment*	£213.52 (M2)	£294.95 (M6)
Agency#	£199.99	£314.87

\* Paid via payroll, including on-costs (assuming a TPS part-time election has been made)

# Including Agency Fee

## In-House Agency

An in-house agency will be piloted from April 2024, to cater for the needs of Social Care, which will involve a mixture of annualised hours contracts and casual staff. This system will require investment both in terms of staffing and IT solutions. I am led to believe that the Communities Department have allocated two full-time members of staff to work on the pilot.

Depending on the success of the pilot, there may be scope to extend their remit to include Teachers and school support staff. It is likely, however, that schools or the Education Department will need to allocate a resource to help manage the function.

The salary costs associated with this model will be on a par with the direct employment as detailed above.

## National Supply Pool for Wales

The Welsh Government committed to 'develop options for a sustainable model of supply teaching with fair work at its heart'. On the 6<sup>th</sup> December 2022, the Minister for Education and Welsh Language, Jeremy Miles, made an oral statement in the Senedd whereby he

## EDUCATION, YOUNG PEOPLE AND THE WELSH LANGUAGE SCRUTINY COMMITTEE

---

agreed to procure and implement an online booking platform for all maintained schools and Local Authorities in Wales wishing to employ supply staff directly.

The Welsh Government has partnered with Teacher Booker, an online platform, to create the National Supply Pool for Wales, providing Teachers with direct supply work opportunities from schools and potential eligibility for the Teachers' Pension Scheme.

Welsh Government has already paid the software license fee which gives LAs, school users, Supply Teachers, and support staff free access.

Implementation of the National Supply Pool for Wales will be a staggered across all LAs in Wales. It started with one LA (Anglesey) on 1<sup>st</sup> September 2023, and will eventually be rolled out across every LA in Wales. In the meantime, supply staff are being invited to register on the platform to ensure that they have created their profile ready for when this platform is rolled out in their Local Authority area over the coming months.

The National Supply Pool for Wales:

- Supplies schools throughout Wales with the ability to book Supply Teachers and temporary workers directly through the platform.
- Enables Supply Teachers to become part of a comprehensive network of supply staff accessible to schools across the country. Showcasing their skills, experience, and availability, increasing their chances of securing rewarding placements.
- Provides access to the Teachers' Pension Scheme (TPS) when working on supply via the platform.

Teacher Booker, which is already established in England, operates on two levels currently, one being an all-inclusive Manage Recruitment Service from candidate attraction and vetting right through to payroll management. The other option allows LAs / Schools to book a Supply Teacher via the Teacher Booker site, but payment is made by directly via the LA's Payroll system. It is assumed that Teacher Booker will be responsible for undertaking the background checks in both cases but how exactly this will work and what information will be shared with the School / LA remains unclear.

## EDUCATION, YOUNG PEOPLE AND THE WELSH LANGUAGE SCRUTINY COMMITTEE

Whilst there is likely to be a cost for the all-inclusive option, which includes the payroll element, it is unclear what this cost will be and it also remains unclear whether Teacher Booker will be granted admitted Body Status to the Teachers Pensions and Local Government Pension Schemes, which will undoubtedly impact the price payable by the school / LA. It is also unknown at this stage whether Teachers engaged via this route will be paid in accordance with the STPCD which could lead to pay progression for those who meet the criteria, thus increasing the cost year on year.

However, given that Welsh Government has already paid the software license fee on behalf of schools and LAs in Wales, we anticipate that the second option where the LA administers the payroll is unlikely to attract a fee equivalent to the agency fee currently payable to the Supply Agencies on the NPS Framework. The cost of employing via Teacher Booker in this way is therefore likely to be on a par with the direct employment as detailed above.

### Agency Spend

	2019/20	2020/21	2021/22	2022/23	Total
Primary Schools	£3,798,554	£2,870,818	£6,688,326	£7,705,429	£20,866,128
Secondary Schools	£1,191,937	£559,015	£1,729,288	£2,141,159	£5,621,400
<b>Total Agency Spend</b>	<b>£4,990,491</b>	<b>£3,429,833</b>	<b>£8,417,614</b>	<b>£9,649,588</b>	<b>£26,487,528</b>

These figures do not include the cost of supply staff employed directly and paid via payroll, which equates to a further £404,368 in 2022/23.

It should be noted that schools benefited from a significant amount of grant funding following the pandemic to aid the recovery of schools and to support their return to normal business. Given that the funding was primarily awarded for the purpose of recruiting additional Teaching and support staff, when considered alongside the uncertainty around the duration of the funding, it is likely that a large proportion of the additional staff engaged during this period were agency staff paid for by the various grants.

# EDUCATION, YOUNG PEOPLE AND THE WELSH LANGUAGE SCRUTINY COMMITTEE

---

Further analysis is necessary, but it is possible that the increase in agency spend during the period reviewed could be linked to the grant funding received, and therefore, with the reduction or withdrawal of these grants, we may see a reduction in the overall agency spend.

## **Possible Options for Reducing Supply Costs**

Schools generally engage Teachers, Cover Supervisor and Teaching Assistants on a supply / casual basis, though other staff may occasionally be engaged.

Teaching Assistants are straightforward in that they are usually engaged to cover absent Teaching Assistants or vacant Teaching Assistant posts. The situation in relation to Teachers, however, is less clear as the decision to engage a Teacher or a Cover Supervisor depends on the nature of the work to be undertake, and the duration of the engagement, which varies from case to case.

Cover Supervisors and Supply Teachers with Qualified Teacher Status (QTS) are different roles.

A qualified School Teacher is a person who holds Qualified Teacher Status (QTS) and registration in the category of 'School Teacher' with the Education Workforce Council (EWC), whereas a Cover Supervisor is required to register in the category of 'school learning support worker'.

Cover supervision occurs when there is no active teaching taking place and should only be used for short-term absences. Cover supervision can be delivered by an appropriately graded and skilled individual; they do not have to hold QTS. The role is to supervise the classroom setting, ensuring learners complete the pre-prepared work they have been assigned. Cover supervisors should not be expected to undertake any form of specified work i.e. planning, preparation and assessment; the Education Workforce Council (Main Functions) (Wales) Regulations 2015, as amended, sets out who can undertake 'specified work'.

## EDUCATION, YOUNG PEOPLE AND THE WELSH LANGUAGE SCRUTINY COMMITTEE

---

The cost of a Cover Supervisor via agency ranges between £126 and £155 per day including fee, which represents saving of between £74 and £160 per day when compared with a Teacher.

There is evidence to suggest that some schools may be engaging Teachers to undertake work which they could be reasonably undertaken by a Cover Supervisor at a fraction of the cost.

However, where the likely duration of a Teacher's absence is unknown, the school may find that their need changes from a Cover Supervision for the first day or two to needing to engage a Teacher if / when the absence continues, which potentially creates more work for the school and impacts continuity for pupils. Therefore, it may be that Cover Supervisors are recommended for planned short-term absences where the duration of the need is known.

Recognising that Cover Supervisors can be a cost-effective means of covering short-term Teacher absences, 75% of our Secondary Schools have employed up to four permanent Cover Supervisors (22 in total) on contract, working an average of 6 hours per day. This is a practice that some of our larger Primary Schools are considering implementing as a means of reducing their reliance on agency staff.

Analysis suggests that employing a Cover Supervisor on a permanent 30-hour contract only generates a saving after an average of 130 or 168 days of cover, depending on whether the school usually covers absences with Agency Supply Teachers or Cover Supervisors. There are, however, other benefits associated with directly employing a Cover Supervisor, such as improved continuity, and as they will be part of the school community, they can support with other duties and pastoral work, as well as managing in a way that fits the school's ethos and behaviour management routines.

Whilst not all absences can be avoided, and it is unknown at this stage what proportion of cover is sickness related, it may be possible to reduce the need for supply cover by introducing more robust sickness management procedures. Active absence management within a school could have a positive impact on the level of intermittent / short-term absences

# EDUCATION, YOUNG PEOPLE AND THE WELSH LANGUAGE SCRUTINY COMMITTEE

---

and help bring longer-term absences to a speedier conclusion. This is an area where HR Business Partners can add value, working directly with Headteachers and their Senior Leadership Teams, to provide training and support, as well as analysis of absence data.

## Conclusion

When considering whether to move from the current arrangements to an alternative model i.e., direct employment, in-house supply agency or Teacher Booker, it may be prudent to consider the purpose / motivation for doing so.

