VALUE FOR MONEY

BRIEF SUMMARY OF PURPOSE OF REPORT

The framework agreed by Executive Board in meeting of 23rd October 2015 covered 7 aspects.

- **Economy – minimizing the resources used**
- **Efficiency – relationship between output of services and the resources used to produce them**
- **Effectiveness – relationship between outcomes and impact**
- **Sustainability – including succession planning and professional development and capacity building**
- **Collaborative advantage – making the most effective use of each other’s combined capacity**
- **Added Value – gaining more than the optimum expectation**
- **Quality – securing better quality and a focus on improvement**

The report contains an update on two specific strands of progress regarding Value for Money - Comparison with other regions, and Increased use of digital working.

As part of the discussion surrounding report, the items for the next year of Value for Money assessment will be discussed and agreed upon.
