# COUNTY COUNCIL ANNUAL MEETING 24<sup>TH</sup> MAY 2017

## AMENDMENTS TO THE COUNCIL CONSTITUTION

### Planning Committee – Size and Composition

The Size and Composition of Local Planning Authority Committees (Wales) Regulations 2017 came into force on the 5<sup>th</sup> May. The regulations require planning committees in Wales to be structured and operated in accordance with the following requirements:

- The planning committee must contain no fewer than 11 members and no more than 21 members, but no more than 50% of the authority members (rounded up to the nearest whole number).

Note: National Park Authorities are excluded from the requirement that the planning committee shall consist of no more than 50% of the authority members.

- Where wards have more than one elected member, only one member may sit on the planning committee, in order to allow other ward members to perform the representative role for local community interests.

Note: This does not apply to a local authority that comprises solely of multiple member wards due to the need to maintain political balance on the committee.

In addition, the Local Authorities (Standing Orders) (Wales) (Amendment) Regulations 2017 also come into force on 5 May. The regulations require the following:

- Each meeting of the planning committee must have a quorum of 50% to make decisions; and
- The use of substitute members is prohibited.

Failure to adhere to the requirements of the aforementioned regulations will affect the validity of decisions taken by the planning committee. It is therefore necessary for the Council's constitution to be amended in order to ensure that planning committees are appointed in accordance with these requirements prior to making decisions.

### Scheme of Allowances

Constitutionally, responsibility for adopting a Scheme of Members' Allowances rests with the Council but the Independent Remuneration Panel for Wales (IRPW) now prescribes the amounts to be paid with a view to providing a consistent national framework for councillor remuneration. Council considered changes for 2017/18 at its meeting on the 26<sup>th</sup> April 2017 (Minute 9.1 refers)

A copy of the Allowances Scheme adopted by Council for 2016/17 amended for implementation for the 2017/18 Municipal Year is attached for consideration (Part 6.1) of the Constitution.

## Other amendments

The report also contains some additional amendments to reflect the recommendations of the Constitutional Review Working Group at its meeting held on the 16<sup>th</sup> December 2016.

All suggested changes to the Constitution are contained in the attached appendices, with deletions stricken through and revised text in italic print (red in online copy).

Other than the Appendices attached, there are no other changes to the constitution.