Is it the intention to seek out a cheaper model to generate efficiencies, or simply a model which provides a better employment experience for the Teacher / Support Staff regardless of the cost implication?

Whilst, at a glance, the figures associated with Agency spend are alarming, initial analysis suggests that none of the alternative models discussed above would result in savings to the school or LA.

A change of approach to covering short-term Teacher absences with a Cover Supervisor, however, could generate some efficiencies with minimum impact on pupils and their learning.

However, regardless of the model adopted, a combined approach is recommended, which involves better absence management, to reduce the amount of supply cover needed, whilst ensuring that the cost of any incoming supply cover is as cost effective as possible.

# EXECUTIVE SUMMARY

## EDUCATION, YOUNG PEOPLE AND THE WELSH LANGUAGE SCRUTINY COMMITTEE

01/12/2023

### RECRUITMENT AND RETENTION IN EDUCATION

#### 1. **BRIEF SUMMARY OF PURPOSE OF REPORT.**

The purpose of this report is to enable the Education, Young People and the Welsh Language Scrutiny Committee to keep abreast of the current position on school recruitment, in line with their request for information.

Educational and children's services departmental officers are working alongside a consultative group of school leaders and teachers to better understand the recruitment challenge within education and to establish potential solutions and ways ahead.

In addition, all secondary headteachers have been consulted seeking their views on the challenge of recruitment.

The work is being conducted through the Strategic Focus group for Leadership and aims to understand the challenge from a 'Carmarthenshire' perspective, within the context of the national context.

The report focusses on:

##### 1. **Understanding the challenge**

##### 2. **Addressing the challenge:**

- Professional development programmes
- Marketing the benefits of working in education in Carmarthenshire
- The Carmarthenshire recruitment process.

##### 3. **Recommendations**

Overarching Recommendations for consideration:

1. **Marketing and media:** Develop a recruitment campaign promoting Carmarthenshire as an attractive place to live and to work within education. Funding for this campaign is required.
2. **Professional development:** Develop a Carmarthenshire Leadership Academy, drawing together all aspects of national and local professional development, mentoring and coaching. Emphasis also required on the robust, wellbeing support that is routinely available for school leaders as well as on Welsh Language development.
3. **Recruitment:** Further strengthen the user experience during the recruitment processes, with a particular emphasis on maintaining engagement in the initial stages of job seeking searches

through to the application submission and interview processes. Engage with Higher Education institutions, nationally.

4. **Addressing the staffing need:** consideration needed of sharing or pooling staffing across schools / LA in order to meet demand, for example, teaching assistants, supply staff, business support staff, ALNCO, IT support staff. Consideration also required of split roles, possibly undertaking admin and TA duties. Apprenticeships to be explored as well as flexible working patterns.
5. **The Learning offer:** confirm the expectations in relation to the curriculum provision at secondary level to ensure effective and efficient staff/ pupil ratios across schools as well as equity of access to the learning offer.

Recommendation: **Marketing and media:** Develop a recruitment campaign promoting Carmarthenshire as an attractive place to live and to work within education. Funding for this campaign is required. If the scrutiny committee agrees to this recommendation, relevant funding will need to be sourced.

### 5. Risk Management Issues

Failing to address the recruitment and retention challenge faced by schools could result in a lack of leadership across Carmarthenshire schools, a lack of teaching staff as well as support / auxiliary staff. *(Corporate Risk Register - CRR190028 - School Leadership - Our ability to recruit and retain high quality and resilient school leaders who can respond to and deal with the transformation of education in Wales)*

The purpose of this report is to enable the Education and Children's services scrutiny Committee to keep abreast of the current position on school recruitment, in line with their request for information.

### **Addressing the challenge**

Educational and children's services departmental officers are working alongside a consultative group of school leaders and teachers to better understand the recruitment challenge within education and to establish potential solutions and ways ahead.

In addition, all secondary headteachers have been consulted seeking their views on the challenge of recruitment.

The work is being conducted through the Strategic Focus group for Leadership and aims to understand the challenge from a 'Carmarthenshire' perspective, within the context of the national context.

Dr David Egan of Cardiff metropolitan university is interested in our work and has invited us to contribute to current research that he is undertaking in order to understand the challenges and potential solutions from a national perspective.

Our consultative work has focussed on:

## 5. Statistics on the number of students applying for and completing Postgraduate

Context:

- Information for ITE courses starting in September 2023 is not available yet.
- The data used here is from Stats Wales (last updated to 2021/22) and Education Workforce Council (updated to 2022/23).
- 2022-23 is the first year that the language medium of training has been recorded for students completing a postgraduate ITE course. This will be recorded in future years.
- Some anecdotal information is included based on conversations with UWTSD, Swansea University and UWIC.

- The number of students commencing Primary ITE (entrants) has been higher than the initial allocated places since 2020/21.
- Entrants to Secondary ITE have been much lower than the allocated places since 2014/15.
- Anecdotal information indicates applications for Primary ITE courses remain high - many good quality primary applicants are turned away. This is not the case for secondary courses.
- The total number of students on ITE in Universities has declined since 2012-13, apart from a rise during the Covid period.
- In 2021/22, the overall number on ITE courses was slightly higher than 2014/15, however, recent anecdotal data suggests this has dropped.
- Anecdotal information for 2023/24 indicates that the numbers for secondary, especially for WM, are lower again than in 2022/23.

## **Section 2: Addressing the challenge:**

- Professional development programmes
- Marketing the benefits of working in education in Carmarthenshire
- The Carmarthenshire recruitment process.

### **Professional Development:**

Recruitment into leadership roles is a national challenge. In addition to the national leadership development programmes, we are devising a Carmarthenshire strategy to address the following question:

**How can we better encourage and support teachers to become effective middle leaders and to progress to senior leadership roles and headship in our schools?**

**The consultation group has taken into account the following national and local strategies, guidance and professional standards:**

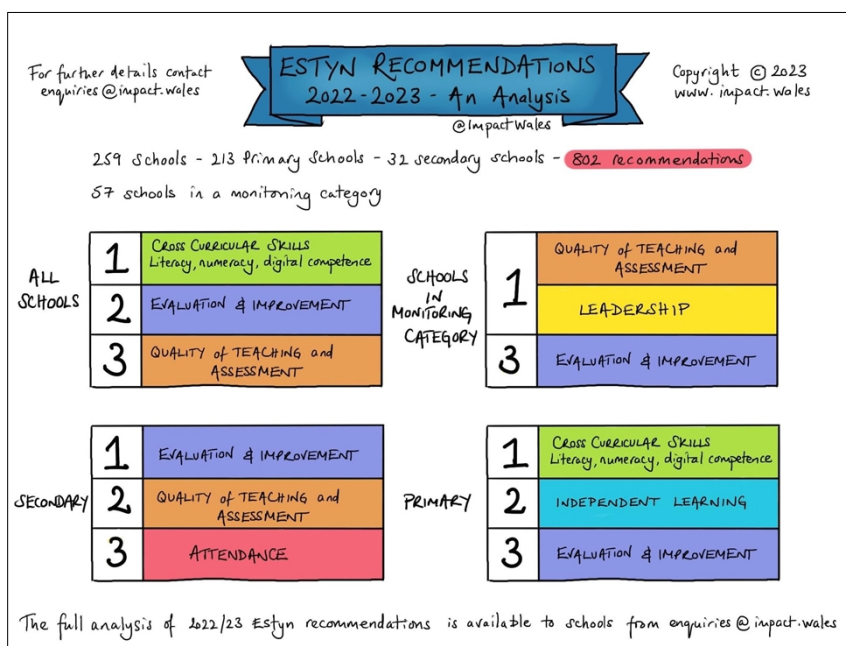

- National Mission Objective 4 :  
Objective 4: High-quality teaching and leadership, where everyone benefits from the best professional learning so that they can support the success of all learners, particularly those who are socio-economically disadvantaged.  
What we will do: Guaranteed career-long professional learning and support for all staff, from initial training through to leadership, focused on realising the four purposes of the curriculum, and capacity and capability to support the success of all learners.
- National Leadership Pathways (delivered by Partneriaeth)
- Schools as a Learning Organisation
- Professional Standards
- Self evaluation and school improvement guidance [School improvement guidance: framework for evaluation, improvement and accountability - Hwb \(gov.wales\)](#)
- CCC 10 year plan / purpose pieces :  
We will work as one team for the benefit of our children  
We will support our children and young people by recruiting, developing, retaining and valuing the best leaders, teachers and staff. We will respect our staff and commit to ensuring their wellbeing.  
We will develop as an effective and efficient learning organisation for the benefit of our children young people and staff,  
We will further develop and strengthen our partnership working ....with departments and organisations.
- National Academy for Leadership

## What is Professional learning and why is it important?

Professional Learning supports the delivery of high standards and aspirations for all learners. Effective school leadership is highlighted by researchers, practitioners, and political representatives as essential if schools are to meet future requirements and fulfil their mission to support the success of all learners.

