EXECUTIVE SUMMARY

DEMOCRATIC SERVICES COMMITTEE

28th NOVEMBER 2016

Carmarthenshire County Council's Scrutiny Function – Annual Report 2015/16

Scrutiny plays a key role in promoting accountability in the decision making process of local authorities. It is also useful in ensuring that council policies reflect current priorities, as well as promoting efficiency and encouraging partnership working with external agencies.

All non-executive elected members can be appointed to at least one scrutiny committee, depending on their specialist interests or expertise. Carmarthenshire County Council has 5 scrutiny committees:

- Policy & Resources
- Community
- Education & Children
- Environmental & Public Protection
- Social Care & Health

The committees normally meet on a 6 weekly basis to consider issues and reports included in a scrutiny forward work programme, which is developed at the beginning of the municipal year. Additional meetings are sometimes arranged if required and special or joint meetings may be held to consider urgent or cross-cutting issues.

The attached report provides an overview of the Council's Scrutiny Function and the respective scrutiny committees' work during the 2015/16 municipal year and includes details of:

- The scrutiny committees and their activities
- Other scrutiny-related activities
- The year ahead