There is growing insight into the importance of school leadership for the quality and development of schools, and it is widely recognised that leadership is second only to classroom teaching in its impact on student learning ([Leithwood et al., 2020](#)). This knowledge reinforces and highlights the importance of school leaders' professional development. [Bush \(2018\)](#) argues that acquiring leadership skills should be a deliberate, rather than an incidental, process. Therefore, guaranteed career-long professional learning and support for all staff, from initial training through to leadership, focused on realising the four purposes of the curriculum, and capacity and capability is of utmost importance.

This is supported in Impact Wales ESTYN school's recommendation analysis for 2022-23 which demonstrates the importance of strong leadership across our schools at all levels in order to secure improvement:

Our local ESTYN picture aligns with the national picture above.

## What is the current Professional entitlement that supports the development of leadership in our schools?

Practitioners currently have access to a wide and varied professional learning offer to support their continued development in accordance with the **professional standards for teaching, leadership and assisting teaching**.

The education consortia are key partners in the delivery of these professional learning opportunities which have been developed and recognised nationally and are delivered on a regional basis – via Partneriaeth.

### National / Regional Professional learning for leaders

A comprehensive programme of leadership development is on offer to all school leaders across Wales and is in line with professional standards for leadership.

The current national offer for leaders includes:

- Middle Leadership Development Programme
- Senior Leader Development Programme
- \*Aspiring Headteacher Development Programme – preparation for the NPQH. *This is currently being reviewed*
- Newly Appointed and Acting Headteacher Programme
- Experienced Headteacher Programme

These programmes have been endorsed by the National Academy for Educational Leadership and the Middle Leadership Development and Senior Leader Development Programmes also have an accreditation option through ILM.

### \*National professional qualification for headship

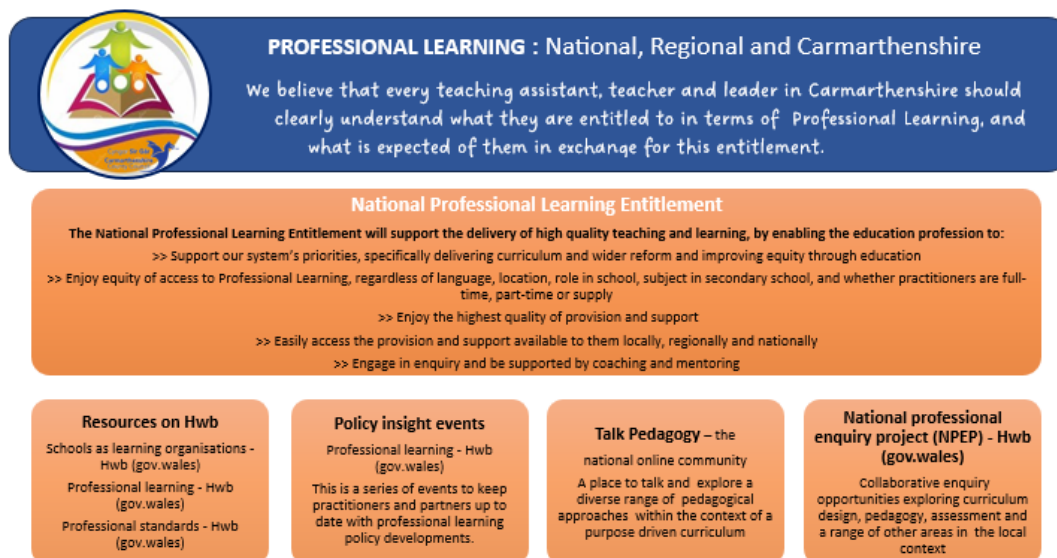

In Wales it is a statutory requirement for anyone serving as a headteacher to hold the National Professional Qualification for Headship (NPQH).

The arrangements for school leaders to achieve the National Professional Qualification for Headteachers (NPQH) have now changed and **can no longer be pursued through participation on the Aspiring Headteachers Development Programme**. The participants currently on the Aspiring Headteachers Development Programme, who commenced the programme in January 2023, will be the last to go through to NPQH assessment following participation in the programme in this current format. Welsh Government, in collaboration with other stakeholders are in the process of developing new NPQH arrangements, by which **a new programme will be in place for Autumn 2024**. Further details about this new NPQH programme will be issued in due course.

<b>Senior leaders within our schools who have the NPQH qualification but are NOT in a substantive headteacher role</b> <b>*data based on 65 responses to a questionnaire in January 2022</b>

Latest statistics on the education workforce in Wales published on September 5<sup>th</sup> 2023 by the EWC notes that, nationally, only 82% of headteachers have the NPQH, with 33.6% of deputies and 12.4% of assistant heads. In light of the above, succession planning for the future will be a national challenge.

## Outline of the current Professional learning entitlement: developing leadership in our Carmarthenshire schools:

### The regionally delivered, nationally aligned, Professional Learning programme

Partneriaeth provides career pathways for leaders, practitioners and support staff at all levels of the system. Partneriaeth aims firstly to support all professionals to progress along their own career pathway and secondly to develop and retain future leaders across the system.

## **Carmarthenshire Professional Learning opportunities for leadership development in our schools:**

- **Taking the next steps into leadership programme:** Supporting partitioners to reflect on their leadership professional standards and to consider the next steps in their leadership development. Supports the application process for national leadership programmes and senior leadership posts. Utilise the CCC / national Pilot 'Thingi' in tracking this development.
- **New and Acting Headteacher Professional Learning:** In addition to being assigned an experienced headteacher from within the LEA as a mentor, to support new headteachers in their role, all new and acting headteachers are offered the following induction sessions during their first year in post:
  - 15.9.23 Information systems, GDPR & Admissions
  - 24.10.23 Safeguarding, Attendance, ECPS & Behaviour
  - 28.11.23 HR, Occ Health, Wellbeing & Governance
  - 31.01.24 Inclusion, Equity, TAF, MEAS & Traveller Services
  - 23.04.24 School Improvement, SEP, PM, SLO & Networks

These provide an insight into aspects of leadership and management and an opportunity to network with colleagues in a similar position and to have a safe space to discuss issues.

- **Strengthening Monitoring and Improvement planning at all levels of leadership :**
  - Targeted PL for HT – Self evaluation and school improvement: how to write an effective School Development Plan. Summer term 2023 and September 2023
  - Targeted PL for Senior Leaders – Self-evaluation and school improvement – how to monitor, evaluate and plan for improvement effectively. 09+10/01/2024
  - Targeted PL for Middle Leaders – Self-evaluation and school improvement – how to monitor, evaluate and plan for improvement effectively. 09+10/04/2024
- Development of the **Self-evaluation and improvement Platform:** a resource to support School and Local Authority Leaders in securing improvement in our schools and share good practice.
- **The development of a Performance Management / Development policy**
- This model policy has been developed and produced in collaboration with the three Local Authorities (Carmarthenshire County Council, Pembrokeshire County Council and City and County of Swansea) within the Partneriaeth Consortia and a consultation is currently being carried out with school leaders on the model policy.

- This model policy refers to the statutory arrangements for the performance management of teachers and headteachers using a 'Professional/Performance Development Model', therefore in this policy 'performance management' has been replaced with 'Performance Development; a different perspective and a new direction designed to challenge thinking, promote deep reflection, collaboration and change for the better.
- Effective performance development is an essential part of securing effective teaching and leadership. The performance development model requires a desire and willingness to engage in continued professional development. The model enables leaders to support each other so that the school benefits from the highest quality leadership. This cannot be achieved by professional learning alone. Performance development is designed to change the way we view accountability and professional development. It is a process that requires a commitment from all staff to engage actively and cognitively in order to seek further growth in professional knowledge and development. There is a shared sense of belief and pride that staff can be the very best, driven by a sense of moral purpose and a desire to continually improve.

**Professional development is regarded as a key driver not only to staff development, but also to recruitment, retention, wellbeing, and school improvement.**

**Recommendations:** Professional development programmes :

***CCC provision :***

- Develop a Leadership academy.
- Develop effective senior and middle leadership professional learning opportunities to develop the quality of distributed leadership and management across the schools to ensure high expectations, high quality leadership and high standards.
- Establish a Deputy/Senior leaders network. Up skill and prepare future HT's in developing their knowledge, understanding, skills and experience in both strategic and operational leaderships aspects. Model learning leadership, distribute leadership and help grow other leaders.
- Cluster working / Collaboration and peer working
- Consideration needed of the broader challenges addressed by school leaders including the effectiveness of governors, recruiting to 'shortage subjects' and the impact of LA systems such as HR links.
- Build on the secondary CASH model to create networks for primary leaders i.e., either a cluster model or area model. Opportunity to network, share practice, improve wellbeing and enhance self improving schools.
- Building on commitment, not compliance, with representatives from the school leadership profession involved in the formulation and development of strategy / frameworks.
- Revise the PL offer by Partneriaeth and the LEA to ensure that they are bespoke and meet the needs of the school. Less is more.

Create a one-page overview with links to the PL to ensure clarity around the offering and ease of access.

- Consider the value of the national apprenticeship scheme in developing teaching assistants, business managers and IT support staff.
- Review current Performance Management policy to ensure that it nurtures and grows leaders according to their stage of development. Align with the national standards for professional development. GROW model.
- WESP / Welsh language Substantial development needed in the Professional Development of Welsh medium staff to support the implementation of the WESP. Financial obligations to meet these are challenging.
- CCC MEP programme. Do current schools' varying demographics / size allow structure to foster, develop and support leaders effectively? Larger school structures allow leadership development pathways within the schools, where effective leadership is modelled, grown and supported.

#### **Regional/National provision:**

- Develop an ALN senior leaders' programme
- Embed the principles of an SLO across all PL to facilitate continuous self-improving establishments. Not sit in silo
- Coaching and mentoring PL for all senior and experienced leaders. Up skill existing HT's and future leaders to empower staff to devise new ideas and creative solutions. This will build confidence, self-esteem, inspire, empower and engage future leaders and ensure innovation.
- WG progress in developing Professional Learning entitlement:

#### **Professional development and review**

'We have worked with practitioners and education workforce unions to develop revised performance management guidance which will be published by the end of the year. Revised guidance will set out a flexible process in which practitioners take responsibility for their own development and the school provides the time and space required through effective use of the professional learning grant. *Jeremy Miles MS, Minister for Education and Welsh Language* Cabinet Statement Update - reducing workload and bureaucracy for school staff 09/11/23 [Written Statement: Update - reducing workload and bureaucracy for school staff \(9 November 2023\) | GOV.WALES](#)

## **Addressing the challenge: Marketing**

The consultation group has reflected on current marketing and promotion of education within Carmarthenshire.

To ensure that succession planning for the future workforce is suitably addressed the following need to be considered:

- Working within education as a career
- Working specifically within Education in Carmarthenshire

## **Recommendations: Marketing and communication:**

1. Support is required from the marketing and media team. Funding for this support to be agreed.
2. Promote Carmarthenshire as 'the' place to work within education and 'the' place to live.
3. Utilise the education profession to promote themselves. How is education promoted amongst learners as a career of choice?
4. Consider how effectively recruitment systems promote and market Carmarthenshire as a location of choice? How can individual schools be supported to promote their school environments, culture, and ethos? Refine the 'information packs', template letters etc.
5. How does social media play its role in marketing working within the education sector?
6. Connect with further and higher education establishments. Consider a roadshow, promoting the benefits of working within Carmarthenshire across PGCE courses, UWTSD and Swansea, Cardiff, Bangor and Aberystwyth too.
7. Consider 'Market place' event for November 2024 – multifaceted event, promoting Carmarthenshire as a place to live and work.

## **Addressing the Challenge: The Recruitment process:**

Recruitment of headteachers, teachers and all school-based staff remains the responsibility of governing bodies in Wales.

The consultative group has considered the current recruitment processes, aiming to strengthen processes considering current recruitment challenges as well as anticipated challenges.

Advice and guidance is available for school leaders from the Human resource team when undertaking recruitment processes. This is clearly shared via the CCC intranet. In addition, designated human resource officers provide valuable bespoke advice for school leaders. Delays within the recruitment processes and led to challenges for schools. This is being robustly addressed via the introduction of the updated Oreo recruitment process which aims to ensure efficient and effective ways for working when recruiting.

A key priority for Carmarthenshire is to secure effective school leaders across our schools. Comprehensive guidance is available for governing bodies when appointing a headteacher, with processes supported robustly by the human resource and school improvement teams. The guidance provides a framework that enables governing bodies to work in partnership with the Local Authority to make effective appointments and ensures that processes followed are objective and rigorous, complying with legal requirements.

### **How long does it take to appoint a Headteacher?**

From the date a resignation is received it can take several months before the actual appointment is made. Time must be allowed for the following:

- Adequate notification periods between meetings – this is necessary to ensure Governors and Officers are available to attend.
- Advertising – strict deadlines apply when placing adverts in the national media. The Chair of the Selection Panel is responsible for approving the advert as the cost is borne by the school's budget.
- Venue – it is the responsibility of the Selection Panel to find and fund a suitable venue to hold the interviews.
- It is therefore advisable to start planning the recruitment and selection process as soon as a resignation letter has been received.

### **Will the Governing Body and Selection Panel be supported throughout this process?**

- Yes, throughout the process, Officers from the Local Authority's School Effectiveness and Human Resources Teams will be present at all meetings to support the Governing Body as required.

### **Resignation deadlines**

There are three resignation deadlines throughout the academic year and these are listed below for both Headteachers and Deputy Headteachers. Headteachers are required to give an extra month's notice of their intention to resign or retire.

Dyddiad Cau ar gyfer Ymddiswyddo / Resignation Deadline		
	Pennaeth / Headteacher	Dirprwy Bennaeth / Deputy Headteacher
Ddiwedd Tymor y Gwanwyn (Pasg) / End of the Spring Term (Easter)	31 Ionawr / January	28/9 Chwefror / February
Diwedd Tymor yr Haf (31 August) / End of the Summer Term (31 August)	30 Ebrill / April	31 Mai / May
Diwedd Tymor yr Hydref (31 Rhagfyr) / End of the Autumn Term (31 December)	30 Medi / September	31 Hydref / October

The selection process and related procedures must be conducted within the legal framework for the appointment of Headteachers as defined in the Staffing of Maintained Schools (Wales) Regulations 2006.

In the interests of transparency, equality of opportunity and in accordance with Local Authority guidelines for Governors, the Governing Body is advised that the Selection Panel should meet to:

- Agree a Job Profile, Person Specification and an advertisement for the post.
- Shortlist suitable candidates in accordance with the person specification.
- Agree the format of the interview, tasks and questions to be used.
- Interview selected candidates.
- Where considered appropriate, recommend to the full Governing Body appointment of one of the candidates.

In all schools, the Director of Education & Children's Services or their representative(s) is entitled to attend relevant meetings of the Selection Panel to offer professional advice. The Governing Body has a duty to consider the Director of Education & Children's Services' advice before making a decision.

The consultation group has:

- Been briefed on the current recruitment processes and how these have evolved over the last 5 years in response to system wide feedback. This includes an overview of the new 'Oleco' recruitment systems.
- Considered the experience of potential applicants. How appealing are job advertisements? How well does the recruitment process engage with potential applicants? How enticing is the information shared in relation to the individual school and also in relation to living in Carmarthenshire also.
- Consulted with successful and unsuccessful candidates to gain an understanding of their experiences. Initial feedback highlights the value and rigour of the recruitment processes. This work is ongoing. Further analysis of candidates' strengths and areas for development required and how well these professionals are supported to further develop.
- Reflected on the interview processes. Recruitment processes within Carmarthenshire are robust, standardised and ensure an evidence-based approach to recruitment, as outlined above. The changes implemented to the recruitment process over the last 12 months, such as the withdrawal of online assessment tasks and role plays are welcomed. Governing bodies are well supported and are provided with a comprehensive range of questions, linked to the professional standards for school leaders, from which they can select, or further develop, to ensure that they glean the information required to align to their school's context, ethos and vision. Additional developments are required to ensure that initial information shared, template letters etc are engaging. See marketing recommendations.

**Recommendations in relation to the Recruitment processes :**

- Market the interview processes accurately, aiming to 'myth bust'. Ensure that 'language' does not dissuade candidates.
- Consider adding a broader range of questions to the governor guidance.
- Ensure that the professional development support overtime, prepares potential candidates well for interview processes.
- Explore apprenticeship schemes, particularly in relation to teaching assistants, business support managers and IT support staff.
- Recruitment policy: review the current recruitment policy to ensure that it is appealing for future leaders.

### Overarching Recommendations for consideration:

1. **Marketing and media:** Develop a recruitment campaign promoting Carmarthenshire as an attractive place to live and to work within education. Funding for this campaign is required.
2. **Professional development:** Develop a Carmarthenshire Leadership Academy, drawing together all aspects of national and local professional development, mentoring and coaching. Emphasis also required on the robust, wellbeing support that is routinely available for school leaders as well as on Welsh Language development.
3. **Recruitment:** Further strengthen the user experience during the recruitment processes, with a particular emphasis on maintaining engagement in the initial stages of job seeking searches through to the application submission and interview processes. Engage with Higher Education institutions, nationally.
4. **Addressing the staffing need:** consideration needed of sharing or pooling staffing across schools / LA in order to meet demand, for example, teaching assistants, supply staff, business support staff, ALNCO, IT support staff. Consideration also required of split roles, possibly undertaking admin and TA duties. Apprenticeships to be explored as well as flexible working patterns.
5. **The Learning offer:** confirm the expectations in relation to the curriculum provision at secondary level to ensure effective and efficient staff/ pupil ratios across schools as well as equity of access to the learning offer.

### Prioritisation:

Phase 1 – Middle to senior leaders and headteachers.

Phase 2 – Business managers and IT managers

Phase 3 – Secondary specialists in shortage subjects, including Welsh language

Phase 3 – Pupils to NQTs to Teachers to middle leaders.

# Gwasanaeth Cerdd Sir Gâr Carmarthenshire Music Service

Rhagfyr 2023 / December 2023

[sirgar.llyw.cymru](http://sirgar.llyw.cymru)  
[carmarthenshire.gov.wales](http://carmarthenshire.gov.wales)

Carmarthenshire Music Service provides peripatetic music support to over 85 schools across the county of Carmarthenshire. Currently over 3,500 learners receive tuition on a weekly basis via a range of instrumental and vocal opportunities as well as curriculum support at Key Stage 2.

The service currently employs 30 members of staff which is a mixture of full-time and part-time employees (22.2 FTE).

Music Service staff provide tuition to schools for a minimum of 36 weeks in each academic year. Outside of directed time, where staff support weekly ensemble rehearsals, staff are teaching to capacity within schools and settings.

The Music Service works closely with head teachers and school-based staff to deliver a music programme that is engaging for all learners. This will help our young people realise the four purposes of Curriculum for Wales, enabling them to become:

- ambitious, capable learners, ready to learn throughout their lives
- enterprising, creative contributors, ready to play a full part in life and work
- ethically, informed citizens of Wales and the world
- healthy, confident individuals, ready to lead a fulfilling life as valued members of society.

## **The Importance of Music**

Music education is important for a variety of reasons, as it offers numerous benefits to individuals and society as a whole. Here are some key reasons why music education is vital to learners in our county:

1. **Cognitive Development:** Learning music involves various cognitive processes such as memory, attention, and problem-solving. It has been linked to improved academic performance, particularly in subjects like mathematics and language.
2. **Emotional and Social Skills:** Music provides a unique platform for self-expression and emotional exploration. Through music education, individuals learn to express themselves creatively, understand and convey emotions, and collaborate with others in group settings, fostering social skills and teamwork.
3. **Discipline and Time Management:** Learning an instrument or participating in a music ensemble requires discipline and regular practice. This helps students develop good habits of time management, perseverance, and a strong work ethic.
4. **Enhanced Motor Skills:** Playing musical instruments involves the use of fine and gross motor skills. This can contribute to the development of coordination and dexterity, benefiting both physical and cognitive aspects of a person's development.
5. **Cultural Appreciation:** Music education exposes individuals to a variety of musical styles and traditions, promoting an understanding and appreciation of different cultures and histories. This can contribute to a more culturally aware and open-minded society. The unique culture of Wales includes our rich heritage of singing which is nurtured from a young age in our county.

6. **Confidence Building:** Achieving proficiency in music can boost a person's self-esteem and confidence. Performing in front of others, whether in a small group or a larger audience, helps individuals overcome stage fright and develop confidence in their abilities.
7. **Creativity and Critical Thinking:** Music encourages creativity and originality. It stimulates the imagination and helps individuals think outside the box. Additionally, the process of learning and creating music involves critical thinking skills, as musicians make decisions about interpretation, expression, and technique.
8. **Stress Reduction and Well-being:** Music has therapeutic qualities and can be a source of stress relief. Engaging with music through playing instruments or singing can have positive effects on mental health and overall well-being.
9. **Lifelong Enjoyment:** Music education lays the foundation for a lifelong enjoyment and appreciation of music. Whether individuals become professional musicians or simply continue to engage with music as a hobby, the skills and appreciation developed during music education can last a lifetime.
10. **Community Building:** Music brings people together. Group performances, ensembles, and choirs create a sense of community and shared accomplishment. This fosters social connections and a sense of belonging.

## **National Plan for Music Education**

The National Plan for Music Education sits alongside the new Curriculum for Wales. Music is the only subject within the Expressive Arts Area of Learning and Experience (AoLE) that has been provided with its own national strategy for learners in Wales. The National Plan for Music Education is statutory.

The National Music Service does not have any operational involvement in the 'day to day' management of Carmarthenshire Music Service. All elements of the new national plan are being delivered by Carmarthenshire Music Service as well as any associated support and training.

Carmarthenshire County Council has supported the successes of the Music Service over many years which is why we have such a sector leading provision for our pupils. Many other authorities in Wales are now in the process of developing strategies to respond to the requirements of the plan with one authority required to re-start a county Music Service after an absence of over 20 years.

The National Plan for Music Education requires Music Services in Wales to provide extended support for music-making under three key headings:

- Music In Schools – This includes programmes of study within four areas: *First Experiences, Live Music Experiences, Music Tuition* and *Music Pathways*.
- Schools, Settings and Wider Communities – This element focuses on the delivery of the Curriculum for Wales including equity, diversity and inclusion as well as music for lifelong learning, health and well-being.

- Music Outside of Schools – This includes making music with others, focusing on music activities and ensembles as well as performance and creative industries training.

Carmarthenshire Music Service has a significant amount of responsibility in realising the aims of the national plan for Music Education in addition to providing weekly instrument tuition, vocal tuition and ensemble opportunities for the learners in Carmarthenshire. The WLGA has committed to providing a grant for one more year to assist with this provision, however, it significantly underestimates the cost of provision in rural authorities such as Carmarthenshire.

The National Music Service for Wales is required to monitor and report on the delivery of the plan, including developing an evaluation strategy identifying baseline data and key outcomes to measure the impact of this work programme. A survey is carried out with each authority at key intervals in conjunction with Data Cymru to gather data on the progress of the plan.

## **New Curriculum for Wales**

The arts subjects have new prominence in the Welsh curriculum and form one of the six AoLEs for learners: Expressive Arts – Music, Drama, Dance, Art and Digital Media.

A significant amount of the training and support for schools in relation to new aspects of the curriculum is being provided by the Music Service. Staff from the Music Service have significant curriculum experience and expertise on the majority of the five key areas within the Expressive Arts AoLE – a large amount of this support is not currently available directly from Partneriaeth. The Music Service can continue to grow its support for schools and provide a first class programme for upskilling non music specialists.

Other consortia in Wales have made significant progress in certain areas particularly in regard to the Digital Competence Framework (DCF). Carmarthenshire Music Service is leading on a number of exciting new groundbreaking initiatives which are being emulated by neighbouring authorities. This is a testament to the skill-set within the current team, however, this is predicted to increase over the coming years.

## **School Support – Service Level Agreement Offer**

Schools are offered range of support via an annual Service Level Agreement (SLA) for a wide range of disciplines:

Upper Strings – Violin and Viola

Lower Strings – Cello and Double Bass

Brass – Trumpet, Cornet, Tenor Horn, French Horn, Baritone, Euphonium, Trombone and Tuba.

Piano Accompaniment – Support for school assemblies and external examinations is offered.

Music Technology – This current offer provides teaching and training for all aspects of *Charanga*, *Soundtrap* and all other digital packages that are available.

In addition to the weekly instrumental and vocal lessons the service provides a variety of ensemble performing opportunities for learners. These programmes allow learners to progress and to develop their ensemble skills across the Key Stages:

### **Junior Ensembles – Primary School Pupils – Years 3-6**

- These activities are for primary school pupils only
- 10 ensembles are currently provided for learners

- All rehearsals take place on a termly basis at venues across the county
- All ensembles perform at the annual Junior Proms which take place at the Ffwrnes Theatre, Llanelli at the end of the summer term

#### Intermediate Ensembles – Secondary School Pupils – Years 7-9

- These activities are structured for Key Stage 3 pupils
- 4 ensembles are currently offered to learners
- The majority of rehearsals take place on a weekly basis at Q.E. High School, Carmarthen
- All ensembles perform at the annual Intermediate Music Festival which is held at Q.E. High School

#### Carmarthenshire Senior Ensembles – Secondary Pupils – Years 10-13

- These activities are structured for Key Stage 4 and Key Stage 5 pupils

- Rehearsals take place on a termly / half-termly basis at Neuadd Y Gwendraeth and Q.E. High School
- All ensembles perform at the annual Intermediate Music Festival which is held at Neuadd Y Gwendraeth, Drefach

## **GCSE and A Level Provision**

Music Service staff are integral to the delivery of GCSE, AS and A Level programmes of study in our secondary schools. In the vast majority of cases, Music service staff have the responsibility to prepare learners for the entire performance elements, which can include solo and ensemble performances:

- WJEC Music GCSE – The performance element (Unit 1) accounts for 30% of the overall final mark.
- WJEC Music AS / A Level – The performance element can account for up to 34% of the overall final mark (depending on the pathway chosen by the pupil).

Secondary school staff do not have the skill-set to be able to deliver the vast range of provision required to support these elements of the courses. Carmarthenshire Music staff consistently support learners to achieve some of the highest marks across the country.

## **Learner voice**

Carmarthenshire Music Service has a pupil voice programme titled 'Llais Cerdd' where pupils are given the opportunity to shape the programmes of study for ensemble performances. Pupils have been eager to be involved and have felt empowered with the process. We have already started to implement changes to support learners such as adapting the calendar of events to support access. We are in the process of expanding our 'Llais Cerdd' initiative.

## **Instrument / Equipment Loan**

Instruments are provided to pupils free of charge and each 'loan' is reviewed on an individual basis each year. Pupils have access to any instrument within the range of tuition that is offered including adapted / plastic instruments for Additional Learning Needs pupils.

Schools are also able to borrow a wide range of equipment and musical instruments depending on the individual need e.g. Public Address systems, Keyboards, Synthesisers, Amplifiers, Choral Staging etc.

## **Corporate Support**

The Music Service supports corporate colleagues and departments in a variety of ways across a wide range of events each year:

- Performances at events as required e.g. Royal engagements, civic ceremonies, corporate launches etc.

- Equipment loan e.g. Public Address (PA) systems, radio microphones, broadcast, radio communication devices, equipment, support for Theatrau Sir Gar events and productions etc.
- Demonstrations
- Technical support and training

These elements of support are provided free of charge and can often take a significant amount of planning and time for Music Service staff. These elements of support also save money for corporate departments e.g. a small PA hire can cost between £250 and £500 for a short term three day event.

### **Community Support**

The service currently supports a number of instrumental, vocal and theatrical groups in the community including Carmarthen Symphonic Wind Band, Llanelli Wind Band, Llandeilo Wind Band, Nantgaredig Community Band, Crwbin Brass Band, Carmarthen Youth Opera, Carmarthen Amateur Operatic Society and BOW Productions. Support for these organisations is varied and ranges from repertoire and instrument loan to performance support with concerts and productions.

This involvement in community music develops music for lifelong learning contributing to national health and well-being objectives. This allows all that engage with it to build skills for life.

Future plans for community support include an exciting new opportunity to work with the Adult and Community Learning (ACL) team. Learners will be offered a range of group tuition including ukulele lessons and woodwind lessons. We hope to grow and expand this pilot over the coming years.

The Music Service is also investigating the potential of working with leisure department and specifically the county library system. This pilot hopes to make instruments and tutor books available via the same process of hiring books etc. This process is currently being trailed in Scotland and the Music Service hopes to provide the first pilot of this nature in Wales.

## FORTHCOMING ITEMS – TO BE CONSIDERED AT THE NEXT MEETING OF THE EDUCATION, YOUNG PEOPLE AND THE WELSH LANGUAGE SCRUTINY COMMITTEE TO BE HELD ON 31 JANUARY 2024

In order to ensure effective Scrutiny, Members need to be clear as to the purpose of requesting specific information and the outcome they are hoping to achieve as a consequence of examining a report. Limiting the number of agenda items may help to keep meetings focused and easier to manage.

Agenda Item	Background	Reason for report
DRAFT DIVISIONAL SERVICE DELIVERY PLANS	The Divisional Delivery Plans set the strategic actions and measures that the services within the Division will take forward in order for the Council to make progress against its Well-being Objectives, thematic priorities and service priorities. Draft Plans are prepared to accompany and aid budgetary discussions, while final Plans are published in line with the new financial year in April 2024.	This item will enable the Committee to consider and comment on the Education and Children's Services Business Plan's relevant to its remit.
REVENUE BUDGET STRATEGY CONSULTATION	As part of the Council's consultation procedures on the development of its budget strategy, all scrutiny committees are provided with the opportunity of considering commenting on the Strategy.	The objective of the report is to allow members to consider the corporate budget strategy and the associated service delivery impact and options for the forthcoming years.
UPDATE ON THE CHILDCARE OFFER FOR WALES	In 2018/19 the Education & Children Scrutiny Committee completed a Task & Finish Review of the current provision for early years education, childcare and play opportunities. **4. AROLYGIAD ESTYN O WASANAETHAU ADDYSG LLYWODRAETH LEOL SIR GAERFYRDDIN**

[Sylwer: Roedd y Cyngorydd S. L. Rees wedi datgan buddiant yn yr eitem hon yn gynharach ac arhosodd yn y cyfarfod wrth i'r mater gael ei drafod ond ni phleidleisiodd yn ei gylch].

Bu'r Pwyllgor yn ystyried canlyniad arolygiad Estyn o Wasanaethau Addysg Sir Gaerfyrddin a gynhaliwyd ym mis Gorffennaf 2023 yn unol â'r fframwaith Gwasanaethau Addysg Llywodraeth Leol.

Roedd yr arolygiad yn rhoi sylw i 3 phrif faes yn ymwneud â deilliannau, gwasanaethau addysg ac arwain a rheoli. Daeth yr arolygiad i'r casgliad bod gwasanaethau addysg Sir Gaerfyrddin yn cael eu harwain yn gadarn gan uwch

swyddogion ac aelodau etholedig, a oedd yn rhannu gweledigaeth glir ar gyfer addysg yn yr awdurdod.

Nododd yr arolygiad berthnasodd gweithio cynhyrchiol gydag ysgolion a darparwyr eraill, a bod prosesau gwella ysgolion gwerthfawr a bwriadus ar waith.

At ei gilydd, ystyriwyd bod trefniadau moderneiddio ac ad-drefnu ysgolion yr Awdurdod yn gadarn, a bod darpariaeth addas ar waith i ddiwallu anghenion disgyblion ag anghenion dysgu ychwanegol (ADY). Cyfeiriwyd hefyd at y gwaith diweddar a wnaed gan wasanaethau addysg i fireinio eu darpariaeth i gefnogi a gwella ymddygiad mewn ysgolion, a braf oedd nodi bod canlyniadau cadarnhaol eisoes wedi dod i'r amlwg yn hyn o beth.

Nododd yr adroddiad fod deilliannau arolygiadau o ysgolion Sir Gaerfyrddin yn amrywio dros amser, er yn fwy diweddar, ers i Arolygiadau Estyn ailddechrau yn 2022, bod y gyfran sydd angen gweithgarwch dilynol gan Estyn wedi lleihau.

Bu'r Pwyllgor yn ystyried y meysydd i'w gwella a oedd wedi arwain at gyfanswm o 3 argymhelliaid mewn perthynas â gwella presenoldeb disgyblion yn ysgolion yr Awdurdod, cryfhau prosesau gwella ysgolion, yn enwedig ar gyfer ysgolion uwchradd, a mireinio ymagweddau at hunanwerthuso a chynllunio gwelliant.

Mynegodd yr Aelod Cabinet dros Addysg a'r Gymraeg ei werthfawrogiad am ymdrechion rhagorol pawb a oedd yn gysylltiedig â hyn i sicrhau bod yr addysg orau posibl yn parhau i gael ei darparu i blant a phobl ifanc.

Rhoddwyd sylw i nifer o sylwadau ac ymholiadau, fel a ganlyn:

Croesawodd y Pwyllgor y farn gadarnhaol a nodwyd yn yr adroddiad a chanmolodd yr adran gwasanaethau addysg, ysgolion a disgyblion fel ei gilydd am yr adroddiad eithriadol, a oedd yn rhoi ffocws clir i'r Awdurdod yn y dyfodol wrth ddarparu gwasanaethau addysgol ar gyfer Sir Gaerfyrddin.

Wrth ystyried y meysydd i'w gwella a nodwyd yn yr adroddiad, rhoddwyd gwybod i'r Pwyllgor am y cynnydd a wnaed mewn ymateb i bob argymhelliaid ac fe'i sicrhawyd wrth nodi bod gwaith eisoes wedi dechrau i roi sylw i agweddau ar yr argymhellion cyn yr arolygiad gan eu bod eisoes wedi'u nodi drwy brosesau hunanwerthuso a chynllunio gwelliant yr Awdurdod. Cydnabu'r Pwyllgor yr ymrwymiad clir i wella presenoldeb disgyblion yn yr Awdurdod, ac roedd cynnydd eisoes wedi'i gyflawni mewn llawer o ysgolion. Awgrymwyd y gellid rhoi cymorth i'r gwasanaeth addysg fynd i'r afael â'r mater cenedlaethol hwn drwy ddull partneriaeth sy'n cynnwys rhanddeiliaid allweddol, gan gynnwys aelodau'r Pwyllgor, rhieni, llywodraethwyr, athrawon, disgyblion a mewnbwn gan Lywodraeth Cymru i adolygu'r data sydd ar gael a nodi arferion gorau i lywio strategaeth y gwasanaeth addysg yn y dyfodol. Cyfeiriwyd at ymchwil a wnaed gan 'ParentKind' ar ran Llywodraeth Cymru a oedd yn ystyried yr agweddau sydd wedi newid at bresenoldeb yn yr ysgol ers pandemig Covid-19. Yn hyn o beth, cafwyd trafodaeth ynghylch yr ymgyrch barhaus i fynd i'r afael â'r mater absenoldeb o'r ysgol yn ystod y tymor ar gyfer gwyliau teuluol a'r angen i

Lywodraeth Cymru archwilio gwahanol fodelau addysg e.e. blwyddyn academiaidd pedwar tymor a allai gael effaith gadarnhaol ar lefelau presenoldeb.

Mewn ymateb i ymholiad, eglurodd y Cyfarwyddwr Addysg a Gwasanaethau Plant fod ysgolion yn cofnodi amrywiaeth o ddata, gan gynnwys achosion o fwlio, ond byddai'r wybodaeth hon bellach yn cael ei chasglu gan yr adran gwasanaethau addysg i nodi tueddiadau allweddol.

**4.2 bod y Cadeirydd yn cydgysylltu â'r Cyfarwyddwr Addysg a Gwasanaethau Plant i benderfynu ar ddull priodol i'r Pwyllgor gefnogi'r Gwasanaethau Addysg i wella lefelau presenoldeb disgyblion.**

## **5. ADOLYGIAD DERBYNIADAU YSGOLION CYNRADD (CODI'N 4 OED)**

[Sylwer: Roedd y Cyngorwyr B. W. Jones a H. Jones wedi datgan buddiant yn yr eitem hon yn gynharach ac wedi aros yn y cyfarfod yn ystod y drafodaeth ynghylch yr eitem hon a'r bleidlais ddilynol].

Bu'r Pwyllgor yn ystyried adroddiad a oedd yn adolygu trefniadau'r Awdurdod ar gyfer derbyn disgyblion i ysgolion cynradd. Roedd yr adroddiad wedi'i baratoi mewn ymateb i'r argymhellion a oedd yn deillio o'r Adolygiad Gorchwyl a Gorffen o'r ddarpariaeth bresennol ar gyfer addysg blynyddoedd cynnar, gofal plant a chyfleoedd chwarae a gynhaliwyd gan y Pwyllgor yn 2018/19.

Roedd yr adroddiad yn rhoi trosolwg o'r trefniadau presennol ar gyfer derbyniadau meithrin ac amser llawn i ysgolion cynradd yn Sir Gaerfyrddin, ynghyd â chymhariaeth o'r trefniadau derbyn amser llawn a rhan-amser â phob Awdurdod Lleol arall yng Nghymru yn seiliedig ar ymchwil. Yn hyn o beth, cadarnhawyd mai Sir Gaerfyrddin oedd yr unig Awdurdod yng Nghymru â pholisi 'plant sy'n codi'n 4 oed'.

Roedd yr adroddiad yn amlinellu'r heriau sy'n cael eu hwynebu o ran lle a chapasiti ysgolion, anghysondeb ag Awdurdodau eraill, darpariaeth meithrin a blynyddoedd cynnar, cyllid a'r broses dderbyn ei hun.

Bu'r Pwyllgor yn ystyried goblygiadau posibl unrhyw newidiadau i'r trefniadau presennol o ran canfyddiad rhieni, darpariaeth deg, ailddosbarthu cyllid a gofynion ymgynghori. Wrth roi'r wybodaeth ddiweddaraf i'r Pwyllgor am amserlenni, dywedodd y Cyfarwyddwr Addysg a Gwasanaethau Plant mai dyddiad gweithredu unrhyw newidiadau i drefniadau derbyn amser llawn dysgwyr fyddai mis Medi 2025, ac y byddai gwaith ymgynghori yn dechrau yn y dyfodol agos.

Sylwer: Mae'r cofnodion hyn yn amodol ar gael eu cadarnhau yn y cyfarfod nesaf

Rhoddwyd sylw i nifer o sylwadau ac ymholiadau, fel a ganlyn:

Dywedwyd bod derbyn disgyblion bob tymor yn creu heriau i wasanaethau addysg o ran prosesau gweinyddu ac y gallai hefyd roi pwysau sylweddol ar ysgolion o ran trefnu ystafelloedd dosbarth. Yn hyn o beth, awgrymwyd y gallai dyddiad dechrau penodol ym mis Medi fod yn ffordd briodol ymlaen, yn dibynnu ar ganlyniad yr ymarfer mapio a oedd ar waith ar hyn o bryd, yn ogystal â ffactorau eraill sy'n gysylltiedig â datblygu'r Rhaglen Cymunedau Dysgu Cynaliadwy.

Cydnabu'r Pwyllgor fod y gwahaniaeth sy'n cael ei greu yn sgil y trefniant blynyddoedd cynnar/meithrin economi gymysg yn cael ei ystyried yn annheg gan Gyrff Llywodraethu a chymunedau, yn enwedig oherwydd yr effaith andwyol ar ardaloedd gwledig. Yn unol â hynny, dywedwyd y byddai dull cyson yn sicrhau darpariaeth deg. Rhoddwyd sicrwydd i'r Pwyllgor bod yr ymarfer mapio i nodi'r ddarpariaeth bresennol a gofynion pob ardal yn y dyfodol ar fin cael ei gwblhau.

Pwysleisiwyd cyfraniad pwysig darpariaeth addysg y blynyddoedd cynnar i'r Pwyllgor. Yn hyn o beth, cydnabu'r Pwyllgor gymhlethdodau'r gwahanol ffactorau a'r goblygiadau sy'n ymwneud â'r adolygiad. Mewn ymateb i sylw y dylid defnyddio dull cyson, sef y dylai pob plentyn 3 oed yn y sir fod yn gymwys i gael addysg ran-amser yn ei ardal leol, cadarnhaodd y Cyfarwyddwr Addysg a Gwasanaethau Plant fod y ddarpariaeth yn cael ei chynnig drwy drefniant blynyddoedd cynnar/meithrin economi gymysg ar hyn o bryd ac na ellid gwarantu gwneud yr holl ysgolion yn rhai 3-11 oed. Fodd bynnag, byddai canlyniadau'r dadansoddiad o fylchau yn pennu'r ddarpariaeth orau ar gyfer pob ardal yn y Sir.

Awgrymwyd y dylid cysylltu â darparwyr hyfforddiant fel rhan o'r ymarfer mapio ysgolion parhaus i gael dealltwriaeth bellach o nifer y staff sydd ar gael ar hyn o bryd, yn ogystal ag amcanestyniadau yn y dyfodol mewn gwahanol ardaloedd. Rhoddodd y Cyfarwyddwr Addysg a Gwasanaethau Plant sicrwydd bod trafodaethau wedi dechrau gyda'r Mudiad Meithrin am ofynion staffio a recriwtio mewn ymdrech i sicrhau bod darpariaeth staffio ddigonol ar gael sydd â'r sgiliau angenrheidiol i gyflawni'r rôl.

Wrth ystyried pwysigrwydd Niferoedd Derbyn (ND) a'r effaith ar drefniadau derbyn, eglurwyd bod yr ND ar gyfer pob ysgol wedi'i gyfrifo gan ddefnyddio'r fformiwla capasiti a gyflwynwyd gan Lywodraeth Cymru yn 2011. Cadarnhaodd y Pennaeth Mynediad i Addysg fod y cyfrifiad capasiti yn cael ei adolygu gan Lywodraeth Cymru yn unol â chanllawiau ardal ar gyfer adeiladau newydd.

Mewn ymateb i ymholiad, cadarnhawyd y byddai'r gost sy'n gysylltiedig â Pholisi Plant sy'n Codi'n 4 Oed yr Awdurdod yn cael ei chynnwys yn y broses ymgynghori.

Roedd y Pwyllgor yn croesawu'r adolygiad a gofynnodd am ddechrau'r broses ymgynghori yn gyflym er mwyn cael barn rhanddeiliaid allweddol.

## PENDERFYNWYD YN UNFRYDOL:

- 5.1 nodi'r adroddiad;
- 5.2 bod y sylwadau a wnaed gan y Pwyllgor uchod mewn perthynas â'r Adolygiad Derbyn Disgyblion i Ysgolion Cynradd (Plant sy'n Codi'n 4 Oed) yn cael eu hanfon at y Cabinet i'w hystyried.

## 6. CYLLIDEBAU YSGOLION

[Sylwer: Roedd y Cynghorydd B. W. Jones wedi datgan buddiant yn yr eitem hon yn gynharach ac arhosodd yn y cyfarfod wrth i'r mater gael ei drafod ond ni phleidleisiodd yn ei gylch].

Bu'r Pwyllgor yn ystyried adroddiad cyllidebau ysgolion a oedd yn rhoi'r wybodaeth ddiweddaraf am sefyllfa'r Awdurdod ar ddiwedd y flwyddyn ariannol ar 31 Mawrth 2023 ar gyfer ysgolion cynradd, uwchradd ac arbennig yn Sir Gaerfyrddin. Darparwyd ffigurau cymaradwy hefyd ar gyfer 2020/21 a 2021/22.

Rhoddwyd sylw i'r materion/sylwadau a godwyd gan y Pwyllgor, fel a ganlyn:-

Cydnabu'r Pwyllgor fod cyllid grant ychwanegol sylweddol wedi bod ar gael i ysgolion gan Lywodraeth Cymru yn ystod y pandemig coronafeirws, a oedd wedi cael effaith gadarnhaol ar nifer o gyllidebau ysgolion ar gyfer blwyddyn ariannol 2021/22.

Mewn ymateb i ymholiad, cadarnhaodd y Pennaeth Mynediad i Addysg nad oedd unrhyw achosion o Goncrit Awyredig Awtoclafiedig Cydnerth (RAAC) wedi'u nodi mewn ysgolion hyd yn hyn a bod arolygon ysgolion yn parhau yn hyn o beth.

Holwyd a oedd rhaglen gyfalaf yr Awdurdod yn gyraeddadwy i gyflawni'r Rhaglen Cymunedau Dysgu Cynaliadwy yng ngoleuni'r penderfyniad a wnaed gan Lywodraeth Cymru i dynnu'r model buddsoddi cydfuddiannol yn ôl o ran Band B ar gyfer Awdurdodau Lleol. Eglurodd y Pennaeth Mynediad i Addysg y byddai rhaglen gyllido dreigl 3, 6 a 9 mlynedd yn cael ei chyflwyno gan Lywodraeth Cymru ym mis Ebrill 2024 a fyddai'n gofyn am raglen gyfalaf ddiwygiedig yn seiliedig ar flaenoriaethau cyfredol a gallu'r Awdurdod i roi arian cyfatebol ar gyfer cyfalaf ar gyfradd ymyrryd o 65% ar gyfer prif ffrwd a chyfradd ymyrryd o 75% ar gyfer darpariaeth ADY ac ysgolion arbennig.

Rhoddwyd gwybod i'r Pwyllgor am y prif bwysau ariannol y mae ysgolion yn eu hwynebu, a oedd, ar y cyfan, i'w priodoli i gostau staffio. Cydnabuwyd hefyd fod cyllidebau ysgolion yn cael eu pennu yn unol â'r fformiwla ariannu gyffredinol ar gyfer ysgolion ac yn seiliedig ar nifer y disgyblion. Dywedwyd bod y mater diffygion ariannol ysgolion wedi'i waethygu ymhellach gan gostau cynnal a chadw adeiladau, lle nad oedd y ddarpariaeth gyllidebol bresennol yn ddigonol i dalu costau atgyweirio. Yn unol â hynny, eglurodd y Cyfarwyddwr Addysg a Gwasanaethau Plant fod y diffygion cronol yn y blynyddoedd i ddod yn parhau i

Sylwer: Mae'r cofnodion hyn yn amodol ar gael eu cadarnhau yn y cyfarfod nesaf

beri pryder a risg sylweddol i'r Awdurdod y byddai angen eu hystyried fel rhan o'r Rhaglen Cymunedau Dysgu Cynaliadwy.

Cafodd y Pwyllgor grynodedb o'r dulliau cymorth parhaus a gynigir i ysgolion, a oedd yn cynnwys 'Panel Adolygu Newid' lle cafodd syniadau ar gyfer arbedion eu harchwilio gyda chynrychiolwyr o wasanaethau addysg, Adnoddau Dynol a Chyllid.

Mewn ymateb i ymholiad, rhoddodd Pennaeth y Gwasanaethau Addysg a Chynhwysiant sicrwydd i'r Pwyllgor, o ganlyniad i'r dulliau cymorth a ddarparwyd gan yr Awdurdod, fod gan ysgolion bellach ymwybyddiaeth well o ofynion cynllunio cyllideb a gwariant. Fodd bynnag, roedd mesurau ymyrraeth arbennig ar gael i'r Awdurdod, os oedd angen, drwy rybudd ffurfiol a fyddai'n cael ei roi gan y Swyddog Adran 151 a'r Cyfarwyddwr Addysg a Gwasanaethau Plant.

Eglurodd Pennaeth y Gwasanaethau Addysg a Chynhwysiant wrth y Pwyllgor fod y cyllid y pen gan Lywodraeth Cymru yn gyson ar gyfer pob disgybl, ond bod arian ychwanegol yn cael ei ddosbarthu i ysgolion gan yr Awdurdod a oedd yn amrywio rhwng £3k - £8k y disgybl.

Bu'r Pwyllgor yn ystyried adroddiad a oedd yn crynhoi cyflawni amcanion busnes y Gwasanaeth Addysg drwy gyfres o Grwpiau Ffocws Strategol cydweithredol. Roedd yr adroddiad yn darparu crynodeb o'r 8 Grŵp Ffocws Strategol a oedd yn cyd-fynd â phob un o'r meysydd blaenoriaeth adrannol ac yn manylu ar gylich gwaith, aelodaeth, trefniadau cyfarfodydd a dulliau adrodd ar gyfer pob grŵp.

Byddai diweddariadau cynnydd yn cael eu darparu lle byddai'r Pwyllgor yn canolbwyntio ar un flaenoriaeth ym mhob chwarter o'r flwyddyn, gan adolygu'r amcanion a chynnig diweddariadau/newidiadau yn ôl yr angen.
